Features facts about the Ninja Turtles, their friends, their enemies, and their world.

"A figure clothed in black scales a castle wall for a covert mission. But how did ninja actually live their lives? Uncover the secrets and truth of living life as a ninja"--

When the sun goes down and the moon shines bright, one little ninja prepares to say goodnight. Bedtime can be tough, especially for little ones dealing with BIG emotions and feelings every day. But in Night Night, Ninja, even the noisiest, rowdiest, never-wanna-go-to-bed ninjas will wind up turning off the lights, snuggling into their beds, and drifting off to sleep as they turn the pages of this gently humorous yet soothing story. The adorable illustrations and rhyming text make this picture book a surefire bedtime favorite for ninja fans. **INSPIRED BY THE CLASSICS:** Inspired by beloved classics like Goodnight Moon and Goodnight, Goodnight Construction Site, this illustrated picture book is the perfect bedtime tale for the littlest of ninjas. **MINDFUL BEDTIME ROUTINE:** Combining a soothing rhyme scheme and an adorable ninja practicing mindfulness routines to help them go to sleep, this bedtime book is sure to be requested over and over again. **INSPIRING CHARACTER:** Kids will be inspired by the way this little ninja quiets their mind and calms down for the night. Although ninjas should be silent and use stealth, Wink finds his enthusiasm gets him into trouble with his teacher until he finds the perfect way to express both traits.

Now a Netflix animated TV series! Are you longing for adventure? Mischief? What about sandwiches? Tag along with one sneaky ninja who is happy to share his busy day (but not his lunch) with curious kids everywhere in this rhyming picture book perfect for fans of The Three Ninja Pigs and 10 Little Ninjas. Written by bestselling author Nate "N.D." Wilson and gorgeously illustrated by newcomer Forrest Dickison. Perfect for reading aloud and shared story time!

The Teenage Mutant Ninja Turtles save the world (again) in an all-new television event based on the Half-Shell Heroes

toy line. This full-color storybook is sure to thrill children ages 3 to 7. This Nickelodeon read-along contains audio narration.

The beloved host of the NBC hit show American Ninja Warrior draws inspiration from both the fierce competitors on his show and his own unlikely path to success to outline the essential steps to achieving your goals and becoming a modern-day ninja. Akbar Gbajabiamila, the host of NBC's hit Emmy-nominated show, American Ninja Warrior, did not have an easy path to success. One of seven children to Nigerian immigrant parents, he grew up in the Crenshaw district of South Central Los Angeles during the 1980s and 90s, a time when the neighborhood was fraught with riots and gang violence. With dreams of playing professional basketball, Gbajabiamila found success not in the sport he loved, but in football. Late in his high school career, Gbajabiamila suited up with pads for the first time and was thrown into the complex sport of football. He climbed major hurdles to play college football and then professional football. After playing in the NFL, it was only after years of hard work behind-the-scenes in radio and television that he was offered the job to be the host of American Ninja Warrior. Through his own inspirational underdog stories and interviews with modern-day ninjas who have accomplished extraordinary things in their own lives against the odds, Akbar proves in Everyone Can Be a Ninja that it doesn't matter if you make it through every step of the obstacle course on the first try. Ninjas keep pushing themselves until they reach their goals, and they don't let anyone or anything stand in their way. It is easy to see greatness in others; it's hard to see it in ourselves. Everyone Can Be a Ninja shows you that we can fulfill our potential and achieve our dreams by finding our inner warriors.

Beware, villains! Cat Ninja may appear to be nothing more than a silly internet meme. But he is evil's greatest enemy, and the silent master of Kat Fu and carpet scratching! From Epic! Originals, Cat Ninja is a hilarious graphic novel series about a lovable cat with a heroic alter-ego. Raised from a kitten by a kindly old ninja master, Claude now spends his days as the pampered house cat of an eleven-year-old boy. But when trouble arises, Claude dons his mask and springs into action as Cat Ninja--Metro City's secret protector! In Book 1 of the series, follow our feline hero's early exploits as he tries to keep his secret identity under wraps while thwarting the evil plans of slimy thugs, rampaging robots, and a certain rodent nemesis who lives under the same roof!

True Path of the Ninja is the first authoritative translation in English of the Shoninki--the famous 17th century ninjutsu manual. Authors Antony Cummins and Yoshie Minami worked closely with Dr. Nakashima Atsumi, author of the most comprehensive modern Japanese version of the Shoninki, thus making this English translation the closest to the original scrolls. The information and insights found in this translation are invaluable for understanding the skills, techniques and mentality of the historical shinobi. Whether it involved tips for surviving in the wild, advice on intelligence-gathering techniques, or methods for creating chaos in the enemy camp, this ninja book unveils secrets long lost. Along with its practical applications, this book is an important guide to the mental discipline that ninjas must have to ensure success in accomplishing their mission. True Path of the Ninja covers the following topics: What a ninja is and what equipment he needs The skills of infiltration and information gathering How to disrupt and distract the enemy How to be mentally prepared to carry out ninja missions In addition to the translation of the Shoninki, this book also includes the first written record of the oral tradition "Defense Against a Ninja" taught by Otake Risuke, the revered sensei of the legendary Katori Shinto Ryu school of swordsmanship. Sensei reveals for the first time these ancient and traditional teachings on how the samurai can protect himself from the cunning wiles of a ninja. About this new edition: This second edition contains a new introduction by the translator, and has been thoroughly updated to reflect developments that shed new light on the original Japanese text.

Lord Oda has sworn to destroy all ninja. Now Taka and Cho must help to protect their village from the invading samurai army, but they are outnumbered ten to one. Will they be able to save everyone?

## Grateful Ninja

The first complete translation of the ultimate Ninja manual—a comprehensive guide to the arts of the ninja, including espionage, warfare, assassination, and more In 1676, a ninja named Fujibayashi collected and combined information from the ninja clans of Iga—regarded to be the homeland of the ninja—and compiled it into an authoritative book. Known as The Bansenhukai, Fujibayashi's book has now been translated into English by the Historical Ninjutsu Research Team and is widely considered to be the 'bible' of ninjutsu, the arts of the ninja. The Book of Ninja begins with an in-depth introduction to the history of Fujibayashi's scripture. The teachings themselves, appealingly rendered in this translation, then take us into the secrets of guerrilla warfare and espionage. We learn how to become the ultimate spy, whether through a network of spies or by hiding in plain sight. Through the stealth and concealment tactics of night-time infiltration, through weapon and tool building skills, and through mission planning, we can learn much both about warfare and about adopting the right mindset for tackling our own inner and outer enemies. Adding to the mix for the spycraft lover, there are sections on capturing criminals, performing night raids, making secret codes and signs, and even techniques for predicting the weather, and using an esoteric Buddhist system of divination. An exciting and engaging tome of lost knowledge, The Book of Ninja is the final say in the world of the ninja and the ultimate classic for samurai and ninja enthusiasts alike.

Ethan's grandma, who is a ninja, comes to visit, and her appearance at school makes Ethan the most popular kid in class. A story about friendship: the daring ninja learns that the greatest thrills and the best adventures are the ones we share. Late at night, when all is quiet and everyone is asleep, a ninja creeps silently through the house in search of treasure -- Publisher.

A missing puppy. A secret gang. And a ninja who is on the case. She's a cat. She's a ninja. She's a cat ninja. Miko likes relaxing at the teahouse, but she also likes wielding akatana. And using her throwing stars. And practicing ninjutsu. When her friend Sukoshi the field mouse comes calling with a new case, Miko agrees to investigate. But the sinister plot goes deeper than a missing dog. Can Miko solve the mystery before it's too late? If you like talking animals, stealthy ninjas, and beating up bad guys, then you'll love The Cat Ninja. Perfect for fans of Narnia by C.S. Lewis, Redwall by Brian Jacques and The Green Ember by S.D. Smith, along with other fantasy series including The Chronicles of Prydain by Lloyd Alexander.
