*From bestselling author Jon Gordon and rising star Damon West comes The Coffee Bean: an illustrated fable that teaches readers how to transform their environment, overcome challenges, and create positive change. Life is often difficult. It can be harsh, stressful, and feel like a pot of boiling hot water.*

*The environments we find ourselves in can change, weaken, or harden us, and test who we truly are. We can be like the carrot that weakens in the pot or like the egg that hardens. Or, we can be like the coffee bean and discover the power inside us to transform our environment. The Coffee Bean is an inspiring tale that follows Abe, a young man filled with stress and fear as he faces challenges and pressure at school and home. One day after class, his teacher shares with him the life-changing lesson of the coffee bean, and this powerful message changes the way he thinks, acts, and sees*

*the world. Abe discovers that instead of letting his environment change him for the worse, he can transform any environment he is in for the better. Equipped with this transformational truth, Abe embarks on an inspirational journey to live his life like the coffee bean. Wherever his life takes him, from school, to the military, to the business world, Abe demonstrates how this simple lesson can unleash the unstoppable power within you. Sentenced to sixty-five years in a  
Texas prison, Damon West once  
had it all. He came from a great

family, in a home full of God, love, support, and opportunities to reach any goal. A natural born leader, an athlete with good looks and charm, he appeared to be the all-American kid pursuing his dreams. Underneath this facade, however, was an addict in the early stages of disease. After suffering childhood sexual abuse by a babysitter at the age of nine, Damon began putting chemicals into his body to alter the way he felt. Once he was introduced to methamphetamines, however, he became instantly hooked—and the lives of so many innocent people would

forever be changed by the choices he made in order to feed his insatiable meth habit. After a fateful discussion during his incarceration with a seasoned convict, Damon had a spiritual awakening. He learned that, like a coffee bean changing with the application of heat and pressure, he was capable of changing the environment around him. Armed with a program of recovery, a renewed faith, and a miraculous second chance at life, Damon emerged from over seven years of prison a changed man. His story of redemption continues to inspire audiences today.

fast. Ben Zieglar, the main character and protagonist, is a product of this situation. Ben is a manager for Benevolence Corporation (B Corp.). B Corp is one of three main corporations in The Country (formerly the USA but referred to throughout the novel as The Country). The Country has cut itself off from the world and has fallen behind quite a ways in relation to the other powers of the world. At the corporations and throughout society, there are 3 levels of people. The highest levels are the Founders, who have acquired massive wealth and for the general advancement of

mankind, control society. This is a small percent of people in The Country, less than even 0.1% of the people. On his walk home, Ben sees a lovely dark haired tan woman with Greenish-Blue Eyes. Ben doesn't talk to her and instead goes home. He then falls asleep and goes to work the next day. There at work, Ben meets his newest co-worker Jessica and they immediately hit it off. Then, the number 2 at B corp., Jonathan Vilheim II(2), is introduced into the novel. His uncle Jonathan, the first, is the current CEO. But Vilheim 2 is starting to run the entity and was instrumental in bringing Jessica

into town. Vilheim 2 is the antagonist although at first it is unclear whether he is good or evil. Ben's best friend and co-worker Wally Elmore is introduced to the novel. Wally is a Founder himself and is a good friend to Ben. Wally is a little eccentric in his dress and only wears old style Vintage tuxedos. Wally has a twin brother Thomas, who is 5 minutes older than Wally. Thomas is the head of F corp. (Faction) and makes his way to town for the annual Elmore party. Wally and Thomas' relationship is strained because Thomas is a rebel and does not participate in the society of Ultra

City (B Corp.) or Los Angeles (M corp.). Thomas, however, is quite smart, and due to his power, the technologically advanced societies must deal with him. Thomas meets Ben and believes he can turn Ben to the Faction. Next, a series of events is set off that threatens to unravel the delicate balance of society in the Year 2087.

Charlie Fry, the team are in chaos as the new season approaches.

With the problems mounting, Annie Cooper steps up to become the team's captain. Can the Football Girl Wonder inspire Magpies to return to winning ways? Or will they be deep in relegation trouble before Charlie Fry returns home?"--

I've got 99 problems but money ain't one. Though a sister with cotton candy for brains, a spatula-wielding six-year-old niece with a British accent, and the mysterious businessman who left me that damn ticket are all currently vying for the top spot. When I became the sole winner of a \$270 million Megaball jackpot, thanks to a sexy stranger who left a lottery ticket

instead of paying for his meal, my entire world flipped upside-down.

Now, with money-sucking vultures, douchebags by the dozens, and a horde of total hotties just waiting to get their mangy paws on my newfound fortune, I set out to locate the man who gifted me the winning ticket--to properly thank him.

However, when I finally find the cocky, self-absorbed business tycoon, Teague Goodman, I'm not sure whether I want to slap him... or ring his MEGABALLS.

Louis van Gaal is a paradox from top to toe. This is the man who, when unveiled as Bayern Munich manager in 2009, described himself like this: "I am what I am; self-confident, arrogant, dominant,

honest, industrious, innovative." Former players have described him as "scary," as a "volcano." The former Barcelona president described him as "the devil himself." At Bayern, they said he "vaangalised" their team. And yet at the same time, he is "warm-blooded." He openly admits: "I cry almost every day. There's always something that touches me." Barcelona's Xavi says of him: "People see him as arrogant and aloof but he's really not." Dutch Courage is a detailed dissection of the truth behind the myth of Van Gaal, studying his philosophy and his character, as well as some of the excellent football teams he has produced. This Dutch master has

been the head of some of the greatest dynasties in European football - Ajax, Barcelona, Bayern Munich, and Manchester United - as well as the boss of the Netherlands national team (twice). Along the way, he has won a combined seven league championships across Europe. He has also been successful in continental competitions, listing the Champions League, the UEFA Cup, and the UEFA Super Cup amongst his honours. As head coach of the Netherlands in the 2014 World Cup, he led them to within a whisker of the final, beating world champions Spain 5-1 along the way, before his young Dutch charges were finally beaten on

penalties by Argentina in the semi-final. But in 2014 he took on arguably his greatest challenge: restoring Manchester United to their perch after a year in the doldrums. Christian Nerlinger predicts that Van Gaal's United reign will be anything but predictable: "one thing is for sure: it will not be boring." And this book is anything but boring. It is the exciting tale which supporters of Ajax, Barcelona, AZ Alkmaar, Bayern Munich, Manchester United and the Netherlands national team will want to read. Andrew J Kirby is a season-ticket holder at Old Trafford, and writes about United for a number of fanzines and blogs. He is the author of Fergie's Finest: Sir Alex Ferguson's Greatest

complex figure with verve and great  
insight. Despite not being a  
Manchester United fan, Van Gaal's

**Proven ways to create a more loving family** Research proves that happy families are good for health, longevity, peace of mind, productivity, and success. In *The Secrets of Happy Families*, Scott Haltzman offers an original approach to building family contentment that works for families of all ethnicities and make-ups—two-parent, single-parent, blended, childless, or same-sex couple. He provides a "positive psychology" way of solving family problems through strategy and leadership, including knowing and accepting who you are, taking a leadership role in loving and united relationships, building a network of support in extended families and communities, and making quality time for fun, adventures, holidays, and

Managerial styles are influenced by habit, familiarity, and workplace culture. It's no wonder that well-intentioned professionals doing their best to be good organizational leaders often repeat unhelpful supervisory practices experienced in their early careers, even if they disliked them at the time. In the DUH!
