

The Maverick Who Ruled Her Heart (Mills Boon Medical) (Heart Of Mississippi, Book 2)

*The Maverick Who Ruled Her Heart***Harlequin**

A Christmas kiss between friends is simple, until it isn't... Clarissa Chalmers Simmons' world is in turmoil. After fleeing an abusive marriage and her divorce, all she wants is to heal and create a calm, safe environment for her children. She's returned to her ancestral home and the comfort of family, which includes a trusted childhood friend, Roger. She finds him handsome and sweet, but too set in his ways for her taste. With Roger's encouragement and help, Clarissa takes on a new position in the family business and gains personal satisfaction she's never known. What she doesn't plan on is her and Roger's "under the mistletoe ball" kiss rocking her world. Roger Clarke, is the easy-going doctor married to a married bachelor. He has always been there in Clarissa's background but recently has become her rock-steady confidant. Despite his long-held secret feelings for the flighty, beautiful and willful Clarissa, he has never acted on them. He's not a suitable match for her. After all he is an employee of his best friend and her brother, Lord Hartley. Even if given the chance, Roger has no desire to become the rebound guy. Despite that, if he doesn't act on Clarissa's passionate reaction to his kiss, he might lose his chance of having the only woman who's ever stirred his heart.

From boss to bride... ER doc Kiefer Bradford is stunned to find Ashley Marsh is his new boss. And being the only doctor at her medical clinic presents him with a delicious challenge—staying away from the Southern belle whose kiss once set him alight! Ashley is totally out of bounds, but as she returns his kisses with a passion that matches the hot summer sun, Kiefer soon wonders... Could she be the one woman to unlock his heart and lead him from "I can't" to "I do"?

HOW LUCKY CAN YOU GET? Rust Creek Ramblings You heard it here first: Good of' boy Brad Crawford left that raucous Fourth of July card game with legal possession of Boyd Sullivan's Leap of Faith Ranch. Never mind that Brad took advantage of an old man under the influence. The handsome and cocky Crawford has always had a "me first" philosophy. Now we've learned that Boyd's long-absent daughter Margot Sullivan has returned to Rust Creek Falls and is living with Brad at the Leap of Faith! It seems unthinkable that the strong-willed, sassy rodeo rider would allow Brad to take advantage of her. So just what is going on behind those weathered fences? Place your bets, savvy readers. Could the right woman finally have reformed Brad the cad?

"A beautiful story of love and acceptance! I loved every moment of it." – 5 stars Sebastian Montgomery rose from nothing to become one of the most powerful media moguls in the world. Yet beneath the seemingly perfect façade of his life, the past still haunts him. Because when he lost his parents in his teens, he also lost his faith in love. When he discovers Charlie Ballard and her incredible metal sculptures, he is awed, inspired—and he can't help feeling things he swore never to let himself feel again. Soon, Sebastian wants not only Charlie's art, he wants her as a woman, too. More than he's ever wanted anything in his life. And what a Maverick wants, he always gets... For Charlie, Sebastian offers the commission of a lifetime. Creating a magnificent sculpture for his new headquarters is a dream come true, but falling for the spellbinding billionaire isn't part of the plan...until his lascivious kisses entice her into total recklessness. He fascinates and captivates her, and as Charlie learns more about the dark depth of Sebastian's past, all she wants is to heal him with her love. But can a man who has grown up thinking love is toxic ever believe that true love is real? The Maverick Who Ruled Her Heart (Mills & Boon Medical) is a guidebook to leading a creative life, to being a renaissance dilettante, to infusing your art form with other art forms, to taking a stand against mediocrity, to rejecting bloodless orthodoxies, to embracing your own pretension and, most of all, to dealing with your failure(s). 'If you make any stand against power, then power will stand against and on you. And it will do so with centuries of experience and techniques in how to do so effectively: you will be painted as barbaric, dismissed as stupid and insane, be told to know your place. Most of all, you will be termed maverick.' This genre-flouting manifesto is written by someone who has achieved and has failed in more than one field. As a Guardian columnist, award-winning teacher, award-winning broadcaster, author, editor, singer, songwriter, producer and public speaker, Phil Beadle knows a bit about leading a life producing good work across a variety of platforms. In this elegantly written book he glides and riffs around the idea of maverick nature, examines the processes of producing good work in creative fields and broaches the techniques that orthodoxies use to silence dissident voices. It is a 'how to dream' book, a 'how to create' book, a 'how to work' book and a 'how to fail productively' book! it is an examination of the many accusations that any dissident creative will face over a long career stirring things up, a guide to dealing with these with grace and a study in how to make creativity work for you. Rules for Mavericks is for anyone who wants to live and work more creatively and successfully. Contents include: Introduction: 'maverick nature', 1 Rules, 2 Starting off, 3 Failure, 4 Creativity and the process of production, 5 Work, 6 The real(m) of appearance, 7 Performance, 8 Change, 9 Renaissance dilettantism, 10 Writing (and reading) well, 11 On being reviewed.

Knox defends his own. Space is a deadly business, a truth Knox has experienced first hand. That's why he's so protective of his ship and family. So when pirates plunder an impoverished town—a town that's earned Knox's guarded friendship—he's going to do something about it. Knox knows the pillagers will be back for more, so his town needs protection from any and all pirates, for years to come. Only one way to do that. His friends need shields to keep their town and children safe, and Knox will get those shields. Even if he has to steal them. Knox devises a carefully crafted plan and hires the perfect crew. He'll "borrow" from Caravan Suppliers—the Goliath of space shipping—a company that can afford to lose an expensive shield generator. No one will know he was there. Unfortunately, no plan survives contact with the enemy. But Caravan Suppliers has a dirty slave habit, and they'll kill it to keep secret. When Knox stumbles onto it, he endangers his crew and his family. Will this operation cost Knox more than he's willing to pay? From debut author Marjorie King, Maverick Gambit is the first book in the Maverick Universe. With a layered galaxy full of rich characters and thrilling heists, it's perfect for fans of JN Chaney and Timothy Zahn. Scroll up and get your copy today!

A brutal sexual assault by her employer leads to one woman's unexpected journey to shape the fate of a generation.

Subaltern studies, the study of non-elite or underrepresented people, have revolutionized the writing of Middle Eastern history. The book explores the lives of eleven nonconformists who became agents of political and social change, actively organizing new forms of resistance—against either colonial European regimes or the traditional societies in which they lived—that disrupted the status quo, in some cases, with dramatic results. These case studies highlight cross-border connections in the Mediterranean world, exploring how these channels were navigated. Chapters in the book examine the lives of subversives and mavericks, such as Tawhida ben Shaykh, the first Arab woman to receive a medical degree; Mokhtar al-Ayari, a radical Tunisian labor leader; Naqli Hanem, Kmar Bayya, and Khiriya bin Ayyad, three aristocratic women who resisted the patriarchal structures of their societies by organizing and participating in intellectual salons for men and women and advocating social reform; Qaid Najim al-Akhsassi, an ex-slave and military officer, who fought against French and Spanish colonial expansion; and Boukber al-Ghandjari, a nearly illiterate trader who succeeded, through his diverse connections, in establishing important relations between the Moroccan sultan and the representative of the British government. Although based on individual and local perspectives, Subversives and Mavericks in the Muslim Mediterranean reveals new and unrecognized trans-local connections across the Muslim world, illuminating our understanding of these societies beyond narrow elite circles.

The Maverick Method: a powerful and unique selling method that proves the complete picture of how complex sales work. The Method has been researched, developed and practiced over a twenty-year period. We have studied and modeled over one hundred of the most successful salespeople. Unlike other selling methods the Maverick Method has been proven by salespeople on the front lines of the most difficult selling environments imaginable. The Mavericks that we have modeled have been able to create new markets, dominate their market segments and marginalize their competitors. What you will learn from the Maverick Selling Method: How a complex sale really works How to control the buying process How to customize your selling process for your unique product How to set and change the rules that will justify the buying decision How to marginalize any competitor How to close the deal in a predictable manner before your competitor even knows they have lost What Mavericks do differently How you can become a Maverick

Gary Smalley is one of the world's foremost speakers and experts on love and relationships. His gift for helping couples create more meaningful communication and deeper understanding so that they can establish an unwavering bond is the inspiration behind Secrets to Lasting Love, the culmination of Smalley's decades of work. In it he outlines the three essential skills that move couples to the highest levels of intimacy: Respect your spouse for all of his or her individual qualities and differences from you. Communicate with each other in a way that moves conversations into deeper realms of understanding. Renew and recharge your spouse emotionally, mentally, physically, and spiritually -- constantly. It is not easy to recognize and then apply these skills. But Secrets to Lasting Love shows everyone how to do just that, so they can reach what Smalley calls the fifth, or ultimate, level of intimacy -- where there's a marital bond strong enough to withstand the inevitable highs and lows of life. With Gary Smalley, you will have the tools to create a heightened sense of commitment that will allow you to reach your spouse's heart and spirit.
