

Theodore Boone 3 L'accusato (Le Indagini Di Theodore Boone)

Nearly a decade after his last volume of short stories was published, Jeffrey Archer returns with his eagerly-awaited, brand-new collection **TELL TALE**, giving us a fascinating, exciting and sometimes poignant insight into the people he has met, the stories he has come across and the countries he has visited during the past ten years. Find out what happens to the hapless young detective from Naples who travels to an Italian hillside town to find out Who Killed the Mayor? and the pretentious schoolboy in **A Road to Damascus**, whose discovery of the origins of his father's wealth changes his life in the most profound way. Revel in the stories of the 1930's woman who dares to challenge the men at her Ivy League University in **A Gentleman and A Scholar** while another young woman who thumbs a lift gets more than she bargained for in **A Wasted Hour**. These wonderfully engaging and always refreshingly original tales prove not only why Archer has been compared by the critics to Dahl and Maugham, but why he was described by *The Times* as probably the greatest storyteller of our age.

#1 NEW YORK TIMES BEST SELLER • A classic legal thriller—with a twist. • "A suspenseful thriller mixed with powerful themes such as false incarceration, the death penalty and how the legal system shows prejudice."

—Associated Press In the small Florida town of Seabrook, a young lawyer named Keith Russo was shot dead at his desk as he worked late one night. The killer left no clues. There were no witnesses, no one with a motive. But the police soon came to suspect Quincy Miller, a young

Black man who was once a client of Russo's. Quincy was tried, convicted, and sent to prison for life. For twenty-two years he languished in prison, maintaining his innocence. But no one was listening. He had no lawyer, no advocate on the outside. In desperation, he writes a letter to Guardian Ministries, a small nonprofit run by Cullen Post, a lawyer who is also an Episcopal minister. Guardian accepts only a few innocence cases at a time. Cullen Post travels the country fighting wrongful convictions and taking on clients forgotten by the system. With Quincy Miller, though, he gets far more than he bargained for. Powerful, ruthless people murdered Keith Russo, and they do not want Quincy Miller exonerated. They killed one lawyer twenty-two years ago, and they will kill another without a second thought. Thirteen-year-old Theodore Boone faces his biggest challenge when a new case opens up in Strattenburg and Theo is the prime suspect when the police discover some stolen computer equipment in his locker.

Innocence is not always the best defence.
