In *Communicating Vessels* Breton lays out the problems of everyday experience and of intellect. His involvement with political thought and action led him to write about the relations between nations and individuals in a mode that moves from the quotidian to the lyrical. Ruhl Since 1990, every president has pledged to protect wetlands, and Florida possesses more than any state except Alaska. And yet, since that time Florida has lost more than 84,000 acres of wetlands that help replenish the water supply and protect against flooding. How and why the state's wetlands are continuing to disappear is the subject of Paving Paradise. Journalists Craig Pittman and Matthew Waite spent nearly four years investigating the political expedience, corruption, and negligence on the part of federal and state agencies that led to a failure to enforce regulations on developers. They traveled

throughout the state, interviewed hundreds of people, dug through thousands of documents, and analyzed satellite imagery to identify former wetlands that were now houses, stores, and parking lots. The result was an award-winning series, "Vanishing Wetlands," of more than twenty stories in the St. Petersburg Times, exposing the unseen environmental consequences of rampant sprawl. Expanding their work into book form in the tradition of Michael Grunwald's *The Swamp*, Pittman and Waite explain how wetland protection has become a taxpayer-funded program that creates the illusion

THIS chapter is emphatically the Lord's prayer. That which we commonly call the Lord's prayer He taught His disciples, but did not use Himself. The petition, "Forgive us our trespasses," could never have been uttered by the Lord Jesus Christ. This prayer, on the other hand,

Download Free The Shattered Vigil (The Darkwater Saga Book

is His own—His disciples were not invited to unite in it; it was a prayer they did not and could not utter. Evidently the Lord spake so as to be heard, and the disciples listened. The Holy Ghost has provided that not one petition should be lost to the church of God. We often find our Lord teaching His disciples to pray, and we read of Him spending even whole nights in prayer; but we never find Him praying with His disciples. Indeed, there would seem to be something incongruous in Christ

kneeling down with His disciples for prayer; there must always have been something peculiar in His petitions. At this time His work on earth was well-nigh ended: nothing remained for Him but to die: "I have finished the work which Thou gavest Me to do." (v. 4.) The Last Supper was over. The Lord had dispensed to His disciples the broken bread and poured-out wine, memorials of His dying love; He had expressed to them His desire, that in remembrance of Him, they should often gather

together and thus show forth His death in this illustration and their union with Himself and with each other, until His return to them in glory. He had washed their feet; He had comforted them; He had opened His whole heart to them. He now opens it for them to Him before whom "all hearts are open, all desires known, and from whom no secrets are hid;" and having poured out His soul into the ear, and into the bosom of God, He went forth into Gethsemane. May God the Spirit be with us and give

Marcos first captured world attention on January 1, 1994, when he and an indigenous guerrilla group calling themselves "Zapatistas" revolted against the Mexican government and seized key towns in Mexico's southernmost state of Chiapas. In the six years that have passed since their uprising, Marcos has altered the course of Mexican politics and emerged an international

The prolific stream of poetic political writings, tales, and traditional myths that Marcos has penned since January 1, 1994 fill more than four volumes. Throughout this remarkable book we hear the uncompromising voice of indigenous communities living in resistance, expressing through
