

## Where Could My Unicorns Be?: A Fun Where's Wally Style Book For 2 5 Year Olds

Michael Kurland's The Unicorn Girl' is a novel about a magical world, half-mystical, half-historic, half-imaginary. Three halves, you ask, isn't that impossible? Of course it is. That's why it's magical. It is a lost world, too, a lost world called The Sixties. You hold in your hands the one, the only, the original Unicorn Girl. It's time to slip an old Harper's Bizarre or Strawberry Alarm Clock LP onto the turntable, pour yourself a glass of cheap wine, take off your shoes, and put up your feet. Then set fire to a little Maui wowie (if you're so inclined -- don't tell anybody I encouraged you to break the law) and settle in for a trip to a wonderful half-real, half-imaginary era with Michael Kurland and the Unicorn Girl. -- Richard A. Lupoff, from the Introduction

From bestselling authors Maggie Stiefvater and Jackson Pearce comes the second installment in a series bursting with magical creatures, whimsical adventures, and quirky illustrations. Some things Pip and Tomas will find when dealing with unicorns.SHOW-OFFS STAMPEDES MYSTERYA UNICORN WHO'S AFRAID OF EVERYTHINGSome things Pip and Tomas will not find when dealing with unicorns.PEACE AND QUIETPip Bartlett has a way with magical creatures. But even she's challenged by Regent Maximus, a unicorn who's afraid of everything. A perfect gift for the unicorn lovers in your life, this lovely and utterly transporting picture book tells the story of what every little girl wishes would happen to her: a girl finds and takes care of a lost baby unicorn. Margaret's whole world changes when her family moves to a cottage by the sea to be near her grandma. One evening, Margaret spots a mist over the water. No, that's not mist...clouds maybe? No, they're unicorns descending onto the shore! They vanish as quickly as they'd appeared, but accidentally leave behind a baby, tangled in the weeds. Margaret, lonely and in need of a friend, brings him home and cares for him through the fall and winter. Together, they chase the waves, stomp on frozen puddles, and build snow unicorns. When spring finally comes around, and the other unicorns return, Margaret's takes her small friend back to his family... but these two won't forget one another. And though Margaret misses him, she has made a new friend, and her new cottage is starting to feel like home. With all the feel of a classic, here is a picture book young readers will want to revisit again and again.

Sherlock Holmes agrees to solve the greatest mystery of all time: What ever became of the very first Unicorn? Along the way he encounters an eccentric inventor who claims that his invention simply walked out of the lab, a Scotsman whose lochs have somehow vanished, a mysterious lady in search of a missing journal, an ages old, secret society involved in Alchemy, Astronomy, and Horology, and more.

A collection of stories, poems and folklore from a variety of sources about the origins and unique characteristics of the unicorn.

A tour de force of history and imagination, The Lady and the Unicorn is Tracy Chevalier's answer to the mystery behind one of the art world's great masterpieces—a set of bewitching medieval tapestries that hangs today in the Cluny Museum in Paris. They appear to portray the seduction of a unicorn, but the story behind their making is unknown—until now. Paris, 1490. A shrewd French nobleman commissions six lavish tapestries celebrating his rising status at Court. He hires the charismatic, arrogant, sublimely talented Nicolas des Innocents to design them. Nicolas creates havoc among the women in the house—mother and daughter, servant, and lady-in-waiting—before taking his designs north to the Brussels workshop where the tapestries are to be woven. There, master weaver Georges de la Chapelle risks everything he has to finish the tapestries—his finest, most intricate work—on time for his exacting French client. The results change all their lives—lives that have been captured in the tapestries, for those who know where to look. In The Lady and the Unicorn, Tracy Chevalier weaves fact and fiction into a beautiful, timeless, and intriguing literary tapestry—an extraordinary story exquisitely told.

Legend of the Unicorns

**Soar into a breathtaking world of heroes and unicorns as you've never seen them before in this fantastical middle grade debut perfect for fans of the Percy Jackson and Eragon series! Skandar Smith has always yearned to leave the Mainland and escape to the secretive Island, where wild unicorns roam free. He's spent years studying for his Hatchery exam, the annual test that selects a handful of Mainlander thirteen-year-olds to train to become unicorn riders. But on the day of Skandar's exam, things go horribly wrong, and his hopes are shattered...until a mysterious figure knocks on his door at midnight, bearing a message: the Island is in peril and Skandar must answer its call. Skandar is thrust into a world of epic sky battles, dangerous clashes with wild unicorns, and rumors of a shadowy villain amassing a unicorn army. And the closer Skandar grows to his newfound friends and community of riders, the harder it becomes to keep his secrets—especially when he discovers their lives may all be in greater danger than he ever imagined.**

**Unicorn Magic teaches you about the true nature of unicorns, why people are now remembering them, and their purpose for returning to this planet at this time. Included in this book are messages, meditations and exercises to help you heal your heart and discover and manifest your soul's purpose. You will find out more about the psychic children, what they have come to teach us and how healing your heart chakra with these powerful tools can lead to an increase in joy, prosperity and success in your life. You will discover 8 unicorn signs and symbols and how to decode messages in numerology. This book will also teach you how to use past lives as a healing modality, how to use quantum physics to discover the ultimate nature of reality and how to use hermetics to understand the vibrational qualities of the elementals, including fairies, mermaids, and sylphs. The teachings in this book will transform your life!**

**A deluxe bind-up featuring all the comics from two different Phoebe and Her Unicorn books: Unicorn Crossing and Unicorn of Many Hats. This dazzling Phoebe and Her Unicorn collection includes all the comics from two previous books, Unicorn Crossing and Unicorn of Many Hats. In these enchanting episodes, Phoebe Howell and her unicorn BFF, Marigold Heavenly Nostribs, got decked out for Halloween parties, revel in the freedom of unexpected snow days, and even enjoy a spa vacation. They love getting lost on adventures, but if they ever get too far astray, Marigold can always use her horn to get a wireless internet signal. Join this charming—and charmed—duo as they question the idea of "coolness," delve into the power of friendship, and make the most of their days together.**

**From the New York Times bestselling author of Fair Play comes an inspirational guide for setting new personal goals, rediscovering your interests, cultivating creativity, and reclaiming your Unicorn Space. With her acclaimed New York Times bestseller (and Reese's Book Club pick) Fair Play, Eve Rodsky began a national conversation about greater equality on the home front. But she soon realized that even when the domestic workload becomes more balanced, people still report something missing in their lives—that is, unless they create and prioritize time for activities that not only fill their calendars but also unleash their creativity. Rodsky calls this vital time Unicorn Space—the active and open pursuit of creative self-expression in any form that makes you uniquely YOU. To help readers embrace all the unlikely, surprising, and delightful places where their own Unicorn Space may be found, she speaks with trail blazers, thought leaders, academics, and countless real people who have discovered theirs everywhere—from activism to artistic endeavors to second careers. Rodsky reveals what researchers already know: Creativity is not optional. It's essential. Though most of us do need to remind ourselves how (and where) to find it. With her trademark mix of research based, how-to advice and big-picture inspirational thinking, Rodsky shows you a clear path to reclaim your permission to have fun, manifest your own Unicorn Space in an already too-busy life, and unleash your special gifts and undiscovered talents into the world.**

*And more! This field guide is perfect for any lover of these fantastic beasts, no matter if they believe unicorns to be fact or fiction!*

*This is the first book in the English language to explore the origin and significance of the mythic Chinese unicorn and its influence on later unicorn myths. It proves, beyond a shadow of a doubt, that the Chinese unicorn was not the qilin, but a one-horned female goat-like beast called the zhi (pronounced jhuh). It also examines the real animals upon which the myth was based. Its most significant finding, however, is that the unicorn zhi was the ultimate symbol of justice under the law in ancient China. Making judicious use of all available evidence, historical, epigraphical, archaeological, art historical and scientific, this book explains how the myth of the unicorn began in China and then gradually spread to other parts of Asia and Europe.*

*In Song of Sorcery, Book 1 of Songs from the Seashell Archives, heartwitch Maggie Brown met minstrel Colin Songsmith and a unicorn named Moonshine while saving both her sister and the kingdom. All in a quest's work for a girl who can magically do anything she can convince her power is housework. To reward Maggie, the king makes her a princess, and therefore a good catch for the local noble bachelors. Only problem is, she doesn't want to get married. She wants to be with Moonshine, whose Unicorn Creed, as he understands it, forbids him to consort with anyone except a chaste maiden. It's rather a touchy situation, and so Princess Maggie abandons her crown and with Moonshine, she and Colin set out to see if they can find a loophole in Moonshine's creed. Of course, in the process they have to try to save the land of Argonia again, this time from a were-man, a revolutionary nymph, a town's worth of zombies, an ice worm and an evil wizard.*

*Discover how unicorns create a magical aura around everything they touch with this illustrated guided journal. Inside this book are writing prompts, to-do lists, and doodling pages that encourage readers to experience the world as a unicorn does—sometimes all you need to do is show off your horn and let your radiance shine! Each page offers a different way for readers to express themselves, whether by making an ornamental horn, compiling a healthy-living checklist, or recording magical dreams. Journaling is a relaxing activity for all ages, and this whimsical approach to tough life situations helps readers keep things in perspective. Be like a unicorn and welcome the magic into your life.*

*This book comes from personal experience, both as a long time timeshare owner and from selling vacation ownership. What prompted this book? Well, for too many years I have listened to too many people whom, for whatever reasons have a negative impression about the timeshare or vacation ownership industry. As an owner I inevitably found myself asking them why. The reasons varied from "they do not work" to "we cannot afford it." For those folks this book will open your eyes. The second reason was for all those owners who honestly do not have a clue as to what they own. I wanted to let people understand something that they did not already know or have simply forgotten. Having been a timeshare owner for over twenty-five years I understand, and have experienced, the public perception of the industry. I have also seen it change dramatically during that time. However, it was during my first few years in Mexico when I sold timeshare that I came to understand, and appreciate, the real public perception of the industry. From these experiences I realized that the industry could use a simple "how to" and "why" book. The book is written in a simple, straight forward manner that is easy to understand. The book covers the history, marketplace, the players, the In's and Out's of attending a sales presentation, of buying one -- good and bad, legislation and much more. A quick, easy read it contains personal stories and anecdotes, and easy, self awareness quizzes for you to do. By the end you will know whether or not timeshare is right for your lifestyle.*

*When an innocent human virgin meets the king of the unicorn herd, it's not just legends that come true. Ivan Brusilov goes to Unconventional to get a drink and let off some steam. Little does he realize he'll be meeting his destiny when he walks in. Carney Ferguson goes to the paranormal bar to celebrate his twenty-fifth birthday. Maybe he's looking for some fun as well, considering he's still a virgin. He doesn't like admitting it, but when he meets Ivan, he discovers that being a virgin can bring opportunities that being experienced might not. As the unicorn king and the virgin begin to fall in love, there are darker forces working behind the scenes to take advantage of the unicorn legends for their own evil purpose. Neither Ivan nor Carney are safe alone, but together, they just might be strong enough to keep Ivan alive.*

*They call themselves the Alcea Rangers. Two fisherboys from Lorgo, a mage boy and his mage girlfriend from Trekm, and a mysterious girl from nowhere, these are the Collapse Children who dare to change the world. One of them is heir to the throne of Alcea. Another is a descendent of the Dark One, who must use the Sword of Heavens to destroy the evil sorcerer. Which two of these Collapse Children are actually the Children of the Ancient Prophecy is unknown.*

*A magic pendant, a mystical unicorn, and a race to rescue it from the fairy folk before it's too late... Glenna's life is anything but ordinary. The daughter of Renaissance festival vendors, Glenna's days are filled with magic and medieval reenactments as she travels the faire circuit with her family. Then one day, Glenna's life changes forever. With the help of a pendant, she discovers Otherworld. An enchanted realm, Otherworld is the land in which all of the myths and magic woven by the Renaissance players comes to life! When Glenna stumbles across an injured unicorn in the woods, she knows she must do all she can to help it. But as Glenna soon learns, there's something quite different about this unicorn. It's unlike any unicorn the residents of Otherworld have ever seen, and the fairy folk are determined to keep it for themselves. Can Glenna discover the secret of the unicorn? Can she rescue it before the fairy folk ensnare it? And perhaps most importantly, can she juggle both her life in the real world and her life in Otherworld without damaging either? If you like strong female characters, dangerous quests, and epic journeys through vivid lands of imagination, you'll love Legend of the Unicorns. The Wonder of Unicorns is a book to inspire and empower you on your spiritual path.

With the bravura storytelling and pungent authenticity of detail she brought to her acclaimed Lymond Chronicles, Dorothy Dunnett, grande dame of the historical novel, presents The House of Niccolo series. The time is the 15th century, when intrepid merchants became the new knighthood of Europe. Among them, none is bolder or more cunning than Nicholas van der schemes and swashbuckles his way to the helm of a mercantile empire. Scotland, 1468: a nation at the edge of Europe, a civilization on the threshold of the Modern Age. Merchants, musicians, politicians, and pageantry fill the court of King James III. In its midst, Nicholas seeks to avenge his bride's claim that she carries the bastard of his archenemy, Simon St. Pol.

not the rumored child is his own—or exists at all—Nicholas gives chase. So begins the deadly game of cat and mouse that will lead him from the infested cisterns of Cairo to the misted canals of Venice at carnival. Breathlessly paced, sparkling with wit. The Unicorn Hunt confirms Dorothy Dunnett as the genre's finest practitioner.
