The LegalTech Book

*"Burke drills deep into America's unique culture of litigation and is rewarded with a powerful insight: it is not the public or even lawyers that are so darn litigious, but American law itself. This meticulous, dispassionate book stands not only to advance the debate but—I hope—to reshape it."*—Jonathan Rauch, author of *Government's End: Why Washington Stopped Working* "Lawyers, Lawsuits, and Legal Rights is a fascinating study of the American penchant for public policies that rely on lawsuits to get things done. Burke's analysis is insightful and original. This book compellingly shows that litigious policies have deep roots in our Constitution, culture, and politics."—Charles Epp, author of *The Rights Revolution: Lawyers, Activists, and Supreme Courts in Comparative Perspective* "Burke's authoritative book demonstrates that the highly litigious American system is not an isolated anomaly but in fact fits in with deeply-rooted elements of American political culture. Where citizens of other countries rely on expert or bureaucratic judgment to resolve disputes, Americans turn to the courts. Equally novel and compelling, *Lawyers, Lawsuits, and Legal Rights* marshals an impressive set of evidence and delivers a refreshingly well-written look at the state of American litigation."—Frank R. Baumgartner, co-author of *Agendas and Instability in American Politics*

*LexisNexis Practice Guide: Illinois Personal Injury Litigation brings the success of the LexisNexis Practice Guide series to the Illinois practitioner. The 14-chapter publication provides comprehensive coverage of the most significant topics facing the personal injury practitioner, provides a clear summary of key issues and cases on the topics, and provides helpful cross-references to additional resources for the practitioner who needs to delve more deeply into a topic. This publication is affordably priced and updated every year.*
