The scholar-fantacist offers faithful translations of the three classics of Medieval English verse

A brave mouse, a covetous rat, a wishful serving girl, and a princess named Pea come together in Kate DiCamillo’s Newbery Medal-winning tale. Welcome to the story of Despereaux Tilling, a mouse who is in love with music, stories, and a princess named Pea. It is also the story of a rat called Roscuro, who lives in the darkness and covets a world filled with light. And it is the story of Miggery Sow, a slow-witted serving girl who harbors a simple, impossible wish. These three characters are about to embark on a journey that will lead them down into a horrible dungeon, up into a glittering castle, and, ultimately, into each other’s lives. What happens then? As Kate DiCamillo would say: Reader, it is your destiny to find out. With black-and-white illustrations and a refreshed cover by Timothy Basil Ering.

Do you find fun in pun? Perhaps you are looking for a few puns on the run? Follow the characters of Comedic Destruction in Daze and Knights as they take you on a mind-stimulating, language-enhancing journey. Puntastic and fantastic, this book will massage your intellect, and provide your laugh muscles some 'much-kneaded' exercise via wordplay vignettes!The book is divided into several chapters. The first chapter, “Their Eyes Were Watching Job,” is a collection of stories in an occupational setting or regarding a business transaction. “I Think Yet I Cram” features tales of students and teachers and, more generally, intellectual high jinks. The third chapter, “Empty Cow or Rhea: I Love My Shakes Pear,” is, as you’d imagine, a collection of tales involving food; although it should be noted that these wordplays have little or no nutritional value. The final chapter, “I’ve Been Around: Whirled without End,” features stories of characters in motion.Daze and Knights contains fun puns for everyone, enhanced by talented illustrator, Megan Nolton. This wild and witty work promises a few dozen laughs along the journey, as you’ll discover, from cover to cover.

Being the Story of a Mouse, a Princess, Some Soup, and a Spool of Thread

The legend of Saint Christopher, first written in the thirteenth century, tells the story of a strong man named Offero, who wants to find the greatest ruler in all the world and to serve him as his bearer. Offero's search is in vain until a mysterious child at a riverside asks Offero to carry him over the river. Only after Offero has carried the child over the river does he discover the child's true identity. Then Offero's name is changed to Christopher. / Author Margaret Hodges retells with power and simplicity this unforgettable tale of the man who became known as the patron saint of travelers. And illustrator Richard Jesse Watson has created hypnopompic paintings that dramatically capture Offero's journey and the brilliance of his discovery of the One he sought. / Based on old nursery rhymes, the poetic text by Newbery Honor winner Kathi Appelt and the beautiful light-filled paintings of Debra Reid Jenkins combine to make this gentle bedtime story a perfect illustration of God s abiding love.

Having survived the worst effects of the Civil War, the city of Memphis, battered but unbowed, finds itself facing a far more dangerous foe. It is invisible, lethal, and unstoppable: a plague of yellow fever. It is the story of JP Mahoney, 14-year-old farm boy who dreams of escape from tedious chores and farmife routine. It is the story of a courageous young woman, Ginnie Moon, onetime Confederate spy, who now operates a boarding house for men who have survived the war. And it is the story of Kevin O’Boyle, an embittered riverfront laborer, who blames the world for his troubles, and finds the crippled city his perfect prey. Several characters in the novel are actual historical figures, most notably Ginnie Moon, Judge “Pappy” Hadden, and Cap’n Jim Lee. Their actions, and those of the other characters, are entirely fictional. The plague, one of several to hit the city in the years following the war, was all too real.

WHEN IT COMES TO LOVE, SOMETIMES IT TAKES THE HEAD YEARS TO DISCOVER WHAT THE HEART HAS ALWAYS KNOWN When Forbes Branson was a young man ready for something new. A senior in high school, he was the golden boy. Heir to a fortune, he knew what his life was going to be. But he wanted adventure first. A year to do what he wanted, where he wanted before college. An unexpected betrayal would change everything. Sophie Lipton was fifteen the first time she set foot on the Branson ranch. Dragged from one place to another, never having more than one pair of shoes or enough to eat, the moment she saw the wide open spaces, she felt she could breathe for the first time in her life. It was the home she always dreamed of. But her happiness came at a price. To stay in her new home, Sophie had to keep somebody else's lies. Lies that would eventually tear apart a family. And tear apart her friendship with Forbes. Coming home is never easy-especially after twelve years. Forbes isn't the same young man. He found his adventure-and more. Weary, he's ready to settle into a slower, calmer life.

Working on his family's ranch and taking the job as Chief of Police sounds like a piece of cake after the things he had seen and done. Sophie isn't the quiet girl Forbes remembers. She's grown into a strong, confident woman. A woman used to being in charge. The Branson ranch is her territory now. If Forbes thinks he's going to waltz back in and take over, he's going to find out fast that Sophie is no pushover. Twelve years ago, they shared one goodbye kiss. More sweet than passionate. Now, as adults it's a whole new game. The attraction between them is undeniable. Just as they begin to move forward, the past has other ideas. Secrets rarely stay buried forever. Lies. Betrayal. Maybe even murder. Before Forbes and Sophie can think about the future, they will need to deal with the past. Together.

The K J Knight Story Second Edition

Sir Gawain and the Green Knight

This is the story of a rich man's son who gave up his wealth and lived and worked among the poor. He loved all God's creatures and called them his sisters and brothers. His name was Francis. This is a new paperback edition of the beautifully illustrated and sensitively written book, in which Brian Wildsmith tells the story of Saint Francis.

Seven-year-old James wants to be a brave and noble knight like his father. He dreams of the day that he too will wear the golden spur that symbolize knighthood. But before his dreams are realized, James must work for seven years as a page and for seven more as a squire, learning to ride, hunt, and fight.

WHEN OUR WORLD ENDED, THEIR MISSION BEGAN The Sixty Minute War brought humanity to the brink of annihilation. Billions perished. The planet Earth was turned into a virtual graveyard, with the shattered, burned-out skeletons of great cities serving as tombstones marking Mankind’s demise. But in the United States, one final outpost remains. Ten years have passed, and Harmony Base, a subterranean U.S. Army installation that survived the nuclear inferno, has yet to receive any response to its continual radio transmissions. Long-range surface reconnaissance missions fail to locate any other survivors. Harmony’s personnel, a mix of military and civilian specialists, wonder if they are the only living beings left on the planet. Earthquake damage to the base’s vital power plant necessitates a different type of mission: the retrieval of spare parts from a storage depot in San Jose, 1,600 miles distant. Captain Mike Andrews and his crew set out across a Giger-inspired landscape blighted by lightning storms and deadly hazards that could swallow their all-terrain vehicles whole. The last thing Andrews expects to encounter in the nuked ruins of San Jose are survivors led by a twisted freak with mental powers off the scale... Harmony is America’s last chance to rise up from the ashes of the nuclear holocaust and help restore civilization. But only if Andrews and his crew can escape San Jose...and the madman who calls himself The Law.

Be careful what you wish for. Your dream might come true. This is a humorous story about Chad Smith who had his greatest hope fulfilled but with results he could never have imagined. His ambition was to play ball in the Major League. Only one thing held him back from playing professional baseball in the majors. Through a freak accident this shortcoming is removed but the transformation leads to an unorthodox style of play. His success arouses a number of emotions in the other players, team managers and owners of the baseball teams. He is swept away into a beehive of controversy.

Readers across generations will share and co-experience numerous real life feelings and emotions with writer Bright as his winding trail of life opens in front of them. book endorsement for peter bright; i always thought that peter bright and i had many things in common; we both grew up in ohio, we both had careers in the live event and variety side of television, and the few times we had times to talk i thought we shared a mutual philosophy toward the ups and downs of life. but it wasn't until i read his "overdue" book that i realized just what a rich and storied life peter has had and how much more deeply he had experienced the highs and lows, particularly during his years in the military, than i ever could have imagined. it really amazes me just how little we know about people we think we know, and just how much more we appreciate who they are when we are fortunate enough to have that background filled in by someone as articulate and able to express both facts and feelings as peter has in this book. when i started to read it, i thought all of those common events that we shared would be an interesting parallel track to my life and as such i would have a great frame of reference, but as i read on, i realized just what an amazing story peter has to tell and just how well he tells it. ken ehrlich, executive producer, the grammy awards*

Merlin and the Making of the King

As Ruben Wells kneels with a gun pointed at his head all he can do is reflect on the life he spoiled. What has led him here? Was it his willingness to always try to do the right thing that has him staring at the barrel of a gun? Or was that he was too much of a people pleaser having a hard time saying no that has led to him begging for his life? Every thing begins and ends with a choice. The moment a choice is made it only takes a second for a life to change. Ruben made a choice to initiate a relationship with the alluring Bianca Jones. She makes heads turn and every man's dream. She is beautiful as a gazelle, but as dangerous as a lioness, as she's unavailable due to being unhappily married with children. Choices are a gift constantly given to everyone. The choices made lead to different paths.
