Discover #1 New York Times–bestselling Patrick Rothfuss’s epic fantasy series, The Kingkiller Chronicle. “I just love the world of Patrick Rothfuss.” —George R. R. Martin • “Rothfuss has real talent.” —Terry Brooks OVER 1 MILLION COPIES SOLD! DAY ONE: THE NAME OF THE WIND My name is Kvothe. I have stolen princesses back from sleeping barrow kings. I burned down the town of Trebon. I have spent the night with Felurian and left with both my sanity and my life. I was expelled from the University at a younger age than most people are allowed in. I tread paths by moonlight that others fear to speak of during day. I have talked to Gods, loved women, and written songs that make the minstrels weep. You may have heard of me. So begins a tale unequalled in fantasy literature—the story of a hero told in his own voice. It is a tale of sorrow, a tale of survival, a tale of one man’s search for meaning in his universe, and how that search, and the indomitable will that drove it, gave birth to a legend. Praise for The Kingkiller Chronicle: “The best epic fantasy I read last year... He’s bloody good, this Kvothe.” —Brandon Sanderson, New York Times–bestselling author of A Song of Ice and Fire “Rothfuss has real talent, and his love of Kvothe is deep and intricate and wondrous.” —Terry Brooks, New York Times–bestselling author of Shannara “It is a rare and great pleasure to find a fantasist writing...with true music in the words.” —Ursula K. Le Guin, award-winning author of Earthsea “The characters are real and the magic is true.” —Robin Hobb, New York Times–bestselling author of Assassin’s Apprentice “Masterful... There is a beauty to Pat’s writing that defies description.” —

A gorgeously illustrated anniversary edition of the book that launched the epic Farseer Trilogy, praised by George R. R. Martin as “fantasy as it ought to be written” and Lin-Manuel Miranda as “an incredible series,” featuring a new foreword by Robin Hobb and ten illustrations. Twenty-five years ago, Robin Hobb’s first novel featuring FitzChivalry Farseer and his mysterious, often maddening friend the Fool struck like a bolt of brilliant lightning. Thus began a beloved saga spanning multiple series, full of adventure, magic, and sinister plots. To celebrate a quarter-century of wonder, this special edition of Assassin’s Apprentice presents a modern classic as it’s never been seen before: in hardcover, with ten beautiful illustrations by Magali Villeneuve. Young Fitz is the bastard son of the noble Prince Chivalry, raised in the shadow of the royal court by his father’s gift stableman. He is treated as an outcast by all the royalty except the devious King Shrewd, who has him secretly tutored in the arts of the assassin. For in Fitz’s blood runs the magic Skill—and the darker knowledge of a child raised with the stable hands and rejected by his family. As barbarous raiders ravage the coasts, Fitz is growing to manhood. Soon he will face his father’s dangerous, soul-shattering mission. And though some regard him as a threat to the throne, he may just be the key to the survival of the kingdom. Praise for Robin Hobb and Assassin’s Apprentice “Fantasy as it ought to be written . . . Robin Hobb’s books are diamonds in a sea of zircons.”—George R. R. Martin “A gleaming debut in the crowded field of epic fantasies . . . a delightful take on the powers and politics behind the throne.”—Publishers Weekly “This is the kind of book you fall into, and start reading slower as you get to the end, because you don’t want it to be over.”—Steven Brust

The Name of the Wind Books

Dave and Leigh Eddings were mythmakers and world builders of the first order. With the Redemption of Althalus, the authors of the Belgarad and Malloreon sagas created a thrilling stand-alone epic—boldly written and brilliantly imagined. It would be sheer folly to try to conceal the true nature of Althalus, for his flaws are the stuff of legend. He is, as all men know, a thief, a liar, an occasional murderer, an outrageous braggart, and a man devoid of even the slightest hint of honor. Yet of all the men in the world, it is Althalus, unrepentant rogue and scoundrel, who will become the champion of humanity in its desperate struggle against the forces of an ancient god determined to return the universe to nothingness. On his way to steal the Book from the House at the End of the World, Althalus is confronted by a cat—a cat with eyes like emeralds, the voice of a woman, and the powers of a goddess. She is Dewia, sister to The Gods and a greater thief even than Althalus. She must be: for in no time at all, she has stolen his heart. And more. She has stolen time itself. For when Althalus leaves the House at the End of the World, much wiser but not a day older than when he'd first entered it, thousands of years have gone by. But Dewia is not the only one able to manipulate time, and while Dewia has been teaching Althalus the secrets of The Book, the ancient God has been using the dark magic of his own Book to rewrite history. Yet all is not lost. But only if Althalus, still a thief at heart, can bring together a ragtag group of men, women, and children with no reason to trust him or each other. Praise for the Redemption of Althalus “Highly recommended . . . Featuring a cast of engaging characters, some fanciful plot twists, and a light-hearted atmosphere that should appeal strongly to fans and first-time readers alike.”—Library Journal “The story takes off. The interactions between characters, straight-forward plotting, and doses of wry humor keep the tale humming.”—Booklist “An engaging young reprobate hero. . . . [A] magical realm of good-natured fun.”—Publishers Weekly “A compelling, involving story.”—Science Fiction Chronicle

The Purple Morrow is destroyed. However, its promise endures in the form of a champion, mankind's only hope against the destruction spawned by an ancient, sinister evil. There he encounters the Shadow Man who reveals the truth of his past, including the disturbing origin of a mysterious mark on his forearm. Kelen tries to fight destiny, but soon learns the Shadow will not relent until a terrible prophecy is fulfilled. As Marathana quails under the threat of burgeoning darkness, Jeru's clan looks to him to lead. Jeru, however, knows his path lies elsewhere. Leaving everything behind, he braves the Badlands, a hellish desert only the hardest dare go, to find the Storyteller who can awaken the latent spirit of the Papilion within him. Jeru learns much in that place of desolation, including one truth which could turn destiny on its head. Now more than ever, Kelen, the Wolf of the North, threatens everything he holds dear. Jeru must choose: save those he loves, or sacrifice them to save Marathana.

A season of endings has begun. It starts with the great red rift across the heart of the world's sole continent, spewing ash that blots out the sun. It starts with death, with a murdered son and a missing daughter. It starts with betrayal, and long dormant wounds rising up to fester. This is the Stillness, a land long familiar with catastrophe, where the power of the earth is wielded as a weapon. And where there is no mercy. The Mirror: Shattered Midnight is the second novel in the innovative four-book fairy-tale series written by Julie C. Dao, Dhonielle Clayton, J.C. Cervantes, and L. L. McKinney, following one family over several generations, and the curse that plagues it. Zora Broussard has arrived in New Orleans with not much more than a bag of clothes, a beautiful voice, and a pair of enchanted red shoes. Running from a tragic accident caused by her magic, Zora wants nothing more than to blend in, as well as to avoid her overbearing aunt and mean-spirited cousins. Music becomes Zora's only means of escape, yet she wonders if she should give it all up to remove the powers that make her a target, especially as a Black woman in the South. But when Zora gets the chance to perform in a prominent jazz club, she meets a sweet white pianist named

Phillip with magic of his own, including a strange mirror that foretells their future together. Falling into a forbidden love, Zora and Phillip must keep their relationship a secret. And soon the two discover the complicated connection between their respective families, a connection that could lead to catastrophe for them both. In the era of segregation and speakasies, Zora must change her destiny and fight for the one she loves . . . or risk losing everything.
