Help children draw and think more creatively by inspiring them with interesting and challenging art prompts and questions. Invitation to Draw offers 99 open-ended drawing prompts, each one proposing a question to investigate that encourages children to free associate and problem solve. The perforated pages make it easy to tear out prompts for on-the-go activities or allowing multiple kids to draw at the same time. A blank cake provides the chance to decorate a dream confection, an empty house inspires stories about who lives there, and a grid of triangles supplies the chance to explore abstract art. What might be hiding in that tree? What sort of robot can you design? The possibilities are endless! Drawing prompts inspire and encourage kids to think and draw differently, and sometimes more creatively, than they might when faced with a blank page. By offering constraints such as a pair of eyes or an empty car and asking a question, children begin thinking about the possibilities and answering the question in their heads even before they put pen (or marker or crayon!) to paper. And through the act of drawing and observing the drawing unfold, the brain continues to think and problem solve, opening up all kinds of creative possibilities around that specific idea.

The most comprehensive how to draw book for kids! Featuring all of your favorite characters, including Simba, Mufasa, Timon, and Pumbaa This children's drawing book gives you 365 Animals to draw every day for an entire year - including Simba, Mufasa, Timon, Pumbaa, Bears, Beetles, Cats, Dogs, Birds, Butterflies, fishes, horses, insects and more. Every mini drawing lesson is broken down into easy to follow step by step instructions, so that all budding artists can create a masterpiece. This book is perfect for kids 9-12 +, but kids age 6-8 with a high interest in art will be able to follow our diagrams easily as well. The Drawing Book for Kids is the only book you'll need to turn your kids' creativity into artistic confidence!
