

The Little Book Of Gold: Fundraising For Small (and Very Small) Nonprofits

In *The Little Book of Bull Moves*, popular author and economic advisor, Peter Schiff, takes a new look at America's bull markets of the 1920's, 1960's, and 1990's, and the bear markets that followed. Analyzing similarities and differences from both an economic and political perspective, Schiff discusses investment strategies that worked then and explains how those same conservative approaches to investing can be applied in today's market. Provides detailed advice on the techniques and strategies that can help investors maintain and even build wealth now and in the turbulent times that lie just ahead. Filled with insightful commentary, inventive metaphors, and prescriptive advice. Other titles by Schiff: *Crash Proof: How to Profit From the Coming Economic Collapse*, and *The Little Book of Bull Moves in Bear Markets*. Written by a seasoned Wall Street prognosticator, *The Little Book of Bull Moves* shows readers how to make money under adverse market conditions by using conservative, nontraditional investment strategies.

Ignoring gold and silver this year will cost you more than all the dumb financial decisions you can make put together. Ruff's *Little Book of Big Fortunes in Gold and Silver* is not written for Wall Street, but for Main Street. It is a detailed guide to a once-in-a-lifetime chance for middle-class Americans to get rich investing in one of history's greatest bull markets. Ruff makes a usually arcane subject easy to understand, and even humorous. This bull market will dwarf even the 500% to 1700% profits his readers made in the metals in the 70s, and as usual, Ruff is out in front. As Yogi Berra said, It's d

Clutter has a negative effect on your life. You want to live differently, but you haven't been able to make progress. Marcie Lovett, author of *The Clutter Book*, will motivate you to make the changes you want. Learn to let go of what you don't need and find room for what you value. The direct, accessible writing style and interactive exercises will inspire you to succeed. In this book, Marcie guides you through the process of letting go of the clutter that is keeping you from achieving success. You will understand why you keep clutter, save time and money by avoiding unnecessary purchases, discover the habits that hold you back, find ways to fight procrastination and create systems that allow you to retrieve and return items. Whether you want to live with less or live with what you have, this is the book for you.

Amelia, daughter of the last independent King of Danhome, King Gbehanzin, is the apple of her father's eye, loved beyond measure by her mother, and overprotected by her siblings. She searches for her place within the palace amidst conspirators and traitors to the Kingdom. Just when Amelia begins to feel at home in her role as a Princess, a well-kept secret shatters the perfect life she knows. Someone else within the palace also knows and does everything to bring the secret to light. A struggle between good and evil ensues causing Amelia to leave all that she knows and loves. She must flee Danhome with her brother, to south-western Nigeria. In a faraway land, she finds the love of a new family and God. The well-kept secret thought to have been dead and buried, resurrects with the flash of a thread of gold beads. Amelia must fight for her life and what is left of her soul. Set during the French-Danhome war of the late 1890s in Benin Republic and early 1900s in Abeokuta and Lagos, South-Western Nigeria, *Thread of Gold Beads* is a delicate love story, and coming of age of a young girl. It clearly depicts the strength of the human spirit in the face of adversities.

Praise For THE LITTLE BOOK OF ALTERNATIVE INVESTMENTS "Ben and Phil have done it again. Another lucid, insightful book, designed to enhance your wealth!

In today's stock-addled cult of equities, there is a gaping hole in most investors' portfolios...the whole panoply of alternative investments that can simultaneously help us cut our risk, better hedge our inflation risk, and boost our return. This Little Book is filled with big ideas on how to make these markets and strategies a treasured part of our investing toolkit." —Robert Arnott, Chairman, Research Affiliates "I have been reading Ben Stein for thirty-five years and Phil DeMuth since he joined up with Ben ten years ago. They do solid work, and this latest is no exception." —Jim Rogers,

author of A Gift to My Children "If anyone can make hedge funds sexy, Stein and DeMuth can, and they've done it with style in this engaging, instructive, and tasteful how-to guide for investing in alternatives. But you should read this Kama Sutra of investment manuals not just for the thrills, but also to learn how to avoid the hazards of promiscuous and unprotected investing." —Andrew Lo, Professor and Director, MIT Laboratory for Financial Engineering

Fourteen-year-old Sam journeys through time to save the lives of his father, his friend Alicia, and ultimately his late mother.

Two things never change. First, most people have a dream. We want to change the world, to succeed, or to build something that's never been seen before. In addition, we are already feeling the hustle and bustle of life. As a result, many people have given up on their dreams. They've accepted the life of the "good enough." "Nuggets of Gold" is designed to motivate the person "on the go" while never slowing him or her down. It has 101 chapters, each with a nugget of wisdom and a short write-up about it. The reader can complete an entire chapter very quickly and then get on with his or her day.

The Book of Positive Vibes is a collection of inspirational poems for all ages!

The greatest transfer of wealth in the nation and the world is now unfolding. Money is about to flow away from the financially uninformed and flow towards the financially well-informed in the years ahead. Whenever governments start to dilute their money investors transfer their money into gold and silver. Although gold is a great way to preserve your wealth, it's silver you could actually make a fortune with. Protect your savings and create a substantial investment income every single month. Financial ignorance is the only reason you are not yet cashing in on the biggest wealth transfer in history. A Solid Method to Achieve Financial Freedom This book will show you exactly how to live and prosper by the new laws of money in the new economy. It will show you how to beat the new money thieves (Banks and Governments) at their own game while quietly profiting from the money meltdown that is now underway. We are approaching a monetary crisis of epic proportions never before seen. You are probably aware of the rising price of gold that's been going on for almost 10 years now. Most recently, gold started climbing with even greater speed. History repeats itself again and again. Whenever governments start to dilute their money investors transfer their money into gold and silver. Gold and silver have intrinsic value and will always prevail in any economy. Many financial experts predict that gold could at least double to \$3,000 . . . \$3,500 . . . and some say even \$5,000! But experts also predict the price of silver could rise seven to eight times its current value before hitting its peak. What most non-investors and investors - including yourself - probably don't realize is that although gold is a great way to preserve your wealth, it's silver that could actually make you rich! The price of gold has already risen dramatically, but silver is just beginning its parabolic climb. Over the last 9 years the silver price increased an average of 29% per year! Compare this to the stock and real estate market, which declined when adjusted for inflation. Nine Reasons Why Silver is a Unique Wealth Building Instrument Silver, like gold, has intrinsic value Silver has been in a commodity bull cycle since 2000 Silver is a safe hedge against currency inflation Silver is a security choice during times of financial crisis Silver is rarer than gold Silver is used in 90% of all electronics - and its mostly non-renewable Silver leasing - the scam will be exposed soon Silver investment markets are expanding thanks to the Chinese What You Will Learn From Building Wealth with Silver You will discover why the Federal Reserve was created and why you and I have been kept in the dark about its true purpose. You will find out why the U.S. dollar is quietly being destroyed without fanfare and the reason this process is being publically denied and covered up. Learn Why Silver is the Best Investment Opportunity Right Now. Get the facts on silver production and consumption, and all the details behind silver's projected five- to eight-fold increase over the next several years. Financial Education Is The Solution To Financial Freedom Discover the facts about our global banking and government system that will change the way you look at money forever. You will learn how to buy silver at the lowest price. Professional trading techniques that leverage and maximize your profit. Understanding how the money system works will give you financial freedom. During the next few years the global financial system will be restructured on a scale that has never seen before. There are a few opportunities for you to profit from it - silver is one of them. Special Bonus: This book also includes a \$200 coupon for the author's Wealth Building Course. This book shows how to use agreement to transform the biggest areas of marital conflict into closeness, cooperation, and mutually desirable outcomes. Licensed psychologist, marriage, and relationship coach Jack Ito PhD illustrates with clear, easy to follow examples, how to communicate about the biggest problems that couples face. These are the same techniques his coaching clients use to stop divorces, end affairs, deal with addicted spouses, solve problems, end blaming, improve dating, handle money issues, parent cooperatively, get out of debt, and more. This book is unique in offering communication training to couples when one spouse (or significant other) is not ready or willing to work on the relationship.

Dr. Brooke Spencer always felt different from other girls. Now a successful scientist, she is finally discovering where she belongs: working alongside the brilliant, trailblazing researcher Dr. Charles Samuelson. Dr. Samuelson has recently made a discovery that has eluded philosophers and dreamers for centuries: How to transmute iron into gold. Determined to use the knowledge for good, Dr. Samuelson recruits Brooke to assist him with his new plan, his "Golden Manifesto." But humans are not alone and his discovery has not gone unnoticed. Extraterrestrial visitors seek to control Dr. Samuelson's Breakthrough, and before long, Brooke is all that stands between Earth and total Destruction. Will she be able to hold her ground? Or will the timeless temptation of gold prove too much for even the strongest of spirits? Brooke will soon face a choice that will make her question her background, her career, and the fate of the planet.

Little Book of Schiaparelli chronicles the work of one of history's most influential and eccentric couturiers. Endowed with a strikingly imaginative and experimental approach to fashion, Elsa Schiaparelli cultivated a combination of the witty and the surreal, the cutting edge and the elegant, from her garments and jewellery to her collaborations with Salvador Dalí, Jean Cocteau and Alberto Giacometti. Exquisitely illustrated and expertly written, the book follows a biographical chronology detailing her life, career and primary creative themes of her work. Images of Schiaparelli's finished designs, along with close-up details and illustrations of her personal sketches, showcase the brilliance of her innovative oeuvre, and the legacy that lives on in the House of Schiaparelli to this day.

Across the realms of multimedia production, information design, web development, and usability, certain truisms are apparent. Like an Art of War for design, this slim volume contains guidance, inspiration, and reassurance for all those who labor with the user in mind. If you work on the web, in print, or in film or video, this book can help. If you know someone working on the creative arena, this makes a great gift. Funny, too.

I want to talk with you about these drives that all men have; gold, glory and girls. I want to keep you from the emptiness that you will certainly experience if these three G's are the focus of your life. Then I want to talk about God, but not in a stuffy, churchy way. You don't need the typical religious approach to life. This often leads to boredom, guilt, business and frankly substitutes the emptiness of gold, glory and girls with another kind of emptiness peddled as the answer to life. I am not going to take you there. I want you to fill the emptiness in your heart and help you find a joy and fulfillment that you have never had before. I want you to experience manly challenge, incredible achievement and find out why you were really made - your true life's purpose. So buckle your seat belt. Get ready for the ride of your life!

Le Livre d'Or (The Book of Gold) is a unique 17th century French magical work comprising numerous amulets, charms, prayers, spells and sigils for working with the Biblical Book of the Psalms of King David. Written in a simple style akin to a medieval Book of Secrets combined with magical practices from the ancient world, Le Livre d'Or brings together practices which have their roots in major works from the Dead Sea Scrolls and the Cairo Genizah, to the Greek Magical Papyri and Sepher Shimmush Tehillim (Magical Use of the Psalms). Now translated into English for the first time, this exceptional text demonstrates the significance of the Psalms as a unifying and vital thread throughout the development of Western magic. From Sweden to Syria, Britain to the Baltic, the use of appropriate Psalms has spread as a significant part of popular folk and religious magic, and Le Livre d'Or is an inimitable example of the transmission of divine power through the written and spoken word. Le Livre d'Or was originally bound as part of Lansdowne MS 1202 with a 17th century French copy of the most important of grimoires, the Key of Solomon. The extensive commentary by David Rankine and Paul Harry Barron emphasises the place of the Psalms within the Grimoire tradition, detailing their extensive apotropaic, amuletic and coercive uses in works such as the Book of Abramelin, the Key of Solomon and the Goetia. The editors also illustrate how the magic of the Psalms has underlain and cross-fertilised numerous traditions over the last two thousand years, from Hellenic magicians, early Christians and Jews of the ancient world to practitioners of the medieval Grimoires and Renaissance Cunning-folk. Whether it was for benevolent or malefic results, Le Livre d'Or provided the appropriate Psalm verses and relevant techniques. This previously ignored work is an outstanding example of eminently practical magic which not only draws on such major works as the Heptameron and the Steganographia, but also many of the divine names found in the Kabbalah. From Saints to spirits, characters to Creeds, Le Livre d'Or shines forth as a significant and reclaimed chapter in the Western Esoteric Traditions. There is also a paperback edition available of this book.

Book 2 has more content regarding how to position yourself to ascend into heaven. Addressing the varied reasons we ascend along with cultivating the lifestyle of heaven ascending. Many practice exercises as well as prayers included. Angels, The Cloud of Witnesses, intercession and The Fathers throne are among the subjects covered.

The world has changed and so too has investing. The market is shell shocked and yesterday's momentum stocks are today's slow-motion stocks. But in the new reality of low-growth investing, commodities are hot and getting hotter. A rapidly industrializing and urbanizing Asia will be demanding lots more copper, zinc, iron ore, coal, fertilizers, gold and oil to transform their societies. Commodities are it and that's great news for investors who want to profit from the next great bull market in commodities. In fact, commodities may be about the only asset class that is likely to outperform the broad market in the future. Although they are without a doubt important to the global economy, commodities are among the most misunderstood of all asset classes. Stocks, bonds and real estate all have legions of followers and plenty of experts agree on their importance within an investment portfolio, but venture into the world of commodities and you are into an area that's intimidating to the average investor, where suspicions run deep and understanding is limited. As a result, commodities get short-shrift in most investment accounts and investors miss out on some important opportunities. The Little Book of Commodity Investing is an indispensable guide to learning the ins and outs of commodity investing. It's about identifying opportunities to profit from the coming bull market in commodities. It explains the benefits of commodities as part of a well diversified investment portfolio; covers all of the major commodities markets; what makes commodities and the companies that produce them tick; why commodities sometimes zig and then zag; what to buy and when to buy it; and why commodities are the next big thing. Today's world is a very different world—a world where an understanding of commodities is a prerequisite for investment success. And The Little Book of Commodity Investing is the roadmap you need to discover where the opportunities of the future lie, and what to do about it.

Finally! Board member orientation truly simplified. Serving on a nonprofit board can be an incredibly rewarding experience for the

properly prepared board member. This book is for the generous and busy people who agree to give of their time and talents by serving on nonprofit boards. Nonprofit boards often fail to do a good job of board member orientation for a variety of reasons. It takes a significant amount of time and effort to plan and conduct quality board member orientation programs, and every time a new board member arrives, it's time to do it again! Because of the challenges associated with providing quality board member orientation, many nonprofit organizations do not do it at all, leaving their board members to wing it. This book provides help and support to the truly great men and women serving on nonprofit boards whose service makes a positive difference in the lives of countless people every day. This book is a concise and appropriately comprehensive guide to nonprofit board service designed especially for new board members. It is a quick read, (about one hour), yet it addresses with accuracy the most significant elements of board service, such as mission, responsibility, duty, risk, liability, and board meeting dynamics. Hooey Alerts! Watch for Hooey Alerts! where the author identifies and dispels common myths and legends about nonprofit board service. There are many sources of false or misleading information about the nonprofit board service environment. A perfect example is the often vaguely-worded and intimidating assertion or implication that the Sarbanes-Oxley Act passed by Congress in 2002 applies to nonprofit organizations in a manner similar to how it applies to publicly-traded companies. (It does not.) Reviews "This book is the perfect guide for every nonprofit board member! Concise, highly informative, and loaded with nuggets of wisdom, it's a must read that will take board members to the next level of successful board governance." -- J. Todd Chasteen, General Counsel, Samaritan's Purse "Mike Batts has put his quarter century of advising and serving on nonprofit boards to good use in this accurate and easy-to-read book. In addition to describing major principles of nonprofit law and governance, the book provides helpful questions to guide board members in understanding the practical applications of the concepts discussed. While geared primarily toward helping new board members get up to speed quickly, it should also help veteran board members discharge their stewardship roles wisely and efficiently." -- Chuck Hartman, Associate Professor of Business Law and Accounting, Cedarville University "This book, Board Member Orientation, is exactly what a busy volunteer board member needs. The board member's duties are presented in a clear and concise manner from the perspective of someone who has been around many boards. With a focus on those issues that are most common and/or most important, it is perfect for board member orientation and for quick reference reminders for the experienced board member." -- Doug Starcher, Partner, Broad & Cassel "This book provides clear, no-nonsense guidance on the basic issues for new nonprofit board members. Using this book for board member orientation will ensure your organization has communicated fundamental governance issues and will assist the board in determining risk management strategies." -- Dan Busby, President, ECFA

***** The Simple Board Member Orientation Process Using This Book: 1. Your board members read Chapters 1-9 of the book, which will provide them with insights regarding the key elements of nonprofit board service. 2. You provide the board members with copies of the documents described in Chapter 10 related to your organization. 3. You meet with your board members to discuss the unique attributes of your organization following the discussion questions provided in Chapter 10. Done!

A treasure trove of inspiration, perspective and encouragement reflect Ms. Petty's lifetime pursuit of wisdom. A selection full of hope and praise. Truly a popular compendium of inspiration.

Are you new to a board and have no idea what's expected of you? Do you know what a board's six key responsibilities are? Do you know what your relationship with the Executive Director should be? If not, this book is for you. So many board members—especially of small nonprofits—want to support a nonprofit and readily accept the invitation to join the board. It's only then that they discover they are in over their heads, with no idea of their expectations and responsibilities. The Little Book of Boards is here to throw that drowning board member a rope. Told with a conversational style, this book will lead you through the basics of being on a board, how meetings work, and what's expected between meetings. In addition, at the back of the book are several in-depth resources for understanding Roberts Rules of Order, bylaws, committee structures, board leadership, and much more. Perfect for any new board member—or for an entire board that is feeling lost—this book and its common sense approach will serve you every year you are on the board.
