

The Adventures Of Super Liam 2nd Edition: Volume 1

On a visit to Don's Safari, the students in class 2B attempt to find a missing hippopotamus. Meet Myron: a third-grade detective who loves logic, facts, and solving mysteries. He does not love new things. Unfortunately, everything is new this year: Myron has a new baby sister, his family has moved across town, and now he's starting his first day at a new school. But when the school kitchen is burgled, leaving the morning snacks nowhere to be found, Myron gets his chance to crack the case with help from his classmates from Resource Room 15. Myron's unique perspective from the autism spectrum makes him a top-notch sleuth. Similarly, the other kids in his resource room demonstrate creative problem solving and unique talents that come in handy for the case. Together with his detective partner, the hyper-energetic Hajrah, and tech-savvy Danielle, known as Glitch," Myron gets to the bottom of the mystery all while trying to avoid the school bully, Sarah Smasher" McGuintley, who's intent on sabotaging their efforts. Black-and-white spot illustrations accompany the text in this fun and accessible page-turner for independent readers.

Paisley I met Liam when I was sixteen years old. There was something about him that tempted me to break all the rules. I was enthralled by his bad boy ways, but I knew there was so much more to him—a side of Liam that he didn't allow people to see. Little did I know, he'd save me on what could've been the worst day of my life. At that point, there was no going back. He was my everything. I felt safe in his arms. Until someone tried to kill me. Liam I was only seventeen years old when I met Paisley, and I haven't been able to keep my eyes off her ever since. She was everything I wasn't, but that didn't stop me from wanting her, from making her mine. I'd love and protect her with my life. The cartel started gunning for her, and that was the worst decision they could have made. They'll never know what hit them... Me.

Burn - Brothers of Ink and Steel Liam Knight, a sexy panty-melting, hard-bodied streetfighter and renowned tattoo artist, is rising up the ranks of the UFC Middleweight Division, but he's about to get knocked out by his past. Quinn Kelley is a semester away from becoming a college graduate when her mother's death sends her spiraling, forcing her to go back to her hometown and a past she can't outrun. Nearly a decade ago, Liam and Quinn fell in love while surviving on the city streets together, but they were torn apart by one irreversible night. Now each has moved forward without the other, but like a tattoo on the heart, absolute love creates a lasting burn. Quinn has kept a tight rein on her emotions, but with the passing of her mother, the foundation she's built begins to crack. Will seeing Liam again crumble her fortress to the ground, uncovering the flame that still burns? Or will it extinguish the fire forever? Liam's tough exterior and resentful demeanor hides more than a wounded heart. He's tormented by guilt over what happened to Quinn—and the secret he kept, even from her. But revealing his secrets would require unearthing the all-consuming monster he keeps caged in the darkest part of his soul, the one that threatens to devour him. When they're given a second chance, will they let go of their fear and pride and let the flame between them become one? Or will the heat burn them both? Burn is a stand alone, HEA and book two in the Brothers of Ink and Steel series. Steamy romance sizzles between a resurrected earl and his repentant bride in USA TODAY bestselling author Meredith Duran's latest historical romance. Back from the dead, an earl seeks vengeance... Liam Devaliant, Lord Lockwood, was born into a charmed life. Charismatic, powerful, and wild, he had the world at his feet—and one woman as his aim. His wedding to Anna was meant to be his greatest triumph. Instead, in a single moment, a wicked conspiracy robbed him of his future and freedom. ...but will his long-lost countess pay the price? Four years later, Liam has returned from death with plans for revenge. Standing in his way, though, is his long-absent bride. Once, he adored Anna's courage. Now it seems like a curse, for Anna refuses to fear or forget him. If she can't win back Liam's love, then she means at least to save his soul...no matter the cost.

Liam has always felt a bit like he's stuck between two worlds. This is primarily because he's a twelve-year-old kid who looks like he's about thirty. Sometimes it's not so bad, like when his new principal mistakes him for a teacher on the first day of school or when he convinces a car dealer to let him take a Porsche out on a test drive. But mostly it's just frustrating, being a kid trapped in an adult world. And so he decides to flip things around. Liam cons his way onto the first spaceship to take civilians into space, a special flight for a group of kids and an adult chaperone, and he is going as the adult chaperone. It's not long before Liam, along with his friends, is stuck between two worlds again—only this time he's 239,000 miles from home. Frank Cottrell Boyce, author of Millions and Framed, brings us a funny and touching story of the many ways in which grown-upness is truly wasted on grown-ups.

Rip Haywire thinks he's got it made. Instead of going to bed early, doing fractions and eating Brussels sprouts, he gets to accompany his soldier-of fortune dad on laughably dangerous international missions. He's the only 12-year-old in the

world with a working knowledge of the Seven Most Common Booby Traps Used by Ancient Civilizations to Protect Their Precious Treasures. It sure beats school, right? But Rip's life is about to change when his dad, in a sudden fit of responsibility, assigns Rip his toughest mission yet: a historically all-girls summer camp. Will Rip learn how to get along with his feminine camp mates, most of whom have never even seen a flame thrower, let alone used one to fend off a pack of rabid hyenas? Can Rip solve the mysteries that surround the camp and one intriguing girl in particular? Readers will follow Rip's misadventures in his whimsically illustrated journal, helping him to solve puzzles and beat the bad guys, as he learns that friendship can be more valuable than ancient treasure, and more powerful than a well-placed land mine.

Devin and Nadia team up with Bounce, Pema and Marcus as they all travel to Northern Ontario to watch their parents present to the Summit of World Leaders. A swarm of politicians, lobbyists, corporate bosses and protestors have all converged on the summit to get their messages heard. A tragic accident just hours before their parents' presentation plunges the kids into their biggest mystery yet and sets them on the trail of a murderer bent on stopping their parents' controversial message from being heard. It's a fight against the planet's power players as the kids dive into the world of politics, uncovering how government works, the history of democracy, the influence of lobbyists and corporations on politicians and the potential of civil society to change it all.

I am the travel editor for a national travel magazine and have recently had the privilege of using Patricia Katzmans excellent guide book to Panama. First, the cover is outstanding, one of the best I have seen. I loved all the pictures...they added so much. Second, the print is readable. Third, and most important, I found this guide to be extremely helpful to the average tourist planning a trip. The various areas and activities and the way to reach each destination were well researched. I consider many guide books to be useful only to those who know exactly where they are going (probably with).

The hero of The Eagle Has Landed returns in a Cold War adventure that pits two IRA veterans against a ruthless mercenary whose only ideology is greed. Terrorist-for-hire Frank Barry has been wreaking havoc in Germany and France, with backing from the KGB. His next mission might be his deadliest, as Barry plans to steal a state-of-the-art missile and sell it to the highest bidder. Only Barry's longtime rivals, retired IRA gunman Liam Devlin and his ally Martin Brosnan, can prevent the missile from falling into the wrong hands. But first Devlin must stage a thrilling jailbreak to free Brosnan before the men set off on a gripping race against the clock to eliminate Barry and his reign of terror. From the New York Times-bestselling author of Rain on the Dead, Eye of the Storm, and countless other action-packed thrillers, this is an "exciting and believable" journey into the dangerous world of spies, assassins, and soldiers of fortune (The New York Times).

Every child deserves the love of a forever family! Follow The Adventures of Super Liam, from the day he comes to stay with the Merideth family through his adoption and their celebration of his short but very special time on Earth. This is the true story of the little boy who captured the hearts of 40,000 runners and buddies from all over the world with just a smile and a sign to share his superpower - love. Liam and the rest of the Merideths will show you that every life, no matter how short, has meaning and purpose, and that family really means forever.

Science teacher, Max Axiom, developed superpowers in a freak accident and now he uses them in his teaching. He explains the food chain and shrinks to the size of small animals to demonstrate how it works.

There's always that chance that your heart's desire is one click away. Someone needs to pinch web designer/humor blogger/Pittsburgh Ravens mega fan Mike Kneller. Hard. For years, Mike has been living his life for his younger sister Kelly and his four-year-old nephew Liam. He'd opened up his home to Kelly when she found herself pregnant at sixteen and facing having a baby alone. Sure, his days are filled with skinned knees, snotty noses, and the occasional mishap with stuffed superheroes, but he's perfectly happy because he loves Liam as much as he loves his baby sister. Giving up a social life and going to bed alone is a small price to pay. Little does he know that someone on the Ravens is about to show Ravens goalie Bryn Mettler one of his vlog posts. Of course he's not going to believe it when his phone rings and the world-famous netminder-and his goalie crush-is on the other end. I mean, life doesn't work that way for ordinary, hardworking uncles like Mike. Does it? Bryn Mettler is a superstar athlete and a major part of the Pittsburgh sports society. He seems to have it all. He's well-dressed, handsome, wealthy, an elite goaltender, a famed philanthropist, and the holder of numerous medals and trophies. To date, there are two things that have avoided him: lifting that big shiny silver cup over his head and finding a man to settle down with. Now that he's over thirty, Bryn is finding the gay club scene is wearing thin. His teammates' wives have decided it's their duty to the team-and to Bryn-to find him Mr. Right. He's relatively sure the man who'll capture his heart surely won't be found on a humor blog. Funny how life likes to take the things that you're most certain about and flip them-and you-on its ear. When Bryn meets Mike, he is instantly drawn to the warm, funny, sexy man who shares his hectic days with thousands of Pittsburgh natives. Now he just has to convince Mike he is who he says he is so he can get to know him better. Thankfully, Bryn isn't a quitter. But does he have what it takes to leap into life with Mike, Kelly, and Liam?

In this illustrated middle-grade novel and second book in the Tank & Fizz series, a goblin detective and a technology-tinkering troll must dodge battle bots and spellbooks to prevent the return of an ancient demon.

Join Aidan in this rhyming adventure story as he learns an important lesson; those we love never truly leave us, and we keep them in our hearts wherever we go. My Grandpa Star aims to educate children on loss, whilst filling them with the hope and comfort that our loved ones remain with us and watch over us in all of life's adventures.

A page-turning sci-fi adventure set in 1953, featuring a clever girl who, against all odds, must outsmart bullies, the FBI, and alien invaders during the height of the communist Red Scare. The New York Times Book Review calls Red Scare a "masterly graphic novel debut... tightly wrought, intense, unpredictable... breathtaking action sequences... pacing is remarkable... a virtuosic performance." "Red Scare is a brilliant, fast-paced adventure. Action, history, and a tiny bit of fantasy collide in eye-popping panels, loaded with heart." -- Max Brallier, #1 New York Times bestselling author of The Last Kids on Earth series Peggy is scared: She's struggling to recover from polio and needs crutches to walk, and she and her neighbors are worried about the rumors of Communist spies doing bad things. On top of all that, Peggy has a hard time at school, and gets taunted by her classmates. When she finds a mysterious artifact that gives her the ability to fly, she thinks it's the solution to all her problems. But if Peggy wants to keep it, she'll have to overcome bullies, outsmart FBI agents, and escape from some very strange spies!

Four-and-a-half-year-old Liam loves all Marine Creatures, but particularly SHARKS. Liam's fantasy is to be able to embark on underwater ocean adventures and talk to Sharks. One sunny day, when he goes fishing with his Dad, he meets Dearborn, a Great Whale Shark. To Liam's great surprise his eyes begin to shine with amazing magical beams, which enables him to talk to Dearborn! The Big Shark tells him he is a special Shark Boy and they have been waiting for him to come to their world. Together with his Granddad, Liam embarks on a Marvelous Adventure full of fun in the Deep Sea, with Goutomi the Japanese Stingray, Maximillian Forbes, the very posh Lion Fish and Pufferbee the little Prickle Puffer-fish! An exciting, adventure bedtime story book for children ages 4 to 8 who love marine life. This beautifully illustrated book about a Shark is the first in the series of Liam Shark Boy's adventures. The pictures of fish and the ocean animals teach curious children about the habits of the sea animals in a fun way. Brian Read Healthy Mum's Magazine 5-star rating 30/10/19 Liam Shark Boy Review by Brian R. on 30 Oct 2019 Book Style: Toddler and Kids Story book Reading Level: 3 (Reading Alone due to: Length of book and some descriptive vocabulary) Reading Length: 10-15 minutes (FYI - we never account for toddler questions) Illustration: Fun, cartoonish, cute Age Target: 1-8 Years of Age When reviewing this book, I was concerned about the sheer length of the story. However, as I got into the story, I found that the author had presented the story in beautifully constructed stand-alone segments. Those segments make it incredibly easy to read this book with a toddler, as it's just like a new story (with the same characters) every couple of pages. What's more, the book appears long (with 48 pages), but the font is large, and the illustrations provide interesting pauses for the young reader. What you're left with is a book that's really well written for toddlers and children alike. Brian Read - Children's Books There are several things to be impressed with in Liam Shark Boy. One of my favorite things about the book was

the fact that...it was filled with facts! There are easy 2-3 facts per page that I, as a parent, learned during the story. What's more, I know my child was learning 5-6 things per page and enjoying the in-depth knowledge he was gaining about the ocean and sea life in general. Another thing that I loved about the book was just how specific everything was. For example, it wasn't just a boat that Liam went on with his father. No, it was a Kingfisher Offshore boat. We weren't just talking about a Porcupine Puffer Fish (and his family), we were talking about Pufferbee and Pufferbee's grandfather, Grandpuff. It's this specificity that really helps with retention in toddlers, and I loved how this story was so intentional in its inclusion of specifics. I think it's obvious from my review (above) that I really enjoyed Liam Shark Boy. Not only that, but my little boy enjoyed it just as much as I did, and isn't that what's important? He loved the magical story, the fact that Liam had super powers, and he loved all of the facts about the oceans and sea life. What's more, the story has been awarded a 2016 eLit Award in the Children's Books section, which should tell you all you need to know.

When an adorable force meets an irresistible object they might just fall in love. Miles Studies astrophysics? Check. Loves Star Wars? Check. Still a virgin at twenty-one with zero experience in real life? Double-check. I didn't want any fanfare around my twenty-first birthday. But when a series of unfortunate accidents confirming Ramsey's rules of randomness takes place right in front of my eyes, I find myself dancing with the hottest, most popular jock on campus. Liam makes me feel special. He makes this night one to remember. He becomes the very first boy I ever kissed. Except it's all a charade. He's just making his crazy ex-girlfriend crazier and I'm happy to play along. Call it a kissing practice. But when the door is closed and his ex isn't around to see us, are we still faking it? Or are we the crazy ones? Liam Am I going through one helluva breakup? Yes I am. Am I coping with it by dancing with the first guy who accidentally pissed my ex off? You bet I am. Hayley and I were supposed to spend our lives together. Well, that was the plan until she changed the plan. She's now hooking up with some random caveman and I'll be damned if I'm just going to stand here and watch. Oops, the nerd just kissed me; and you can bet your life I kissed him back. Now she knows what it feels like. And I discover it feels way better than I expected. The Two Stars Collision is the third book in the College Boys of New Haven series, but it fully works as a standalone. If this is your first encounter with the series, feel free to start here! You will find a nerd/jock pair, opposites attract, gay for you, and a happily ever after.
