

The Automatic Millionaire, Expanded And Updated: A Powerful One Step Plan To Live And Finish Rich

"This workbook includes 55 practical reinforcement exercises that enable students to actively learn each principle."--Back cover.

Hogan shows that God’s way of managing money really works. Millionaire status doesn’t require inheriting a bunch of money or having a high-paying job. The path to becoming a millionaire is paved with tools that you either already have or that you can learn. Take personal responsibility; practice intentionality; be goal-oriented, a hard worker; and be consistent. If you adopt this mindset, you, too, can become a millionaire. -- adapted from foreword

Production

Next time someone tells you business can’t be done ethically -- corners must be cut, negotiations can’t be honest -- hand them Jon Huntsman’s updated and expanded *Winners Never Cheat*. Huntsman started with practically nothing and built a world-class business that carried him to Forbes’ list of America’s wealthiest people. In today’s era of spiraling financial crises and nonstop business scandal, this may be the most practical and important business book you ever read. Learn how to listen to your personal moral compass, even as financial headlines and “impossible” bottom-line demands threaten to drag it out. Learn how to protect your honor when battling upstream . . . how to create things that last, when others are hawking subprime mortgages and bailouts . . . how to take responsibility, build great teams, and share the success you’ve fought so hard to achieve.

Applying the Kingdom 40-Day Devotional Journal provides important context to living an abundant life through absolute priority for the Kingdom of God. Pastor, author, and teacher Dr. Myles Munroe shares secrets of success through establishing Kingdom priorities for your life. Throughout this 40-Day Devotional Journal, you are given the keys to living a fulfilled life. Based on biblical principles, you will discover how the greatest Tragedy in life is not death, but life without purpose. Challenge in life is knowing what to do. Mistake in life is being busy but not effective. Failure in life is being successful in the wrong assignment. The principles from Applying the Kingdom will bring an exciting new sense of belonging to your spiritual, emotional, and physical life.

*The International Bestseller "This book blew my mind. More importantly, it made financial independence seem achievable. I read Financial Freedom three times, cover-to-cover."—Lifehacker Money is unlimited. Time is not. Become financially independent as fast as possible. In 2010, 24-year old Grant Sabatier woke up to find he had \$2.26 in his bank account. Five years later, he had a net worth of over \$1.25 million, and CNBC began calling him "the Millennial Millionaire." By age 30, he had reached financial independence. Along the way he uncovered that most of the accepted wisdom about money, work, and retirement is either incorrect, incomplete, or so old-school it's obsolete. Financial Freedom is a step-by-step path to make more money in less time, so you have more time for the things you love. It challenges the accepted narrative of spending decades working a traditional 9 to 5 job, pinching pennies, and finally earning the right to retirement at age 65, and instead offers readers an alternative: forget everything you've ever learned about money so that you can actually live the life you want. Sabatier offers surprising, counter-intuitive advice on topics such as how to: * Create profitable side hustles that you can turn into passive income streams or full-time businesses * Save money without giving up what makes you happy * Negotiate more out of your employer than you thought possible * Travel the world for less * Live for free—or better yet, make money on your living situation * Create a simple, money-making portfolio that only needs minor adjustments * Think creatively—there are so many ways to make money, but we don't see them. But most importantly, Sabatier highlights that, while one's ability to make money is limitless, one's time is not. There's also a limit to how much you can save, but not to how much money you can make. No one should spend precious years working at a job they dislike or worrying about how to make ends meet. Perhaps the biggest surprise: You need less money to "retire" at age 30 than you do at age 65. Financial Freedom is not merely a laundry list of advice to follow to get rich quick—it's a practical roadmap to living life on one's own terms, as soon as possible.*

"In the US, in Europe, and throughout the world, globalization, in tandem with technological progress, has left a massive number of people behind, feeling dispossessed, disenfranchised, and angry. Leading the charge of "hyperglobalization" during the second half of the last century, and enforcing the Western framework of austerity in the developing world has been the International Monetary Fund. Along with the World Bank and WTO, many consider the IMF one of the most consequential institutions to have pushed the world economy blindly towards excessive globalization, while not adequately considering its powerful negative consequences. In October 2017, however, the IMF convened with some of the world's most celebrated economists and experts on trade and globalization to have an honest discussion on the most pressing concerns the world faces today as a result of globalization, and how to address the extensive challenges it has created. Edited by chief economist Maurice Obstfeld and senior economist Luis Catao of the IMF, the book brings together a team of respected senior economists with the most promising younger scholars to address five major themes: how globalization affects economic growth and social welfare; potential political implications of an honest discussion of globalization, and that "free trade may not be politically viable"; free trade's role in global inequality; how workers adjust or not when they're dislocated by globalization; and how trade policy influences the way countries develop their economies and societies. The book could represent a historic milestone at which the world's top economists and policymakers have an unprecedented, honest debate about the real costs and consequences of globalization."

"A powerful guide to true self-care, from the sage teacher and breakout star of the critically acclaimed drama, Queen Sugar, from Executive Producers Oprah Winfrey and Ava DuVernay for OWN. Featured on Essence Magazine's Culture List In all your years of schooling, did you ever take a single class that explained how to navigate the hurt, drama, and fear that come with living? Tina Lifford sure didn't. She learned the hard way—through experience as both a Hollywood actress and as the founder of the personal development network The Inner Fitness Project. Now, she brings together her own hard-won insights as well as those of her clients in this helpful and transformative guide. A blend of personal anecdotes and meaningful, practical—and most important, actionable—advice. The Little Book of Big Lies is the life skills class you need to nurture the inner you and move beyond the past. In fourteen raw, personal stories, Tina teaches you how to change your self-perception—to see yourself in the best possible light, to love and honor what you see, and to forge a new sense of what's possible in every aspect of your life. But make no mistake, The Little Book of Big Lies is not a "rah-rah" quick fix for fear and pain. Like physical fitness, building and maintaining emotional strength requires continued effort. This invaluable book is the foundation you need to start building inner health and well-being so you can thrive. Tina guides you on a journey of self-discovery that will help you turn shame into self-acceptance, self-rejection into self-love, blame into freedom, and old hurt into power. Wise and powerful, The Little Book of Big Lies will completely change how you think and live.

10 Steps to Get You Back on Track in 2010

Let David Bach show you a whole new way to prosper—by going green Internationally renowned financial expert and bestselling author David Bach has always urged readers to put their financial lives in line with their values. But what if your values are a cleaner and greener earth? Most people think that “going green” is an expensive choice they can’t afford. Bach is here to say that you can have both: a life in line with your green values and a million dollars in the bank. Go Green, Live Rich outlines fifty ways to make your life, your home, your shopping, and your finances greener—and get rich trying. From driving the right car to making your home energy smart, Bach offers ways to improve the environment while you spend less, save more, earn more, and pay fewer taxes. Best of all, he shows you exactly how to take advantage of the “green wave” in personal finance without the difficult work of evaluating individual stocks. What’s more, he will get you thinking about a green business of your own so you can help the world along as it is changing for the better. David Bach is on a mission to teach the world that you can live a great life by living a green life. With Go Green, Live Rich, you can live in line with your eco-values on the road to financial freedom.

The groundbreaking NEW YORK TIMES and WALL STREET JOURNAL BESTSELLER that taught a generation how to earn more, save more, and live a rich life—now in a revised 2nd edition. Buy as many lattes as you want. Choose the right accounts and investments so your money grows for you—automatically. Best of all, spend guilt-free on the things you love. Personal finance expert Ramit Sethi has been called a “wealth wizard” by Forbes and the “new guru on the block” by Fortune. Now he’s updated and expanded his modern money classic for a new age, delivering a simple, powerful, no-BS 6-week program that just works. I Will Teach You to Be Rich will show you: [] How to crush your debt and student loans faster than you thought possible [] How to set up no-fee, high-interest bank accounts that won’t gouge you for every penny [] How Ramit automates his finances so his money goes exactly where he wants it to—and how you can do it too [] How to talk your way out of late fees (with word-for-word scripts) [] How to save hundreds or even thousands per month (and still buy what you love) [A set-it-and-forget-it investment strategy that’s dead simple and beats financial advisors at their own game [] How to handle buying a car or a house, paying for a wedding, having kids, and other big expenses—stress free [] The exact words to use to negotiate a big raise at work Plus, this 10th anniversary edition features over 80 new pages, including: [] New tools [] New insights on money and psychology [] Amazing stories of how previous readers used the book to create their rich lives Master your money—and then get on with your life.

Do you know your Number? What happens if you don't make it to your Number? Do you have a plan? The Number is no ordinary finance book—it offers an intriguing and entertaining tour of wealth guru, life coaches, and financial advisers, and our hopes and fears for the future. The result is a provocative field guide to your psyche and finances and an urgently useful book for anyone over thirty. The often-avoided, anxiety-riddled discussion about financial planning for a secure and fulfilling future has been given a new starting point in The Number by Lee Eisenberg. The buzz of professionals and financial industry insiders everywhere, the Number represents the amount of money and resources people will need to enjoy the active life they desire, especially post-career. Backed by imaginative reporting and insights, Eisenberg urges people to assume control and responsibility for their standard of living, and take greater aim on their long-term aspirations. From Wall Street to Main Street USA, the Number means different things to different people. It is constantly fluctuating in people’s minds and bank accounts. To some, the Number symbolizes freedom, validation of career success, the ticket to luxurious indulgences and spiritual exploration, to others, it represents the bewildering and nonsensical nightmare of an impoverished existence creeping up on them in their old age, a seemingly hopeless inevitability that they would rather simply ignore than confront. People are highly private and closed-mouthed when it comes to discussing their Numbers, or lack thereof, for fear they might either reveal too much or display ineptitude. In The Number, Eisenberg describes this secret anxiety as the “Last Taboo,” a conundrum snared in confusing financial lingo. He sorts through the fancy jargon and translates the Number into commonsense advice that resonates just as easily with the aging gods and goddesses of corporate boardrooms as it does with ordinary people who are beginning to realize that retirement is now just a couple of decades away. Believing that the Number is as much about self-worth as it is net worth, Eisenberg strives to help readers better understand and more efficiently manage all aspects of their life, money, and pursuit of happiness.

How to get good with money, even if you have no idea where to start. The Financial Diet is the personal finance book for people who don't care about personal finance. Whether you're in need of an overspending detox, buried under student debt, or just trying to figure out how to live on an entry-level salary, The Financial Diet gives you tools to make a budget, understand investments, and deal with your credit. Chelsea Fagan has tapped a range of experts to help you make the best choices for you, but she also knows that being smarter with money isn't just about what you put in the bank. It's about everything—from the clothes you put in your closet, to your financial relationship habits, to the food you put in your kitchen (instead of ordering in again). So The Financial Diet gives you the tools to negotiate a raise and the perfect cocktail recipe to celebrate your new salary. The Financial Diet will teach you: [] how to get good with money in a year. [] the ingredients everyone needs to have a budget-friendly kitchen. [] how to talk about awkward money stuff with your friends. [] the best way to make (and stick to!) a budget. [] how to take care of your house like a grown-up. [] what the hell it means to invest (and how you can do it).

The Finish Rich Plan for Financial Freedom

Smart Couples Finish Rich, Revised and Updated

Creating a Personalized Plan for a Richer Future

God's Promises for Your Every Need

The best-selling author of Start Late, Finish Rich and The Automatic Millionaire shares his winning expertise and simple approach to help renters, owners, and buyers achieve financial success in the real-estate market, covering everything from how to buy a first home, even with lousy credit, to transforming a home into a powerful investment. Reprint. 125,000 first printing.

Addresses personal finance issues that are of relevance to today's world of high debt and disproportionate lifestyles, addressing such topics as credit cards, student loans, credit scores, insurance, and mortgages.

A war for your money is raging and it is time to fight back! In a book that will forever change how you spend your hard earned money, America's favorite financial coach, David Bach, shows you how to save thousands of dollars every dollar counts, big businesses are using dishonest tricks to rip you off, making themselves billions while they keep you living paycheck to paycheck. David Bach knows that until you learn to fight for your money, you will overpay for almost everything you buy. In Fight for your money you are given the tools to FIGHT BACK and WIN. Bach shows you how every dollar you spend is really a battle between you and the businesses—and the government—who want to take it as profit. When you know how the system is rigged—the extra points, the hidden fees, the late charges, the unused tax breaks, the escalating rates—you can fight back against the pickpockets and save literally thousands every year—money in your pocket that can help you live your dreams. Fight for Your Money shows how you are being taken on your cell phone contract, cable bill, car, life insurance, credit card, life insurance, healthcare, 401(k) plan, airfare, hotel bills, and much more. Bach gives you all the tools you need to fight back, with websites, phone numbers, sample letters and real-life stories of ordinary people who have fought for their money and won. You'll learn how to: Beat the credit card companies at the games they play that cost you thousands annually in interest and fees Make your bank accounts work for you with higher yields and lower fees Save thousands by pre-paying college tuition at TODAY's prices Raise your credit score and pay thousands less in mortgage interest Cut your life insurance premiums in half by making one call Save hundreds on air travel, hotels, and car rentals—just by being an informed consumer Avoid huge rip-offs like bank-issued gift cards, medical credit cards, 401(k) debit cards, and sneaky renewals of your cell-phone plan. David Bach knows that when you are being taken financially, you work harder than you have to, for longer than you need to. This book helps you fight for your money, so you can live your life doing what you really want to do.

Crack the Code to Wealth and Live Rich for a Lifetime

#1 NEW YORK TIMES BESTSELLER • Are you wondering if it is too late for you to be rich? David Bach has a plan to help you live and finish rich—no matter where you start As a number-one bestseller in its hardcover edition, Start Late, Finish Rich has helped hundreds of thousands of people of all ages take control of their financial future. Now you, too, can ramp up the road to financial security with David Bach’s inspiring, proven, and easy-to-follow “catch up” plan, which tailors his “Finish Rich” wisdom to those who forgot to save, procrastinated, or got sidetracked by life’s unexpected challenges. In a swift, motivating read, David Bach gives you step-by-step instructions, worksheets, phone numbers, and website addresses—everything you need to put your “Start Late” plan into place right away. You will learn that even if you’re buried in debt, there’s still hope. You can spend less, save more, and make more—and it doesn’t have to hurt. With America’s best-loved money coach at your side, it’s never too late to change your financial destiny.

10TH ANNIVERSARY EDITION is the financial plan of mediocrity -- a dream-stealing, soul-sucking dogma known as “The Slowlane” your plan for creating wealth? You know how it goes: it sounds a ill something like this: “Go to school, get a good job, save 10% of your paycheck, buy a used car, cancel the movie channels, quit drinking expensive Starbucks mocha lattes, save and penny-pinch your life away, trust your life-savings to the stock market, and one day, when you are oh, say, 65 years old, you can retire rich.” The mainstream financial gurus have sold you blindly down the river to a great financial gamble: You’ve been hoodwinked to believe that wealth can be created by recklessly trusting in the uncontrollable and unpredictable markets: the housing market, the stock market, and the job market. This impotent financial gamble dubiously promises wealth in a wheelchair -- sacrifice your adult life for a financial plan that reaps dividends in the twilight of life. Accept the Slowlane as your blueprint for wealth and your financial future will blow carelessly asunder on a sailboat of HOPE: HOPE you can find a job and keep it, HOPE the stock market doesn’t tank, HOPE the economy rebounds, HOPE, HOPE, and HOPE. Do you really want HOPE to be the centerpiece for your family’s financial plan? Drive the Slowlane road and you will find your life deteriorate into a miserable exhibition about what you cannot do, versus what you can. For those who don’t want a lifetime subscription to “settle-for-less” and a slight chance of elderly riches, there is an alternative: an expressway to extraordinary wealth that can burn a trail in financial independence faster than any road out there. Why jobs, 401(k)s, mutual funds, and 40-year’s of mindless frugality will never make you rich young. Why most entrepreneurs fail and how to immediately put the odds in your favor. The real law of wealth: Leverage this and wealth has no choice but to be magnetized to you. The leading cause of poorness: Change this and you change everything. How the rich really get rich - and no, it has nothing to do with a paycheck or a 401K match. Why the guru’s grand deity - compound interest - is an impotent wealth accelerator. Why the guru myth of “do what you love” will most likely keep you poor, not rich. And 250+ more poverty busting distinctions... Demand the Fastlane, an alternative road-to-wealth: one that actually ignites dreams and creates millionaires young, not old. Change lanes and find your explosive wealth accelerator. Hit the Fastlane, crack the code to wealth, and find out how to live rich for a lifetime.

No matter what you do, God has a promise for you! Many people know that the Bible is filled with promises and wisdom. But it is sometimes challenging to know where to look for a particular topic or verse. Since its original release over thirty years ago, God’s Promises® for Your Every Need has been a blessing and inspiration to millions of people. This new version contains the same inspirational content in an updated deluxe package. Over two thousand verses from the New King James Version are arranged into eighty-one topics for finding encouragement and peace. This book makes a meaningful gift for any time of year or walk in life. Trim Size: 4.5 x 6.5

OVER 250,000 COPIES IN PRINT, WITH A NEW CHAPTER ON THE 2018 TAX CUTS. There's a massive freight train bearing down on the average American investor, and it's coming in the form of higher taxes. The United States Government has made trillions of dollars in unfunded promises for every line on unfunded promises like Social Security and Medicare—and the only way to deliver on these promises is to raise taxes. Some experts have even suggested that tax rates will need to double, just to keep our country solvent. Unfortunately, if you're like most Americans, you've saved the majority of your retirement assets in tax-deferred vehicles like 401(K)s and IRAs. If tax rates go up, how much of your hard-earned money will you really get to keep? In The Power of Zero, McKnight provides a concise, step-by-step roadmap on how to get to the 0% tax bracket by the time you retire, effectively eliminating tax rate risk from your retirement picture. Now, in this expanded edition, McKnight has updated the book with a new chapter on the 2017 Tax Cuts and Jobs Act, showing readers how to navigate the new tax law in its first year of being in effect, and how they can extend the life of their retirement savings by taking advantage of it now. The day of reckoning is fast approaching. Are

you ready to do what it takes to experience the power of zero?

A Total Beginner's Guide to Getting Good with Money

A Simple Way To Be Smart About Your Money

Even in Difficult Times

The Millionaire Fastlane

The Millionaire Next Door

The Financial Diet

A simple, effective way to transform your finances and your life from leading financial advisor and New York Times columnist Carl Richards Creating a financial plan can seem overwhelming, but the best plans aren't long or complicated. A great plan has nothing to do with the details of how to save and invest your money and everything to do with why you're doing it in the first place. Knowing what's important to you, you will be able to make better decisions in any market conditions. The One-Page Financial Plan will help you identify your values and goals. Carl Richard's simple steps will show you how to prioritize what you really want in life and figure out how to get there. 'In a world where financial advice is (often purposely) complicated and filled with jargon, Carl Richards distills what matters most into something that is easy and fun to read' Wall Street Journal 'Feeling tormented by your finances? Read this book. Now. The One-Page-Financial Plan helps you identify what you truly want from life, get crystal clear about the financial position you are starting from today, and develop a simple, actionable plan to narrow the gap between the two' Manisha Thakor, CEO at MoneyZen Wealth Management Carl Richards is a certified financial planner and a columnist for the New York Times, where his weekly Sketch Guy column has run every Monday for over five years. He is also a columnist for Morningstar magazine and a contributor to Yahoo Finance. His first book, The Behavior Gap, was very well received, and his weekly newsletter has readers around the world. Richards is a popular keynote speaker and is the director of investor education for the BAM ALLIANCE.

"The newbie investor will not find a better guide to personal finance."—Burton Malkiel, author of A RANDOM WALK DOWN WALL STREET TV analysts and money managers would have you believe your finances are enormously complicated, and if you don’t follow their guidance, you’ll end up in the poorhouse. They’re wrong. When University of Chicago professor Harold Pollack interviewed Helaine Olen, an award-winning financial journalist and the author of the bestselling Pound Foolish, he made an offhand suggestion: everything you need to know about managing your money could fit on an index card. To prove his point, he grabbed a 4” x 6” card, scribbled down a list of rules, and posted a picture of the card online. The post went viral. Now, Pollack teams up with Olen to explain why the ten simple rules of the index card outperform more complicated financial strategies. Inside is an easy-to-follow action plan that works in good times and bad, giving you the tools, knowledge, and confidence to seize control of your financial life.

The #1 bestselling author presents his most important book since The Automatic Millionaire and gives Canadians the knowledge, the tools, and the mindset to get out of debt – forever. Whether you are working off student loans or trying to meet the minimum balance on your credit card bill, you are probably worried every time you open your mailbox. With salaries frozen and layoffs looming, how will you ever be able to pay down that debt, let alone retire in peace? Here, David Bach offers a new philosophy made for our times, a paradigm-shifting approach to finance that teaches you how to pay down your debt and adopt a whole new way of living. If you have debt, you can be rich but still not free. When you pay down your debt, you reach Freedom Day, that glorious moment when you need a lot less money just to live. On that day, you are truly free. You can have a smaller nest egg and still retire, perhaps even earlier than you expected. With his trademark motivational energy and take-action step by step advice, Bach helps you revolutionize your finances. In these lean times, it’s still possible to live your financial dreams. Let David Bach show you how.

SPEND YOUR WAY TO FREEDOM LIKE A TRUE FINANCIAL SAMURAI Sam Dogen, creator of the Financial Samurai blog, knows that you need to spend money to make money. He’s taught over 90 million readers how to invest wisely in all facets of life, from education to parenting to relationships to side hustles, even choosing where to work and play. Now, in his first book, Buy This, Not That, the Financial Samurai takes the guesswork out of financial planning and shows you exactly what to buy, how much to spend, and how to optimize every dollar you earn so you can maximize wealth building and live life on your terms. The good news? You don’t need to be a millionaire or a genius to achieve financial freedom. It’s about making the most of your money, now and forever—and it’s never too late to get started. You’ll learn: – The Financial Samurai’s 70/30 framework for optimal financial decision-making – What is “good debt” and “bad debt,” and the right way to pay down debt or invest – Strategies and tips for building passive income streams that work for your goals and risk tolerance – How to invest in real estate, even if you can’t afford to buy property – Rules for spending—from coffee and cars to mortgages and marriage – And so much more!

Preparing for Kingdom Experience and Expansion

The Latte Factor

"From the earliest days of thinking man, people the world over have pondered the nature of the Universe, our planet, and of ourselves. What does it all mean? Why am I here? What is the real purpose of my life? What will happen to me after I die? Will I return once again for another life on Earth?" So starts the first paragraph of this book, summarising and encapsulating very succinctly both the reason I was inspired to write Our Ultimate Reality and a concise summary of the contents contained therein. As we approach the end of a great age for humanity, increasingly more people from all walks of what we know as "life" are asking what it all means for them, for their families and for their future existence on this planet we call "Earth." Our Ultimate Reality, Life, the Universe and Destiny of Mankind is your complete reference and guide for realising the Divine heritage of each and every one of us as equal aspects of our Creator, a life of perfect happiness, health, abundance, fulfillment and Spiritual evolution. This book has been written in a modern, understandable, non-mystical way, setting out in a concise, logical, easy to follow format, all you need to know in order to understand, pursue and realise your own true potential during this pivotally important era. I wish you every possible success as you follow your own true destiny on the path of return to our Divine Creator from Whom we came in the beginning, and wish that this book will prove to be your valuable guide and companion.

Let 2010 Set you on the Path to Wealth. Believe it or not, recessions make millionaires! Will you be one? In Start Over, Finish Rich, America's best-loved financial expert, David Bach, explains that 2010 will be the best opportunity for building wealth we have seen in decades. And, as the economy recovers, you must be set up to recover with it. Bach's easy, take-action plan will show you how. Start Over, Finish Rich supplies the ten crucial moves you must make in 2010 to get back on track and recapture your dreams of a richer future. Learn how to: * Get out of debt * Fix your credit * Rebuild your 401k plan * Improve your 529 Plan * Take smart risks * Reorganize your financial life for the high tech age * Update your real estate plan * Change your thinking about money * Recommit to wealth As Bach says, "A recession is a terrible thing to waste—so don't waste this one! Use it instead to get rich." Read Start Over, Finish Rich and let David Bach put you and your family back on the path to financial freedom.

When you hear the word retirement, you probably don't imagine yourself scrambling to pay your bills in your golden years. But for too many Americans, that's the fate that awaits unless they take steps now to plan for the future. Whether you're twenty five and starting your first job or fifty five and watching the career clock start to wind down, today is the day to get serious about your retirement. In Retire Inspired, Chris Hogan teaches that retirement isn't an age: it's a financial number an amount you need to live the life in retirement that you've always dreamed of. With clear investing concepts and strategies, Chris will educate and empower you to make your own investing decisions, set reasonable expectations for your spouse and family, and build a dream team of experts to get you there. You don't have to retire broke, stressed, and working long after you want to. You can retire inspired!

INSTANT NEW YORK TIMES, USA TODAY, WALL STREET JOURNAL, AND INTERNATIONAL BESTSELLER Discover #1 New York Times bestselling author David Bach's three secrets to financial freedom in an engaging story that will show you that you are richer than you think. Drawing on the author's experiences teaching millions of people around the world to live a rich life, this fast, easy listen reveals how anyone—from millennials to baby boomers—can still make his or her dreams come true. In this compelling, heartwarming parable, Bach and his bestselling coauthor John David Mann (The Go-Giver) tell the story of Zoey, a twenty-something woman living and working in New York City. Like many young professionals, Zoey is struggling to make ends meet under a growing burden of credit card and student loan debt, working crazy hours at her dream job but still not earning enough to provide a comfortable financial cushion. At her boss's suggestion, she makes friends with Henry, the elderly barista at her favorite Brooklyn coffee shop. Henry soon reveals his "Three Secrets to Financial Freedom." Ideas Zoey dismisses at first but whose true power she ultimately comes to appreciate. Over the course of a single week, Zoey discovers that she already earns enough to secure her financial future and realize her truest dreams—all she has to do is make a few easy shifts in her everyday routine. The Latte Factor demystifies the secrets to achieving financial freedom, inspiring you to realize that it's never too late to reach for your dreams. By following the simple, proven path that Henry shows Zoey, anyone can make small changes today that will have big impact for a lifetime, proving once again that "David Bach is the financial expert to listen to when you're intimidated by your finances" (Tony Robbins, #1 New York Times bestselling author of Money: Master the Game).

The Automatic Millionaire rocketed to instant bestseller status because in its pages America's best-loved money coach, David Bach, delivered a uniquely foolproof, hassle-free plan for achieving financial security even if you have zero willpower. Now The Automatic Millionaire Workbook lets you tailor that strategy to your own financial life in a line-by-line personal plan. The workbook features: The five questions that determine with 90 percent certainty if you will be an Automatic Millionaire Charts and checklists for paying down debt while you save A clear path for any renter to become a home owner Worksheets to set savings goals and meet them, no matter how much you make A game plan for paying off mortgages early The one crucial step that guarantees your financial plan will succeed Details on where to invest, what phone calls to make, and exactly what to say when automating your financial future Along the way, you will be inspired by stories of ordinary Americans from all walks of life who are becoming Automatic Millionaires. The Automatic Millionaire Workbook makes it easier than ever for you to put your financial life on autopilot and finish rich —without a budget. You've dreamed it, now write it and do it. The rest is automatic!

Priceness finance advice everyone can relate to from one of theworld's most respected businessmen and the most successful investorof all time Of course you know who Warren Buffett is; he's the mostsuccessful investor in the world—maybe of all times. But whatho do you know about his approach to business and investing? It's anapproach that, over the past four decades, has made him richest manin America and the third-richest man in the world, and that hasearned vast fortunes for his business partners and investors. Butas Buffett himself will tell you, at the heart of anywealth-building system there are certain core beliefs, not justabout finance, but about business, work, morality, yourresponsibility to yourself, your family and society, and aboutliving a decent life. Written in conjunction with the hittelevision series, "Secret Millionaire Club" and with Buffett'sinput and full support, this book makes Buffett's financialphilosophy and homespun life lessons available to everyone outsidehis "Secret Club." Warren Buffet's goal in spearheading this book was to sharelessons about personal finance he has learned and that he hopeswill benefit you (and your kids) for a lifetime You'll learn the fundamentals of personal finance by reading Warren Buffett's war stories and personal reflections on money, life, business, ethics and more All of the finance principles covered in the book werepersonally approved by Warren Buffett as those which he himselffollows Unforgettable Buffett quotes include: "Price is what you pay.Value is what you get"; "Risk comes from not knowing what you're doing"; and "Profitt from jolly rather than participate in it."
How do the rich get rich? An updated edition of the "reunakable" New York Times bestseller, based on two decades of research (The Washington Post). Most of the truly wealthy in the United States don't live in Beverly Hills or on Park Avenue. They live next door. America's wealthy seldom get that way through an inheritance or an advanced degree. They bargain-shop for used cars, raise children who don't realize how rich their families are, and reject a lifestyle of flashy exhibitionism and competitive spending. In fact, the glamorous people many of us think of as "rich" are actually a tiny minority of America's truly wealthy citizens—and behave quite differently than the majority. At the time of its first publication, The Millionaire Next Door was a groundbreaking examination of America's rich—exposing for the first time the seven common qualities that appear over and over among this exclusive demographic. This edition includes a new foreword by Dr. Thomas J. Stanley—updating the original content in the context of the financial crash and the twenty-first century. "Their surprising results reveal fundamental qualities of this group that are diametrically opposed to today's earn-and-consume culture." —Library Journal

Revised and Updated In an age of great economic uncertainty when everyone is concerned about money and how they spend what they have, this new edition of the bestselling Your Money or Your Lifeis an essential read. With updated resources, an easy-to-use index, and anecdotes and examples particularly relevant today?it tells you how to:?get out of debt and develop savings?reorder material priorities and live well for less?resolve inner conflicts between values and lifestyle?save the planet while saving money?and much more In Your Money or Your Life, Vicki Robin shows readers how to gain control of their money and finally begin to make a life, rather than just make a living.

Meeting Globalization's Challenges

Reclaiming God's Original Purpose for Your Life

If you've ever bought a personal finance book, watched a TV show about stock picking, listened to a radio show about getting out of debt, or attended a seminar to help you plan for your retirement, you've probably heard some version of these quotes: "What's keeping you from being rich? In most cases, it is simply a lack of belief." —SUZE ORMAN, The Courage to Be Rich "Are you latte-ing away your financial future?" —DAVID BACH, Smart Women Finish Rich "I know you're capable of picking winning stocks and holding on to them." —JIM CRAMER, Mad Money They're common refrains among personal finance gurus. There's just one problem: those and many similar statements are false. For the past few decades, Americans have spent billions of dollars on personal finance products. As salaries have stagnated and companies have cut back on benefits, we've taken matters into our own hands, embracing the can-do attitude that if we're smart enough, we can overcome even daunting financial obstacles. But that's not true. In this meticulously reported and shocking book, journalist and former financial columnist Helaine Olen goes behind the curtain of the personal finance industry to expose the myths, contradictions, and outright lies it has perpetuated. She shows how an industry that started as a response to the Great Depression morphed into a behemoth that thrives by selling us products and services that offer little if any help. Olen calls out some of the biggest names in the business, revealing how even the most respected gurus have engaged in dubious, even deceitful, practices—from accepting payments from banks and corporations in exchange for promoting certain products to blaming the victims of economic catastrophe for their own financial misfortune. Pound Foolish also disproves many myths about spending and saving, including: Small pleasures can bankrupt you. Gurus popularized the idea that cutting out lattes and other small expenditures could make us millionaires. But reducing our caffeine consumption will not offset our biggest expenses: housing, education, health care, and retirement. Disciplined investing will make you rich. Gurus also love to show how steady investing can turn modest savings into a huge nest egg at retirement. But these calculations assume a healthy market and a lifetime without any setbacks—two conditions that have no connection to the real world. Women need extra help managing money: Product pushers often target women, whose alleged financial ignorance supposedly leaves them especially at risk. In reality, women and men are both terrible at handling finances. Financial literacy classes will prevent future economic crises. Experts like to claim mandatory sessions on personal finance in school will cure many of our money ills. Not only is there little evidence this is true, the entire movement is largely funded and promoted by the financial services sector. Weaving together original reporting, interviews with experts, and studies from disciplines ranging from behavioral economics to retirement planning,Pound Foolish is a compassionate and compelling book that will change the way we think and talk about our money.

In this inspiring book, millionaires Mark Fisher and Marc Allen demonstrate that success is available to all who want it and who put their desires into action. Rather than waiting for a stroke of fate to change your situation, you can immediately begin to work with your most powerful ally — your own subconscious mind. When you do this by applying the specific and easy-to-learn principles presented here, success soon follows. By imprinting a personal success formula on your subconscious, you can program yourself to succeed, instead of failing by default or, even worse, never trying in the first place. In these pages, you'll learn how to weed out limiting beliefs and to plant positive new ones. You'll also discover other components of the millionaire mind-set, including why it's better to make quick decisions based on intuition and to stick to them rather than to vacillate, the importance of balancing persistence with flexibility, and how to effectively implement step-by-step strategies to move toward a chosen goal. Clear, simple, and wise, How to Think Like a Millionaire offers the tools you need to live the life of your dreams.

"David Bach'sI advice is heartfelt and worthy. Taking Back Control of Your Financial Life

Does fear and insecurity keep you from looking at your bank account? Is your financial anxiety holding you captive? You don't have to stress about money anymore. YOU can take back control. As a newly divorced single mom making \$24,000 per year and facing down \$77,000 in debt, Kumiko Love worried constantly about money. She saw what other moms had—vacations, birthday parties, a house full of furniture—and felt ashamed that she and her son lived in a small apartment and ate dinner that she'd feel better after a trip to the mall. On the day she needed to pay for a McDonald's ice cream cone without her credit card, she had an epiphany: Money is not the problem. Self-Doubt is the problem. Shame is the problem. Guilt is the problem. Society's expectations for her are the problem. She is the solution. Once she reversed the negative thinking patterns pushing her toward decisions that didn't serve her values or goals, her financial plan wrote itself. Now, she's not only living debt free, the world and helped countless women envision better lives for themselves and their families. Now, building on the lessons she's taught millions as the founder of The Budget Mom, she shares a step by step plan for taking control back over your financial life—regardless of your level of income or your credit card balance. Through stories from navigating divorce to helping clients thrive through recessions, depression, eviction, layoffs and so much more, you will learn foundational practices such as: How to create a budget based on your real life, not a life of self-denial How to create a motivating debt pay-off plan that makes you excited about your future, instead of fearing it My Money My Way will give you the tools to align your emotional health with your financial health—to let go of deprivation and embrace desire. Love's paradigm-shifting system will teach you how to honor your unique personal values, driving emotions, and particular needs so that you can stop worrying about money. THE MILLION-COPY NEW YORK TIMES, BUSINESS WEEK, WALL STREET JOURNAL AND USA TODAY BESTSELLER IS BACK - COMPLETELY UPDATED! It has sold over 1.5 million copies and been translated around the world in over a dozen languages. This is the first update since 2005 and includes updated information on taxes, investments, technologies and apps to auto easier.

"I couldn't recommend this more highly. Scott explains the basic of investing in simple English. It's solid advice: the kind you rarely get from the talking heads on TV, radio, and the rest of the media. Scott backs it all up with good solid research: this is not his opinion, it's facts, but presented in a way that your Grandmother could understand." - Dr. Barry H. Kaplan, EA, CFP, Chief Investment Officer, Cambridge Wealth Counsel Are you worried and stressed out about not having enough money to retire the long term? Or maybe you've been thinking of investing for quite some time now, and you just don't know how to get started. The whole thing seems too complex and overwhelming. This conversational and action oriented book is for people who want to get started investing (or are thinking about it), but have never understood why or how - no matter your age or how much money you have to invest. Investing has always been made out to be difficult for you, and you think you couldn't do making a costly mistake. You know the drill. You get ready to do something - maybe on your own or in your employer's retirement plan. Then ... You find yourself lost in all the jargon and get-rich-quick schemes. You have no idea what to do. After some time, you give up and just let whatever money you have sit in a savings account earning no interest. Or worse - you ask somebody else to do it for you and trust it will turn out ok (hint - it won't). There are TONS of myths, misconceptions, and f myths and challenges everything you've been told about investing. This book contains proven solutions that every new and experienced investor needs to know - no matter what financial challenges you face. 99 Minute Millionaire Gives You The Path To Building Wealth Why many investors fail, and how you can ensure you don't How you can make the most money with very little work Important decisions every investor should be aware of 14 common and costly mistakes investors make How to And much more! Follow the advice given in this book and by the end, after putting what I have to say into action, you will be a better investor than most professionals. Best of all, the rest of your life doesn't have to be put on hold to do it either! This book shows you how you can continue to spend most of your time doing what you love instead of struggling to manage your money. Before your buy the book, I have one question for you: What's stopping you from taking 99 minutes to improve the "buy now" button and you will become a great investor-- and have your money make you more money.
