

Vendetta Sul Monte Fuji Agatha Mistery Vol 24

Brasile, Foresta Amazzonica: i cugini Mistery sono sulle tracce del criminale che ha dato fuoco a un laboratorio scientifico dopo aver rubato un campione di funghi che potrebbero risolvere il problema dell'inquinamento mondiale! Gli scienziati sono certi dell'identità del colpevole... Agatha, però, dubita che le cose siano così semplici!

Il nuovo caso che attende Larry è più strano del solito. Il giovane detective è stato contattato da un agente esperto per svolgere un incarico segretissimo: dovrà volare a Barcellona, incontrare l'agente JC33 e consegnargli un misterioso pacco. Sembra una missione molto delicata, ma tranquilla... finché, giunto in Spagna insieme ad Agatha, Larry scoprirà che è solo l'inizio di un caso decisamente complicato!

Agatha e Larry Mistery sono sulle tracce dell'antica corona d'oro, indossata dai Dogi quando Venezia era al massimo del suo splendore. Qualcuno l'ha rubata durante i festeggiamenti del famoso Carnevale. Tra maschere, nobili decaduti e inseguimenti, i Mistery usciranno vittoriosi anche dalla loro prima trasferta italiana...

Hokusai's 36 Views of Mount Fuji

potere e splendore, 1568-1868

Nuova indagine per Larry Mistery, inviato in Portogallo per un cold case: un omicidio avvenuto dieci anni prima e mai risolto dalla polizia. Chi ha versato del veleno nel caffè del famoso ceramista Lureiro e rubato il testamento destinato ai suoi tre giovani allievi? Nel risolvere questo caso molto insolito, Agatha scoprirà che niente è come sembra...

Aspirante detective dal fiuto straordinario, gira il mondo insieme all'imbranato cugino Larry, al fedele maggiordomo e al gatto Watson per risolvere i misteri più intricati. Una famosa casa d'aste è stata derubata di un diamante grezzo di grandissimo valore. Seguendo le tracce del ladro, Agatha e Larry Mistery arrivano ad Amsterdam, dove verranno coinvolti in un'inchiesta intricata. Per fortuna i ragazzi potranno contare sull'aiuto di nonna Jubilee e sull'infallibile fiuto di Sherlock, un adorabile cucciolo davvero scatenato!

Aspirante detective dal fiuto straordinario, gira il mondo insieme all'imbranato cugino Larry, al fedele maggiordomo e al gatto Watson per risolvere i misteri più intricati. Tempo di vacanze: i cugini Mistery si godono una crociera sul King Arthur, un transatlantico di lusso... ma il crimine non riposa mai! Coinvolti in un gioco di spie, Agatha e compagni devono recuperare un documento top secret e catturare un assassino inafferrabile. Il tutto senza insospettire zio Samuel, l'invadente papà di Larry.

The Vital Era

The Dragon and the Dazzle

Sulle tracce del diamante. Agatha Mistery. Vol. 19

In which America Nurtured Leaders and Tempered Arms, 1887-1950

Aspirante detective dal fiuto straordinario, gira il mondo insieme all'imbranato cugino Larry, al fedele maggiordomo e al gatto Watson per risolvere i misteri più intricati. La favolosa perla del Bengala è stata rubata dal tempio della dea Kalì e il custode del prezioso gioiello sembra svanito nel nulla. I cugini Mistery fanno le valigie e saltano sul primo aereo per l'India. A destinazione li aspettano l'eccentrico zio Raymond e un incontro ravvicinato con serpenti e tigri feroci...

"In the past century, few have done more to establish the Air Force and its logistics enterprise as we know it today than Maj Gen Hugh J. Knerr; fewer still are as unique. An early aviator, Knerr established the first airlift mission and led the procurement effort for the B-17 with Gen Frank Andrews before WWII. After which he led a campaign for the autonomous air force that put him at odds with the War Dept and the White House. During WWII, Knerr led logistics planning efforts to mobilize the Eighth Air Force in European Theatre of Operations (ETO) and later amassed theatre-wide authority of logistics, aligning the entire logistics effort of the Army Air Forces (AAF) in the ETO. Amongst many career accomplishments, Knerr ended his career as the USAF's first Inspector General establishing the Office of Special Investigations (OSI) and is accredited with designing the USAF's dress blue uniform. Little known fact, Knerr began aviation interests as a child at the mouth of the wellspring, building kites and scrubbing toilets for the Wright Brothers at their bicycle shop. His memoirs penned in the months preceding his death in 1971, now published, give a personal insight into this formative period of the Air Force and offer the perspective only one of its architects could tell. Further, his pursuit of innovation, disruption of barriers, and challenges to the status quo are exceptionally relevant to present day Air Force as it seeks to accelerate change"--

The dramatic arc of Saigo Takamori's life, from his humble origins as a lowly samurai, to national leadership, to his death as a rebel leader, has captivated generations of Japanese readers and now Americans as well - his life is the inspiration for a major Hollywood film, *The Last Samurai*, starring Tom Cruise and Ken Watanabe. In this vibrant new biography, Mark Ravina, professor of history and Director of East Asian Studies at Emory University, explores the facts behind Hollywood storytelling and Japanese legends, and explains the passion and poignancy of Saigo's life. Known both for his scholarly research and his appearances on The History Channel, Ravina recreates the world in which Saigo lived and died, the last days of the samurai. *The Last Samurai* traces Saigo's life from his early days as a tax clerk in far southwestern Japan, through his rise to national prominence as a fierce imperial loyalist. Saigo was twice exiled for his political activities -- sent to Japan's remote southwestern islands where he fully expected to die. But exile only increased his reputation for loyalty, and in 1864 he was brought back to the capital to help his lord fight for the restoration of the emperor. In 1868, Saigo commanded his lord's forces in the battles which toppled the shogunate and he became a leader in the emperor Meiji's new government. But Saigo found only anguish in national leadership. He understood the need for a modern conscript army but longed for the days of the traditional warrior. Saigo hoped to die in service to the emperor. In 1873, he sought appointment as envoy to Korea, where he planned to demand that the Korean king show deference to the Japanese emperor, drawing his sword, if necessary, to defend imperial honor. Denied this chance to show his courage and loyalty, he retreated to his homeland and spent his last years as a schoolteacher, training samurai boys in frugality, honesty,

and courage. In 1876, when the government stripped samurai of their swords, Saigo's followers rose in rebellion and Saigo became their reluctant leader. His insurrection became the bloodiest war Japan had seen in centuries, killing over 12,000 men on both sides and nearly bankrupting the new imperial government. The imperial government denounced Saigo as a rebel and a traitor, but their propaganda could not overcome his fame and in 1889, twelve years after his death, the government relented, pardoned Saigo of all crimes, and posthumously restored him to imperial court rank. In **THE LAST SAMURAI**, Saigo is as compelling a character as Robert E. Lee was to Americans—a great and noble warrior who followed the dictates of honor and loyalty, even though it meant civil war in a country to which he'd devoted his life. Saigo's life is a fascinating look into Japanese feudal society and a history of a country as it struggled between its long traditions and the dictates of a modern future.

Marco Pellitteri examines the growing influence of Japanese pop culture in European contexts in this comprehensive study of manga, anime, and video games. Looking at the period from 1975 to today, Pellitteri discusses Super Mario, Pokémon, kawaii, Sonic, robots and cyborgs, Astro Boy, and Gundam, among other examples of these popular forms. Pellitteri divides this period

into two eras ("the dragon" and "the dazzle") to better understand this cultural phenomenon and means by which it achieved worldwide distribution.

What would it be like to become Idi Amin's personal physician? Giles Foden's bestselling thriller is the story of a young Scottish doctor drawn into the heart of the Ugandan dictator's surreal and brutal regime. Privy to Amin's thoughts and ambitions, he is both fascinated and appalled. As Uganda plunges into civil chaos he realises action is imperative - but which way should he jump?

Nel mezzo dei preparativi per il Gran Ballo di Vienna, al conte de Reginard arriva un messaggio anonimo: qualcuno tenterà di rubare la preziosa "Lacrima di Birmania", la collana che porterà sua figlia. Solo Larry e Agatha, inviati nella capitale austriaca per sorvegliare la contessina, riusciranno a smascherare il misterioso ladro... e la verità che nasconde!

Larry è al settimo cielo! Stavolta la missione che gli ha assegnato la Eye International è davvero emozionante: volerà in Giappone per proteggere Goro Saitama, il suo autore di fumetti manga preferito. Qualcuno sta tentando di sottrarre l'ultimo, prezioso capitolo della sua serie più famosa. Ma grazie ad Agatha, il giovane detective riuscirà a smascherare il pericoloso ladro di fumetti!

Agatha heads to Italy in this exciting new mystery! Agatha and her cousin Dash are hot on the trail of the missing crown of Venice. The ancient relic, worn by the Doges—or Dukes—of Venice, was stolen during the city's famous carnival, and it seems like everyone is a suspect.

Il quadrato della vendetta A guidare le indagini di questo primo caso è un antico enigma ispirato alla filosofia dei templari, misteriosamente collegato ai crimini di una delle più conosciute e rispettate famiglie della regione, i Degroof. Tutto inizia con una strana rapina in una gioielleria; i ladri hanno lasciato una sola traccia, il celebre quadrato «sator», venticinque lettere che possono dare luogo a combinazioni basate sul palindromo, la simmetria e i giochi di specchi. Da qui parte l'inchiesta di Van In, che coinvolgerà intrighi e interessi politici, segreti alchemici e antiche vendette. Caos a Bruges Al termine di una notte glaciale un turista tedesco, ferito gravemente, muore tra le braccia di un poliziotto. Quando, tra i suoi effetti personali, Van In scopre una foto della statua di Michelangelo La Madonna col bambino, da secoli proprietà della città, gli appare evidente che in questo omicidio c'è qualcosa che non torna. Poco dopo, qualcuno tenta di far saltare in aria i monumenti di Bruges. Ma il commissario è impegnato a fare tutt'altro: qualcosa che non piacerebbe affatto a Hannelore... In questo secondo episodio, Van In si scontrerà con gli esponenti più altolocati della città, fino a svelare un passato sul quale

si allunga la nera ombra del nazismo. Le maschere della notte Nel giardino di un villino della periferia chic di Bruges, una bambina ritrova uno scheletro umano. Van In è incaricato di svolgere le indagini; lo affianca la sua Hannelore, che aspetta un figlio ma sembra non riuscire a stare a riposo neppure per un attimo. Si scopre così che, anni prima, la casa in cui la piccola abita ospitava un bordello di lusso, frequentato dai notabili della zona. Al centro della terza inchiesta del commissario Van In spiccano le miserie e i fragili splendori di tutto il bel mondo belga: giochi sessuali al limite del lecito, corruzione, clientelismo delle forze dell'ordine, pedofilia, prostituzione.

Considered Hokusai's masterpiece, this series of images -- which first appeared in the 1830s in three small volumes -- captures the simple, elegant shape of Mount Fuji from every angle and in every context.

'This book's power lies in its depiction of civilians trying to lead ordinary lives during the horror of war . . . It is shattering stuff, but Rothmann is tender towards his characters and this book is as memorable as his last.' The Times, 'Historical Fiction Book of the Month' As the Second World War enters its final stages, millions in Germany are forced from their homes by bombing, compelled to seek shelter in the countryside where there are barely the resources to feed them. Twelve-year-old Luisa, her mother, and her older sister Billie have escaped the devastation of the city for the relative safety of a dairy farm. But even here the power struggles of the war play out: the family depend on the goodwill of Luisa's brother-in-law, an SS officer, who in expectation of payment turns his attention away from his wife and towards Billie. Luisa immerses herself in books, but even she notices the Allied bombers flying east above them, the gauntness of the prisoners at the camp nearby, the disappearance of fresh-faced boys from the milk shed - hastily shipped off to a war that's already lost. Living on the farm teaches Luisa about life and death, but it's man's capacity for violence that provides the ultimate lesson, that robs her of her innocent ignorance. When, at a birthday celebration, her worst fears are realized, Luisa collapses under the weight of the inexplicable. Ralf Rothmann's previous novel, To Die in Spring, described the horror of war and the damage done on the battlefield. The God of that Summer tells the devastating story of civilians caught up in the chaos of defeat,

of events that might lead a twelve-year-old child to justifiably say: 'I have experienced everything.'

A loyal captain narrates the story of his beloved ship's extraordinary 50-year life—from the early 1930s, when the refrigerated cargo ship named Clementine was built and launched, to her travels to exotic ports of call around the world, through her service in war and peace, to her eventual resting place at the bottom of the sea. Epic in scope and fine in detail, Roberto Innocenti's illustrations bring the ship and her story to life in this captivating book.

Hokusai's 36 Views of Mount FujiFugaku Sanjurokkeil've long been a fan of Hokusai, and love the 36 Views of Mount Fuji series, so I put this little book together for myself with images of the prints in the series that I have collected over the years from various public sources. It turned out so well, I thought others might find it useful, so I decided to make it available to others using the amazing technology available today. This book simply contains a small (about 4" x 6") full-color copy of each of the 46 prints (sic: 36 Views has 46 views in it) in the series 36 Views of Mount Fuji. I use the book as a reference and reminder. There is no commentary or discussion, just the pictures, with the name in English & Japanese (romaji & kanji).I've indexed each picture with keywords, so if I want to find one with a ferry boat, the ones with snow, the one with the little turtle, or the salt gatherers, I can find them in the index.If you are interested in Hokusai's work, you might find this book as useful as I have.

Experience the exciting breadth of #1 New York Times bestselling author James Rollins's wild imagination and adventurous spirit in this anthology of his short masterworks, including a new full-length novella featuring Captain Tucker Wayne and his military war dog, Kane, as well as eleven previously published short stories, gathered together for the first time. In this breathtaking collection of short fiction, his first ever anthology, James Rollins brings together twelve thrilling stories that dig a little deeper into his creative stomping grounds and open vistas into new landscapes and characters. At the center of Unrestricted Access is the never-before-published novella "Sun Dogs." While trekking through the Sonora desert, a gunshot thrusts Tucker and Kane into an adventure that challenges their considerable skills. The discovery of secrets known only to the native tribes of Arizona threatens to unleash an ancient force that could irreparably alter the future. It also forces Tucker to make a terrible choice

that will shatter his relationship with his soul-bonded companion Kane. As these partners learn, nothing remains buried forever and old debts must be paid, no matter the cost. Other stories—each with an introduction by James Rollins—are just as compelling, offering broader insight into this acclaimed master’s fictional universes, including: “The Pit”: a young dog is kidnapped and brutalized into becoming the bloody champion of a dog-fighting ring. But can this tortured monster find redemption and a path back to the boy who first raised him with love and compassion? “Tagger”: A pair of teenage street artists must protect San Francisco from a demon who has been seeking revenge for centuries. “The Devil’s Bones”: In this jungle adventure—the first joint story from Rollins and Steve Berry—Commander Gray Pierce and Cotton Malone must work together using their unique skills to survive a deadly threat. The stories “The Midnight Watch,” “The Skeleton Key,” “Tracker,” and “Kowalski’s in Love” shine light into some of Sigma Force’s secrets. Who were these characters before they were recruited by Sigma? What solo adventures did they experience? How do these short adventures tie into the larger Sigma universe? Rollins offers some clues. And rounding out this collection are a pair of entertaining stories “Blood Brothers” and “City of Screams” that complement The Order of the Sanguines series. Filled with adventure, intrigue, history, and speculative science, *Unrestricted Access* demonstrates Rollins’s remarkable creative powers and is a must-have collection for his many fans.

In the summer of 1807, the *Explorer*, a ship from Her Majesty’s Navy recovers a young shipwreck off the coast of Siam, Abel, who can only remember his name. He soon becomes friends with the first officer, acting as a captain because the commander of the ship has apparently absconded with the ship’s treasure. Abel returns to England with the *Explorer* and finds accommodation at the inn run by the three fugitive captain’s daughters. Well before he can recover his memory, however, he will discover something deeply disturbing about himself, and he will understand the true nature of some of the people who helped him. A haunting and intense book that digs into the soul of the protagonists as well as the reader, with a generous helping of good ol’ fashioned salty adventure along with many a shanty sung and a sprinkling of magic dust. Presented in a handsome old style, with a worn-looking hardcover, as if taken from a ship captain’s library. An uplifting, enthralling escape.
