It is most suitable for kids age between 1- 5 years, but also suits any child who loves coloring and knowing the basics in a much more fun and exciting way! Letters Every letter is a new territory for your child. The first step is to get to know the letter and practice through the correct pen guidance by simply tracing it. This is followed by a word containing the letter you

have just learned. So your child learns to put the letter in a word. Encourage your child to read the word aloud to directly practice the corresponding sound. Finally, your child learns to write the letter freely and independently.

Numbers To understand the meaning of numbers, your child starts counting picture elements. Then, just as with letters, he or she will have to trace the numbers. As soon as they become more confident, free writing follows the number you have just learned, with guidelines ensuring that the number is
