

## The 28 Day Alcohol Free Challenge: Sleep Better, Lose Weight, Boost Energy, Beat Anxiety

Determine if your drinking is a problem, develop strategies for curbing your intake, and measure your progress with this practical, engaging guide to taking care of yourself. Every day, millions of people drink a beer or two while watching a game, shake a cocktail at a party with friends, or enjoy a glass of wine with a good meal. For more than 30 percent of these drinkers, alcohol has begun to have a negative impact on their everyday lives. Yet, only a small number are true alcoholics--people who have completely lost control over their drinking and who need alcohol to function. The great majority are what Dr. Doyle and Dr. Nowinski call "Almost Alcoholics," a growing number of people whose excessive drinking contributes to a variety of problems in their lives.In Almost Alcoholic, Dr. Doyle and Dr. Nowinski give the facts and guidance needed to address this often unrecognized and devastating condition. They provide the tools to identify and assess your patterns of alcohol use, evaluate its impact on your relationships, work, and personal well-being; develop strategies and goals for changing the amount and frequency of alcohol use; measure the results of applying these strategies; and make informed decisions about your next steps.

“ We Are the Luckiest is a masterpiece. It ’ s the truest, most generous, honest, and helpful sobriety memoir I ’ ve read. It ’ s going to save lives. ” — Glennon Doyle, #1 New York Times bestselling author of Love Warrior: A Memoir
What could possibly be “ lucky ” about addiction? Absolutely nothing, thought Laura McKowen when drinking brought her to her knees. As she puts it, she “ kicked and screamed . . . wishing for something — anything — else ” to be her issue. The people who got to drink normally, she thought, were so damn lucky. But in the midst of early sobriety, when no longer able to anesthetize her pain and anxiety, she realized that she was actually the lucky one. Lucky to feel her feelings, live honestly, really be with her daughter, change her legacy. She recognized that “ those of us who answer the invitation to wake up, whatever our invitation, are really the luckiest of all. ” Here, in straight-talking chapters filled with personal stories, McKowen addresses issues such as facing facts, the question of AA, and other people ’ s drinking. Without sugarcoating the struggles of sobriety, she relentlessly emphasizes the many blessings of an honest life, one without secrets and debilitating shame.

Written for those of us who struggle with codependency, these daily meditations offer growth and renewal, and remind us that the best thing we can do is take responsibility for our own self-care. Melody Beattie integrates her own life experiences and fundamental recovery reflections in this unique daily meditation book written especially for those of us who struggle with the issue of codependency.Problems are made to be solved, Melody reminds us, and the best thing we can do is take responsibility for our own pain and self-care. In this daily inspirational book, Melody provides us with a thought to guide us through the day and she encourages us to remember that each day is an opportunity for growth and renewal.

Married mother of two discovers the part alcohol has played in her lifelong struggle with anxiety.Raised in rural Kentucky in the 1980s, Perkins takes her readers on a nostalgic journey as she evolves from a little girl who idealized the beautiful, happy people in beer commercials to a college kid who loses her full-ride scholarship for drinking in the dorms. She grew up thinking the world was divided into drinkers and drunks. Drinkers used alcohol to celebrate-freedom, good weather, youth. Drunks were sweaty, messy losers day-drinking in sticky bars.She spent her young adult life searching-in college parties, in dark bars wearing Forever 21 outfits, in antidepressants that put her in a fog, in dead-end relationships, in bags of overpriced kale from Whole Foods, in local breweries serving hand-crafted beer made from organic hops. She was searching for something to stop the racing thoughts, the irrational moments of panic, the feeling disaster is about to strike. She didn't miss work, her house was clean, her kids were happy. Clearly, she was not an alcoholic. Have you ever taken one of those online quizzes to see if you're an alcoholic? You know, the ones that ask questions like: Do you often miss work or family obligations due to drinking? Never. Does your drinking put you in dangerous situations? Nope. Does your drinking cause persistent health problems? Absolutely not...unless you count debilitating anxiety.Perkins tried tweaking her diet, exercise, sleep and many other health practices while attempting to get her anxiety under control. While still drinking daily. Despite her efforts at avoidance, she finally had to face the truth that alcohol consumption was getting into the way of her living. But how do you get help for drinking if you're not an alcoholic? Hours of online research finally led her to a blog that changed the way she would think about alcohol forever. She finally connected the dots. Alcohol was making everything worse-not better. Read how Samantha Perkins became Alive AF (Alcohol Free) and found the tools to rebuild a life full of love, support and genuine human connection.

Your Simple Guide to Easily Reduce Or Quit Alcohol

How to Go Alcohol Free

Super Nutrition and Mindfulness Exercises for Staying Sober to Support Long Term

The Official Guide to a Month Off Booze

Euphoric

The Sober Survival Guide

Is My (or My Loved One's) Drinking a Problem?

How to Lose the Booze for Dry January, Sober October, and Any Other Alcohol-Free Month

**The first book in the three book practical series on becoming and living alcohol free by alcohol free lifestyle coach and personal trainer, Catherine Mason Thomas. This series is written to inspire you if you want to control alcohol or be alcohol free for an evening, a day, a month or forever. This book introduces some mindfulness exercises and techniques into your daily routine to help with cravings and increase happiness levels. There is also a discussion of supplements specific to alcohol addiction and recovery. The nutrition sections in the book look at eating to avoid the triggers for wanting to drink or cravings HALT and rebuilding your health and looks. The recipes are for healthy eating with specific nutrients to target liver health. There is also a section on juices for everyday and rejuvenation.\* Building the sober person from the inside out\* How you got sober does not matter\* Looking and feeling great\* It's all about blood sugar\* How is alcohol metabolised\* Effect of stopping drinking on your body\* Supporting your body to get back to optimum health\* The food element of HALT\* Supplements\* Liver supporting foods and recipes\* Juices for sobriety**

Addressing the alcohol misuser, their loved ones and addiction professionals, the book seeks to demystify the disease of alcoholism and the recovery process. Overcoming Alcohol Misuse deals with a vital component of recovery, from identifying whether there is a problem, to understanding associated conditions such as depression and anxiety, realising the need for change, and the nuts and bolts of the recovery process. Each chapter contains learning points, individual real-life stories about alcohol misuse and an installment of 'Joe's Story', which is the day-to-day experience of one person as he journeys into sobriety over the crucial first twenty-eight days. Overall, the book's message is hopeful: people can overcome addiction to alcohol, and their personal and professional lives can be repaired and even enhanced. Overcoming Alcohol Misuse is an important aid in achieving this. Dr Conor Farren is a consultant psychiatrist at St Patrick's University Hospital, Dublin. For more information on Dr Conor Farren and the book see www.conorfarren.com "This is an excellent book which deserves to become an important and well known text. It is a valuable resource for sufferers, but will also provide support and information for families and carers. I would also highly recommend it to professionals working in this difficult field." Rachel X. A. Petrie, Consultant Psychiatrist (Addictions), Alcohol and Alcoholism, Vol 47, No. 1, 2012

“The definitive guide to giving up booze.”—People
Foreword by Lo Bosworth
For many people, drinking a glass of beer or wine after work is a part of everyday life. But did you know taking a break from drinking (even for just a month!) has extreme benefits and can be incredibly life-changing? From losing weight, to saving money, to sleeping better at night, the overall health and mental gains of going dry for a month are endless. Whether you’re eager to try Dry January or simply want to lessen your quarantine drinking habits in a positive and approachable way, as daunting as it may seem, you too can do it! Understandably, more and more people have been turning to alcohol as a coping mechanism to get through the pandemic, but maybe this is a good time to ask yourself: Are you waking up feeling out of sorts more often than you’d like to be? Offering friendly support and encouragement and filled with engaging activities to help you prepare –and complete – a full alcohol-free month, The Dry Challenge provides an easy step-by-step guide for completing your first Dry January, Sober October, or any other alcohol-free month. You’ll find plenty of booze-free activities from prompts to checklists to the best mocktail recipes around. From making a plan to sharing the news with friends and family (and what to do when someone tries to sabotage your boozeless journey) to getting back on track if you slip up and have a drink (or two), we got you covered. Trend journalist, on-air host, and lifestyle expert Hilary Sheinbaum has been participating in Dry January for the past four years. What started out as a bet with a friend to see who could go the longest without taking a sip of alcohol during January became a ritual she looked most forward to every year. As friends, family, and readers turned to her for advice on how to start their own dry month journeys, Hilary realized everyone’s motivations differed greatly. The decision to give up alcohol is deeply personal and making the choice to stop drinking for any length of time can be discouraging given how normalized alcohol culture is in our society. Have you noticed we use every celebratory event as an excuse to get our drink on? But you don’t have to do it alone! In The Dry Challenge, you’ll find a best friend support system ready to help you tackle the challenges of forgoing alcohol for a month and encourage you every step of the way to the finish line. In The Dry Challenge, you’ll:
· Discover the health, mental, and financial benefits of living a month without booze
· Learn how to combat social pressures from our current drinking culture
· Find fun non-boozy activities everyone can participate in (including making delicious “zero-proof” drinks and throwing the best nonalcoholic shindigs)
Gorgeously packaged and filled with bold colors and graphics, The Dry Challenge is the ultimate interactive guide to staying booze free for one month (yes, this includes champagne!). Written with humor, compassion, and insight, this book will help you achieve your goal of completing an alcohol-free month, one less drink at a time.

Take the 28 day challenge and discover a hangover-free world of quality time to achieve your goals. Even moderate drinking can make you tired, dull your senses and have a negative impact on your relationships. But the great news is that by taking a break from the booze you can reset your drinking habits and make sure you're in control. The 28 Day Alcohol Free Challenge is designed to inspire you to look carefully at how you drink, why you drink, when and where, for a more productive, healthy and happier lifestyle. Andy Ramage and Ruari Fairbairns started their website One Year No Beer to connect with a community of people that, for a variety of reasons, no longer wanted to deal with the adverse effects of drinking alcohol. In The 28 Day Alcohol Free Challenge Andy and Ruari share their extensive experience of going alcohol free, including getting through parties, events and gatherings, and most importantly embracing the health and social benefits of putting alcohol in its place.

The 30-Day No Alcohol Challenge

Would life be better without alcohol? It ’ s the nagging question more and more of us are finding harder to ignore, whether we have a “ problem ” with alcohol or not. After all, we yoga. We green juice. We meditate. We self-care. And yet, come the end of a long work day, the start of a weekend, an awkward social situation, we drink. One glass of wine turns into two turns into a bottle. In the face of how we care for ourselves otherwise, it ’ s hard to avoid how alcohol really makes us feel... terrible. How different would our lives be if we stopped drinking on autopilot? If we stopped drinking altogether? Really different, it turns out. Really better. Frank, funny, and always judgment free, Sober Curious is a bold guide to choosing to live hangover-free, from Ruby Warrington, one of the leading voices of the new sobriety movement. Drawing on research, expert interviews, and personal narrative, Sober Curious is a radical take down of the myths that keep so many of us drinking. Inspiring, timely, and blame free, Sober Curious is both conversation starter and handbook—essential reading that empowers readers to transform their relationship with alcohol, so we can lead our most fulfilling lives.

With an easy three-step plan, Mindful Drinking: How To Break Up With Alcohol is here to help the 64% of Brits who want to drink less, and cultivate a new, healthy and more mindful relationship with alcohol. You CAN drink less, without giving up! Journalist Rosamund Dean combines scientific expertise with practical advice in a game-changing three step guide: The Problem, The Incentive, and The Plan. By following this guide you will be able to experience the benefits of drinking less - drinking less will improve your mood, your skin, your sex-drive and your body as well as reduce stress and anxiety. Whether you are sober-curious, or just want to cut down - Mindful Drinking: How To Break Up With Alcohol shows not only why you should, but also how you can, in a way that will change your life forever. What readers have been saying about Mindful Drinking: How to Break Up With Alcohol: 'Brilliant book; realistic and creating real positive change' 'Would highly recommend for anyone who is concerned about the amount they drink, but doesn't want to completely stop.' 'A brilliantly straightforward and realistic approach to cutting down sensibly.' 'Really broke a cycle for me of just drinking every weekend.'

Be happier, healthier and more productive by taking a break from booze! An illustrated day-by-day guide packed with inspiration and practical help, The 28 Day Alcohol-Free Challenge is the only book you need to reset your drinking habits and discover a hangover-free world of quality time to achieve your goals. Drawing on their own experiences of ditching the drink, and bringing together the collective experience of the thousands of people they have helped, Andy and Ruari bring you unparalleled insight into how you can make your break from alcohol an empowering, life-changing experience. Andy Ramage and Ruari Fairbairns started their website One Year No Beer to connect with like-minded people who no longer wanted to deal with the adverse effects of drinking alcohol. In The 28 Day Alcohol-Free Challenge Andy and Ruari share their extensive experience of going alcohol free, including having a great time at parties, resisting appeals from friends to 'just have the one', and, most importantly, how to make the most of the health benefits of going sober.

Try Dry can help you feel happier and healthier in 2022. DID YOU KNOW foregoing our nightly tittle, even just for a few weeks, can lead to a life of:
- Deeper sleep
- Improved mood
- Fresher skin
- More energy
- Extra cash
Try Dry, with its invaluable resources from the experts at Alcohol Change UK, is your ticket to a hangover-free month and more. So what are you waiting for? Go on. Give Dry January a try.

A Sober Year: Daily Musings on an Alcohol-Free Life is designed to provide daily support to those who have embarked on a sober journey. Filled with personal anecdotes, tips, revelations and encouragement, A Sober Year is a comforting companion for anyone in recovery.

The No 1 bestsellers' new book - packed with quick and easy veggie options, clever meat-free versions of popular favourites and inspiring advice on how to be healthier! 'These lovely boys always create incredibly tasty food' Jamie Oliver
Though they have written two No 1 bestselling vegetarian cookbooks, David and Stephen Flynn, the twins behind the Happy Pear cafés and food business, know it can be challenging to juggle everything and still feel inspired! And being busy dads themselves they also know the pressure of getting delicious healthy meals on the table every day. So Recipes for Happiness is very close to their hearts. And it does what it says on the cover: it is crammed with recipes to make you happier - including a huge section of economical easy dinners that can be rustled up in 15 minutes (chickpea tikka masala, thai golden curry, one-pot creamy mushroom pasta): gorgeous hearty dishes (goulash, Greek summer stew, an ingenious one-pot lasagne that's cooked the hob); a selection of plant-based alternatives to family favourites (burgers, hotdogs, nuggets, kebabs), and irresistible treats (summer fruit bakewell tart, double choc brownie cake). For nearly 15 years David and Stephen's mantra has been Eat More Veg! They have seen fads come and go and they know that what works - for themselves, their families and the thousands of people who eat the Happy Pear way. Cook from Recipes for Happiness and you too will definitely on the way to making your life healthier and happier! 'The poster boys for a healthy way of life!' Sunday Times 'A healthy eating phenomenon' Mail on Sunday 'These twins are on a roll' Time Out '[They] couldn't look healthier or happier ... poster boys for vegetarianism' The Times 'Crammed with great recipes to make you healthier and happier' Take a Break 'The boys are helping to make the world a healthier, happier place ... what's not to love?' Vegan Food and Living 'Enjoy these indulgent-but-healthy dishes indoors or out - you won't even notice it's raining' Vegan Living 'Substantial ... just right for someone interested in exploring the world of "plant-power"' The Vegetarian 'Inspired' Choice Magazine

This best-selling meditation book for those in recovery offers daily thoughts, meditations, and prayers for living a clean and sober life. Since 1954, Twenty-Four Hours a Day has become a stable force in the recovery of many alcoholics throughout the world. With over six and a half million copies in print (the original text has been revised), this "little black book" offers daily thoughts, meditations, and prayers for living a clean and sober life. A spiritual resource with practical applications to fit our daily lives. "For yesterday is but a dream, and tomorrow is only a vision" is part of the Sanskrit proverb quoted at the beginning of the book which has become one of the basic building blocks for a life of sobriety. In addition to a thought meditation and prayer for each day of the year, this handy, pocket-sized volume also contains the Serenity Prayer and the Twelve Steps and Twelve Traditions of Alcoholics Anonymous. It is a simple, yet effective way to help us relate the Twelve Steps to everyday life and helps us find the power not to take that first drink each day.

The Model Rules of Professional Conduct provides an up-to-date resource for information on legal ethics. Federal, state and local courts in all jurisdictions look to the Rules for guidance in solving lawyer malpractice cases, disciplinary actions, disqualification issues, sanctions questions and much more. In this volume, black-letter Rules of Professional Conduct are followed by numbered Comments that explain each Rule's purpose and provide suggestions for its practical application. The Rules will help you identify proper conduct in a variety of given situations, review those instances where discretionary action is possible, and define the nature of the relationship between you and your clients, colleagues and the courts.

The Surprising Magic of a Sober Life

Pinocchio, The Tale of a Puppet follows the adventures of a talking wooden puppet whose nose grew longer whenever he told a lie and who wanted more than anything else to become a real boy.As carpenter Master Antonio begins to carve a block of pinewood into a leg for his table the log shouts out, "Don't strike me too hard!" Frightened by the talking log, Master Cherry does not know what to do until his neighbor Geppetto drops by looking for a piece of wood to build a marionette. Antonio gives the block to Geppetto. And thus begins the life of Pinocchio, the puppet that turns into a boy.Pinocchio, The Tale of a Puppet is a novel for children by Carlo Collodi is about the mischievous adventures of Pinocchio, an animated marionette, and his poor father and woodcarver Geppetto. It is considered a classic of children's literature and has spawned many derivative works of art. But this is not the story we've seen in film but the original version full of harrowing adventures faced by Pinocchio. It includes 40 illustrations.

NEW YORK TIMES BESTSELLER • “An unflinching examination of how our drinking culture hurts women and a gorgeous memoir of how one woman healed herself.”—Glennon Doyle, #1 New York Times bestselling author of Untamed
“You don’t know how much you need this book, or maybe you do. Either way, it will save your life.”—Melissa Hartwig Urban, Whole30 co-founder and CEO
The founder of the first female-focused recovery program offers a groundbreaking look at alcohol and a radical new path to sobriety. We live in a world obsessed with drinking. We drink at baby showers and work events, brunch and book club, graduations and funerals. Yet no one ever questions alcohol’s ubiquity—in fact, the only thing ever questioned is why someone doesn’t drink. It is a qualifier for belonging and if you don’t imbibe, you are considered an anomaly. As a society, we are obsessed with health and wellness, yet we uphold alcohol as some kind of magic elixir, though it is anything but. When Holly Whitaker decided to seek help after one too many benders, she embarked on a journey that led not only to her own sobriety, but revealed the insidious role alcohol plays in our society and in the lives of women in particular. What’s more, she could not ignore the ways that alcohol companies were targeting women, just as the tobacco industry had successfully done generations before. Fueled by her own emerging feminism, she also realized that the predominant systems of recovery are archaic, patriarchal, and ineffective for the unique needs of women and other historically oppressed people—who don’t need to lose their egos and surrender to a male concept of God, as the tenets of Alcoholics Anonymous state, but who need to cultivate a deeper understanding of their own identities and take control of their lives. When Holly found an alternate way out of her own addiction, she felt a calling to create a sober community with resources for anyone questioning their relationship with drinking, so that they might find their way as well. Her resultant feminine-centric recovery program focuses on getting at the root causes that lead people to overindulge and provides the tools necessary to break the cycle of addiction, showing us what is possible when we remove alcohol and destroy our belief system around it. Written in a relatable voice that is honest and witty, Quit Like a Woman is at once a groundbreaking look at drinking culture and a road map to cutting out alcohol in order to live our best lives without the crutch of intoxication. You will never look at drinking the same way again.

'AN INSPIRATIONAL MANIFESTO' - Ammie Grace 'SIMON IS FABULOUS - YOU HAVE NOTHING TO LOSE AND EVERYTHING TO GAIN!' - Clare Pooley
Do you feel trapped by alcohol? Do you find yourself thinking about drinking too often? Do you put alcohol ahead of the most important things in your life? If so - here's some good news. You can quit drinking, and it's not as difficult as you think. Simon Chapple is a Certified Alcohol Coach who has helped thousands of people change the way that alcohol features in their lives. In How to Quit Drinking in 50 Days he'll give you a structured way to find complete freedom from alcohol - for now, or forever. This 50-day journey to freedom is split into two parts. Days 1-25 will ask you to take an honest look at the impact alcohol has had on your life, to examine the reasons for your drinking, and will arm you with the best strategy for quitting alcohol successfully. Days 26-50 will ask you to make the commitment to taking a break from alcohol - taking each step with one chapter a day, and answering the questions that come up. There are strategies for dealing with challenges and setbacks, and a wealth of resources for finding support and inspiration. Above all, there is a genuine passion for the sober adventure, and the huge rewards of an alcohol-free life - a life of freedom that's waiting for you. \*Includes free downloadable workbook and journal\* Download the workbook from the John Murray Learning Library website, or the free John Murray Learning app.

Now complete with daily prompts to reflect on each day of a month-long, alcohol-free plan, the author of This Naked Mind helps readers challenge their thinking, find clarity, and form new habits. Changing your habits can be hard without the right tools. This is especially true for alcohol because habits are, by definition, subconscious thought processes. Through her methodical research of the latest neuroscience and her own journey, Annie Grace has cracked the code on habit change by addressing the specific ways habits form. This unique and unprecedented method has now helped thousands redefine their relationship to drinking painlessly and without misery. In The Alcohol Experiment, Annie offers a judgment-free action plan for anyone who's ever wondered what life without alcohol is like. The rules are simple: Abstain from drinking for 30 days and just see how you feel. Annie arms her readers with the science-backed information to address the cultural and emotional conditioning we experience around alcohol. The result is a mindful approach that puts you back in control and permanently stops cravings. With a chapter and journal prompt devoted to each day of the experiment, Annie presents wisdom, tested strategies, and thought-provoking information to supplement the plan and support your step-by-step success as you learn what feels good for you. It's your body, your mind, and your choice. Whether you're a diehard drinker or a sometimes sipper, How to Go Alcohol Free is here to help you take control and change to a no-alcohol lifestyle, whether you're looking for a short-term breather or a lifelong change. Drinking is on the decline, with more and more people turning away from, rather than to, the bottle. Public health stats show not only that we are drinking less alcohol and binge-drinking less than 10 years ago, but that completely giving up alcohol, or never drinking it in the first place, are becoming more mainstream, too. Many of the people who cut out drinking talk of the financial and wellbeing benefits, from more savings to better sleep. And with more and more no-alcohol beers and beverages hitting the adult-drinks market, there has never been a better time to give sobriety a go. Packed with simple steps to understanding your alcohol intake and its effects, and offers practical ways to start reducing your units and realising the benefits, How to Go Alcohol Free highlights the health concerns around alcohol and helps you to navigate sober social situations. This book will help you plan for, switch to and enjoy a life beyond booze.

Take the 28 day challenge and discover a hangover-free world of quality time to achieve your goals. Even moderate drinking can make you tired, dull your senses and have a negative impact on your relationships. But the great news is that by taking a break from the booze you can reset your drinking habits and make sure you're in control. The 28 Day Alcohol Free Challenge is designed to inspire you to look carefully at how you drink, why you drink, when and where, for a more productive, healthy and happier lifestyle.Andy Ramage and Ruari Fairbairns started their website One Year No Beer to connect with a community of people that, for a variety of reasons, no longer wanted to deal with the adverse effects of drinking alcohol. In The 28 Day Alcohol Free Challenge Andy and Ruari share their extensive experience of going alcohol free, including getting through parties, events and gatherings, and most importantly embracing the health and social benefits of putting alcohol in its place.

Do you wake up immediately wanting a drink? Does one glass of wine or bottle of beer always turn into twelve more? Are you the girl waking up on a stranger's couch in last night's outfit every weekend, looking for your other shoe so you can bolt out of there immediately? We all have VERY different relationships with alcohol. If yours has gotten to a not-so-pretty place lately, or if you are considering a lifestyle of sobriety or "semi-sobriety..". this is the workbook for YOU! Sober as F\*\*\*: The Workbook is an extension of my wildly popular, self-published memoir, Sober as F\*\*\*. This guided workbook and journal helps to navigate the self-work and reflection that is necessary for you to better understand your relationship with alcohol. Each day you will focus on a new topic that will help you uncover why you drink the way you do. Each day will also feature inspiring quotes, daily mantras, and prompted questions and journaling to really help you get to the bottom of figuring out if alcohol has become an unhealthy habit in your life. Whether you are already living sober, considering a more mindful approach to drinking, or are currently struggling with alcohol dependence or addiction, you're in the right place. Completing these 28 days of self-exploration will leave you with a better understanding of why you drink, help you determine if alcohol is interfering with your ability to live a normal, healthy life, and encourage you to decide what type of relationship with alcohol will work best for you. It's time to get real, dig deep, and better understand alcohol and the role it plays in your life.

**There is no such thing as an alcoholic and there is no such disease as alcoholism! (as society understands it). Whether you agree with this statement or not, one thing is for sure, you will never see alcohol in the same light ever again after reading this book. Jason Vale takes an honest and hard hitting look at people's conceptions of our most widely consumed drug. Jason's major argument is there is no such thing as an 'alcoholic' and that we are conditioned to accept alcohol as a 'normal' substance in today's society despite the fact that it is the major cause of many of today's social problems and a wide range of health issues. This book is much more than a simple eye opener, it will: change the way you see alcohol forever; show you how to stop drinking; help you enjoy the process and enjoy your life so much more than you do now without having to drink alcohol. So open your mind and take a journey with Jason to explore the myths about the most used and accepted drug addiction in the world!**

**Euphoric is your 8-week plan for an alcohol-free lifestyle that can lead to more happiness, well-being, and self-love. It's the modern woman's guide to relax without alcohol, find freedom from cravings and fitting in, and create the life you want--along with the audacity to go after it. Imagine a program that makes the benefits of “Dry January” last all year. That's Euphoric! Alcohol is everywhere in our society, and it's hard to resist. The pressures to fit in and have “just one drink”--that turns into several--whether at a party or on a casual Friday night, can lead to an imbalanced life that's plagued with unhealthy habits, low self-esteem, and decreased productivity. How can you change your relationship with alcohol without feeling deprived or like a social outcast? First, decide you want a change and then pick up Euphoric,from certified alcohol-free life coach Karolina Rzadkowska. Karolina has helped thousands of casual drinkers transform their relationship with alcohol, including herself. In Euphoric, she shares a proven strategy to make alcohol insignificant in your life. In just eight weeks, you can ditch alcohol and learn how to: Create a natural buzz that alcohol can only mimic Be fully present with your kids, partner, and friends Feel more energized, look better, and live healthier Enjoy the best sleep of your life Have fun in any social situation, without drinking Accomplish goals with your newfound drive Become confident to chase your biggest dreams Euphoric presents an 8-week, easy-to-customize plan for anyone who wants to transform their relationship with alcohol and experience the life-changing benefits that happen when you take a break from booze to focus the health of your mind, body, and soul. Here's the plan! Week 1: Examine and Dismantle Limiting Beliefs Week 2: Let Go of Shame Week 3: Step into Your Best Health Week 4: Navigate Your Social Life Week 5: Get Mindful and Embody Self-Love Week 6: Find Pure and Utter Happiness Week 7: Create Your Dream Life Week 8: Step into Your Purpose Reclaim yourself and rejuvenate your life, as you make alcohol irrelevant and get motivated to claim a new lifestyle clearly focused on your goals, priority, and values.**

**Find your motivation, change your life. Let's Do This!** is the motivation playbook for any type of personal change, from losing 10lbs to stepping up in your career to running a half-marathon. The difference between giving up and succeeding comes down to your motivation to take control of your life. Forget worrying about your willpower (which drains your energy and zaps your confidence) and join Andy Ramage's 28-day Motivation Masterclass to enjoy totally new levels of success. Tap into the 'Six Streams of Positivity' that will keep you on the straight and narrow, refine your resolution and master your mornings through simple daily rituals. The key to any successful behaviour change is the motivation to keep going once you've started. In this unapologetically positive book, Andy Ramage, who transformed his own life step by step, explains the theory and the practice of motivation so that you can make any change in your life, and make it last.

The Sober Survival Guide – How to Free Yourself from Alcohol Forever – By Simon Chapple. Foreword by Annie Grace – Author of This Naked Mind – Control Alcohol Are you tired of thinking about drinking? Hands up if you believe any of the following about drinking alcohol to be true: I can't have fun without alcohol. Imagine going to a party without drinking! it makes me feel less anxious or depressed; it helps me sleep; I can't relax without it; it makes me entertaining to be around; it fits the lifestyle of my boozy friends; I like the taste of alcohol; it's cool and sophisticated; I'm not confident enough to talk to new people without it; it helps me deal with all the problems life throws my way; it stops me worrying about how much I'm drinking (ironic, I know). If you find yourself nodding at even one of these statements, then I know how you feel. I was a heavy daily drinker for over twenty years, I too used to believe that I couldn't live without alcohol, and that once I'd had a few drinks I was funny to be around (hilarious in fact). Are you too are tired and fed up with the routine of drinking, and want to make a change and improve your life? Or you may simply be curious about how an alcohol-free life might look for you. Could it be better? Happier? Calmer? More peaceful? Perhaps you're already on the path to changing your relationship with booze and might have read other 'sober books' or taken part in programmes to help you quit. I want you to know you can do the same as me and find complete freedom from alcohol, and that you don't have to wait for years like I did. Also, I want to reassure you that alcohol addiction is never a person's fault, and that there's no need to blame yourself for finding it hard to give up. It honestly isn't as difficult as you might think, and this book will provide the support, tactics and advice you need as you progress on your sober journey. The Sober Survival Guide is unique in that it is split into two parts. The first is designed to set you up for success and put you in a place where you can find freedom from alcohol if that's what you want. The first part of the book contains essential information for when you're in the early stages of controlling your drinking. The second part serves as a handbook as you move forward into an alcohol-free life and is where this book comes into its own. As you read it you'll see I've used my own experiences and those of the people I've worked with to help ensure you're ready for the challenges, fears, and questions that will come up in the years after quitting drinking. You'll learn how to handle the work Christmas party without a glass of bubbly in hand, the joys of sober holidays, what to do when you stop drinking but your partner won't, and a whole lot more. With this part you can dip in and out, picking the chapters that address the problems you're facing that day or week. This unique quit alcohol book also shares my own stories and personal accounts that helped me learn (sometimes the hard way), so as well as providing vital tools and tactics it will also leave you with a smile on your face and provide you with a fun and enjoyable read. Part memoir, part sober guide and 100% alcohol free – The Sober Survival Guide is perfect for anyone looking to free themselves from the grip of alcohol. Simon Chapple is the founder of Be Sober one of the largest online 'quit drinking' communities, he is also a speaker and works as a Certified Alcohol Coach working with This Naked Mind helping people change their relationship with alcohol. He has helped thousands of people quit drinking and has made it his life mission to spread the word about the benefits an alcohol-free life brings. Do you want to take a break from alcohol easily and safely? When you stop drinking, it takes up to 10 days for the alcohol to completely leave your system. It's a tricky time. You get cravings and your thinking becomes emotional. Most people struggle in the early days. But now there's a modern, scientific solution. The 10-Day Alcohol Detox Plan walks you through the detox period painlessly and explains everything you need to carry on to your personal sobriety goal, whether short-term or long-term. Written in an engaging and informative way, the 10-Day Alcohol Detox Plan is practical and easy to follow. There's no doom and gloom or going to meetings. It just does the job, and is suitable for anyone: If you want to try a sober break from alcohol If you want to stop drinking to help fitness or weight-loss If you need to give up alcohol for health reasons If you've simply had enough and want to quit drinking for good The author is a therapist working in public health who has helped countless drinkers to quit alcohol, and is the author of the bestseller “Alcohol and You: How to Control and Stop Drinking” and "Mindfulness for Alcohol Recovery". Order this book today and find a better way.

READ ALLEN CARR'S EASY WAY TO CONTROL ALCOHOL AND BECOME A HAPPY NON-DRINKER FOR THE REST OF YOUR LIFE. Allen Carr established himself as the world's greatest authority on helping people stop smoking, and his internationally best-selling Easy Way to Stop Smoking has been published in over 40 languages and sold more than 10 million copies. In this classic guide, Allen applies his revolutionary method to drinking. With startling insight into why we drink and clear, simple, step-by-step instructions, he shows you the way to escape from the 'alcohol trap' in the time it takes to read this book. · A UNIQUE METHOD THAT DOES NOT REQUIRE WILLPOWER · STOP EASILY, IMMEDIATELY AND PAINLESSLY · REMOVES THE PSYCHOLOGICAL NEED TO DRINK · REGAIN CONTROL OF YOUR LIFE What people say about Allen Carr's Easyway method:

"The Allen Carr program was... nothing short of a miracle." Anjelica Huston "It was such a revelation that instantly I was freed from addiction." Sir Anthony Hopkins "His skill is in removing the psychological dependence." The Sunday Times  
The long-awaited sequel to THE UNEXPECTED JOY OF BEING SOBER - the Sunday Times bestseller 'Exquisite' - Fearné Cotton 'A paean to the longer-term pleasures of staying booze-free' - The Guardian 'The kind of book that changes lives, and very possibly saves them' - The Lancet Psychiatry 'A reflective, raw and riveting read. A beautiful book on what it takes to root for yourself' - Emma Gannon, Ctrl Alt Delete 'No other author writes about sober living with as much warmth or emotional range as Catherine Gray. Her deep insight into the subtle psychologies of drinking, and of life, means that everything she writes is both utterly relatable and stretches our minds. Hers is a rare wisdom.' - Dr Richard Piper, CEO, Alcohol Change UK What's it like to give up drinking forever? We know now that being teetotal for one, three, even twelve months brings surprising joys and a recharged body... but nothing has been written about going years deep into being alcohol-free. As Catherine Gray, author of runaway bestseller The Unexpected Joy of Being Sober, streaks towards a decade sober, she explores this uncharted territory in her trademark funny, disruptive and warm way. This is a must-read for anyone sober-curious, whether they've put down the bottle yet or not. Praise for The Unexpected Joy of Being Sober: 'Fascinating' - Bryony Gordon 'Truthful, modern and real' - Stylist 'Brave, witty and brilliantly written' - Marie Claire 'Gray's tale of going sober is uplifting and inspiring' - Evening Standard 'Not remotely preachy' - Sunday Times 'Jaunty, shrewd and convincing' - Sunday Telegraph 'Admirably honest, light, bubbly and remarkably rarely annoying' - Guardian 'An empathetic, warm and hilarious tale from a hugely likeable human' - The Lancet Psychiatry

How To Break Up With Alcohol

**A sober hedonist's guide to living a decadent, wild, and soulful life--alcohol-free. In a culture where sipping "rosé all day" is seen as the epitome of relaxation, "grabbing a drink" the only way to network; and meeting at a bar the quintessential "first date," many of us are left wondering if drinking alcohol really is the only way to cultivate joy and connection in life. Jardine Libaire and Amanda Eyre Ward wanted to live spontaneous and luxurious lives, to escape the ordinary and enjoy the intoxicating. Their drinking, however, had started to numb them to the present moment instead of unlocking it. Ward was introduced to Libaire when she first got sober. As they became friends, the two women talked about how they yearned to create lives that were Technicolor, beautifully raw, connected, blissed out, and outside the lines . . . but how? In The Sober Lush, Libaire and Ward provide a road map for living a lush and sensual life without booze. This book offers ideas and instruction for such nonalcoholic joys as: • The allure of "the Vanish," in which one disappears early from the party without saying goodbye to a soul, to amble home under the stars • The art of creating zero-proof cocktails for all seasons • Having a fantastic first date while completely sober • A primer on setting up your own backyard beehive, and honey tastings For anyone curious about lowering their alcohol consumption or quitting drinking altogether, or anyone established in sobriety who wants inspiration, this shimmering and sumptuous book will show you how to keep indulging in life even if you stop indulging in alcohol.**

**YOU'RE NOT AN ALCOHOLIC BUT SOMETIMES DRINK TOO MUCH... Are you often unmotivated, stressed, lacking energy and tired? Are you sick of hangovers? Do you want to stop missing out on life, regain your health, improve your relationships and enjoy greater control, clarity, focus and freedom? When you quit alcohol for just 30 days, you can transform your life. You will look and feel better, save and make money and be happier. James Swanwick is a former social drinker. He is an Australian-American entrepreneur, award-winning journalist and former ESPN SportsCenter anchor. In this groundbreaking book, Swanwick reveals strategies for you to prepare for, and take, a break from alcohol. Learn how to easily reduce or stop drinking, identify what type of drinker you are, successfully socialize without drinking, relieve stress without alcohol and finally break your habit. Join thousands of people around the world taking the 30 Day No Alcohol Challenge and kick-start the healthier and happier you.**

**This Naked Mind has ignited a movement across the country, helping thousands of people forever change their relationship with alcohol. Many people question whether drinking has become too big a part of their lives, and worry that it may even be affecting their health. But, they resist change because they fear losing the pleasure and stress-relief associated with alcohol, and assume giving it up will involve deprivation and misery. This Naked Mind offers a new, positive solution. Here, Annie Grace clearly presents the psychological and neurological components of alcohol use based on the latest science, and reveals the cultural, social, and industry factors that support alcohol dependence in all of us. Packed with surprising insight into the reasons we drink, this book will open your eyes to the startling role of alcohol in our culture, and how the stigma of alcoholism and recovery keeps people from getting the help they need. With Annie's own extraordinary and candid personal story at its heart, this book is a must-read for anyone who drinks. This Naked Mind will give you freedom from alcohol. It removes the psychological dependence so that you will not crave alcohol, allowing you to easily drink less (or stop drinking). With clarity, humor, and a unique blend of science and storytelling, This Naked Mind will open the door to the life you have been waiting for. "You have given me my live back." —Katy F., Albuquerque, New Mexico "This is an inspiring and groundbreaking must-read. I am forever inspired and changed." —Kate S., Los Angeles, California "The most selfless and amazing book that I have ever read." —Bernie M., Dublin, Ireland**
