

Tombyards Butterflies: A Montague And Strong Detective Novel (Montague Strong Case Files Book 1)

Zombies on Main Street. Not my finest moment. The police aren't exactly thrilled with me, but when a cold case heats up and starts to stink of the supernatural, suddenly the sheriff is in my office offering me a job. When the case hits boiling point, I'm dealing with monsters, black magic, and ritual killings. I even have to call on the two craziest witches in town for help. Things must be bad if the Blackwell sisters are my only hope for survival. Maybe I've bitten off more than I can chew. After all, those who fight monsters should beware that the monsters aren't frog-faced, soul-eating demons. How did Everson Croft discover his powers? Let's go back to the night I turned thirteen, the night Grandpa filleted my finger with his cane sword. I can't say what terrified me more, the cold anger in his eyes or the crazy things in his locked study. A talking trunk. Squirring coats. A bookshelf whose titles shifted before my eyes. And one chilling title in particular: Book of Souls. Ten years later and I'm en route to a Romanian monastery, in search of that lost book. But I'm not the only one. Three others have beaten me to the local village: two researchers and... Well, I'm not sure who Flor is, other than Spanish, secretive, and sexier than a summer dress. Can I trust her - or any of them? I don't know, but we've got werewolves on our scent, not to mention an ancient curse hanging over the remote ruins. Getting there and back is going to require serious cooperation. Or serious magic. Book of Souls is a short prequel that can be read before or after Demon Moon (Prof Croft, Book 1)

He never wanted to be the hero of the story. Now he has no choice. Ren B'gatti is a creature of chaos. A trickster by nature, and a shape-shifter by trade. Someone who sees himself beyond the moral constraints of good and evil. He works for a band of motley adventurers called the Raconteurs, who themselves are the self-proclaimed guardians of the Literary Universe. His shape-shifting skills are a great asset to the Raconteurs, and he may have finally found a place where he belongs. But when his closest friend is convicted of a heinous crime, Ren's life is turned upside down. And he did what he always did. He ran. Now the Raconteurs need Ren's help to hunt Rogue Destiny's greatest criminal mind, who is tearing up literary worlds in a desperate search for an ancient book that holds dark secrets concerning the foundation of the city. Secrets that could bring magic back to the fabled city of Rogue Destiny. But the loyalties of a trickster are fickle, and doing the right thing is not always easy, even when the fate of millions of lives hangs in the balance. The criminal is in possession of a mysterious portal machine that jumps from one world to another. Raconteurs pursue their quarry across Literature to get Ren close enough to infiltrate the criminal's band of outlaws. But once inside, he encounters the only person that could complicate matters worse. Now Ren must choose between who he is and who he wants to be. And time is running out. Rogue Destiny is an Epic Pulp Fantasy Adventure About Every Imaginative Story Ever Written. For fans of GameLit, Star Wars, The Invisible Library, and Terry Pratchett. The first in a new sci-fi/fantasy

series that is a different type of adventure story. If you enjoy fast-paced, action-adventure epic stories, full of engaging characters, alternate worlds, and dark creatures. Part heroic fantasy, part space opera, Rogue Destiny is a different kind of portal fantasy. Pick up your copy today. To learn more about the Rogue Destiny Universe go to paultallman.com.

They're from totally different worlds, but when worlds collide... sparks fly. When architect Persephone Lawson interviews for a job with the mysterious Evershaw family, she expects tough questions and maybe an odd request or two. She's totally unprepared to confront a half-man, half-wolf monster and his best friend, who happens to be the hottest, toughest man she's ever met. Too bad Percy's nice, normal life has no room for shapeshifter shenanigans. Dodge upholds the alpha's law in his pack and spends the rest of his time just gettin' by. That's good enough, until he's tasked to retrieve beautiful, sassy Persephone before she endangers the pack. She turns his world upside down with just one look, and makes a simple job anything but. When she bolts for freedom, Dodge is determined to hunt her down and keep her safe. Percy fights to get back to normal even if it means never seeing Dodge again. But as supernatural enemies pile up around them, the most dangerous man she knows might be the only one who can save her.

The Blood Books are now available in "Blood Ties" TV tie-in editions. View our TV tie-in feature page [here here](#). Vicki Nelson, formerly of Toronto's homicide unit and now a private detective, witnesses the first of many vicious attacks that are now plaguing the city of Toronto. As death follows unspeakable death, Vicki is forced to renew her tempestuous relationship with her former partner, Mike Celluci, to stop these forces of dark magic—along with another, unexpected ally—Henry Fitzroy, the illegitimate son of King Henry VIII, has learned over the course of his long life how to blend with humans, how to deny the call for blood in his veins. Without him, Vicki and Mike would not survive the ancient force of chaos that has been unleashed upon the world—but in doing so, his identity may be exposed, and his life forfeit.

Rise of the Night

For over one hundred years, Central Park has been a maximum security prison. Home to creatures of unimaginable power, they are kept imprisoned by the wards that surround the park. Now those wards are failing and people are dying. Creatures, called the Unholy, are escaping into the night. Only the Hunters, an elite force of warriors can stop them. Sepia Blue is a new hunter, with little experience. Together with her gunman and partner, Cade, they must stop the wards from failing completely. Can a hunter with a dark past and a darker sword stop the Unholy before they destroy all of humanity?

You thought you knew how crazy the TempleVerse could get? Hold my beer; LAST CALL is a collection of three drunken novellas set in the TempleVerse, including: Motherlucker-Callie and Quinn's girls' night out in Vegas. Collins-Quinn's prequel novella to the Phantom Queen Diaries. Beerlympian-Gunnar's bachelor party. Get ready for some shenanigans; You might need a drink just to comprehend the insanity. If you can't stand the heat... When New York City unveils a program to roast supernaturals, I wonder if I should be sweating. The bloodthirsty Arnaud thinks so, and he's insisting that our survival depends on a wizard-vampire alliance. Never mind his history of wanting me dead. Or undead. Meanwhile, the mayor wants me on his team- an offer that's only slightly less unnerving given our recent clash. So who's really behind the purge? City Hall? The werewolves? Or is it the brainchild of the fae, whose newest advisor to the mayor slipped from my bed and life four months ago? I'm getting the cold feeling someone's trying to manipulate the program, and me, to set off a larger war, one that could explode through the city. One thing's for sure. If I don't get my head straight and my magic on, it's going to be a hell of a summer. Prof Croft Series Preq 0: Book of Souls Book 1: Demon Moon Book 2: Blood Deal Book 3: Purge City Book 4: Death Mage (spring 2017) The prequel can be read before or after book 1

"Faeries liked to tease the weak, but they loved to annihilate the strong." Seven years ago, the exposure of the paranormal led to the tumultuous downfall of human society. Now, the legions of the fae rule the broken world, and humanity has nothing left but a handful of protected cities and a heaping helping of regret. Enter Vincent Whelan. Half fae and former cop, he's become the best-known stretch scavenger in Kinsale, North Carolina, braving the "stretches" outside his city to recover precious items lost in the collapse. He makes good money. Lives the good life. Has a good future in store. As long as he can ignore his traumatic memories of the past. But when a new job with an odd twist blows onto his doorstep, Vince finds himself unwittingly

Download Free Tombyards Butterflies: A Montague And Strong Detective Novel (Montague Strong Case Files Book 1)

drawn into a vast conspiracy lurking underneath Kinsale's thin veneer of civilization. Old friends suddenly return to haunt him. New enemies appear at every turn. And Vince fears he isn't prepared to confront either one. But if he doesn't put his detective hat back on and solve this case on a tight deadline, then what's left of the city he calls home might just crumble to dust. What Fate Portends is the first novel of The Frost Arcana, an action-packed urban fantasy series set in a post-apocalyptic world.

What Fate Portends

In the third in the “richly detailed and diverse” (io9) urban fantasy series, the time has come for the dead to rise up against the shady powers-that-be... The time has come for the dead to rise up... Trouble is brewing between the Council of the Dead and the ghostly, half-dead, spiritual, and supernatural community they claim to represent. One too many shady deals have gone down in New York City's streets, and those caught in the crossfire have had enough. It's time for the Council to be brought down—this time for good. Carlos Delacruz is used to being caught in the middle of things: both as an inbetweener, trapped somewhere between life and death, and as a double agent for the Council. But as his friends begin preparing for an unnatural war against the ghouls in charge, he realizes that more is on the line than ever before—not only for the people he cares about, but for every single soul in Brooklyn, alive or otherwise...

There is a part of the Forest where it is always night, where the tall trees bow together to shut out the light. Men call it the Darkwood. The border fort on the edge of the Darkwood had been built to keep the peace. So far it had, but after delivery of a large consignment of gold it falls silent, answering neither natural nor supernatural communication. When the Forest King sends a small force, combining sorcerous and military skills, they find a deserted fortress soaked in blood. Magic reveals something malevolent and unreachable somewhere in the fort. But Duncan MacNeil and his company have human foes, greedy for gold, to deal with before they can take on the inhuman . . .

A warrior, a shapeshifter, and a sorceress fight to restore stability and peace to the kingdom of Rhadaz in the third Night-Threads novel. Chris, Jennifer, and Robin must save Rhadaz, a fantastical land that has been oppressed under false rule for too long. It is time for these three from Earth to save a planet that is new to them. It is time for them to use their powers as warrior, shape-shifter and sorceress to reinstall the long-lost Aletto to the throne that is naturally his. It is time for the power of the Night-Threads to overthrow the demonic Hell-Light as the planet demands one thing: One Land, One Duke. Don't miss the entire "Night-Threads" Series: The Calling of the Three, The Two in Hiding, One Land One Duke, The Craft of Light, The Art of the Sword, and The Science of Power

First in the Night-Threads series featuring a warrior, a shapeshifter, and a sorceress who journey into an alternate world to fight a battle not their own. A duke dies and his evil brother usurps his throne. Who do you call? In master world builder Ru Emerson's spellbinding Night?Threads fantasy series, the rightful heir summons a warrior, a shape?shifter, and a sorceress from Earth. But not just anywhere on Earth—California! And if you do not think this trio has what it takes to harness the power of Night?Threads, you do not know your Marina Del Rey from your Santa Rosa. The problem is, they are afraid to use their powers. These three have been chosen to fight in a dangerous battle of unbelievable magic—a magic they must believe in . . . or die. Do not miss the entire Night?Threads series: The Calling of the Three,

Purge City

One Land, One Duke

Ascendants are being killed and the barrier between worlds is failing. Dante, along with a group of Warriors and Guardians must confront the Harbinger. An undying servant of Lucius, a killer who can't die. His purpose is to destroy the barriers and recapture Maelstrom-a sentient weapon of evil created by his master and wielded by Dante. Can Dante learn how to control Maelstrom before the evil corrupts and kills him? Can the Warriors of the Way stop the Harbinger, and prevent the fall of the barriers before it's too late? Or will Lucius escape and kill them all?

**** Book 7 of the Harbinger P.I. Series! **** How do you mend a broken heart?...Put it back into the sorceress it came out of. There's only one way to lift Mallory's death curse and Alec will do anything to save his friend.

Accountant turned professional monster hunter, Owen Zastava Pitt, managed to stop the nefarious Old Ones invasion plans last year, but as a result made an enemy out of one of the most powerful beings in the universe. Now an evil death cult known as the Church of the Temporary Mortal Condition wants to capture Owen in order to gain the favor of the great Old Ones. The Condition is led by a fanatical necromancer known as the Shadow Man. The government wants to capture the Shadow Man and has assigned the enigmatic Agent Franks to be Owen's full time bodyguard, which is a polite way of saying that Owen is monster bait. With supernatural assassins targeting his family, a spy in their midst, and horrific beasties lurking around every corner, Owen and the staff of Monster Hunter International don't need to go hunting, because this time the monsters are hunting them. Fortunately, this bait is armed and very dangerous... At the publisher's request, this title is sold without DRM (Digital Rights Management).

Half-devil and miles from anything resembling heroic, perpetual underdog Frank "Triggaltheron" Trigg is the last man standing against Armageddon. As the favorite nephew of the Devil, Frank has led a troubled life, but he'd always had his uncle's influence to fall back on. Now, with God and Lucifer coming to terms and leaving existence to fend for itself, his once exalted status of Anti-Christ-to-be does little to endear him to the hordes of angels and demons running amok in the Godless world. With help from the members of DRAC, an organization of wizards, psychics, telepaths, and low-end supernatural beings, Frank must thwart the pro-Armedgeddon forces and rescue an angel in whose life rests the fate of humanity. Better luck next time, humanity.

Lost Soul

Have you ever wondered what it would be like to be plunged into a dangerous fantasy world? The Blackwood brothers from New Orleans are about to find out. Youngest brother Will dreams of escaping his mundane life as an apprentice contractor. Caleb is a bartender whose charm and good looks see him through life. Val, the eldest, is a high-powered attorney who hides the fact that he can perform parlor tricks with his mind. The brothers' lives are changed forever when they receive a belated inheritance from their father: a staff with a mysterious stone on top, a pair of rogue's

Download Free Tombyards Butterflies: A Montague And Strong Detective Novel (Montague Strong Case Files Book 1)

bracers, and a sword that Will can barely lift. Searching for an explanation, it is not until a strange key whisks the brothers across time and space, into a terrifying version of New Orleans ruled by wizards, that the brothers accept the truth and undergo a perilous journey home. With the help of an alluring but deadly adventuress, they must break into the keep of a sorcerer known for his love of diabolical games, find a trio of enchanted talismans, and somehow defeat an evil wizard who can raise legions of the undead to do his bidding. It seems the brothers have found their adventure. But will they live to tell the tale?

Taylor is the name, John Taylor. My card says I'm a detective, but what I really am is an expert on finding lost things. It's part of the gift I was born with as a child of the Nightside. I left there a long time ago, with my skin and sanity barely intact. Now I make my living in the sunlit streets of London. But business has been slow lately, so when Joanna Barrett showed up at my door, reeking of wealth, asking me to find her runaway teenage daughter, I didn't say no. Then I found out exactly where the girl had gone. The Nightside. That square mile of Hell in the middle of the city, where it's always three A.M. Where you can walk beside myths and drink with monsters. Where nothing is what it seems and everything is possible. I swore I'd never return. But there's a kid in danger and a woman depending on me. So I have no choice—I'm going home.

Everson Croft here, professor of mythology and behind-the-scenes wizard. Show me an amateur conjurer, and I'll stop him before he gets himself killed. That's the idea, anyway. But New York City isn't what it used to be, and I don't mean the recent crash. Amateur casters are calling up creatures they shouldn't be able to. And there's been a murder at the city's most hallowed cathedral, a message in blood on the victim's back the NYPD wants me to interpret, like yesterday. Something tells me I'm in over my head. And that's not just Chinatown's newest mob boss, a scary-powerful vampire, or my possessed cat talking. No matter how much magic I hurl, worse keeps chasing bad, and I'm amassing enemies like they're aluminum cans. Did I mention the end of the world might be nigh? Damn. Maybe I'm the amateur here.

Alec Harbinger is a preternatural investigator, a hunter of things that go bump in the night. When his employers, the Society of Shadows, banish him from his Chicago office to a small town in Maine, Alec thinks his career and life are over. How is a preternatural investigator supposed to find work in a sleepy town in the middle of nowhere? But when a local teenager comes back from a weekend at the lake with an altered personality, Alec is hired to investigate a possible demon possession. A young man turning up at Alec's office insisting he's been bitten by a werewolf adds to the caseload. And just to make his first day at the office perfect, Alec discovers that someone in the Society of Shadows is trying to kill him with ogre

Battle Hill Bolero

Rising Moon

There Are Reasons We Fear The Night. He's Not One Of Them. Bill Ryder was a dateless geek, but then he met a girl to die for. So he did. Unfortunately for him, that was just the beginning of his troubles. He awoke as a vampire, one of the legendary predators of the night. Sadly, fangs or not, he was still at the bottom of the food chain. Now he finds himself surrounded by creatures stronger, deadlier, and a lot cooler than he is ... and they all want to kick his teeth in. Bill isn't exactly average, though. A vampire like him hasn't been seen in centuries. He's got a few tricks up his sleeve, unexpected allies, and an attitude that makes him too damned obnoxious to quit. Join him in this hilarious tale of immortal monsters and the unlikely hero who's not afraid to tell them off, even if it gets him killed - permanently this time.

STAR STRUCK Jesse James Dawson was once an ordinary man until he discovered that demons were real, and fighting them meant putting his own soul on the line. His new case is a beauty: Gretchen Keene, a Hollywood starlet who's become an unwitting catalyst in an all-out demon war. It's not her soul Jesse needs to protect, but the two-hundred-and-seventy-six others she's carting around—all the souls sold to spend just one night with the blonde bombshell. That's a lot of baggage, although it might explain her meteoric rise to fame. And it's all up for grabs by the demon world. All Jesse has to do is keep her safe until New Year's. Sounds easy. But darkness is casting a nasty shadow in the California sun—a new unseen enemy is closing in and leaving Jesse to wonder: how do you fight something you can't see coming?

If you're lost or in trouble, he'll find you in his dreams. In the wasteland of the city's castoffs known as the Missions, there's no one better at playing the white knight. Who is he? He couldn't tell you if he wanted to. Today his name is Raymond Walsh. It says so on his driver's license. Ten years ago he was another nameless, faceless member of the Mission's invisible legion of derelicts. He's rebuilt something like a normal life

with the use of his peculiar talent and the help of friends. Over the years, he's found dozens of lost souls, but there's one that still evades him - because when Ray Walsh dreams about himself, all he ever sees is an endless fall through a void and the image of blue-hooded man with a cruel, cruel smile. Ray is perfectly content not knowing the truth. He'd rather just help the police hunt down a killer with a taste for young runaways while avoiding the unnerving attentions of an underworld kingpin. The universe has other plans. Ethan Trammier wants Ray to rescue his sister from New Light Ministries. Ray is terrified of stepping inside their walls - and not, it seems, without reason. In public, New Light is the city's good Samaritan; behind heavily guarded doors they are the remnant of an ancient doomsday cult, desperate to reclaim their most prized possession - the archangel Tzadkiel. Now, Ray is waking up naked in alleys. His dreams are filled with dire images from a life that can't possibly be his. And then there's the unearthly green fire engulfing his arms. The truth will out, and the truth of Ray's life is about to burst out screaming from its cage!

Louis Reinhart has five days to live before he is injected with the lethal cocktail. Louis Reinhart has been given permission to tell the world his side of the story. The story which was not allowed to be told in court.

Private Investigator Charlie Parker returns in this heart-pounding thriller as he seeks revenge against the darkest forces in the world, from "one of the best thriller writers we have" (Harlan Coben, #1 New York Times bestselling author) and the internationally bestselling author of the acclaimed The Woman in the Woods. He is our best hope. He is our last hope. He is our only hope. On a lonely moor in northern England, the body of a young woman is discovered. In the south, a girl lies buried beneath a Saxon mound. To the southeast, the ruins of a priory hide a human skull. Each is a sacrifice, a summons. And something in the darkness has heard the call. Charlie Parker has also heard it and from the forests of Maine to the deserts of the Mexican border, from the canals of Amsterdam to the streets of London, he will track those who would cast the world into darkness. Parker fears no evil—but evil fears him. "A seamless, expansive, and chilling blend of police procedural and gothic horror tale" (Kirkus Reviews), A Book of Bones will keep you guessing until the very last page.

The first novel in the thrilling new urban fantasy adventure series Max Abaddon, by Justin S. Leslie. An unambitious, unemployed bachelor with a penchant for drinking, Max Abaddon inherits an extraordinary gift from his recently deceased grandfather. Now a young hero with new magical powers, Max must embrace his calling and help this hidden world in its war with a murderous darkness. Suddenly in a position where he's learning about magical and mythical beings, Max's third decade of life is starting off in a direction he never would have imagined. Max is discovering a magical new world while it slowly overtakes his old one. Meanwhile, dark players emerge from the shadows with a plot to disrupt the delicate balance between the natural and the supernatural. To help his new friends, Max must accept his responsibility, get a grip on his new powers, and be careful of who he trusts in this gripping urban fantasy murder mystery set in Florida.

A set of naughty ubernaturals, a demon-powered mage, and a wealthy amalgamite playboy who is far more than he seems. Ian Dex is a genetically engineered man who has abilities from all classes in the spectrum. He's also the chief of the Las Vegas Paranormal Police Department (PPD). His job is to monitor all supernaturals and their involvement in the world of normals. It's been a mostly boring gig, until now. A new breed of supernaturals has turned up and they're a lot tougher to deal with than your run-of-the-mill vampires and werewolves. These are larger, tougher, and stronger...and they laugh at wood and silver bullets. But fighting these ubernaturals only gets worse when the mage who created them arrives on the scene. He is bent on world domination, inflicting as much pain as possible, and walking around with his shirt open because he looks like a Chippendale's model. And to make things even more fun, he's using demons to give him an inexhaustible supply of power. Join Ian and his crew as they fight werewolves, vampires, fae, demons, a succubus, and a mage while trying to stop Vegas from getting flipped on its head!

Down Among the Dead Men

The Frost Arcana, #1

A Missing Ferryman. An Undead Dilemma. An Immortal Detective. An emissary from the Dark Council has just materialized in the office of the Montague & Strong Detective Agency, and makes Simon Strong an offer he can't refuse. Charon is missing. The legendary ferryman responsible for transporting souls across the river Styx hasn't been seen in days. And with each passing hour, those unable to cross the river are left to walk among the living, tilting the world further out of balance. Meet Simon Strong, an immortal, who is also the best private detective in New York City. Together with his surly partner-Tristan Montague, a mage of indeterminate age, they must find the Ferryman and get him back to work before another Supernatural War ravages the earth, destroys humanity, and Simon's local coffee shop. Time is running out. His landlord wants the rent and Karma with a capital K is paying him a visit, and she can be a real... Join the Montague & Strong Detective Agency and help them locate Charon, so he can restore balance to the universe, put the dead to rest, and maybe solve the age-old conundrum-coffee or tea?

The New York Times bestselling author of *Half-Resurrection Blues* returns in a new Bone Street Rumba Novel—a knife-edge, noir-shaded urban fantasy of crime after death. The streets of New York are hungry tonight... Carlos Delacruz straddles the line between the living and the not-so alive. As an agent for the Council of the Dead, he eliminates New York's ghostlier problems. This time it's a string of gruesome paranormal accidents in Brooklyn's Von King Park that has already taken the lives of several locals—and is bound to take more. The incidents in the park have put Kia on edge. When she first met Carlos, he was the weird guy who came to Baba Eddie's botánica, where she worked. But the closer they've gotten, the more she's seeing the world from Carlos's point of view. In fact, she's starting to see ghosts. And the situation is far more sinister than that—because whatever is bringing out the dead, it's only just getting started. Analyzing the ways in which the Grimm brothers' tales provide real, vital insights into how to live more happily, understand the need for personal and psychological growth, and find that significant other, this innovative study revives the true healing nature of these beloved tales. Combining enjoyment of these tales with insightful research, this exploration uses actual case histories to show how the odd and bizarre episodes in fairy tales are actually astounding renditions of human behaviors that occur during times of crisis. It also shows how the six archetypal stages of psychological development are present both in these tales and in everyday life. Contrary to common, contemporary fairy tale re-creations, this study discusses how the Grimm brothers' stories deal with topics such as dysfunctional family dynamics, sexual jealousy, narcissism, incest, rape, and personal growth from trauma to wellness--noting that Cinderella didn't have a fairy godmother and frogs were never kissed.

On Grassy Key, things aren't as idyllic as they seem. The quiet, sleepy community has been awakened. A young woman with strong ties to the community is missing. A local craftsman, the last person to see the girl, is questioned and released. The girl's friends are interviewed. Nobody knows what happened to Cobie, except that she left for work one day and didn't arrive. The only lead is the girl's car, parked where she worked. But it provides no clues and nobody saw anything. Days go by. Then weeks. The case grows cold. The employer of the girl's mother knows Jesse McDermitt, a retired Marine and reputed government spook. Jesse leans on people

Rogue Destiny

Twilight Heart

"In a town where the monsters don't always have claws, someone has to look out for the little guy. That's where I come in. They call me cunning man, conjurer, wizard, but mostly they call me Ozzy. If a witch is throwing curses your way, or there's something scary scratching at your window in the night, I've got just the charm for you. Mostly, though, I find things. Lost treasures, missing loved ones, doesn't matter. If you want something found, I'm your guy. For a nominal fee, of course. So when a grieving father hired me to track down a stolen family heirloom, I was happy to help. Trouble is, what started out as another garden-variety stolen property job just ended in attempted murder. Mine. They made a mistake, though, when they put a bullet in my stomach and left me for the worms. They didn't bury me deep enough."-- Page 4 of cover.

"A city that doesn't believe in magic. A weredragon invasion. Good thing this reckless playboy is a wizard... It's been said that monsters cry when a good man goes to war. But they should run screaming like terrified school girls when that man is a wizard, and not necessarily good..."--Author's website.

First in the ghostly urban fantasy series by New York Times bestselling author Daniel José Older “ Because I ’ m an inbetweener—and the only one anyone knows of at that—the dead turn to me when something is askew between them and the living. Usually, it ’ s something mundane like a suicide gone wrong or someone revived that shouldn ’ ta been. ” Carlos Delacruz is one of the New York Council of the Dead ’ s most unusual agents—an inbetweener, partially resurrected from a death he barely recalls suffering, after a life that ’ s missing from his memory. He thinks he is one of a kind—until he encounters other entities walking the fine line between life and death. One inbetweener is a sorcerer. He ’ s summoned a horde of implike ngks capable of eliminating spirits, and they ’ re spreading through the city like a plague. They ’ ve already taken out some of NYCOD ’ s finest, leaving Carlos desperate to stop their master before he opens up the entrada to the Underworld—which would destroy the balance between the living and the dead. But in uncovering this man ’ s identity, Carlos confronts the truth of his own life—and death....

Orphaned at thirteen, Hikotaro makes his way from Japan to San Francisco, where he soon dreams of returning home, but after being denied passage on Commodore Perry's ship, he returns to the U.S., and then back to his own troubled country. Reprint.
