

The Fairy Tale Detectives (Sisters Grimm)

In the final volume in the Sisters Grimm series, Sabrina, Daphne, and the rest of the Grimms and their friends must face off against the Master to decide the fate of Ferryport Landing—and the world. When Mirror fails to escape the barrier using Granny Relda's body, he turns to his plan B: killing all the Grimms so that the magical barrier collapses. In the meantime, Sabrina has gathered the other magic mirrors as advisors on how to deal with their mortal enemy. They tell her to join forces with the Scarlet Hand against Mirror, in exchange for offering all the citizens of Ferryport Landing their freedom. This final chapter is the end of the road for several beloved characters, but the conclusion is sure to satisfy devoted fans of the series.

When we are fast asleep in bed, the Midnight Library opens its doors to all the night-time animals. Inside the library the little librarian and her three assistant owls help each and every animal to find the perfect book. But with a noisy squirrel band, an upset wolf and a slow-reading tortoise to help, they could all be in for a very busy night . . . A beautiful, big-hearted book about the joy of reading and the importance of libraries. Stylishly designed and produced, this is the perfect gift for anyone of any age that simply loves books.

An incident at school forces sixth grader Phil Morelli, a white boy, to become aware of racial discrimination and segregation, and to seriously consider if he himself is prejudiced.

NERDS combines all the excitement of international espionage with all the awkwardness of elementary school, and the results are hilarious. A group of unpopular fifth graders run a spy network from inside their school. With the help of cutting-edge science, they transform their nerdy qualities into incredible abilities! Their enemies? An array of James Bond-style villains, each with an evil plan more diabolical and more ridiculous than the last. Publishers Weekly raved: "Buckley has a flair for exaggerated humor." School Library Journal said: "Funny, clever, and thoroughly entertaining."

Being an Account of the Remarkable Adventures of Lucy Wickwright, Maidservant and Spy
The Problem Child

The critically acclaimed author of *The House at the End of Hope Street* combines love, mystery, and magic with her first foray into bewitching fantasy with a dark edge evocative of V.E. Schwab and Neil Gaiman. Once upon a time, a demon who desired earthly domination fathered an army of dark daughters to help him corrupt humanity . . . As children, Goldie, Liyana, Scarlet, and Bea dreamed of a strange otherworld: a nightscape of mists and fog, perpetually falling leaves and hungry ivy, lit by an unwavering moon. Here, in this shadowland of Everwhere, the four girls, half-sisters connected by blood and magic, began to nurture their elemental powers together. But at thirteen, the sisters were ripped from Everwhere and separated. Now, five years later, they search for one another and

yearn to rediscover their unique and supernatural strengths. Goldie (earth) manipulates plants and gives life. Liyana (water) controls rivers and rain. Scarlet (fire) has electricity at her fingertips. Bea (air) can fly. To realize their full potential, the blood sisters must return to the land of their childhood dreams. But Everwhere can only be accessed through certain gates at 3:33 A.M. on the night of a new moon. As Goldie, Liyana, Scarlet, and Bea are beset with the challenges of their earthly lives, they must prepare for a battle that lies ahead. On their eighteenth birthday, they will be subjected to a gladiatorial fight with their father's soldiers. If they survive, they will face their father who will let them live only if they turn dark. Which would be fair, if only the sisters knew what was coming. So, they have thirty-three days to discover who they truly are and what they can truly do, before they must fight to save themselves and those they love.

Tunsiya/ Amrikiya

Orphans Sabrina and Daphne Grimm are sent to live with an eccentric grandmother that they have always believed to be dead.

Part coming of age, part call to action, this fast-paced #ownvoices novel about a Deaf teenager is a unique and inspiring exploration of what it means to belong. Smart, artistic, and independent, sixteen year old Piper is tired of trying to conform. Her mom wants her to be “normal,” to pass as hearing, to get a good job. But in a time of food scarcity, environmental collapse, and political corruption, Piper has other things on her mind—like survival. Piper has always been told that she needs to compensate for her Deafness in a world made for those who can hear. But when she meets Marley, a new world opens up—one where Deafness is something to celebrate, and where resilience means taking action, building a community, and believing in something better. Published to rave reviews as *Future Girl in Australia* (Allen & Unwin, Sept. 2020), this empowering, unforgettable story is told through a visual extravaganza of text, paint, collage, and drawings. Set in an ominously prescient near future, *The Words in My Hands* is very much a novel for our turbulent times.

For fans of Rick Yancey and Marie Lu, Undertow is book one in this much-anticipated, genre-breaking, breath-catching new trilogy for teens from New York Times bestselling author Michael Buckley in which a 16-year-old girl is caught in an epic clash of civilizations when a society of undersea warriors march out of the ocean into modern-day Coney Island.

From the New York Times bestselling author of the Sisters Grimm and NERDS comes the second book in an action-packed middle grade series with equal parts humor and heart! When Finn is saved from the Time Rangers by an older version of himself, it comes with a catch. Old Man Finn needs Finn and his friends, Lincoln and Julep, to help him win battles he lost years ago against the Paradox, a terrible creatures obsessed with revenge against Finn's father. If they succeed, he promises to tell Finn where his father is. He even gives them a pair of time-traveling pajamas to help them with their quest. There's only one problem. The pajamas malfunction almost immediately. Along the way the kids avoid being eaten by sabretooths, shot by revolutionary war soldiers, and start a war with a town full of holograms, all in an effort to fix the jammies. Just when their goal is in sight, Julep gets sick. Only...it doesn't seem like she's sick. It seems like she's changing. The adventure may cost Finn more than an old pair of pajamas--it may cost him his friends!

Meet Abriana Yeo, 13, awkward and friendless. Meet Octavia Wu, a graceful teenage alien with superpowers. Forced to flee her home planet Viridis after an invasion by "The Others", another alien species, Octavia and her parents crash-land in the Singapore heartland. Pretending to be a foreign student, Octavia enters secondary one and befriends Abriana, who then helps her in her quest to find the Anteris, a missing element the alien family needs if they want to return to Viridis to help in the war effort. All the while, the two girls also need to navigate the intricate web of teenage drama at Bukit Timah Secondary Girls' School (BTSGS), where mean girls thwart their search efforts every step of the way. Behind the adventure, mystery and sci-fi, this middle-grade novel also explores the pertinent issues that teenagers typically deal with in a local school setting—friendship, loyalty, CCAs, homework and bullies. There is also no shortage of excitement and intrigue in this sci-fi and adventure. This is the first in a four-book series, for children aged 10 and above.
