## *The Children's Book Of Manners (Star Rewards)*

Rhyming text explores how proper behavior for young animals is different from what is expected of young children. Slim Goodbody helps children understand the value of manners and the essentials of behaving well in school, at home, and with friends. Often children come to school without a clear understanding of what it means to be polite and respect the rights of others. Manners make a

difference in all aspects of a person's life. The way you present yourself often determines how others see you.

Emily Post's Table Manners for Kids isn't just about manners for fancy parties or dinner at grandma's house. It's got lots of practical information to use every day to improve family dinners. With fun illustrations, step by step instructions, and an upbeat, modern tone, this is the perfect book to share with the 8- to 12-year-old in your life (or with anyone striving to improve their table manners).

Pretty much everything tweens need to know to get through any meal is here, from table settings to eating tricky food to holding up your end of a dinner conversation. The book includes easy to follow, helpful answers to such questions as: Which fork do I use? Is it okay to answer my cell phone during dinner? What's the polite way to eat spaghetti? "Excellent troubleshooting." (Kirkus)

"This clearly written book offers practical advice that will help young people to feel more comfortable when dining with others and, of course, to

century.

Thingumajigs are crude little creatures. They slurp their soup and rock their chairs. They never say "please" or "thank you." They are a hilarious study in bad manners. But while children are laughing at the Thingumajigs' antics, they are also learning good manners from each page's contrasting example.
