

## The Power Of Now: A Guide To Spiritual Enlightenment

Eckhart Tolle is emerging as one of today's most inspiring teachers. In The Power of Now, already a word-of-mouth bestseller in Canada, the author describes his transition from despair to self-realization soon after his 29th birthday. Tolle took another ten years to understand this transformation, during which time he evolved a philosophy that has parallels in Buddhist theory but is also eminently practical. In The Power of Now he shows readers how to recognize themselves as the creators of their own pain, and how to have a pain-free existence by living fully in the present. Accessing the deepest self, the true self, can be learned, he says, by freeing ourselves from the conflicting, unreasonable demands of the mind and living presently. The 10th anniversary edition of A New Earth with a new preface by Eckhart Tolle. With his bestselling spiritual guide The Power of Now, Eckhart Tolle inspired millions of readers to discover the freedom and joy of a life lived "in the now." In A New Earth, Tolle expands on these powerful ideas to show how transcending our ego-based state of consciousness is not only key to ending conflict and suffering throughout the world. Tolle describes how our attachment to the ego creates the dysfunction that leads to anger, jealousy, and unhappiness, and shows readers how to awaken to a new state of consciousness and follow the path to a truly fulfilling existence. Illuminating, enlightening, and uplifting, A New Earth is a profoundly transformative building a better world.

The essential companion volume to the phenomenal self-help bestseller THE POWER OF NOW - "the must-read bible du jour". Eckhart Tolle's book describes the experience of heightened consciousness that radically transformed his life - and shows how by living in the moment we can also reach a higher state of being where we can find joy and peace and where problems are solved. THE POWER OF NOW - contains all the essential techniques we need to start to put this important book into practice in our own lives. No reader will be complete without it.

Eckhart Tolle is perhaps the most popular spiritual guru in the world. His books have topped the New York Times Bestseller List, and his core teaching-achievement of liberation via the power of Now-has become the "guiding light" of the New Age movement. But according to L. Ron Gardner, author of Beyond the Power of Now, there is a problem-a big problem-with what, exactly, the power of Now is. Is it the same thing as Hindu Shakti or the Buddhist Sambhogakaya or the Christian Holy Spirit? Tolle doesn't say. He continually refers to the Bible and Jesus in his book, but, shockingly, never once mentions the Holy Spirit and how it relates to the Power of Now. L. Ron makes it clear that the true Power of Now is the Holy Spirit of Hindu Shakti and the Buddhist Sambhogakaya. He explains and extolls the true power of Now and castigates Tolle for failing to identify and describe it. To some, Eckhart Tolle is a New Age visionary, describing a "new earth" that can materialize if mankind, en masse, awakens to the power of Now. But according to L. Ron Gardner, he is simply a histrionic ranter full of himself. Ron continually points out, from different angles, the folly of Tolle's New (or Now) Age chimera and describes the social system that represents mankind's sociopolitical salvation. Beyond Tolle's teaching about the power of Now and rhetoric about a "new earth," L. Ron takes the renowned guru to task on virtually every subject he addresses. Most significantly, he re-examines Tolle's trusted more than thought: 2) time is a mind-created illusion; 3) psychological time is insanity; 4) the present moment is the Now; 5) the "inner" body is the direct link to the Now; 6) your cells stop aging when you live in the Now; 7) women are spiritually more evolved than men; and 8) animals such as ducks and cats are Zen masters. Eckhart Tolle's teachings are

Gardner exposes the major flaws in his principal arguments while providing readers with integral solutions.

In this powerful and virtuosic collection of interlocking stories, each one "a marvel of concision and compassion" (Washington Post), a National Book Critics Circle Award finalist and "master of his form" (/i>New York Times) takes the short story to new heights. Through forty-four compressed gems, Peter Orner, a writer who "doesn't simply bring his characters to life, he gives them souls" (NYT Book Review), chronicles people whose lives are at inflection points, gripping us with a series of defining moments. Whether it's a first date that turns into a late-night road trip to a séance in an abandoned airplane hangar, or a family's memories of the painful mystery surrounding a neglected uncle's demise, Orner reveals how our fleeting decisions between kindness and abandonment chase us across time. These stories are anchored by a poignant novella that delivers not only the joys and travails of a forty-year marriage, but an entire era in a working-class New England city. Bristling with the crackling energy of life itself, Maggie Brown & Others marks the most sustained achievement to date for "a master of his form" (New York Times). A New York Times Notable Book A Chicago Tribune Notable Book An Oprah Magazine Best Book of 2019 Kirkus Reviews Best Short Fiction of 2019 Longlisted for the Simpson/Joyce Carol Oates Prize

Imagine Feeling Light Like A Feather... & Free Like An Eagle You know what I'm talking about. It's really tough to have inner peace in today's highly distracting world... Even if we don't, we all know we do. We've all seen it don't we? People who either live in the past or stress about the future. If then, what's the point of this book? Success Leaves Clues. (SLC) Behind the magic, you'll ALWAYS find that there IS a magic process. "The Power of Now" if you will. The Power of Now was published in the late 1990s and was recommended by Oprah Winfrey. It has been translated into 33 languages and has sold more than 3 million copies.

The Power of Now highlights the importance of living in the present moment and transcending thoughts of the past or future. So what? Then LEARN "but then...". Procrastinating already? Your mind works like a parachute. It only works when it's... OPEN. Here's what you'll discover. ... Chapter 1: The Definitions of Being ... Chapter 2: The Trouble With Pain ... Chapter 3: The Truth About Suffering ... Chapter 4: The Problems of the Past ... Chapter 5: The Potential in the Present ... Chapter 8: The Truth About Salvation ... Chapter 9: The Truth About Happiness ... And so much more. The New York Times Bestseller What if everything you think you know about addiction is wrong? Johann Hari's journey into the heart of the war on drugs led him to ask this question--and to write the book that gave rise to his viral TED talk, viewed more than 62 million times, and inspired the feature film The United States vs. Billie Holiday and the documentary series The Fix. One of Johann Hari's earliest memories is of trying to wake up one of his relatives and not being able to. As he grew older, he realized he had addiction in his family. Confused not knowing what to do, he set out and traveled over 30,000 miles over three years to discover what really causes addiction--and what really solves it. He uncovered a range of remarkable human stories--of how the war on drugs began with Billie Holiday, the great jazz singer, being stalked and killed by a racist policeman; of the scientist who discovered the surprising key to addiction; and of the countries that ended their own war on drugs--with extraordinary results. Chasing the Scream is the story of a life-changing journey that transformed the addiction debate internationally--and showed the world that the opposite of addiction is connection.

No matter how busy you are, find quiet reflective moments in your life--and reduce your stress levels drastically--with this classic bestselling guide from a mindfulness expert. When Wherever You Go, There You Are was first published in 1994, no one could have predicted that the book would launch itself onto bestseller lists nationwide and sell over 750,000 copies to date. Ten years later, the book continues to change lives. In honor of the book's 10th anniversary, Hyperion is proud to be releasing the book with a new afterword by the author, and to share this wonderful book with an even larger audience.

The power of transformative design, multidisciplinary leaps, and diversity: lessons from a Black professional's journey through corporate America. Design offers so much more than an aesthetically pleasing logo or banner, a beautification add-on after the heavy lifting. In Reimagining Design, Kevin Bethune shows how design provides a unique angle on problem-solving--how it can be leveraged strategically to cultivate innovation and anchor multidisciplinary teamwork. As he does so, he describes his journey as a Black professional through corporate America, revealing the power of transformative design, multidisciplinary leaps, and diversity. Bethune, who began as an engineer at Westinghouse, moved on to Nike (where he designed Air Jordans), and now works as a sought-after consultant on design and innovation, shows how design can transform both individual lives and organizations. In Bethune's account, diversity, equity, and inclusion emerge as a recurring theme. He shows how, as we leverage design for innovation, we also need to consider the broader ecological implications of our decisions and acknowledge the threads of systemic injustice in order to realize positive change. His book is for anyone who has felt like the "other"--and also for allies who want to encourage anti-racist, anti-sexist, and anti-ageist behaviors in the workplace. Design transformation takes leadership--leaders who do not act as gatekeepers but, with agility and nimbleness, build teams that mirror the marketplace. Design in harmony with other disciplines can be incredibly powerful; multidisciplinary team collaboration is the foundation of future innovation. With insight and compassion, Bethune provides a framework for bringing this about.

'An otherworldly genius' Chris Evans' BBC Radio 2 Breakfast Show This is the follow up to the bestselling self-help book of its generation The Power of Now. Eckhart Tolle's A New Earth will be a cornerstone for personal spirituality and self-improvement for years to come, leading readers to new levels of consciousness and inner peace. Taking off from the introspective work The Power of Now, which is a number one bestseller and has sold millions of copies worldwide, Tolle provides the spiritual framework for people to move beyond themselves in order to make this world a better, more spiritually evolved place to live. Shattering modern ideas of ego and entitlement, self and society, Tolle lifts the veil of fear that has hung over humanity during this new millennium, and shines an illuminating light that leads to happiness and health that every reader can follow. 'A

wake-up call for the entire planet... [A New Earth] helps us to stop creating our own suffering and obsessing over the past and what the future might be, and to put ourselves in the now' Oprah Winfrey

A thought-provoking, original appraisal of the meaning of religion by the host of public radio's On Being Krista Tippett, widely becoming known as the Bill Moyers of radio, is one of the country's most intelligent and insightful commentators on religion, ethics, and the human spirit. With this book, she draws on her own life story and her intimate conversations with both ordinary and famous figures, including Elie Wiesel, Karen Armstrong, and Thich Nhat Hanh, to explore complex subjects like science, love, virtue, and violence within the context of spirituality and everyday life. Her way of speaking about the mysteries of life--and of listening with care to those who endeavor to understand those mysteries--is nothing short of revolutionary.

A practical and empowering approach to the age-old quest to let go of the thoughts and feelings that block happiness, impede change, and hinder self-acceptance Anyone who has dipped a toe into any of the world's spiritual traditions knows that letting go and letting be are key. But how? In This fresh, frank, and powerful guide, Peter Russell allows readers to see that the things we get hung up on are generally not tangible problems in the present, but are instead thoughts, feelings, interpretations, beliefs, or expectations we have about them. These are not actual things; they exist only in our minds. And we can strip these "no-things" of their power and let them go by making a simple change of mind. Russell boils this letting go down to remarkably easy methods of accepting, acknowledging, recognizing, and even befriending what we tend to run from. This paradoxical practice generates peace of mind, fresh perspectives, and wisdom in action.

In turbulent times like ours, this is a true power, one available to us all.

The Rise of English is a masterful account of the spread of English as the dominant lingua franca worldwide, its intimate connections with globalization and neoliberalism, and its effects on linguistic justice, opportunity, and identity. Deeply researched and wide-ranging in scope, this book shows how English has privileged some and disadvantaged others, but ultimately offers the promise of transcending cultural and linguistic borders in multilingual world.

Based on the #1 New York Times bestseller The Untethered Soul, this guided journal offers powerful new practices for inspiration, freedom, and joy. In this beautiful guided journal, you'll find brand-new exercises and prompts paired with original passages from The Untethered Soul. These prompts encourage you to fully relate Michael A. Singer's teachings to your personal experiences, allowing you to dive into the teachings and make them a part of your daily life. You'll also discover practices to help you gain distance from your noisy mind, tap into the deeper awareness that is your true essence, and work through the negative emotions that limit your potential. Grounded in traditions of meditation and mindfulness, the new exercises in this transformational journal will show you how to live more fully in the present moment, and achieve lasting joy and self-realization. If you're ready to open the door to limitless possibilities, The Untethered Soul Guided Journal will lead you to a richer understanding of your relationship to your mind, emotions, and inner energies. And by letting go of difficult past experiences you've held within yourself, you'll learn to access the profound happiness of your true, innermost Self.

Our children can be our greatest teachers. Parenting expert Susan Stiffelman writes that the very behaviors that push our buttons -- refusing to cooperate or ignoring our requests -- can help us build awareness and shed old patterns, allowing us to raise our children with greater ease and enjoyment. Filled with practical advice, powerful exercises, and fascinating stories from her clinical work, Parenting with Presence teaches us how to become the parents we most want to be while raising confident, caring children. "Shows parents how they can transform parenting into a spiritual practice." -- Eckhart Tolle, author of The Power of Now "Clear, wise, soulful, and poetic." -- Alanis Morissette

Discover the untold story of African surf culture in this glorious and colorful collection of profiles, essays, photographs, and illustrations. AFROSURF is the first book to capture and celebrate the surfing culture of Africa. This unprecedented collection is compiled by Mami Wata, a Cape Town surf company that fiercely believes in the power of African surf. Mami Wata brings together its co-founder Selemu Masakela and some of Africa's finest photographers, thinkers, writers, and surfers to explore the unique culture of eighteen coastal countries, from Morocco to Somalia, Mozambique, South Africa, and beyond. Packed with over fifty essays, AFROSURF features surfer and skater profiles, thought pieces, poems, photos, illustrations, ephemera, recipes, and a mini comic, all wrapped in an astounding design that captures the diversity and character of Africa. A creative force of good in their continent, Mami Wata sources and manufactures all their wares in Africa and works with communities to strengthen local economies through surf tourism. With this mission in mind, Mami Wata is donating 100% of their proceeds to support two African surf therapy organizations, Waves for Change and Surfers Not Just Children.

A collection of simple meditations and exercises helps readers heighten their consciousness of the present and live in the moment more completely.

From the international bestselling author of Unlearn, Humble the Poet speaks new truths about how we can create silver linings from our most difficult moments. Every one of us endures setbacks, disappointments, and failures that can beat us down. But we don't have to let them. Instead, we can use them as opportunities for growth. In Things No One Else Can Teach Us, Humble the Poet goes against conventional wisdom for happiness and success, showing us how our most painful experiences can be our greatest teachers. Humble shares raw, honest stories from his own life--from his rocky start becoming a rapper to nearly going broke to battling racism--to demonstrate how we can change our minds to better our lives. From a breakup to losing a loved one, our hardest moments can help us flourish, but only if we seize the opportunity. While we can't control life, we have the power to control how we react to it. Things No One Else Can Teach Us reminds us that we have the power to transform the way we respond to everyday challenges and ultimately be our best selves.

The author shares the secret of his own self-realization and the philosophy for living in the present he has developed. An encyclopedia designed especially to meet the needs of elementary, junior high, and senior high school students.

"The family elements in the story - the real struggles with marriage, raising a family, making a living, and just trying to enjoy life - have broadened the book's appeal to a wider audience, primarily women who are not into technology."DARK END OF SPECTRUM will make you think twice before turning on your cell phone or PDA!DARK END OF THE SPECTRUM is a frighteningly plausible and headline ripping tale of the real threats that loom in cyberspace and beyond with a Michael Crichton realism. Based on the author's years of research into the hacker culture.DARK END OF THE SPECTRUM is a thriller that will connect with everyone with a cell phone, PDA or wireless device.When a group of digital terrorists known as ICER take over the US power grid and the cell phone network, they give the government an ultimatum - bomb the borders of Afghanistan and Pakistan with nuclear weapons to put an end to Al-Qaeda or they will start downing commercial airliners. When the government refuses, ICER destroys most of the downed aircraft in airports all over the country. When ICER sends a pulse that will kill millions on the East Coast, only security expert Dan Riker can stop them, but ICER has kidnapped Dan's family.Will Dan save his family or will millions die?

The Spaghetti Startup introduces the Lasagna Framework, a new tool for 'strategic growth hacking'. Lasagna helps startups achieve 'sustainable growth' by properly designing their 'growth engines' based on systems and design thinking. It is also a diagnostic tool that helps resolve core problems, avoid common pitfalls and increase the viability of an innovation-driven enterprise. Written with a fun, fable-like twist, the book starts out with a futuristic story of the famed startup ecosystem, the Silicon Valley. It turns out, in the August of 2025, things change for the worse. There is an epidemic of spaghetti poisoning that plagues all entrepreneurs. The spag worm they contract impairs their judgment, which in turn puts their startups in jeopardy. Doctors have no remedy for the condition and the death toll is increasing. But, hey! There is a hero in this story, too! Apparently, our professing cat, Dr. Caddy has a solution to share with his fellows. All they need to do is to adopt Lasagna thinking, the cure for their spaghetti-driven minds. Visit Lasagnac.com to join the community, share your experiences, and help each other with fellow entrepreneurs from around the world.

This beautiful journal offers a wonderful way to reflect on some of the most insightful and life-changing passages from Tolle's brilliant book, and a place to write whatever thoughts one wishes to add.

This is a summary of Eckhart Tolle's The Power of Now: A Guide to Spiritual Enlightenment Much more than simple principles and platitudes, the book takes readers on an inspiring spiritual journey to find their true and deepest self and reach the ultimate in personal growth and spirituality: the discovery of truth and light. In the first chapter, Tolle introduces readers to enlightenment and its natural enemy, the mind. He awakens readers to their role as a creator of pain and shows them how to have a pain-free identity by living fully in the present. The journey is thrilling, and along the way, the author shows how to connect to the indestructible essence of our Being, "the eternal, ever-present One Life beyond the myriad forms of life that are subject to birth and death." Available in a variety of formats, this summary is aimed for those who want to capture the gist of the book but don't have the current time to devour all 236 pages. You get the main summary along with all of the benefits and lessons the actual book has to offer. This is a summary that is not intended to be used without reference to the original book.

Through the skillful use of a great variety of literary genres, this book explores the intimate relation and tension between religion and spirituality, evoking a wide range of responses that may awaken one to various possibilities of spiritual experience.

A New Earth  
A Vietnamese monk clarifies the main principles of Buddhism, reveals its roles in creating joy and enlightenment, and encompasses every facet of Buddhist teaching, from the Four Noble Truths to the Three Dharma Seals. Reprint.

For the first time ever, bestselling author Eckhart Tolle brings the core of his teachings to children - ages 7 to 100. Beautifully illustrated and artfully expressed, this charming story will bring joy to children and their parents for decades to come. Milton, who is about eight years old, is experiencing bullying on the school playground at the hands of a boy named Carter. Because he is being picked on, Milton no longer enjoys going to school. In fact, he dreads each morning because of his fear of Carter. By discovering the difference between Then, When, and the Now, Milton is able to shed his fear of being bullied. Living in the Now, he no longer dreads encountering Carter--and this changes everything. Milton's Secret will not only appeal to the millions of adult readers of Tolle's other books, but also to any parent who wants to introduce their children to the core of Tolle's teachings: Living in the Now is the quickest path to ending fear and suffering.

This wonderfully unique collaboration brings together two masters of their fields, joining original words by spiritual teacher Eckhart Tolle with delightful illustrations by Patrick McDonnell, the creator of the acclaimed comic strip MUTTS. Every heartwarming page provokes thought, insight, and smiling reverence for all beings and each moment. More than a collection of witty and charming drawings, the marriage of Patrick McDonnell's art and Eckhart Tolle's words conveys a profound love of nature, of animals, of humans, of all life-forms. Guardians of Being celebrates and reminds us of not only the oneness of all life but also the wonder and joy to be found in the present moment, amid the beauty we sometimes forget to notice all around us.

A masterpiece of reporting on the Supreme Court's most divisive case, Roe v. Wade, and the unknown lives at its heart. Despite her famous pseudonym, no one knows the truth about "Jane Roe," Norma McCorvey (1947–2017), whose unwanted pregnancy in 1970 opened a great fracture in American life. Journalist Joshua Prager spent years with Norma, discovered her personal papers, a previously unseen trove, and witnessed her final moments. With an explosive revelation at the core of the case, he tells her full story for the first time. Prager also traces Roe's fifty-year trajectory through three compelling figures: feminist lawyer Linda Coffee, who filed the original Texas lawsuit yet now lives in obscurity; Curtis Boyd, a former fundamentalist Christian, today a leading provider of third-trimester abortions; and Mildred Jefferson, the first Black female Harvard Medical School graduate, who became a pro-life leader with great secrets. Essential to our understanding of this key debate, the right to choose or the right to life, The Family Roe will change the way you think about our enduring American divide.

In this instant New York Times bestseller, Angela Duckworth shows anyone striving to succeed that the secret to outstanding achievement is not talent, but a special blend of passion and persistence she calls "grit." "Inspiration for non-genius everywhere" (People). The daughter of a scientist who frequently noted her lack of "genius," Angela Duckworth is now a celebrated researcher and professor. It was her early eye-opening stints in teaching, business consulting, and neuroscience that led to her hypothesis about what really drives success: not genius, but a unique combination of passion and long-term perseverance. In Grit, she takes us into the field to visit cadets struggling through their first days at West Point, teachers working in some of the toughest schools, and young finalists in the National Spelling Bee. She also mines fascinating insights from history and shows what can be gleaned from modern experiments in peak performance. Finally, she shares what she's learned from interviewing dozens of high achievers—from JP Morgan CEO Jamie Dimon to New Yorker cartoon editor Bob Mankoff to Seattle Seahawks coach Pete Carroll. "Duckworth's ideas about the cultivation of tenacity have clearly changed some lives for the better" (The New York Times Book Review). Among Grit's most valuable insights: any effort you make ultimately counts twice toward your goal; grit can be learned, regardless of IQ or circumstances; when it comes to child-rearing, neither a warm embrace nor high standards will work by themselves; how to trigger lifelong interest; the magic of the Hard Thing Rule; and so much more. Winningly personal, insightful, and even life-changing, Grit is a book about what goes through your head when you fall down, and how that—not talent or luck—makes all the difference. This is "a fascinating tour of the psychological research on success" (The Wall Street Journal).

The chapters of this book are nothing but mirrors for seeing your "self" from different angles. And though the journey we are about to embark on is an inner one, it will draw upon every aspect of your life. The only requirement asked of you is the willingness to honestly look at yourself in the most natural, intuitive manner. Remember, if we are seeking the root of "self," what we are actually seeking is you. As you read through these pages, you will find that you know much more than you thought you did about some very deep subjects. The fact is, you already know how to find yourself; you have just gotten distracted and disoriented. Once refocused, you will realize that you not only have the ability to find yourself, you have the ability to free yourself. Whether you choose to do so or not is entirely up to you. But upon completion of your journey through these chapters, there will be no more confusion, no more lack of empowerment, and no more blaming others. You will know exactly what must be done. And should you choose to devote yourself to the ongoing journey of self-realization, you will develop a tremendous sense of respect for who you really are. It is only then that you will come to appreciate the full depth of meaning in the advice: "This above all: to thine own self be true." -- Introduction

New York Times bestselling author Eckhart Tolle — Learn the transformative power of living in the now Attaining Eckhart Tolle's state of presence: In Stillness Speaks, Eckhart Tolle illuminates the fundamental elements of his teaching, addressing the needs of the modern seeker by drawing from all spiritual traditions. At the core of the book is what the author calls "the state of presence," a living in the now that is both intensely inspirational and practical. The power of now: When the pressures of future and past thinking disappear, fear and frustration also vanish, conquered by the moment. Stillness Speaks takes the form of 200 individual entries, organized into 10 topic clusters that range from "Beyond the Thinking Mind" to "Suffering and the End of Suffering." Each entry is concise and complete in itself, but, read together, take on a transformative power. If you have read The Untethered Soul by Michael Singer, Buddha's Brain by Rick Hanson, or other Eckhart Tolle books such as The Power of Now, you will want to own and read Stillness Speaks.

Oneness with All Life

"No" is sometimes the hardest word to say. It's also the most necessary. How many times have you heard yourself saying yes to the wrong things—overwhelming requests, bad relationships, time-consuming obligations? How often have you wished you could summon the power to turn them down? This lively, practical guide helps you take back the power—and shows that a well-placed No can not only save you time and trouble, it can save your life. Drawing on their own stories as well as feedback from their readers and students, James Altucher and Claudia Azula Alucher clearly show you how the right to say no: To anything that is hurting you. To standards that no longer serve you. To people who drain you of your creativity and expression. To beliefs that are not true to the authors' explain. It's another thing to say no, but it will have a stronger sense of what is good for you and the people around you, and you will have a deeper understanding of who you are. And, ultimately, you'll be freed to say a truly powerful "Yes" in your life—one that opens the door to opportunities, abundance, and love.

For admirers of The Power of Now, Eckhart Tolle's wisdom now comes in a highly accessible form: an elegant boxed set of color cards. Each inspirational card expresses a quotation from the book on one side, and art on the other to aid busy people with their daily meditations. Topics covered include discovering portals to the now, rising above thought, transforming suffering into peace, and creating enlightened relationships.

To make the journey into the Now we will need to leave our analytical mind and its false created self, the ego, behind. From the very first page of Eckhart Tolle's extraordinary book, we move rapidly into a significantly higher altitude where we breathe a lighter air. We become connected to the indestructible essence of our Being. "The eternal, ever-present One Life beyond the myriad forms of life that are subject to birth and death." Although the journey is challenging, Eckhart Tolle uses simple language and an easy question and answer format to guide us. A word of mouth phenomenon since its first publication, The Power of Now is one of those rare books with the power to create an experience in readers, one that can radically change their lives for the better.

Wherever You Go, There You Are
