The Dolls' House

A Victorian Doll House

The Paper Doll's House of Miss Sarah Elizabeth Birdsall Otis, Aged Twelve

Generations of young readers have taken the characters of Little Women to their hearts, and this collection of paper dolls offers a delightful continuation of the tradition. Six dolls depict the March sisters — Meg, Jo, Beth, and Amy — plus their mother, Marmee, and their neighbor, Theodore "Laurie" Lawrence. The dolls' wardrobes not only reflect their unique personalities but also the styles of 1860s New England. Outfits include everyday dresses and formal wear as well as nightgowns, coats, and hats. A full-color background scene appears on the inside covers.

Tottie is a loving little wooden doll who lives with her family in a shoebox. The doll family is owned by two sisters, Emily and Charlotte, and they are very happy, except for one thing: they long for a proper home. To their delight, their wish comes true when Emily and Charlotte fix up a Victorian dolls' house - just for them. It's perfect. But then a new arrival starts to wreak havoc in the dolls' house. For Marchpane might be a wonderfully beautiful doll, but she is also terribly cruel. And she always gets her own way . . . First published in 1947, Rumer Godden's classic The Dolls' House has been delighting children for years, and this beautiful edition, illustrated by Jane Ray, will delight future generations for years to come.

A Three-Dimensional Edwardian Doll House

"I Think That Before All Else I Am a Human Being, Just As Much As You Are—Or At Least I will Try to Become One." —Henrik Ibsen in A Doll's House A Doll's House, the three-act play by Henrik Ibsen, which premiered at the Royal Theatre in Copenhagen, Denmark in 1879, is one of the most well-known and frequently performed of modern plays. It richly displays the genius with which Ibsen pioneered modern, real-istic prose drama. The play is significant for the way it deals with the fate of the central character Nora, a married woman, who at that time in Norway lacked opportunities for self-fulfillment in a male-dominated world. Ibsen was inspired by the belief that "a woman cannot be herself in modern society," since it is "an exclusively male society, with laws made by men and with prosecutors and judges who assess feminine conduct from a masculine standpoint." The play aroused great controversy at the time, as it concludes with Nora leaving her husband and children because she wants to discover herself. The outrage went far beyond the theater to the world of news-papers and society. In Nora, Ibsen epitomized the human struggle against the humiliating constraints of social conformity. Even today many agree that the theme of the play is the need of every individual to be able to find out the kind of person he or she is and to be allowed to become that person.

Enchanted Dolls' House Paper Dolls

A classic book with full instructions and explanatory diagrams for wiring a doll's house for electricity. This book contains classic material dating back to the 1900s and before. The content has been carefully selected for its interest and relevance to a modern audience.

A three-dimensional, two-story Edwardian doll house includes a family of six press-out dolls and such exquisite details as ceiling murals, decorative rugs, period paintings, and dormer windows.

A Doll's House (Norwegian: *Et dukkehjem*; also translated as *A Doll House*) is a three-act play in prose by Henrik Ibsen. It premiered at the Royal Theatre in Copenhagen, Denmark, on 21 December 1879, having been published earlier that month. The play is significant for its critical attitude toward 19th century marriage norms. It aroused great controversy at the time, as it concludes with the protagonist, Nora, leaving her husband and children because she wants to discover herself. Ibsen was inspired by the belief that "a woman cannot be herself in modern society," since it is "an exclusively male society, with laws made by men and with prosecutors and judges who assess feminine conduct from a masculine standpoint." Its ideas can also be seen as having a wider application: Michael Meyer argued that the play's theme is not women's rights, but rather "the need of every individual to find out the kind of person he or she really is and to strive to become that person." In a speech given to the Norwegian Association for Women's Rights in 1898, Ibsen insisted that he "must disclaim the honor of having consciously worked for the women's rights movement," since he wrote "without any conscious thought of making propaganda," his

task having been "the description of humanity."

Art and Craft Ideas with Paper (Doll House Interior Designer)

A Doll's House/Ghosts/Pillars of the Community/An Enemy of the People 'Our home has never been anything other than a play-house. I've been your doll-wife here, just as at home I was Daddy's doll-child' These four plays established Ibsen as the leading figure in the theatre of his day, sending shockwaves throughout Europe and beyond. A Doll's House scandalized audiences with its free-thinking heroine Nora. Ibsen's even more radical follow-up, Ghosts, exposes family secrets and sexual double-dealing, while Pillars of the Community and An Enemy of the People both explore the hypocrisy and the dark tensions at the heart of society. This new translation, the first to be based on the latest critical edition of Ibsen's works, offers the best version available in English. A new translation by DEBORAH DAWKIN and ERIK SKUGGEVIK With an Introduction by TORE REM General Editor TORE REM

Describes the paper doll house designed and created by the daughter of a wealthy Long Island family, with illustrations of each room and its furnishings and figures.

Cut-Out and Lift-the-flap Book with Family Paper Dolls

"Smart, funny and utterly engrossing... This unexpectedly rich sequel reminds us that houses tremble and sometimes fall when doors slam, and that there are living people within, who may be wounded or lost... Mr. Hnath has a deft hand for combining incongruous elements to illuminating ends." —Ben Brantley, New York Times It has been fifteen years since Nora Helmer slammed the door on her stifling domestic life, when a knock comes at that same door. It is Nora, and she has returned with an urgent request. What will her sudden return mean to those she left behind? Lucas Hnath's funny, probing, and bold play is both a continuation of Ibsen's complex exploration of traditional gender roles, as well as a sharp contemporary take on the struggles inherent in all human relationships across time.

Open all four sections, tie back the two blue ribbons, and a fully constructed eight-room dollhouse emerges from between the two slim covers. An affordable taste of the Victorian era, A Victorian Dollhouse is perfect for anyone who cherishes Victorian ephemera. Children could make their own story, playing with this adorable paper doll house book. Let your child explore all the beautiful rooms. They could cut out the family paper dolls (mommy, daddy and their little daughter) and their outfits too. This magic book is also a lift-the-flap book. You could help your kid to cut out the different parts that are provided so, you could cover your paper dolls with a blanket when they go to sleep, open the door of the fridge when they are hungry, get them inside the car when they go on a picnic, and more... This book includes: Kitchen Living room Dining room Office Master bedroom Girl bedroom Bathroom Dressing and Makeup room Family car Picnic scene This book is full of fun and surprises! It could be a perfect gift for girls ages 3-7 who will love this paper doll house book!
