

The Siren (The Soul Summoner Book 2)

Bang Chan traces the changing cultural characteristics of a small Siamese village during the century and a quarter from its founding as a wilderness settlement outside Bangkok to its absorption into the urban spread of the Thai capital. Rich in ethnographic detail, the book sums up the major findings of a pioneering interdisciplinary research project that began in 1948. Changes in Bang Chan's social organization, technology, economy, governance, education, and religion are portrayed in the context of local and national developments.

In this epic spiritual poem, Sri Aurobindo reveals his vision of mankind's destiny within the universal evolution. He sets forth the optimistic view that life on earth has a purpose, and he places our travail within the context of this purpose: to participate in the evolution of consciousness that represents the secret thread behind life on Earth.

Shapeshifter Lyle Finnegan faces an impossible situation when Anton LaCastro, the Fairy Godfather, offers him two options. Either his parents will be murdered, or his love interest Stephanie McPherson. The choice is entirely up to him. Refusing to let either of them be killed, Lyle must use all his cunning to outwit and outmaneuver Anton in hopes that he can rescue Stephanie and his parents. However, the Fairy Godfather is a man of his word and will stop at nothing to see his promises to the end. In a mind-blowing twist of fate, Lyle unearths what lies deep within his soul, and what he finds is a darkness that will change his world forever.

Isda does not exist. At least not beyond the opulent walls of the opera house. Cast into a well at birth for being one of the magical few who can manipulate memories when people sing, she was saved by Cyril, the opera house's owner. Since that day, he has given her sanctuary from the murderous world outside. All he asks in return is that she use her power to keep ticket sales high—and that she stay out of sight. For if anyone discovers she survived, Isda and Cyril would pay with their lives. But Isda breaks Cyril's cardinal rule when she meets Emeric Rodin, a charming boy who throws her quiet, solitary life out of balance. His voice is unlike any she's ever heard, but the real shock comes when she finds in his memories hints of a way to finally break free of her gilded prison. Haunted by this possibility, Isda spends more and more time with Emeric, searching for answers in his music and his past. But the price of freedom is steeper than Isda could ever know. For even as she struggles with her growing feelings for Emeric, she learns that in order to take charge of her own destiny, she must become the monster the world tried to drown in the first place.

Chloe Faust is taking on motherhood and amateur detective work in the search for her mother's killer. Chloe and the substitute teacher from her criminal investigation class embark on a search for her aunt's killer with a more than a century's cold trail.

*At sixteen, Journey Durant hasn't yet experienced her first anything. No first boyfriend. No first date. No first kiss. But that's all about to change. Two boys at West Emerson High are vying for her attention: the MVP quarterback and the school's reigning bad boy. David Britton is the sensible choice. He's attractive, responsible, and every mother's dream—including hers. But David and Journey are from two different social universes where David is the sun in his, and Journey is a moon rock in hers. He's the most popular guy in school, and Journey is just background noise. She has a hard enough time accepting that he truly wants to be her friend, much less anything more. And then there's Steven Drake. Steven has dominated Journey's fantasy life for as long as she can remember. He has a short list of things he cares about and school, the future, and what anyone thinks of him aren't on it. Journey finds the element of rebellion he emanates to be intoxicating. But as much as Steven excites her, she knows there's trouble down that road. So who will be her first? Mr. Most Likely to Succeed or Mr. Most Likely to Go to Jail? * * * * * If you want a book that finishes with a neat and tidy ending, don't try and read this as a standalone. Nowhere in the world is this more clear than war-torn Iraq, where his "special skill set" is crucial on more than one deadly occasion. When a new enemy rises from the ashes of southern Baghdad, Warren's unit must rely on the help of an unlikely ally: private military contractors from Claymore Worldwide Security. With them is a woman. Skilled. Sexy. And absolutely lethal. It doesn't take long for Warren to realize her set of superpowers might even rival his own. But discovering her truth will have to wait. He met her step for step until she came up hard against the tree behind her—and didn't stop until he loomed over her. So broad his shoulders and chest made a wall in front of her. She'd thought he was a lion. "I am the Leonine King." His voice was a dark, husky growl. Behind him a chorus of wheezes, howls, and chirps of agreement rose from the people watching. "And you are?" "Ella," she breathed. "Ella," he growled, leaning in closer, bringing with him the scent of pine and rain and the musk of something distinctly male. "I am Reth." He said the name with a strange, guttural roll in his throat and I am Alpha of WildWood." Several snarls rose from the crowds behind him then, but he ignored them. Ella swallowed as he leaned in until the scruff on his jaw rasped her cheek. "I am the King," he said. "And you will be my mate." The forest behind him erupted. [Cover Art used by permission.
