Work Horse

Issie and the Christmas Pony: Christmas Special (Pony Club Secrets)

**This is the first detailed study of the role of the Church in the commercialization of milling in medieval England. Focusing on the period from the late eleventh to the mid sixteenth centuries, it examines the estate management practices of more than thirty English religious houses founded by the Benedictines, Cistercians, Augustinians and other minor orders, with an emphasis on the role played by mills and milling in the establishment and development of a range of different sized episcopal and conventual foundations. Contrary to the views espoused by a number of prominent historians of technology since the 1930s, the book demonstrates that patterns of mill acquisition, innovation and exploitation were shaped not only by the size, wealth and distribution of a house's estates, but also by environmental and demographic factors, changing cultural attitudes and legal conventions, prevailing and emergent technical traditions, the personal relations of a house with its patrons, tenants, servants and neighbours, and the entrepreneurial and administrative flair of bishops, abbots, priors and other ecclesiastical officials.**

His unlikely journey is a roadmap for every dreamer. From an Amish farm to the stadium lights of the National Football League, Zach Olstad's path to success was no sprint to the endzone. Every yard gained and lost was a lesson. Every play was an exercise, a dance of both mind and muscle, of progress and pain. Every step was a stumble forward to eventually finding he was more than his aspirations. The farm fundamentals of his youth shaped Olstad's foundation. The practical sensibilities of his Amish neighbors, combined with the daily work ethic of his hard-working family taught the Minnesota boy how to live without; how to do more with less. And when his weary working day was done, he dreamed of Football. Slowly Zach turned his obsession into tangible possession. As if driven by an unseen force, he pushed himself past his own perceived limits. Even when it seemed his dream would take forever at best, he bench-pressed the heavy weight of his long wait, and in the process developed both the sinew of his physique and the power of his patience. Possessing nothing, not even a scholarship, Olstad took on both his college classes, his coaches, and even the persistent pain of countless game injuries. Despite every obstacle, the farm boy allowed 'nothing' to block his path - his relentless work horse furrow down the field. The founding principles he learned directed him. The slow burn of his patient persistence kept the fire within him alive. Every disappointment reminded him; every defeat, refined him. Until finally, fullback Zach Olstad found himself in a uniform of buffalo bill blue, standing on his stadium field of dreams. His unlikely journey is a roadmap for every dreamer... who is willing to be a Work Horse.

Ayer Directory, Newspapers, Magazines and Trade Publications

Yeomen of England were called to bring their own horses to form England's first Home Guard when a dictator assembled his army across the Channel in 1794. They went on to become one of the most famous mounted regiments of the British Army. During the First World War they served on the frontline in the battles of Ypres, Neuve Chapelle and Artois. In the Second World War they found fame as one of the great tank regiments to be found on the frontline during the Normandy Landings, Battle of the Bulge and the Rhine Crossings. This book weaves together military history and personal anecdotes to follow the regiment from its horsed days, parading under the Earl Spencer who promoted Nelson to fleet command, through moments of repressing civil rioters, on to the bloodiest of cavalry charges in World War 1 and exceptional achievement with tanks in World War 2, only eventually to suffer what Napoleon, Kruger, the Kaiser and Hitler could not do - be wiped out by government cuts in the 1960s. Ken Tout, who proudly served with the regiment during the Normandy landings pays tribute to a much-loved part of the British Army.

A story about a girl who has to choose between two ponies for a team competition. She has to decide between what to put first: the success of her team or her own safety.

Kristy and Cassius are riding high after their quadrille success at the New Year's Eve show. So when they and the rest of the Mill Farm Stables gang are asked to perform at the school's centenary celebration, they jump at the chance. But Cassius's newfound celebrity status has come at a price. And when his old owner, spoilt Bella Hayward, decides she wants her trophy horse back, Kristy's longed-for fairytale ending is shattered. With Cassius gone and her place on the team lost, broken-hearted Kristy can only watch from the sidelines as her friends prepare for the quadrille. When disaster strikes, only Kristy can save the day. Can she find the courage to step back into the limelight? And will she ever find her Happy Ever After?

A reissue of Pam Munoz Ryan's bestselling backlist with a distinctive new author treatment. In this fast-paced, courageous, and inspiring story, readers adventure with Charlotte Parkhurst as she first finds work as a stable hand, becomes a famous stage-coach driver (performing brave feats and outwitting bandits), finds love as a woman but later resumes her identity as a man after the loss of a baby and the tragic death of her husband, and ultimately settles out west on the farm she'd dreamed of having since childhood. It wasn't until after her death that anyone discovered she was a woman.

THE FARMER'S MAGAZINE

Gazetteer of Grafton County, N. H. 1709-1886

The Joy of Keeping Horses is a celebration of how to best keep happy and healthy horses at home. With an emphasis on the differences between owning a horse at a boarding stable and keeping that same horse at your own small farm, this beautiful, clear guide is written specifically for horse lovers who are considering taking the plunge into farm ownership. Jessie Shiers lays out all the important facts and information, from purchasing property and building facilities to daily grooming and nutritional needs. Shiers also dispels some common myths and misconceptions about horses, and answers questions the novice owner may not know to ask. Along the way, she shares anecdotes from her own experiences and from interviews with other horse owners that demonstrate the main reason people choose to keep horses: the joy they bring to the lives of their owners.
