The rule: Get married and have a baby. When Grandpa Stinson dies, he expects nothing more than to keep his grandsons together, running the family's multibillion-dollar business. But he's got just one unflinching rule: they have to get married and have a baby first. The brothers disagree...wholeheartedly. But it's set in stone. Follow the rule or you're the one grandson out of luck... Stubborn, rugged, but oh-so-sexy, Roark Stinson, the oldest brother, refuses to give in to his grandfather's manipulations. After all, women are the root of all evil, and he's never witnessed a relationship that actually works. Then it hits him; it doesn't have to work. Roark just needs a warm body to agree to the terms... Zoe Morgan never wanted to be anyone's "means to an end," especially not Roark Stinson's. But his proposal is one she's in no position to refuse--can't refuse. When the stakes are this high, a warm body might just be exactly what she needs. Maybe--just maybe--Grandpa Stinson knew exactly what he was doing...

What does it take to win success and influence? Some people think that in today's hyper-competitive world, it's the tough, take-no-prisoners type who comes out on top. But in reality, argues New York Times bestselling author Dave Kerpen, it's actually those with the best people skills who win the day. Those who build the right relationships. Those who truly understand and connect with their colleagues, their customers, their partners. Those who can teach, lead, and inspire. In a world where we are constantly connected, and social media has become the primary way we communicate, the key to getting ahead is being the person others like, respect, and trust. Because no matter who you are or what profession you're in, success is contingent less on what you can do for yourself, but on what other people are willing to do for you. Here, through 53 bite-sized, easy-to-execute, and often counterintuitive tips, you'll learn to master the 11 People Skills that will get you more of what you want at work, at home, and in life. For example, you'll learn: · The single most important question you can ever ask to win attention in a meeting · The one simple key to networking that nobody talks about · How to remain top of mind for thousands of people, everyday · Why it usually pays to be the one to give the bad news · How to blow off the right people · And why, when in doubt, buy him a Bonsai A book best described as "How to Win Friends and Influence People for today's world," The Art of People shows how to charm and win over anyone to be more successful at work and outside of it.
