

The Hollywood Commands: A Spiritual Guide To Secular Success

Author John Wesley Downey, in his first non-fiction book, creatively combines basic Judeo-Christian beliefs with the simplest and most compelling concepts of Eastern religions such as Buddhism and Hinduism to give readers The Ten Commandments of Spirituality. By combining basic spiritual concepts from multiple religions with pop culture references to movies, TV and music, Downey provides spiritual guidance that is totally accessible for contemporary readers. Written in a conversational style, it applies the best of spiritual principles in practical ways to everyday living. Whether the reader is a member of an organized religion or an independent free thinker who simple describes themselves as spiritual, the content addresses the challenges of contemporary life with guidance that is alternately serious, humorous, insightful, and thought provoking, and above all spiritually healthy. Also included are Downey's answers to Ten Frequently Asked Questions about God, how to cope with the dehumanizing aspects of today's technology, and why the current unhealthy cultural obsession with celebrities is a dangerous exercise in false idolatry. Finally, Downey's reviews of the greatest spiritual movies of all time round out a book that is sure to provoke discussion among both believers and non-believers alike. The Ten Commandments of Spirituality is a 21st Century Spiritual Manifesto, that provides a solid foundation for healthy living.

The New York Times bestselling author of The Wait and "Spiritual teacher for our times" (Oprah Winfrey) frankly and openly explores why men behave the way they do and what everyone—men and women alike—need to know about it. We hear it all the time. Men cheat. Men love power. Men love sex. Men are greedy. Men are dogs. But is this really the truth about men? In this groundbreaking book, DeVon Franklin dishes the real truth by making the compelling case that men aren't dogs but all men share the same struggle. He provides the manual for how men can change, both on a personal and a societal level by providing practical solutions for helping men learn how to resist temptation, how to practice self-control, and how to love. But The Truth About Men isn't just for men. DeVon tells female readers everything they need to know about men. He offers women a real-time understanding of how men's struggles affect them, insights that can help them navigate their relationships with men and information on how to heal from the damage that some misbehaving men may have inflicted. This book is a raw, informative, and accessible look at an issue that threatens to tear our society apart yet offers a positive way forward for men and women alike.

From New Age spirituality, to Bible-based Christianity, to Scientology, to Buddhist retreats, to meditation classes, to Atheism studies, to the mega-church of the nation's top TV preacher, journalist Ken Baker immerses himself in a range of spiritual practices side by side with the celebrity set, revealing a Hollywood that is deeper, more questioning and more God-centered than you'd ever imagine.

DeVon Franklin, New York Times bestselling author of *The Wait* and prominent Hollywood producer, reveals that secular and spiritual success are not opposites. To have one, you need the other. Are you tired of living a life paralyzed by fear? Are you anxious to break free of the “beware mentality” that has kept generations of well-meaning people living beneath the fullness of their calling? You’re unfulfilled because you’ve been convinced that you would lose your faith if you pursued the secular ambitions God has put in your heart. However, until you pursue those ambitions you will miss out on the fullness of God and the success you were created to have. For too long there’s been a line drawn between the spiritual and the secular, and we have been conditioned to believe that if we cross this line in either direction, we will have gone too far. It’s time to break down the barrier so you are free to go further than any believer has gone before. *The Success Commandments* combines spiritual teachings with secular strategies to help you achieve unprecedented success and live the life you were destined to live.

Oprah Winfrey says Super Soul Sunday is the television show she was born to do. “I see it as an offering,” she explains. “If you want to be more fully present and live your life with a wide-open heart, this is the place to come to.” Now, for the first time, the aha moments of inspiration and soul-expanding insight that have enlightened millions on the two-time Emmy Award-winning Super Soul Sunday are collected in *The Wisdom of Sundays*, a beautiful, cherishable, deeply-affecting book. Organized into ten chapters—each one representing a powerful step in Oprah’s own spiritual journey and introduced with an intimate, personal essay by Oprah herself—*The Wisdom of Sundays* features selections from the most meaningful conversations between Oprah and some of today’s most-admired thought-leaders. Visionaries like Tony Robbins, Arianna Huffington, and Shonda Rhimes share their lessons in finding purpose through mindfulness and intention. World renowned authors and teachers like Eckhart Tolle, Thich Nhat Hahn, Marianne Williamson and Wayne Dyer, explain our complex relationship with the ego and the healing powers of love and connection; and award-winning and bestselling writers like Cheryl Strayed, Elizabeth Gilbert, and Elizabeth Lesser explore the beauty of forgiveness and spirituality. Paired with beautiful photographs, including many from Oprah’s private property in California where each episode of Super Soul Sunday is filmed, *The Wisdom of Sundays* promises to be a timeless keepake that will help readers awaken to life’s wondrous possibilities and discover a deeper connection to the natural world around them.

Can educated people embrace the concepts of spirituality, mysticism, paranormal phenomena, and even magic in light of the overwhelming and undeniable tenets of modern science? As revealed in this book, the answer is a resounding yes . Faith and Physics takes the reader on a step-by-step journey through the often startling world of modern physics, showing how recent scientific evidence not only supports, but in many cases, demands an acceptance of spiritual, mystical, and paranormal principles. If you, like many modern people, have yearned to believe in something beyond the mundane day-to-day physicality of life, but have feared that to do so would be tantamount to intellectual suicide, this book will prove that you need not choose between modern certainty and mystical doctrine, for both are completely consistent.

Two years before adopting seven-year-old Keydell from a group home for young boys, Kim made a vow before the Dalai Lama to become a bodhisattva: one who cultivates an enlightened mind, is free from delusion, and practices kindness and compassion above all else. However, she struggles with this practice as her new son's challenged mind sends him into fits of rage and violence, while seemingly allowing him to feel no remorse for his actions. His behaviors go against everything Kim believes in, but she is determined to keep her chocolate-eyed boy safely in the home she has created with her husband and two biological children. As she tries everything she can to get Keydell the help he needs, she must also learn to accept him exactly as he is: a tiger in the home of elephants. This vulnerable and touching account highlights the interplay between desire and reality, denial and acceptance, struggle and enlightenment. As the minds of this mother and her extraordinary son awaken – Kim's through her Buddhist practice, and Keydell's through the science of neurofeedback – we witness the power of love and compassion to overcome even the greatest odds."

This book takes an in-depth look at theHoly Spirit, His works, His names, and His Emblems. The Holy Spirit is the third person in the Godhead, who operates coequally, coeternally, and coessentiality as one unit. The Holy Spirit's activities are (a) He reveals, (b) He teaches, (c) He witness, and (d) He intercedes for us. Additionally, He possesses a relationship with humanity and He can be grieved. The Holy Spirit is eternal, omnipresent, omnipotent, and omniscient. His symbols are (a) wind, (b) fire, (c) water, (d) a seal, (e) oil, and (f) dove.

"A wondrous, sparkling fusion of wisdom and insight." - Patricia Santhuff What do the wonderful myths of ancient Greece, the beautiful stories in the Bible and Qur'an, and all the sacred stories from traditions around the world, have in common? They open our hearts to wonder, mystery, passion, and joy. I know, on the outside these stories seem very different, confusing, conflicting, and often violent and divisive. But when read symbolically and internally, they are all telling the same story. They show us the path of spiritual awakening and enlightenment. Sometimes the story is called "Returning to the Promised Land." Sometimes it's called "Seeking the Holy Grail." Sometimes it's called "Persephone's Return to Olympus." But whatever it's called, the inner meaning and purpose is always the same. The stories are all a call to awaken, to live passionately and consciously, and to enter the door that leads to enlightenment and communion with the divine. The door is always open. The light is always ready to receive us. But we have to learn how to tread the path!

Fortunately, that's what all the sacred stories are really about. The DOOR IS OPEN uncovers the 7 Universal Steps that are found within the symbols and allegories of all great mythology and scripture. Each chapter ends with a series of practical and enjoyable spiritual exercises and activities. You can do this work on your own, or together with a group. It could be a church or synagogue group, a book club, a classroom, or any group of friends who want to get together and expand their spiritual horizons.

Rev. 2:7 He that has an ear, let him hear what the Spirit says unto the Churches." He says it to each of the seven churches giving them warning as to what will happen if they don't listen. Later in the same book, he says something that opened my understanding to the reason people don't hear. He says, "If any man have an ear, let him hear.' This indicates to me, the Spirit will no longer be speaking to people because He is no longer in the world. Those left behind will only be able to hear with the natural ear what is going on around them. I would warn the church to listen NOW while there is still time to hear the Spirit and obey the Lord. There is coming a time when the Spirit will no longer speak to the hearts of man, for judgment will be falling on the world who would not listen. It will be a time of famine of the Word. I pray the church wake up now. Don't be like the five virgins, who feel asleep with no oil in their lamps and woke up left behind. Now is the day of salvation, now is the day to listen with the ear of the Spirit and have a Holy Spirit encounter that will change your life. You can't change yourself, you can only die to the self life and grow in the God life the savior providing for you at a cross. Living in the Last Days is not a popular phrase, but it is what is happening. We have no leadership, and preachers are preaching to itching ears and tickling ears. Hearts are cold or very lukewarm with no attention span to help one another to grow. Evil is growing and good people are doing nothing because they are too busy, to overworked, to far asleep. 666 is now here and is going to be required by government and good people are doing nothing because they don't care, don't see what it happening right in front of them. The evil that is in the middle east will be in American unless people wake up and listen with the ear of the Spirit and do it soon.

After her dreams of a perfect life in marriage are shattered by a divorce, Stephanie Petrie travels from an idyllic life in California to Sedona, Arizona, and eventually to the pyramids of Egypt as she embarks on a spiritual journey of self discovery. Along the way, she meets strangers and makes new friends as she learns to develop her spiritual gifts and while journeying through the Sahara Desert, noting a family of tarantulas surviving through the parking lot, and following a boy into the King's Chamber in the Pyramid of Giza. In this memoir, Stephanie tells her story of how people, nature, and life choices are all connected in order to challenge her "expected" social role in life and adventure continues to require profound courage, commitment, and faith in the beauty of life as she discovers a deeper purpose and source of happiness.

What is grace? The answer lies deeper than you might suppose. To understand grace in its fullness, we must explore the great mystery of our very existence. In search of that deep understanding, *Essential Grace* takes you on an eternal journey. It begins with the mind of God, all alone in eternity past. It consummates in the heights of heaven redeemed people. In between, it explores the multi-faceted grace of God poured out on His creation. Powerful and vivid, *Essential Grace* will open your eyes to the liberating reality of God's grace.

Heavily autobiographical, *Drugs and Spirituality* follows one man's journey into the self: first with drugs and then later with Spirituality. A practical guide for anyone using drugs to explore the self, France's advice is both encouraging and cautionary. An entertaining and informative look into the world of drugs, spirituality, and the true seeker approaching Buddha like status, this book can help you understand yourself better and give you some options on how to proceed. France's honest writing lays it all out there for the reader to lap up like primordial soup. Meander with France through the barely eventful early times and then be thrust full force into his debaucherous San Francisco spirituality. He was finally able to work his way into a true understanding of the world. His journey is your chance to understand your own.

"Have you ever felt lost? Have you ever felt like there was a distance between you and God? That you didn't know his will? Do you have free will?" When I was about to start writing this book, the Holy Spirit said, "Write a book of wisdom," and I said, " Wisdom? I don't know much about wisdom in order for me to write a book." And the Holy Spirit said, "Go to the beginning where everything started." And so he took me to Genesis 1:1-5 and it said: In the beginning God created heavens and the earth. Now the earth was formless and empty, darkness was over the surface of the deep, and the Spirit of God was hovering over the waters, and God said, "let there be light," and there was light. God saw that light was good and he separated the light from the darkness. God called the light "day" and the darkness he called "night." And there was evening and there was morning- the first day. " This powerful healing book O God, My Father 2nd Edition; takes you from the stronghold of darkness in your life and brings light to your life in every aspect of your existence; physically, emotionally, spiritually, socially, financially, economically and politically. The life force, also known as spirit," is the essence of being and the conscious and most important form of energy. Living energy is personal and within our conscious control, and by learning about it, we can use it to transform our life into vibrant and meaningful expressions of who we are. Living energy is purely energetic and therefore difficult to quantify in mechanistic terms. It is the characteristic of living energy and is the foundation of awareness. Consciousness is the thread running through all life. Living Energy is an introduction to the process of mystic spirituality. The reader is encouraged to attain a deep and meaningful connection to the divine with expanded awareness. The principles given in this book are equally relevant to the novice and the advanced practitioner. Robert explains how we may reveal our hidden potential by shifting our perception away from what is customary and comfortable to open the doors to greater spiritual awareness.

Introduction A note from the author. Do you feel trapped with your beliefs in religion and God, finding yourself questioning it? Feeling like you're a prisoner within your own mind? Are you standing on the fence with religion and God? I once was just like you. Free yourself of this conflict as I have, and act for all. The choice is yours to believe or not, as an adult it always has been, as a child growing up, it wasn't. Fictional book based on fictional characters and events. For all outward appearances Mary Jane is a simple conservative upper middle class Long Island housewife. Two great kids now off to college, family dog. Currently living in the suburbs, but something seemed to be missing in her life, she could never really understand what it was. Sex with her husband was for the most part, satisfying. Marrying her college sweetheart .Mary now in her late 30's and having all this free time on her hands, her inner itch begins scratching at her. She feels this within herself but doesn't understand what it is. It starts in the back of her mind, in her subconscious mind. Mary Jane has yet to realize the full potential of her body and mind. To crack open her inner shell. Not just about Mary Jane surrendering herself to her body's desires or her husband's, not just for the pleasures of the flesh but for her mind and very soul. Come follow Mary Jane on her journey, a journey of enlightenment and understanding, an awakening within herself, a journey that takes her into the erotic world of BDSM.

No Other Options. Desperate people stop Jesus in His tracks...think of the woman hemorrhaging for 12 long years, despondent that all remedies up to that point had proven worthless. The only option left for her was to grab the robe of the miracle man as He walked by. Jesus affirmed her courage, healed her, called her daughter, and blessed her in peace. Jesus admires your gut-honest desperation more than your religious self-sufficiency. It attracts Him like nothing else. What is your greatest place of desperation right now? Cruel circumstances, fractured relationships, bruised emotions and aching loneliness-God meets us in the desperate places of our lives, fights at our delights to rest us, and sends us out into a world full of desperate people. "Horstly is what you will find as you advance through the treasures that await you in this unforgettable book. The words are not the hollow ramblings of an academic, but rather the wisdom of a man who writes from the depths of his gut and his burning and hope in the darkest and loneliest circumstances you have ever endured. My life has been profoundly and deeply shaken by my friendship with Mike O'Quin. I invite you to read his meditations on human desperation. Prepare your heart. I dare say, you will never be the same." - Paul Richardson, author of A Certain Risk: Resting Your Faith at the Edge (Zondervan, 2010) "One of the biggest dangers for the Western Christian is to wrap our lives in so much bubble wrap, that we no longer remain vulnerable. raw, broken and, most of all, dependent upon Jesus. Mike carefully removes the bubble wrap we have put around our own souls as he reminds us that it's only in our desperation that we can fully meet the perfect love that saves us. Growing Desperate reminds us that, in the same way Jesus noticed the desperate hemorrhaging woman, He notices our own, everyday brokenness as well. If only we would be desperate enough to reach up. After reading this book, you will be."-Jessica Honegger, founder and CEO of Noonday Collection "Growing Desperate offers a most inspiring and compelling insight into Jesus' promise of the Kingdom for the poor in spirit. It's well-written and cocked full of fascinating stories of Mike's experiences from his life and the lives of people he's served both in the U.S. and Indonesia. His winsome, transparent style of writing invites the reader to be more than OK with our own neediness. Most refreshing is Mike's call for us not just look inward but to also look outward to others who are needy. Mike lives what he's addressing in his book, thus it carries much authority." - Ron Parrish, author of From Duty to Delight: Finding Greater Joy in Daily Prayer "There are generally two types of writers who fill the pages of books in stores. The first are famous people who need some help to make their story readable. You'll buy the book 'cause you know who they are but struggle to finish reading their passable drivel. The second are people you've never heard of who have ridiculous writing talent. Imagery leaps off the page so vivid and real you forget you're reading. You're living the story. You can't wait to read more, wished it wouldn't end and ache to read it again. Mike O'Quin is that second type of writer. Even better, he's lived desperation from Austin to Indonesia. You'll feel his stories tugging at your soul. More importantly, you'll hear the voice of God calling you to a life that's richer, riskier and singing a new song."- Peter Nevland, author of Exposing the Psalms and I'm Going to be a Zebra The heart of why I wrote this book: www.faithactivators.com/why-i-wrote-this-book/

This book will help you to remember who you truly are, and to be your true, authentic self, in its entirety, to unlock the beautiful spirit and essence of you. You have a soul mission: it's time to wake up to it and fulfill your destiny and be everything you ever dreamed of being, your soul and spirit self really are, unafraid to shine in a world that all too often might seem might seek to undermine or limit you...You are filled with infinite possibilities and great gifts. Many of us are waking up from the illusion of fear, lower consciousness and vibration that we have been trapped in. Though times may be dark, the light can prevail and by holding on to our dreams and visions, we will emerge with a higher consciousness. We will shed all the restrictions of the past, and break the chains of the judgmental and fear-based systems which have ruled and limited our lives in so many ways, to take a jump and leap of faith and really be the full expression of our unique and special souls. "I really love this book. As soon as I started reading it, it felt like it was talking directly to my soul.... I believe Sally is a gifted soul on a mission to genuinely help & empower people. It is a book I will treasure" "What a beautiful book; one that touches you and works on so many levels." "It doesn't matter where you are on your journey, in this book you will find something new, something to remind you of who and where you are, why you are following the path you have chosen and affirmation that you are not alone, the Universe is always supporting you. I found the book easy to read, to me the energy of the words just flow off the page, and hit the spot. Read it from cover to cover, dip in and out, the choice is yours and the book supports you in all the ways that you wish to connect with it. Bursting with information and and workable ways to experiment and include in your spiritual practice. Sally has worked really hard to make this work appeal to as wider audience as possible and I feel she has pulled it off with a flourish. Well done Sally, when's the next one?" "I really love this book. As soon as I started reading it, it felt like it was talking directly to my soul and I felt curiously emotional. I believe Sally is a gifted soul on a mission to genuinely help & empower people. It is a book I will treasure & refer to when I am in need of uplifting"

A daily devotional based on the New York Times bestselling The Wait, filled with inspiring readings about how having the patience to wait for God's best—instead of grasping for what you want right now—can transform your life. In The Wait, DeVon Franklin and Meagan Good, a Hollywood power couple who famously saved sex for marriage, shared the life-changing message that waiting—rather than rushing—can be the key for finding the person you're meant to be with. Now, their powerful message is reflected again in The Wait Devotional. Filled with scripture, prayers, and DeVon and Meagan's trademark conversational style, this 90-day devotional is packed with real-time advice for men and women trying to successfully navigate the ins and outs of dating, love, and relationships. You'll discover how waiting for everything—from sex to getting engaged—can transform your entire life by giving you greater patience, joy, peace, healing, faith, and love. Whether you're waiting for the right person to come along or you're searching for the strength to put intimacy on hold, The Wait Devotional can help you slow down and trust in God's perfect timing, day by day.

What if there was an underlying universal language that encompassed everything in your reality but you simply were not aware? What if you had been led away from this truth as a child? Would you want to know? What if you could find a way to rediscover your connection to it and in doing so could change your whole perspective on life and your powerful place within it? Through significant philosophical conversations with spiritual leaders, scientists, researchers, and philosophers from around the globe coupled with his own life experiences, Author, Scott Leuthold gained new perspectives on his reality. In his new book Rediscovering Your Divine Music, he shares a timely message that we must reconnect with our natural world and learn to love and respect ourselves, everyone, and everything under the premise that all is one.

The authors discuss the circumstances that brought them together and their decision to abstain from sex until marriage. Peggy Alessi is a hard-working, separated mother of three, whose simple faith in the Lord prepares her for spiritual conflict against the very Hordes of Darkness. Through great struggles and divine circumstances, she reunites with her husband as an epic war is waged, spanning the globe between the Principalities and the Powers of Darkness and the Kingdom of Light, with nothing less than the souls of men at stake. Peggy becomes a willing participant in this last great spiritual awakening before the Rapture of Christian believers. Based on the prophetic message found in the three Old Testament Books of Hosea, Joel and Zechariah, and drawn also from the Book of James found in the New Testament, we get a glimpse of the time leading up to the most anticipated moment of His appearing, as angelic and demonic battles are being fought for control of nations and peoples in Bruce S. Tentzer's supernatural thriller, The Letter Rain. Author Bio: Bruce S. Tentzer resides in West Texas with his lovely wife of 23 years and adorable nine year old son. He has been a writer and a public speaker for 27 years. The Letter Rain is his first published work. Publisher's website: http://www.strategicpublishinggroup.com/title/TheLetterRain.htm

Spiritual Bedrock Reclaiming Your Inner Connection to Truth Sylvia Hutchinson Spiritual Bedrock celebrates reconnecting with and living by our innate sense of Truth. In this book, Sylvia Hutchinson uses her experience to illustrate how easily looking for fulfillment in external sources can lead to the loss of feelings of security, connectedness, and wellbeing. Spiritual Bedrock is a straightforward look into Sylvia Hutchinson's mind and heart. As she shares her journey into multiple addictions and back, she reveals how the abandonment of her inner knowing and her integrity brought her to a world of separation and loss. She describes the desperation and hopelessness she experienced with directness and honesty. Sylvia then relates how she emerged from that deep emotional and spiritual toll to reclaim her peace of mind and joy in life. She presents specific methods she has found to access and honor her emotions, transform thought processes and behavior patterns, access her inner wisdom, and reunite with her Higher Self. The spiritual nature of our daily lives, as supported by worldwide traditional wisdom, is a central theme throughout Sylvia Hutchinson's writing. In Spiritual Bedrock, Sylvia explains in down to earth language how living increasingly in accord with this age-old wisdom, or Universal Truth, is not only possible, but practical, and is the process by which we can feel whole once more.

My Journeys to the Spirit World

How does it happen? How does someone raised Roman Catholic find himself journeying to the spirit world, interacting with spirit guides, and performing soul retrievals? This book is Paul J. McAllister's answer to that question. What makes the book interesting is that, unlike many how-to shamanic books, My Journeys To The Spirit World focuses on the author's personal journeying experiences. Between June 2011 and June 2013 the author made 200 journeys to the spirit world, journaling each visit immediately after it occurred. This book presents the thirty plus most memorable journeys. It includes details of his interactions with power animals and spirit guides, the intentions for each journey, and the beneficial results of contacting the spirit world. In Chapter One the author describes initial spirit contacts he had while vacationing in Hawaii in 2011. Back on the mainland two weeks later, Paul was awakened from a sound sleep by Hawaiian spirits and given the opportunity to follow a new path. He accepted their invitation. In Chapter Two, the author briefly describes his personal spiritual quest. Following Catholicism into adulthood, the author's life took a turn into alternative spiritual ideas including years spent studying Rosicrucianism, Buddhism, Transcendental Meditation, the Order of the Golden Dawn, and ultimately shamanic practice. Chapter Three relates how he began journeying on his own. The author describes purchasing Awakening to the Spirit World by Sandra Inghram and Hank Wesselsman, reading their instructions on journeying, and using the accompanying CD to journey easily into and out of the spirit world. After several months, he decided to verify his experiences and signed up for a class titled "Introduction to Shamanic Journeying" by Lauren Torres, a certified teacher of shamanic practices. Chapters Four and Five describe the author's success in confirming his own experiences through that training. Paul describes his journeys during four shamanic training courses as well as his own personal journeys during this timeframe. The author uses Chapter Six as an introduction to the process of healing by describing his experiences during three years as a practitioner of chakra healing. This chapter also sets the stage for discussions of soul retrievals and soul retrieval training which are covered in Chapter Seven. Chapter Eight describes four soul retrievals and includes positive post retrieval comments from each of the clients. Chapter Nine discusses the use of drums, rattles, drums, omens, other forms of divination, and how these tools compliment healing and soul retrievals. Chapter Ten focuses on a discussion of our outmoded definition of reality, the fact that journeying is the inherent right of all human beings, and how journeying will help us discover our individual purpose which in turn will help us implement the destiny of all humanity. My Journeys To The Spirit World, is not a dry, intellectual approach to shamanic journeying. Rather it is an exciting, sometimes hilarious, and at times poignant, personal view of the journeying process. It is the wonderful culmination of a life long spiritual search.

DeVon Franklin, New York Times bestselling author of *The Wait* and prominent Hollywood producer, reveals that secular and spiritual success are not opposites. To have one, you need the other. Are you tired of living a life paralyzed by fear? Are you anxious to break free of the “beware mentality” that has kept generations of well-meaning people living beneath the fullness of their calling? You’re unfulfilled because you’ve been convinced that you would lose your faith if you pursued the secular ambitions God has put in your heart. However, until you pursue those ambitions you will miss out on the fullness of God and the success you were created to have. For too long there’s been a line drawn between the spiritual and the secular, and we have been conditioned to believe that if we cross this line in either direction, we will have gone too far. It’s time to break down this barrier so you are free to go further than any believer has gone before. *The Hollywood Commandments* combines spiritual teachings with secular strategies to help you achieve unprecedented success and live the life you were destined to live.

The “wide world of sports,” as it’s often called, has quite obviously become a cultural phenomenon. In the United States alone, sports generate more than 400 billion dollars annually. However, for its many athlete-participants, coaches, fans, and investors, it provides much more than simple monetary value. While some critics see modern sport (especially those known for their rather intense physical contact) as somewhat “brutish” or even “uncivilized” sports itself, when played with proper intentions, provides unlimited opportunities for positive human growth, including even that of a spiritual nature. Known perhaps as “the greatest of Christian missionaries,” St. Paul, who also gained the title, “the athlete of Christ,” for his frequent use of athletic-themed metaphors throughout the New Testament, encouraged the faithful to “pray without ceasing” (1 Thimoth. 5:17 NAB). While his exacting and demanding participation in sports provide a refreshing opportunity to embrace such a deep spirituality, rather than providing an impediment to it. In the first year of his Pontificate, Pope Francis acknowledged both the importance of sport as a worldwide cultural phenomenon, while also recognizing within it the inherent and numerous opportunities for growth in the Christian spiritual life. He said, “I ask that you live your sport as a gift from God, an opportunity not only to bring your talents to fruition, but also as a responsibility to God and all of the human family.” Within “Sport & the Spiritual Life: The Integration of Playing and Praying,” we are challenged to view sport not simply as yet another worldly distraction, amusement, or task on an already hectic schedule, but rather to view it as an opportunity to discover God “in the here and now”; to communicate with Him in every play; every movement; every moment... To ultimately recognize that sport is a “school of virtue” wherein we learn that God transforms even our most profane activities into sacred ones wherein He may be glorified and we may have the honor of praising He who is most deserving.

Isis Unveiled is a classic spiritual book written by Helena Petrovna Blavatsky of The Theosophical Society. This Isis Unveiled contains new recollections of the yugas by Sri Yukteswar author of The Holy Science. The Veil of Isis, Blavatsky's Secret Doctrine on A Mastery Key to the Mysteries of Ancient and Modern Science and Theology is her opus. It encompasses a thorough examination of religion, spirituality, yoga, Sanatana dharma, Kabballism and Christianity. MAKE SURE YOU GET BOTH VOLUMES OF ISIS UNVEILED: Book 1 ISBN: 1939199042 & Book II ISBN: 1939199077 to help answer the question: "Does God Really Exist?" This is a question that has been asked since the beginning of time and probably will not be answered until the individual comes face to face with the Truth! However, if a critical examination on the subject matter is what you're looking for then there probably is no better source than "Isis Unveiled." This book is an exhaustive effort to discuss man, life and Spirit from as many angles as possible, from all ancient cultures, myths, religions and scientific perspectives. This book goes in depth to explore man's place in the world, how we all relate to one another and what connects us all. For the mystic, that answer is undeniably that we are all part of One

Source, One Essence and One Spirit. Supported by extensive evidence from religious, esoteric and mystical traditions and classical scholarship, these volumes aid the student in detecting the vital principles which underlie the philosophical systems of old. Volume I consists of two books focusing on prevailing scientific theories balanced with Ancient Universal Wisdom Religion. Volume II's two books examine the creeds of religions past and present, alongside the myths and symbols of various cultures. Throughout, the author strikes at the root of dogma and affirms the 'paramount importance of any religion' for the individual to "Know Thyself!" After reading this classic book with a new translation and modernization, you will see how although time, cultures and languages may change - Truth is Eternal! Take this journey through history touching upon the wealth of spiritual knowledge from the Hindus, Chaldeans and Egyptians to Kabbalism, Christianity and Science. Enjoy the travels through the legendary Lemuria and Atlantis to the Mayans with quotes from Plato, the Chaldean Oracles, the Egyptian Book of the Dead, the Bible, Pythagoras, Apollonius of Tyana, the Popol Vuh, Paracelsus, Giordano Bruno, Marco Polo, Jesus the Nazarene, Siddhartha Gautama, Zoroaster, Hermes Trismegistus and Max Muller, as well as Buddhist, Brahmanical, Chinese, Persian, Babylonian, Syrian, Gnostics and so much more. Ultimately, it is the yogi who tells us that to the disbeliever there will never be substantial enough evidence to convince the doubter. However, for those who aren't merely skeptics but have a sincere thirst for Truth, then only by going within will you ever be quenched! Isis Unveiled is the rapid river leading you to the water within... it is up to you to drink! For those that don't know, Blavatsky is very advanced reading for spiritual students. It is NOT the type of book you read from front cover to back. You must take your time with this reading. You should use the table of contents and/or index to go to the subject you have interest in, read it and let it digest. As time goes on and you experience more life then you will find yourself coming back to various subjects and gaining something new with each reading! "Many rivers... One Ocean; many branches... One Tree; many paths... One Destination; many stories... One Truth!" 1 S.O.U.L. Publishing www.selfawakened.com"

Black Hat Wisdom was written as the author's personal guide to achieve spiritual freedom and attain inner peace. Its main theme focuses on applying metaphysical attributes, without any specific theological beliefs that might constrain an open minded approach to the everyday occurrences of our daily lives. Its prime intention is to inspire, motivate, and embrace the inner essence of your individuality and the power of your spirit, as the main forces that provide the answers to what we already know but have most probably forgotten. The book is a very non-conventional approach to unravel the elusive truths behind those age-old questions of why we are here? What is the purpose of life? Where do we go after death? Why should we believe in what has been forced upon us through thousands of years of traditions and conventional wisdom? And many other questions which, perhaps because of our practical ways of thinking, we have failed to consider important. Hopefully by reading each essay more than once you will be open to consider a different way of thinking - a new way of thinking that could cement your present beliefs or shake them to their core, or maybe help you embrace other ways of getting closer to the absolute truth or to a truth within which the essential nature is forever changing. Lastly the author hopes that the reader will be inspired to question everything, with the compassion and understanding that will allow LOVE and PEACE to always lead the way. You are greater than you think you are.

Have we lost our spiritual connection? More precisely, what does it really mean to have a spiritual connection? In this book, the author, Clarence Brown, takes us on a rewarding trip that explains to us how to heal our confusion through the process of self-love. He tells us that love is a series of actions that needs our participation for it to exist. He also discusses feelings of being lost and alone, and talks about the journey back to reconnect to our spiritual selves and a way to hear our inner voice. With many other topics that will ultimately enable us to find our spiritual connection, his thought-provoking book not only helps us discover our personal clarity and understanding but also how to find the willingness to acknowledge the well-being of all humanity.
