

## The Halfling's Gem: The Legend Of Drizzt, Book VI

***The extraordinary beginning of an epic series brimming with the unbridled action, adventure, and imagination that have made the name R. A. Salvatore synonymous with the best in fantasy! Jeff "Del" DelGuidice was proud of his assignment to the research submarine The Unicorn. But his mission had barely begun when the vessel was sucked into a mysterious underseas void where time stood still, before propelling it forward, through the centuries. The crew surfaced in a strange, magical world changed forever by nuclear holocaust. Here a race of angelic beings had taken pity on the remnants of humankind, offering a chosen few a precious second chance. Thus the Isle of Hope was raised from the poisoned seas and set like a jewel in Earth's ravaged crown. But the jewel had a flaw, a dark vein of evil. For a sinister expert of the mystical arts had embraced the forbidden third magic, the most deadly sorcery of all. Only Del could defeat it--a hero sworn to peace***

***and fated to wield the dazzling power of the fourth magic. . . The legend starts here! The Legend of Drizzt® 25th Anniversary Edition, Book I collects the first three novels in this best-selling series: Homeland, Exile, and Sojourn in a new trade paperback edition. A great value for anyone who's ready to experience the Legend of Drizzt. Drizzt Do'Urden made his first mistake the moment he was born: he was a boy. In the rigid matriarchy of the dark elf city of Menzoberranzan, that makes his life forfeit. But when his own mother tries but fails to kill him, Drizzt's path is set. He must find a way to escape the treacherous Underdark, even if that means setting out alone into the no less dangerous World Above.***

***“The Companions is the best novel [R.A.] Salvatore has ever written. It's insanely courageous, profoundly powerful, masterfully constructed, and easily Salvatore's most ambitious work to date.”—Paul Goat Allen, BarnesandNoble.com “After a quarter of a century, R.A. Salvatore just keeps getting better and better, and The Companions is another masterful leap forward for one of the greatest fantasy epics of all time.”***

Hoping to distance himself from his past, he flees to the faraway port city of Luskan—but in so doing, isolates himself from his friends and develops an unhealthy penchant for booze. For Wulfgar, things get worse before they get better. Drizzt Do'Urden and Wulfgar embark on a perilous mission to rescue their halfling friend in this action-packed finale of the Icewind Dale Trilogy. Artemis Entreri has taken Regis back to his former master, Pasha Pook—but Drizzt Do'Urden and Wulfgar are fast on the assassin's heels. With Drizzt now disguised as a normal elf, the duo continues their journey, traveling from Waterdeep to Baldur's Gate, and beyond, in search of their friend. Meanwhile, Entreri is always one step ahead, aided by the magical gem Regis once stole from Pasha Pook. Together, Regis' captors thwart Drizzt and Wulfgar's mission at every turn, cornering them into battles with pirates, treks through the Calimshan deserts, and encounters with otherworldly monsters. But will it be enough to stop them from rescuing Regis? The Halfling's Gem is the third book in the Icewind Dale Trilogy and the sixth

book in the Legend of Drizzt series.

Newly returned to the demon-infested Underdark, Drizzt Do 'Urden faces his most dangerous adventure yet Drizzt is going home, but not to Mithral Hall or to Icewind Dale. He's going to Menzoberranzan, the very place he left as a young and outcast drow. Something terrible—immense—unspeakable, has come to the City of Spiders, leaving death and destruction in its wake. As the damage of the Darkening, of war, and of a demon-ravaged Underdark sends cracks out across the North, causing irreparable damage, Drizzt and his companions find their lives endangered once more. When the primordial of Gauntlgrym stirs, Catti-brie and Gromph venture to the ruins of the Host Tower of the Arcane in Luskan, seeking the only power that can keep the beast in check. Meanwhile, Jarlaxle holds the strings for them all, orchestrating a masterpiece of manipulation that brings old enemies together, and tears old friends apart. But even the wily and resourceful Jarlaxle may not realize just how narrow a path he walks. The City of Spiders might already have fallen to the demons and their wicked prince. What's to say the demons will stop there? Maestro is the second book in the Homecoming trilogy and the thirty-second book in the Legend of Drizzt series.

New York Times–bestselling series: The saga of one of fantasy's most beloved heroes reaches a sweeping, epic climax in this conclusion to the Homecoming

trilogy Something akin to "peace" has come to the Underdark. The demon hordes have receded, and now the matron mothers argue over the fate of Drizzt Do'Urden. Even so, it becomes clear to one matriarch after another that while the renegade drow may come and go Menzoberranzan, the City of Spiders will crawl forever on. And so Drizzt is free to return to his home on the surface once again. Scores are settled as lives are cut short, yet other lives move on. For the lone drow there is only a single final quest: a search for peace, for family, for home—for the future.
