humor. Lio explores the twisted realm of a kid's imagination—at once bizarre, creepy, and fun. Now, in this collection edited specially for kids, Lio is available to his most dedicated fans.

NOW A #1 NEW YORK TIMES BESTSELLER! An unflinching, darkly funny, and deeply moving story of a boy, his seriously ill mother, and an unexpected monstrous visitor. At seven minutes past midnight, thirteen-year-old Conor wakes to find a monster outside his bedroom window. But it isn't the monster Conor's been expecting-- he's been expecting the one from his nightmare, the nightmare he's had nearly every night since his mother started her treatments. The monster in his backyard is different. It's ancient. And wild. And it wants something from Conor. Something terrible and dangerous. It wants the truth. From the final idea of award-winning author Siobhan Dowd-- whose premature death from cancer prevented her from writing it herself-- Patrick Ness has spun a haunting and darkly funny novel of mischief, loss, and monsters both real and imagined.

Filled with humor and just the right amount of scariness, this book speaks directly to the child with comments, warnings, and asides on every page. Giggle-inducing lines such as "I think you'd better hide" and "Here he comes! Close the book!" place the child right in the story.

Junie B. Jones experiences glee while showing off her new furry mittens in kindergarten, but disaster strikes when they disappear from the playground.

This book is NOT a bedtime story. It's scary, strange and rather gory. Bedtime stories make you sleepy. This book won't. It's much too CREEPY. Except it isn't... this book is told by a group of monsters who think they're

very scary, but in fact they're not - they're cute and cuddly. They try their hardest to scare you - in a haunted house, creepy wood, ghostly ship and darkest dark, but each time they fail! The problem is, these monsters aren't at all spooky. They're a bit silly, actually. And a bit cuddly. In fact, they share the insecurities and worries of us humans and all they want is a cosy, snoozy good night's sleep. Despite the title of this book it really is a bedtime story. A brilliant tale that reassures children, makes them laugh and gets them ready for a peaceful night's sleep.

A unique monster-under-the-bed story with the perfect balance of giggles and shivers, this picture book relies on the power of humor over fear, appeals to a child's love for creatures both alarming and absurd, and glorifies the scope of a child's imagination. One night, when Ethan checks under his bed for his monster, Gabe, he finds a note from him instead: "Gone fishing. Back in a week." Ethan knows that without Gabe's familiar nightly scares he doesn't stand a chance of getting to sleep, so Ethan interviews potential substitutes to see if they've got the right equipment for the job—pointy teeth, sharp claws, and a long tail—but none of them proves scary enough for Ethan. When Gabe returns sooner than expected from his fishing trip, Ethan is thrilled. It turns out that Gabe didn't enjoy fishing because the fish scared too easily.
