

## ***Star Wars: The Complete Scripts***

### **Star Wars The Scripts**

Cornwall, 1783. The American Revolutionary War is over. Cornishman Ross Poldark returns to his father's lands a battle-weary soul. Met by a homeland gripped in recession and the revelation of his father's death, Ross must contend with the disrepair of his property and the challenge of keeping his family tin mine in business as his sweetheart prepares to marry his cousin. Amidst the stark beauty of the Cornish landscape, Ross must fight for his livelihood, making allies, and enemies, along the way. Delve deeper into the hit BBC drama starring Aidan Turner as Ross Poldark and Eleanor Tomlinson as Demelza. Collecting together Debbie Horsfield's original scripts, *Poldark: The Complete Scripts - Series 1* allows you to relive the greatest moments from the first series, from Poldark's initial homecoming to the series' dramatic close. This is the perfect accompaniment for fans of the series and gives a unique insight into how the show was visualized.

In 1973, a young filmmaker named George Lucas scribbled some notes for a far-fetched space-fantasy epic. Some forty years and 37 billion later, *Star Wars* -- related products outnumber human beings, a growing stormtrooper army spans the globe, and "Jediism" has become a religion in its own right. Lucas's creation has grown into far more than a cinematic classic; it is, quite simply, one of the most lucrative, influential, and interactive franchises of all time. Yet incredibly, until now the complete history of *Star Wars* -- its influences and impact, the controversies it has spawned, its financial growth and long-term prospects -- has never been told. In *How Star Wars Conquered the Universe*, veteran journalist Chris Taylor traces the series from the difficult birth of the original film through its sequels, the franchise's death and rebirth, the prequels, and the preparations for a new trilogy. Providing portraits of the friends, writers, artists, producers, and marketers who labored behind the scenes to turn Lucas's idea into a legend, Taylor also jousts with modern-day Jedi, tinkers with droid builders, and gets inside Boba Fett's helmet, all to find out how *Star Wars* has attracted and inspired so many fans for so long. Since the first film's release in 1977, Taylor shows, *Star Wars* has conquered our culture with a sense of lightness and exuberance, while remaining serious enough to influence politics in far-flung countries and spread a spirituality that appeals to religious groups and atheists alike. Controversial digital upgrades and poorly received prequels have actually made the franchise stronger than ever. Now, with a savvy new set of bosses holding the reins and Episode VII on the horizon, it looks like *Star Wars* is just getting started. An energetic, fast-moving account of this creative and commercial phenomenon, *How Star Wars Conquered the Universe* explains how a young filmmaker's fragile dream beat out a surprising number of rivals to gain a diehard, multigenerational fan base -- and why it will be galvanizing our imaginations and minting money for generations to come.

In this thorough account of one of cinema's most lasting works, Kaminski presents the true history of how "*Star Wars*" was written. For this unauthorized account, he has pored through more than 400 sources.

Delve into the cutthroat world of one of the High Republic's greatest foes, the merciless Lournaa Dee, in this full script for the *Star Wars* audio original *Tempest Runner*. The Nihil storm has raged through the galaxy, leaving chaos and grief in its wake. Few of its raiders are as vicious as the *Tempest Runner* Lournaa Dee. She stays one step ahead of the Jedi Order at the helm of a vessel named after one of the deadliest monsters in the galaxy: herself. But no one can outrun the defenders of the High Republic forever. After the defeat of her crew, Lournaa falls into the hands of the Jedi—but not before she hides her identity, becoming just another Nihil convict. Her captors fail to understand the beast they have cornered. Just like every fool she's ever buried, their first mistake was keeping her alive. Lournaa is determined to make underestimating her their last. Locked up on a Republic correctional ship, she's dragged across the galaxy to repair the very damage she and her fellow *Tempest Runners* inflicted. But

as Louna plans her glorious escape, she makes alliances that grow dangerously close to friendships. Outside the Nihil—separated from her infamous ship, her terrifying arsenal, and her feared name—Louna must carve her own path. But will it lead to redemption? Or will she emerge as a deadlier threat than ever before?

The official behind-the-scenes book of concept, production, and post-production art for Star Wars: The Rise of Skywalker. Go inside the creative process behind the most anticipated film of the century. The latest trilogy in the Star Wars film series brings the Skywalker Saga to a close and The Art of Star Wars: The Rise of Skywalker will take readers into the creative process behind visualizing the epic worlds, creatures, characters, costumes, weapons, and vehicles of the landmark conclusion more than 40 years in the making.

In this simmering, joyous novel, I'll Be the One author Lyla Lee delivers a tender romance set between two brave teens who decide that when the script isn't working, it's time to rewrite it themselves. The first rule of watching K-dramas: Never fall in love with the second lead. As an avid watcher of K-dramas, Hana knows all the tropes to avoid when she finally lands a starring role in a buzzy new drama. And she can totally handle her fake co-star boyfriend, heartthrob Bryan Yoon, who might be falling in love with her. After all, she promised the TV producers a contract romance, and that's all they're going to get from her. But when showrunners bring on a new lead actress to challenge Hana's role as main love interest—and worse, it's someone Hana knows all too well—can Hana fight for her position on the show, while falling for her on-screen rival in real life?

This volume contains all three full-length Star Wars screenplays, presented with the secrets that led to their creation. Through interviews with such people as George Lucas and Lawrence Kasdan, the author uncovers the complex process through which the Star Wars saga came to the screen.

The Ewoks, natives of a tiny moon called Endor, come to the aid of the Rebel Alliance in its climactic battle against the evil Galactic Empire.

Based on the story by George Lucas and the screenplay by Leigh Brackett and Lawrence Kasdan The adventures of Luke Skywalker did not end with the destruction of the Death Star. Though the Rebel Alliance won a significant battle, the war against the Empire has only just begun. Several months have passed, and the Rebels have established a hidden outpost on the frozen wasteland of Hoth. But even on that icy backwater planet, they cannot escape the evil Darth Vader's notice for long. Soon Luke, Han, Princess Leia, and their faithful companions will be forced to flee, scattering in all directions—with the Dark Lord's minions in fevered pursuit. Features a bonus section following the novel that includes a primer on the Star Wars expanded universe, and over half a dozen excerpts from some of the most popular Star Wars books of the last thirty years!

*Although the infamous Death Star has been destroyed and a Rebel base established on the frozen planet of Hoth, Luke Skywalker, Princess Leia, and Han Solo again find themselves pursued by Darth Vader*

*Presents an illustrated overview of the making of the popular conclusion to the original Star Wars trilogy, offering stories from the set, photographs, production illustrations, script excerpts, interviews, and commentary on the film.*

*Discover the incredible story behind the creation and legacy of one of Star Wars' most beloved characters with Star Wars Icons: Han Solo. Smuggler. Rogue. Hero of the Rebellion. Scruffy-looking nerf herder. Han Solo has been called all these things and more since making his debut in the original Star Wars film back in 1977. Four decades later, the irrepressible Solo continues to be one of the most iconic and enduring elements of the saga. Star Wars Icons: Han Solo covers the character's entire journey, from his genesis in George Lucas's first drafts of Star Wars to Harrison Ford's iconic performances in the original three films and The Force Awakens, and the character's rebirth in Solo: A Star Wars Story. The book also takes an in-depth look at Solo's role in the Star Wars expanded universe, through novels, comics, video games, and more, and the indelible impression the character has made on pop culture. Illustrated with a treasure trove of rare and previously unseen imagery, including candid on-set photography and stunning concept art, this deluxe volume also features exclusive new interviews with Harrison Ford, Alden Ehrenreich, Mark Hamill, Billy Dee Williams, Peter Mayhew, Ron Howard, J. J. Abrams, Lawrence Kasdan, Jonathan Kasdan, and many more key creatives. Comprehensive and revelatory, this is the definitive book for Han Solo fans across the galaxy.*

(Amadeus). With style, wit, and expertise, Leonard Bernstein shares his love and appreciation for music in all its varied forms in The Infinite Variety of Music, illuminating the deep pleasure and sometimes subtle beauty it offers. He begins with an "imaginary conversation" with George Washington entitled "The Muzak Muse," in which he argues the values of actively listening to music by learning how to read notes, as opposed to simply hearing music in a concert hall. The book also features the reproduction of five television scripts from Bernstein on the influence of jazz, the timeless appeal of Mozart, musical romanticism, and the complexities of rhythmic innovation. Also included are Bernstein's analyses of symphonies by Dvorak, Tchaikovsky, Beethoven, and Brahms, a rare reproduction of a 1957 lecture on the nature of composing, and a report on the musical scene written for the New York Times after his sabbatical leave from directorship of the New York Philharmonic during the 1964-65 season.

It was made on a shoestring and dumped into a handful of movie theaters back in 1977. And then it changed the world. This is the story of George Lucas and his dream called "Star Wars." It's a story of the people who made the original classic and the people who did their very best to stop it dead. From the

creators of Inside Psycho, Inside the Exorcist, and Inside JAWS, comes a new immersive audio biopic, Inside Star Wars. This is the complete script to the runaway hit Wondery audio podcast series.
