

## The Last Boy At St Edith's (Max)

'Life is one big road with a lot of signs, signs and more signs you've got to make up your mind to face reality all the time.' Badmarsh & Shri/Tenor Saw/Bob Marley Shiraz is a newly appointed Police Community Support Officer who discovers the body of an Asian prostitute Mandy in a skip in West Richardson Street, High Wycombe. The investigations lead him to a local taxi driver Asif and a journalist Stacy who works for a local newspaper. Running alongside this is the story of Anna the daughter of a furniture worker in High Wycombe in 1913 and her adventures during these heady times in the town's history. In the background is the spectre of the Assassin whose agenda of racial terrorism drives the story to a profound climax. West Richardson Street is about the past and the present histories of High Wycombe. About lives lost over pieces of dirt and how particular roads and areas of the town resonate with dark and unspoken tales. It's about placing the arrival of Asian and African Caribbean people to Buckinghamshire in a historical context and making them part of this history rather than existing outside of it. West Richardson Street looks at the town throughout the ages but in particular before the war where the furniture industry in High Wycombe was at its height, the early eighties where there were riots and finally 2007 and the paranoid times after the 2006 terror raids. 'The lie was powerful. It had wrapped itself over the Chiltern Hills and the fabric of the County. It was embedded into the DNA of the mighty and the powerful and covered up a multitude of sins.'

I have never been one for history. It was the past. But history was dropped in my lap the day two dusty, dirty boxes were discovered in the old farmhouse where my mother was born. As I opened the lids, I was immediately thrown back in time. I was now in the 1940's and caught in the realms of WWII. From the air over the Pacific to the cold harsh winter of the Ardennes in Europe, this is a daughter's story as told to her by her fathers.

Rogue Souls- Unfortunate Souls Series book 3 Just as I thought I'd finally acquired my happy ending with Guy Stone- the man of my dreams, someone unexpected showed up from my past. Feelings I'd shelved long ago began to resurface and I found myself being torn between the affections of two men. As if that wasn't bad enough, our new home-a mountain sanctuary for wayward Unfortunate Souls-had been discovered and we were now being targeted by the World's most lethal hunters. A choice had to be made. A tough choice. A choice that would not only put my heart on the line, but my life on the line as well. \*This book is recommended for ages 14 and up due to a little bit of kissing, cursing, and mild violence. The Unfortunate Souls Series: Unfortunate Souls (Book 1) Broken Souls (Book 2) Rogue Souls (Book 3) Kindred Souls (Book 4) Coming Soon! Tell em to hold on, a real bitch is coming.' Kahyla James was an ordinary girl with dreams of one day making it big. And she was well on her way, especially with a street gangsta like Anthony 'Boston' Dixon training her to be a self made bitch. But when she was betrayed by the people that she loved the most it forced her to take actions into her own hands and show the city just how ruthless she could be. Ride with Kahyla as she navigates the streets showing the gangsta's that the penalty for betrayal is still death.

The Book of Life

Karl's Story

Lost Boy

Truth Is Not Always True

Have you ever wondered what Santa Claus does for fun in his spare time? Now you can find out with Santa's Hobbies. This book also includes a mini game where the reader can find hidden stars on each page. This picture book is for children ages 2-5.

Story of Earl J (Jesse) Crawford and his experiences during World Ward II in Europe.

Jane Leavy, the acclaimed author of the New York Times bestseller Sandy Koufax: A Lefty's Legacy, returns with a biography of an American original—number 7, Mickey Mantle. Drawing on more than five hundred interviews with friends and family, teammates, and opponents, she delivers the definitive account of Mantle's life, mining the mythology of The Mick for the true story of a luminous and illustrious talent with an achingly damaged soul. Meticulously reported and elegantly written, The Last Boy is a baseball tapestry that weaves together episodes from the author's weekend with The Mick in Atlantic City, where she interviewed her hero in 1983, after he was banned from baseball, with reminiscences from friends and family of the boy from Commerce, Oklahoma, who would lead the Yankees to seven world championships, be voted the American League's Most Valuable Player three times, win the Triple Crown in 1956, and duel teammate Roger Maris for Babe Ruth's home run crown in the summer of 1961—the same boy who would never grow up. As she did so memorably in her biography of Sandy Koufax, Jane Leavy transcends the hyperbole of hero worship to reveal the man behind the coast-to-coast smile, who grappled with a wrenching childhood, crippling injuries, and a genetic predisposition to alcoholism. In The Last Boy she chronicles her search to find out more about the person he was and, given what she discovers, to explain his mystifying hold on a generation of baseball fans, who were seduced by that lopsided, gap-toothed grin. It is an uncommon biography, with literary overtones: not only a portrait of an icon, but an investigation of memory itself. How long was the Tape Measure Home Run? Did Mantle swing the same way right-handed and left-handed? What really happened to his knee in the 1951 World Series? What happened to the red-haired, freckle-faced boy known back home as Mickey Charles? "I believe in memory, not memorabilia," Leavy writes in her preface. But in The Last Boy, she discovers that what we remember of our heroes—and even what they remember of themselves—is only where the story begins.

The epic tale of Grandmaster Sin Kwang The 7s extraordinary struggle and ultimate triumph to become the youngest Grandmaster in history. "The Last Grandmaster" artfully weaves the legendary stories of historic martial arts heroes with the Grandmaster's own life story, set against many riveting events in the history of modern China.

Flash Boys: A Wall Street Revolt

Self Made Bitch

The Revelation of St. John an Open Book

Julius, the Street Boy, Or, Out West

Santa's Hobbies

**A heartbreaking and powerful story about a black boy killed by a police officer, drawing connections through history, from award-winning author Jewell Parker Rhodes. Only the living can make the world better. Live and make it better. Twelve-year-old Jerome is shot by a police officer who mistakes his toy gun for a real threat. As a ghost, he observes the devastation that's been unleashed on his family and community in the wake of what they see as an unjust and brutal killing. Soon Jerome meets another ghost: Emmett Till, a boy from a very different time but similar circumstances. Emmett helps Jerome process what has happened, on a journey towards recognizing how historical racism may have led to the events that ended his life. Jerome also meets Sarah, the daughter of the police officer, who grapples with her father's actions. Once again Jewell Parker Rhodes deftly weaves historical and socio-political layers into a gripping and poignant story about how children and families face the complexities of today's world, and how one boy grows to understand American blackness in the aftermath of his own death.**

**A young boy rides the bus across town with his grandmother and learns to appreciate the beauty in everyday things. By the author of the celebrated picture book A Nation's Hope: The Story of Boxing Legend Joe Louis.**

**Strength comes in numbers of merry men. Philip, one of the lost children of Fairendale, wakes in the woods outside the village of Lincastle, surrounded by the forest's most frightening creatures. Thus begins his daily battle to outsmart the creatures that would like nothing more than to eat him, requiring Philip to construct a makeshift bow out of limbs and leather and become, in a few days' time, a master archer. One day, while Philip is out hunting, he meets one of the legendary merry men. After discovering he can miraculously shoot an arrow and hit a bulls-eye, the ragged men invite Philip to join them in stealing from the rich of Lincastle and giving to the village poor. But in spite of his valiant efforts and his extraordinary bravery, Philip will need more than just the merry men to rescue him from what is coming. The Boy Who Robbed the Rich is the eighth book in the Fairendale series, an epic fantasy middle grade series that explores both familiar and unfamiliar fairy tales, legends, myths, and folk tales. The world of Fairendale revolves around villains and heroes—all on a quest for what they believe is right. But one cannot always know, at first glance, who is the villain and who is the hero. Throughout the series, the story of King Willis and his determination to keep the throne of Fairendale is woven into the story of his son, Prince Virgil, heir to the throne and friend to the village children, and the story of fairy tale children fleeing for their lives--children who become what we know as fairy tale villains, for one good reason or another. But, remember, one cannot always know, at first glance, who is the villain and who is the hero.**

**Things that happen to you in the past can mold you into someone you**

**A Boy Called Jesse**

**From the Crazy Innocence of College to the Loss of Innocence in Vietnam**

**South of Main Street**

**Saving Our Children From Nature-Deficit Disorder**

**Real Value New Ways to Think About Your Time, Your Space & Your Stuff**

In the future, the past will never be the same... By the end of the 25th Century few had as storied a career as Doctor J. Burke. An historian who used quantum superluminal teleportation to mingle among her forebears through twenty different decades making discoveries and recovering lost artifacts, she was the last of the Historical Archive Collection's 'big three' antiquinauts. The physical effects of the profession had grounded jovial Ike Chernovich in old San Francisco, companion Braham Lilienthal had vanished without a trace three years before, and the indifference of the Minders from the future, who were best positioned to help, left Burke with a weary cynicism. Only the promise of a special mission, the brainchild of rookie archivist Nathan Rialto, brought her back again. It was Burke's specialty, the recovery of a glamorous old airliner from 1951 using a revolutionary new teleport, and in California as well. She would gather her trusty team of specialists, teach the rookie the ropes and perhaps contemplate a different kind of future afterward with Ike. From the moment it began it felt as if the whole mission had been created just for her...and that was only the beginning of her problems!

Recently widowed, Henry Wolff is an emotionally challenged father who is being sued by his daughter, Sharon, for financial control of the estate. He must prove that he fits in - not an easy thing to do when you aren't quite all there. Rumors run rampant around the town in attempts to explain away his odd behavior. But Henry does have a very special gift. In a town divided by the have and have-nots, Henry alone can inspire and touch even the most jaded lost souls. With a family secret tucked tightly away, members of the Wolff family struggle to see eye to eye. Between an impending trial looming and drama ensuing in the town, will Henry be able to unite his own family as tragedy strikes them yet again?

Gaby LeFevre is a suburban, Midwestern firecracker, growing up in the 80s and 90s and saving the world one homeless person, centenarian, and orphan at a time. With her crew of twin sister, Annie, smitten Mikhail, and frenemy Mel, she's a pamphlet-wielding humanitarian, tackling a broken world full of heroes and heroines, villains and magical seeds, and Northwyth stories. Beginning with a roadkill-burying nine-year-old and a gas-leak explosion, it follows Gaby as she traverses childhood and young adulthood with characteristic intensity and a penchant for disaster. Meanwhile, the large cast of compelling characters entertains and the Northwyth legends draw you into their magic.

When Joe sees his late wife on a street corner, he believes he's either seen a ghost, or is insane. Jen and he were indescribably in love, but she was tragically killed a year earlier, and he's since remarried.Jen wasn't killed. The report of her death was an appalling mistake. Shattered and almost destroyed in finding him married to someone else, she struggles to find sanity and a new life. A story of love and strife that poses many questions.

"The breathtaking scope, complexity and theatrics of this scam and these con men rivals any Hollywood movie."--Kamala Harris, Attorney General for the State of CaliforniaJoin International Best Selling Author, Sherrie Lueder and her literary team, Dawn Taarud-Martinez and Kim Hansen, along with Tyson Wrensch--a former friend, now victim of the con men as they untangle the threads of this decade long crime spree filled with twists, turns and jaw-dropping revelations. With a cast of characters drawn from San Francisco's Castro District, follow the "Dark Prince" and "the Boiz" as they take you from one con to the next--until a single brazen act leads to murder. However, the doesn't end there. Prepare to experience the dramatic courtroom trials that no one predicted and the shocking ending that no one expected--not even the judge."Until Someone Gets Hurt" contains exclusive insight into the methods and actions of the murderers--as told by a "former driver" Dennis Domine.As seen on truTV.com's Crime Library "Notorious Murderers-Timeless Classics" - "Kaushal Niroula and the Gay Grifters" and Investigation Discovery's New Series "Forbidden" (Series 1 Episode 9) "Prince of Darkness", a documentary about Kaushal Niroula (Includes appearances and interviews with authors Sherrie Lueder and Tyson Wrensch.) ~~~~~ Characters: Kaushal Niroula, a/k/a the "Dark Prince", Daniel Garcia, David Replogle, Miguel Bustamante, Craig McCarthy, Russell Manning, Clifford Lambert, Tyson Wrensch, Dennis Domine, Thomas White UPDATE: Thomas White died in a Mexican hospital Tuesday, September 10, 2013 of pneumonia.

"Young Paddy can't sit still during morning prayers, but he's more than happy to help the shepherd, Barra, watch sheep for the day! But who will watch Paddy when he wanders into the woods? As he explores the wilderness of coastal Britain, Paddy encounters many delights and dangers-and ultimately, the One who watches over him throughout it all."--Amazon.com.

"The Kid Who Beat Wall Street...and Saved Africa," is a story that takes place on six different continents where our hero, Marco, invests in a gold mine stock, corners the market in corn, and makes over \$500,000. That's right, over half a million dollars. By the way, he's only 12 years old and his parents have no idea. However, it is also the story of children in war torn Africa, of marauding gangs of thugs, burning and pillaging. It's a story of disease, of the lack of food, clean water, and medicine. Marco, along with his pen-pals from all over the world, learns of the plight of these less fortunate children in Africa. A daring way is devised to come to their rescue. "The Kid Who Beat Wall Street...and Saved Africa," tells of courage, of adventure, and of how one boy can begin to save the world, one small step at a time.

The Boys on Cherry Street

Far in the distant reaches of the universe is a world called Azmantium. A planet with lilac skies, jade green seas and fiery red suns. A planet where everything, from the tides of the sea to life itself, is rooted in magic. Children are assessed at an early age and trained according to their unique magical talents. Lara, an orphan who has no memory of her true origins, is unaware that she has a vital role to play in the ancient propesies that are about to begin coming true. Older than most who are just beginning their magical training, Lara will soon find out that destiny waits for no one, especially when the fate of the world rests on their shoulders. With the help of her new friends, Lara will learn that in order to save the future, she must journey into the past - to a time when Dragons ruled the world! This is the first book in the upcoming Dragon Born series!

Seventh-grader Jeremy Miner, the only boy in a school of 475 girls, unleashes a series of pranks in hopes of getting expelled.

Argues that post-crisis Wall Street continues to be controlled by large banks and explains how a small, diverse group of Wall Street men have banded together to reform the financial markets.

Tiffany Noboru has just awakened from her death, only to discover she has been drafted into the Gargoyle Ghost Hunter Corps. Soon she is fighting jealous rivalries within her own ranks, struggling to unravel the mystery of her recent death, and trying to avoid being killed a second time by a maniacal ghost named Bones who is seeking the destruction of the gargoyle world. In this full-length novel, appropriate for teens and young adults, a new twist on the role of gargoyles is imaginatively brought to life in spellbinding fashion. Woven into the pages are twenty original works of art by Miimork, which breathe life into this ghostly tale.

***Do you feel overwhelmed by all the stuff in your home? Is your home office a messy file drawer of papers? Do you want to get organized, but you do not know where to start? This book will help you look at your stuff differently and put you on the right track to get organized and stay organized, so you can better enjoy life. We will consider the real value of our possessions. Is "real value" a dollar amount? Or the usefulness of the item? Or how it makes you feel? There are many ways to consider an item's value, none of them right or wrong. Everything is relative in terms of what is really important to you, whether it be your time, your space, or your stuff.***

***“The children and nature movement is fueled by this fundamental idea: the child in nature is an endangered species, and the health of children and the health of the Earth are inseparable.” —Richard Louv, from the new edition In his landmark work Last Child in the Woods, Richard Louv brought together cutting-edge studies that pointed to direct exposure to nature as essential for a child’s healthy physical and emotional development. Now this new edition updates the growing body of evidence linking the lack of nature in children’s lives and the rise in obesity, attention disorders, and depression. Louv’s message has galvanized an international back-to-nature campaign to “Leave No Child Inside.” His book will change the way you think about our future and the future of our children. “[The] national movement to ‘leave no child inside’ . . . has been the focus of Capitol Hill hearings, state legislative action, grass-roots projects, a U.S. Forest Service initiative to get more children into the woods and a national effort to promote a ‘green hour’ in each day. . . . The increased activism has been partly inspired by a best-selling book, Last Child in the Woods, and its author, Richard Louv.” —The Washington Post “Last Child in the Woods, which describes a generation so plugged into electronic diversions that it has lost its connection to the natural world, is helping drive a movement quickly flourishing across the nation.” —The Nation’s Health “This book is an absolute must-read for parents.” —The Boston Globe Now includes A Field Guide with 100 Practical Actions We Can Take Discussion Points for Book Groups, Classrooms, and Communities Additional Notes by the Author New and Updated Research from the U.S. and Abroad***

*"He Walks with Dragons" takes place when what was, what is, and what shall be were one in the same. Draig, a boy on the verge of his manhood, is summoned to the majestic mountain by the Great Ones. There he finds out he is about to transcend the ages and risk his life to prevent the destruction of mankind. Born into the naïve innocence of ancient man, Draig lives a simple pastoral existence in a quiet, small village. But one day he is flung on a magical journey into a forbidden new world. There, Draconos, a dragon, befriends the boy, training him in the art of warfare. From this day forward, the young boy finds himself in awe at the wonders the world holds for him. Not only has Draig become a man, but he is living like a dragon and learning their mystical powers. “From the time Man first crawled upon this earth...we found him worthy to take his rightful place among the creatures that walk upon the earth. While hiding in the shadows, we have protected him. We have nurtured him all these many ages. But now man grows in great numbers and makes war on everything he sees.” And when the time comes, will Draig be willing to lay down his life for the sake of saving the dragons? And when the dragons are gone, where will he go? He is no longer just a man.*

*Grover Gant, a young boy who died of typhoid fever at the turn of the century, is portrayed through the eyes of family members*

*In a world where I had no say, violence became my refuge, and nothing else mattered. Not even my own life. Until her. Skyler Bell. It all started the first time I heard that voice. Giving me hope for tomorrow. My first love was everything all at once. Consuming. Maddening. Forever. Mine. Except, I never imagined there were secrets that needed to be shared. Lies that needed to be confessed. Truths that needed to be told. Demons that needed to be buried. Once I realized the depth, the longing, the sadness and sorrow in her eyes mirrored mine, it was too late. Love didn't come to me as heartbreak, it came as everything I've ever wanted. Walking away wasn't an option, but it was the only choice I had. I finally found the price of love and it cost me... My soul.*

Young Bond meets Alex Rider and Cherub in this brilliantly written, fast-paced spy action thriller. All credibly delivered from somebody who knows all about counter-intelligence . . . Special Agent Bex arranges to meet teenage Kieron in a café to tell him that she can't risk his life any more. She parks her car and seconds later it blows up, scattering flaming wreckage everywhere. She needs to get Kieron out of danger's way - but just as they get to the flat, it too explodes. Bex is forced to face the possibility that someone wants to kill her team, but whoever it is doesn't know about Kieron. That may be their only saving grace. But how were the explosions managed? And who wants them dead? High-octane action and fast-paced adventure - guaranteed.

With an uncanny relevance to today's world and inspired by the life of its author, Karl's Story, is a WW II child refugee's tale of resilience, hope and courage as told through the narrative of her beloved teddy bear, Karl .A story perfect for all ages: read to children by parents, grandparents and teachers alike. It has been read many times to middle elementary grades. A book to be handed down from parent to child to child for generations to come. Karl, "a very old teddy bear," has a magic gift- he can tell stories to children who are still young enough to understand toy talk . Karl's Story begins in Europe. It's about Karl, the young girl Karin, and Mimi the mind reading cat, ... how the three friends experience and survive WW II and then escape from communism to a new and hope-filled life with his beloved friend Karin .Their journey, their story, enchants children but in the sense of The Little Prince speaks timelessly to adults as well . Karl's Story tells of European refugees and is as relevant today as then. The chaos of the time turned the world of the three friends upside down, slowly at first, from no more whipped cream at birthday parties to ever more frequent air raids, crashing bombs, and a harrowing train ride, with Karl and Mimi stuffed in Karin's old wicker trunk. In the journey Karin loses all she ever knew or loved, but goes on to rebuild her world in America. The book is categorized as Children's Fiction because of its charming cover and talking stuffed animals but is inspirational to young and old alike, and a perfect antidote in these still troubled times; this is indeed a book for all.

At Santa Cruz Central High School, they called them the misfits, the outcasts, the weirdos. But most of us knew them as the Lost Boys...Ronan Wentz has been to hell and back, and he carries the scars to prove it. Worse, the blood of a monster runs through his veins, but after ten years in foster care, eighteen-year-old Ronan is finally reunited with family. His uncle gives him a roof over his head and puts him to work, managing a shabby apartment complex in Santa Cruz, California. But a second chance is still a second chance. Ronan becomes a solitary hunter, a vigilante, walking the streets at night to keep the nightmares at bay. If he can use the anger burning in his tainted blood to protect instead of hurt, maybe then he'll find the absolution he seeks. Then he meets Shiloh. Shiloh Barrera looks like she has it all together. Smart, ambitious and full of artistic creativity she channels into making beautiful, one-of-kind jewelry. But Shiloh's cool, capable demeanor is a front. Her demons drive her to succeed as much as her ambition-to prove her worth to the mother who can't stand to look at her, and who's harboring secrets of her own.When Shiloh and Ronan meet, the physical attraction is instant and scorching. Neither believe it will last. Falling in love is an impossible pipe dream saved for those less shattered and damaged than they are.But as hard as they try to resist, the growing feelings between them seem inevitable... until one terrible night destroys Shiloh's dreams and Ronan's future. When the smoke clears, and the rubble settles, they'll have to choose - do their pasts determine their future, or can they build a new one from the broken pieces of their hearts?Lost Boys is a new series of interconnected, coming-of-age standalones from USA Today bestselling author Emma Scott.

Upton Sinclair, one of America's foremost and most prolific authors, addresses the cultivation of the mind and the body in this 1922 volume. Sinclair's goal was to attempt to tell the reader how to live, how to find health, happiness and success, and how to develop fully both the mind and the body. Part One: The Book of the Mind covers such subjects as faith, reason, morality, and the subconscious. Part Two: The Book of the Body develops such subjects as errors in diet, the

fasting cure, food and poisons, work and play, and diseases and their cures .

The Boy Who Robbed the Rich

***The Boys on Cherry Street is a collection of stories both humorous and heroic. The stories start with the zany and outrageous antics of the author and his college friends and continues through his U.S. Marine Corps training, flight school and service in Vietnam. There are many great books written about the Vietnam War-its heroes, their courage and sacrifice. However, this book is different in that it also shows the keen sense of humor that some men showed in some of the most stressful situations imaginable. It was this sense of humor that Boehm believe was part of their coping mechanism that got them through the tense situations of combat. The book is a salute to the young men of the Vietnam War Era who answered their country's call.***

***FRIGHTENED MONSTERS. STOLEN TIME. AND ONE SERIOUSLY UNDERESTIMATED DAMSEL. Katie ran from the magical world years ago. She never planned on being dragged back in by a prophesying clamshell. The seers believe she alone can prevent an apocalypse of ruined time and broken worlds. Bran the Crow***
