book: * Contains 24 completely unique coloring pages. There are NO duplicated images in this book. The problem is that the image is smeared so we will leave page and print 1 page so 12 pictures and 12 pages will be clean.* The page is one side to avoid bleeding, and so the page can be removed and displayed without losing the image on the back.* We have carefully designed each page to entertain and be suitable for children aged 4 to 8 years old. We have avoided overly complicated designs as well as very simple designs. We believe that children of this age like to color hilarious scenes that arouse their imagination, not a simple book

advantages to achieve in life. Hand-drawn unique illustrations that are beautiful but simple, cute and fun. Massive value! - this BIG coloring book has lots more pages than most others. Teaches your kids that learning is enjoyable and not a chore. This numbers, colors & shapes coloring book prepares toddlers for school. Illustrations are on one side only so you can tear them out to frame and keep. No issues with markers bleeding through the page and ruining an image underneath. Thick black lines for toddlers to keep their crayons or pencils within the lines. Each page is a large 8.5 by 11 inches and printed on bright white paper. A book for toddlers but with more advanced elements so the book can be treasured for years. We have gone 'above and beyond' to create something special which we are very proud of. This lovingly created
