

The Secret Of Spellshadow Manor 6: The Spell

When Reuben discovers an old pocket watch, he soon realizes it holds an incredible power: it can turn you invisible for fifteen minutes. And the watch's power is even more extraordinary than he knows. Soon, he's on the run from a despot determined to possess it for himself ...

"The epic grand finale of the Spellshadow series"--Page 4 of cover.

Matt's life changes forever when a family of "witches" moves into the dilapidated Victorian mansion next door. The Secrets of Hawthorne House is the story of an unlikely friendship, the clash of two radically different cultures, secret magic, and a search for the long lost Hawthorne treasure.

In the sequel to The Man with the Golden Torc, Eddie Dhood is forced to take on some nasty daemons from another dimension, who arrived in this world at the behest of the Dhood family to help battle the Nazis during World War II and who have decided that they have no intention of leaving.

"A marital thriller more scary than Gone Girl." -The Washington Post A scathing and exhilarating thriller that begins with a husband's obsession with the seemingly vacant house next door. It's wintertime in the Hamptons, where Scott and his wife, Elise, have come to be with her terminally ill father, Victor, to await the inevitable. As weeks turn to months, their daily routine—Elise at the hospital with her father, Scott pretending to work and drinking Victor's booze—only highlights their growing resentment and dissatisfaction with the usual litany of unhappy marriages: work, love, passion, each other. But then Scott notices something simple, even innocuous. Every night at precisely eleven, the lights in the neighbor's bedroom turn off. It's clearly a timer . . .but in the dead of winter with no one else around, there's something about that light he can't let go of. So one day while Elise is at the hospital, he breaks in. And he feels a jolt of excitement he hasn't felt in a long time. Soon, it's not hard to enlist his wife as a partner in crime and see if they can't restart the passion. Their one simple transgression quickly sends husband and wife down a deliriously wicked spiral of bad decisions, infidelities, escalating violence, and absolutely shocking revelations. Matt Marinovich makes a strong statement with this novel. The Winter Girl is the psychological thriller done to absolute perfection. Seven Lessons for Dreamers & Makers features research, stories, wisdom, and insights from SCAD professors, alumni, and other creative pros to help illuminate current and future college students looking for their path in life. The book's seven lessons focus on the transformative power of curiosity, how to find your people, the secret of turning a passion into a profession, and more. As President Wallace says, "This book is written for every student, no matter where you're studying or hope to go. Future neurologists, pilots, attorneys, and veterinarians—this book is for you, too! What has worked for our creative graduates works for everyone who wants to learn, do more, and go further."

Wolf's Bane

The second and final book in the Beautiful Monster series has arrived! Liam knows his plan is so preposterous that it will either be wildly successful... or fatal. But it's a risk he has no choice but to take - for his sake and for Amy's. If Amy thought her first year at Leopard Academy was a whirlwind, she'd better brace herself for a typhoon.

In this coming-of-age novel, seventeen-year-old high school basketball star Ezekiel "Zeke" Archer has it all: a sweet jump shot, a full-ride scholarship to a Midwestern basketball powerhouse, and the brightest future. But when Zeke's temper gets the better of him in the city championship, he is expelled from school, has to forfeit his scholarship, and is left to ponder his once-hopeful future... While finishing his final high school days in the California educational system's version of purgatory, Zeke makes a stunning discovery. With the help of a young autistic classmate Zeke befriends, he learns that the mysterious 7th Dimension, which brought basketball to Earth more than a century ago, has decided to take the

game away for good -- all because of the ugly event Zeke set into motion in his final game! As he embarks on the ultimate cross-country road trip to save basketball, Zeke must confront his unsettled past -- including a father he's not heard from in years and a brother fighting in a war half a world away -- in order to set his life on the right path and rescue the game he loves.

Produced in cooperation with the National Association of School Nurses, this text includes comprehensive coverage of the multiple facets of school nursing—from the foundations of practice and the roles and functions of a school nurse through episodic and chronic illness and behavioral issues, to legal issues and leading and managing within school settings. The Gender Lie

The Gender Game By Bella Forrest

Discover a new world that is so magical, you won't believe your eyes. And it's only a step away. When you truly believe anything is possible, you will be able to open doors where there were only walls... Like every other typical teenager, fifteen-year-old Oliver Grain doesn't consider himself to be anything special. Why would he? Everything in his life is perfectly normal. The start to his sophomore year involves fending off bullies, meeting the boy who committed suicide in his room, and trying to understand why his history teacher, Mr. Gordon, has taken such a personal interest in him. You know... normal stuff. But when a standard history class turns into a not so standard lesson in the powers of higher consciousness, Oliver begins to wonder just how normal he is. With a chance to learn how to make the seemingly impossible possible, Oliver finds that he has the ability to open doors—some of which shouldn't exist. With the discovery of new worlds literally at his fingertips, Oliver finds himself being led straight to Provex City, which puts him in far greater danger than he can possibly fathom. Welcome to Provex City. PROVEX CITY is the enthralling first installment in the Lorne Family Vault series. A YA speculative adventure full of mystery, coming-of-age heart, and a world of possibilities that will keep you captivated until the very last page. Perfect for fans of Harry Potter, The Maze Runner, and The Secret of Spellshadow Manor. Book 1 of a completed 4 book series. What Amazon readers are saying: "Action, Romantic Tension, Powers. Oh yeah." -Andrea "This book makes different planes of existence feel like they could exist." -Heather C. "Yes, you should get book 2 while you're buying book one. Warning - there is some swearing and this book ends with a cliffhanger ending! Book 2 (Deadly Designs picks up where this one ends off.) The printed form of this book is 202 pages. Drawing is her world...but when her new pencil comes alive, it's his world too. Her... Storey Dalton is seventeen and now boyfriendless after being dumped via Facebook. Drawing is her escape. It's like as soon as she gets down one image, a dozen more are pressing in on her. Then she realizes her pictures are almost drawing themselves...or is it that her new pencil is alive? Him... Eric Jordan is a new Ranger and the only son of the Councilman to his world. He's crossed the veil between dimensions to retrieve a lost stylus. But Storey is already experimenting with her new pencil and what her drawings can do - like open portals. It... The stylus is a soul-bound intelligence from Eric's dimension on Earth and uses Storey's unsuspecting mind to seek its way home, giving her an unbelievable power. She unwittingly opens a third dimension, one that held a dangerous predatory species banished from Eric's world centuries ago, releasing these animals into both dimensions. Them... Once in Eric's homeland, Storey is blamed for the calamity sentenced to death. When she escapes, Eric is ordered to bring her back or face that same death penalty. With nothing to lose, can they work together across dimensions to save both their worlds?

A magic school story with a spine-tingling twist, for adults or teens who enjoyed Harry Potter... What would you do if you spotted a man following a young woman, but no-one else could see him? Like most sane people, student Alex Webber thought he was hallucinating - perhaps he'd consumed something bad at the party he'd been attending that night, or he was severely overtired. But when he sees the mysterious man following Natalie again the very next day, he can no longer disbelieve his eyes. Although she denies the man's existence, Alex sees her walking with him down a road in his neighborhood he's never seen before - and can't help but follow. After a bizarre, but strangely short journey, he finds himself standing before a towering iron gate wreathed in gray ivy, behind which looms a decrepit old mansion named Spellshadow Manor. Spellshadow, with its beautiful yet sinisterly decorated hallways, ever-changing outdoor scenery and very unusual residents... Alex will quickly learn it is a place that is as wondrous as it is deadly. Especially for a normal person like him. What if you found yourself recruited to an institute of magic, only to discover

you really couldn't do magic? What if your enrollment there was all one big, terrible mistake? If you were at Spellshadow, you'd keep it a secret. A deep, dark, deadly secret... Because Spellshadow's elusive Head is hiding a secret of his own - one that Alex soon realizes he and Natalie must uncover at all costs if either of them wishes to leave the Manor alive... and before it's too late. Mystery, suspense, and oodles of twists and turns; an unforgettable experience awaits you in Spellshadow Manor... Welcome in.

A Tangle of Hearts

Summer camp is a traditional teenage rite of passage, but when you add supernatural powers to the typically high dosage of adolescent hormones - you get an even more combustible mix. Sixteen-year-old werewolf twins Kate and Logan Danvers are none too thrilled at being shipped off to a supernatural youth leadership conference in West Virginia. From the moment they arrive at the camp, the twins sense something is off and they react in their usual manner - Logan reserving judgement and surveying the setup, while Kate charges forward determined to get answers. Kate and Logan quickly ascertain that most of the conference attendees have already formed hostile factions, leaving the twins and a few other misfits to band together. What seems like teen hormones in overdrive becomes something much more dangerous, even deadly. Add in a strange magic-warded cabin in the woods and a local history rife with curses and macabre legends, and it becomes clear this was a really, really bad place to build a camp for teenage supernaturals.

For nearly 10,000 years, the Trials have been a sacred tradition. But when all of the twelve-year-old children in Ranewood are banished into the nearest spectral forest, they quickly realize that the Ildarwood is not nearly as safe as they were told. Stalked by faceless hunters whose souls have been ravaged by Trials past, the children - now Ildarbound - must learn to control one of nine elements from the spirit realm to save the Ildarwood, their families, and themselves from an ancient spectral Blight. Who will master their abilities and rise to fight the growing threat? And who will lose their souls to the faceless hunters? Their stories are about to unfold... The Trials of Ildarwood: Spectres of the Fall is the illustrated first entry in S.C. Selvyn's long-awaited epic fantasy series. Written for teens and adults alike, there is something for everyone in this gripping tale about families and children who will do whatever it takes to ensure their survival. Read it once, and you'll be hooked. Read it twice, and you'll uncover countless hidden layers you didn't even notice the first time through. This edition includes a map of Ranewood, twenty-eight chapter illustrations, and a detailed appendix containing detailed lore about the world of the Ildarwood. "This book is a phenomenal piece written by what I can only describe as a gesture from the universe. A true work of art." - Amazon Reviewer "An incredible fantasy epic, stunningly written with breathtaking artwork, great characters and a gripping story." - ARC Reader "From the moment you enter the Ildarwood, you are immersed in a realm that breaks the boundaries of imagination." - Amazon Reviewer The Trials are about to begin. It is time to enter the Ildarwood.

FBI Special Agents Kim Otto and Carlos Gaspar need the help of rogue ex-military man Jack Reacher, now a wanted man. But is he their friend or foe? It's been a while since we first met Lee Child's Jack Reacher in Killing Floor. Fifteen years and twenty-one novels later, Reacher still lives off the grid, until trouble finds him, and then he does whatever it takes, much to the delight of readers and the dismay of villains. Now someone big is looking for him. Who? And why? Hunting Jack Reacher is a dangerous business, as FBI Special Agents Kim Otto and Carlos Gaspar are about to find out. Otto and Gaspar are by-the-book hunters who know when to break the rules—but Reacher is a stone-cold killer and a wanted man. But whose side is he on? Only secrets hidden in Margrave, Georgia, will tell them. Ride shotgun with a "James Bond-of-the-supernatural"* as the Secret Histories Novels take you careening through an alternate London where around every corner a new kind of danger awaits.... My name is Eddie Drood, aka Shaman Bond, the very secret agent. And I am a dead man walking. I've been poisoned by Dr. DOA. There is no cure, no treatment, no chance of a last-minute miracle. So all that is left to me and my love, Molly Metcalf, is to track down my killer and stop him before he can murder anyone else. So whether that means fighting a secret army on another world; or searching for a forgotten weapon in the Museum of Unattached Oddities; or facing off against Grendel Rex, the Unforgiven God, in the hidden heart of the Moon, for the terrible secret that is Moonbreaker...I will do whatever it takes, while I still can. Because the game isn't over till I say it's over—and I still have one last card to play. *SFRevu

The highly anticipated second book of the Spellshadow series "We walk in dreams," the Head had said. "It was only a matter of time before a nightmare followed us back." "Kingstone Keep. Beautiful Monster 2

Ever Fire (A Dark Faerie Tale #2)

From the New York Times bestselling author of From a Drood to a Kill comes the next Secret Histories adventure... The name is Drood, Eddie Drood, also known as Shaman Bond. My family has been safeguarding humanity for generations, facing the hidden horrors of the world so you can sleep at night and remain oblivious to the existence of the monstrous nightmares that walk and stalk among us. Speaking of predatory night terrors, there is a man who gets away

with murder. A man who specializes in removing the problems from other people's lives, by killing the people who cause those problems. He operates from the darkest shadows of the hidden world, coming and going unseen. No-one knows who he is, just his *nomme du morte*. Dr. DOA. Somehow, this demented doc poisoned me. I don't know how he did it, when or where, but whatever is coursing through my veins seems to be immune to magic cures and treatments. But that's not going to stop me from finding him and whoever hired him and give them both a taste of their own medicine...

"Nineteen-year-old Harley Merlin can sense people's emotions, among other things. It's how she snagged her first job pinpointing cheaters at a casino. But she has no clue where she got these freakish powers because she spent her childhood jumping from home to home in the foster system, and her father left her with nothing more than a cryptic note. Then she crosses paths with a terrifyingly real monster. Which is when a mysterious and annoyingly arrogant young warlock named Wade Crowley steps in, introducing her to a hidden world of magicals and covens riddled with secrets--as well as clues about her murky past"--Back cover.
