An entertaining sidebar, a helpful timeline, a glossary, and an index, supplement the historical and color photos showcased in this inspiring biography. Aligned to Common Core Standards and correlated to state standards. Checkerboard Library is an imprint of Abdo Publishing, a division of ABDO.

Hershey, Pennsylvania, went from relative unknown to an American dream come true thanks in large part to the risk taken by its founder, Milton Hershey. In 1903, successful candy-maker Milton Hershey began a new enterprise that many people thought was doomed. He planned to build the biggest chocolate factory in the world, and a town to house its employees. The location he chose, near his

Online Library Who Was Milton Hershey? (Who Was?)

birthplace in rural Derry Township, Pennsylvania, was most unlike the traditional urban factory settings of the era. Hershey is the pictorial history of what happened next. Through period photographs, many of them in print for the first time, and engaging narrative, Hershey reveals how the place, the people, the industrial age, and Milton Hershey himself contributed to the success of his scheme. Hershey includes an introduction to the history of Derry Township, tracing it from Milton Hershey's birth in 1857 to his return in the early 1900s. The book follows the intertwining stories of Milton Hershey's life, the growth of his chocolate company, the development of the school for needy boys that he endowed with his entire fortune, and the evolution of his model company town. The transformation of Hershey into a tourist destination and its survival after the death of its founder in 1945 conclude this chronicle of a vision turned into reality.

Tells the life story of world famous candy maker Milton Hershey, describing his Pennsylvania childhood, his early business endeavors, and the inspiration for his Hershey Bar.

for his workers and a school for disadvantaged students.

Milton S. Hershey never went beyond the fourth grade but learned how to make candy and opened his own business at a young age. After several failures, he finally succeeded and made taffy and caramels. When he was introduced to chocolate, he worked hard and discovered how to make milk chocolate. His first Hershey's Milk Chocolate Bar was followed by Hershey's Kisses and other chocolate goodies. He married but had no children. Before she died, his wife, Kitty, encouraged him to build a home and school for orphaned children. He became a millionaire and traveled to many countries and built a large factory in Hershey, Pennsylvania, as well as a complete town, amusement park, zoo, and pavilion. He died at age eighty-eight, leaving a legacy of chocolate and a full life of accomplishments.

The Hershey Company has been selling chocolate and candies for more than a century. The story of the candy giant begins with the man who gave it its name: Milton Hershey. Born in rural Pennsylvania, Hershey spent years building a business whose sweet legacy continues to delight us today. Readers will love reading Hershey's life story and discovering his influence on the time in which he lived. Written to support elementary social studies curricula, this biographical title provides historical context to

YEAR: The New York Times • ONE OF THE BEST BOOKS OF THE YEAR: The Atlantic, The New York Times Book Review, Time, NPR, Library Journal In *Invisible Child*, Pulitzer Prize winner Andrea Elliott follows eight dramatic years in the life of Dasani, a girl whose imagination is as soaring as the skyscrapers near her Brooklyn shelter. In this sweeping narrative, Elliott weaves the story of Dasani's childhood with the history of her ancestors, tracing their passage from slavery to the Great Migration north. As Dasani comes of age, New York City's homeless crisis has exploded, deepening the chasm between rich and poor. She must guide her siblings through a world riddled by hunger, violence, racism, drug addiction, and the threat of foster care. Out on the street, Dasani becomes a fierce fighter "to protect those who I love." When she finally escapes city life to enroll in a boarding school, she faces an impossible question: What if leaving poverty means abandoning your family, and yourself? A work of luminous and riveting prose, Elliott's *Invisible Child* reads like a page-turning novel. It is an astonishing story about the power of resilience, the importance of family and the cost of inequality—told through the crucible of

one remarkable girl. Winner of the J. Anthony Lukas Book Prize • Finalist for the Bernstein Award and the PEN/John Kenneth Galbraith Award

When I left home as a boy to tackle the job of making a living my mother gave me some good advice. She said, 'Milton, you are now going out into the world to make a man of yourself. My best advice to you is -- when you tackle a job stick to it until you have mastered it.' I never have forgotten those words and now when I think of the chocolate business and the way it has grown I think it was my mother's advice that spurred me on and helped me to overcome my obstacles. You can only make money by giving people what they want, and by making good use of your opportunities. When I started making chocolate I didn't follow the policies of those already in the business. If I had, I would never have made a go of it. Instead, I started out with the determination to make a better nickel chocolate bar than any of my competitors made, and I did so. --Milton Hershey

Once upon a time, a shy but persistent candy maker named Milton Hershey dreamed of building his own utopia. Here, in this essay by journalist Roy Bongartz, is his remarkable story.

The Relations of Milton Snavely Hershey

A biography of the man whose faltering beginnings in candy making eventually resulted in a chocolate business known throughout the world.

In 1900, Milton S. Hershey returned to his native farming community, Derry Church, to pursue his dream of chocolate making. Over the next forty years, not only did his business endeavor thrive, but the small town blossomed and grew through his innovative ideas and philanthropy, and his vision endured for generations. "H is for Hershey" takes the reader through the community and its landmarks via the talents of artists who love and appreciate the rich history of this fine town now known as Hershey, Pennsylvania.

A simple biography of the man who founded the Hershey's Chocolate company.

In 1903, chocolate magnate Milton S.

Hershey founded the model town of Hershey, Pennsylvania. Today, the Hershey community remains home to The Hershey Company as well as a number of commercial, educational, and philanthropic

The Story of Milton S. Hershey

Milton S. Hershey's Extraordinary Life of Wealth, Empire, and Utopian Dreams

Describes the lives of prominent businesspeople and discusses how they became leaders in their industries.

Did you know that the man behind Hershey's chocolate used to work in an ice cream parlor? Or that he had to try over and over again to get his now-famous chocolate to taste as delicious as it does today? Milton Hershey's life wasn't always a bowl of

chocolate Kisses. When he was in fourth grade, he even had to drop out of school and work to help his poor family make ends meet. Read all about how the man we know as the famous young chocolatier finally struck it rich -- in money, love, and chocolate!

"Discusses the invention of the Hershey bar and the man behind it, including the idea, the obstacles, and the eventual success"--

Milton Hershey School began as a dream and vision shared by chocolate magnate Milton S. Hershey and his wife, Catherine.

Unable to have children of their own, the Hersheys decided to use their wealth to create a home and school for orphaned boys.

Established on November 15, 1909, the first students of what was then called the Hershey Industrial School lived and attended

class in the Homestead, the rural birthplace of Milton Hershey.

Here they were provided with a stable home life and a rigorous combination of agricultural, vocational, and academic learning.

Today Milton Hershey School continues the tradition of preparing students to lead productive and fulfilling lives by

The Mystery in Chocolate Town...Hershey, Pennsylvania

The 150-Year Rivalry Between the World's Greatest Chocolate Makers

In Chocolate We Trust

At the age of four, I looked out an upstairs window and sensed a feeling of loneliness and abandonment. In the innocence of a child I had no idea why. Within a short span of four more years, that feeling would become a reality. Both my parents had died; I was taken away from the companionship of my two older brothers. This is the story of that journey, Through the Eyes of an Orphan. Walk with me through the next nine years and see if my lessons learned apply to your situation and encourage you.

Relates the story of the founder of the Hershey Chocolate Company in Hershey, Pennsylvania, known for his hard work, perseverance, and charity on behalf of young people.

A look at Milton Hershey's life details his professional successes, including the founding of the Hershey Chocolate Company, and how he used his wealth to benefit others.

In the early 1900s, chocolate tycoon, Milton Hershey, founded the Hershey School for fatherless poor boys, with the intention of instilling them with Christian values, a hard work ethic, and the promise of a better future. But all was not what it seemed. The Chocolate Trust tells a different story about the school a story of

Who hasn't tasted a Hershey chocolate bar? Milton Hershey's chocolate is famous around the world, but his chocolate empire didn't happen overnight. Learn the story behind the name as you follow along with Milton's beginnings as a family farmer, his string of failed candy businesses, and his eventual sweet success.

With a cast of characters that wouldn't be out of place in a Victorian novel, *Chocolate Wars* tells the story of the great chocolatier

Online Library Who Was Milton Hershey? (Who Was?)

dynasties, through the prism of the Cadburys. Chocolate was consumed unrefined and unprocessed as a rather bitter, fatty drink for the wealthy elite until the late 19th century, when the Swiss discovered a way to blend it with milk and unleashed a product that would conquer every market in the world. Thereafter, one of the great global business rivalries unfolded as each chocolate maker attempted to dominate its domestic market and innovate new recipes for chocolate that would set it apart from its rivals. The contest was full of dramatic contradictions: The Cadburys were austere Quakers who found themselves making millions from an indulgent product; Kitty Hershey could hardly have been more flamboyant yet her husband was moved by the Cadburys tradition of philanthropy. Each was a product of their unique time and place yet they shared one thing: they want to make the best chocolate in the world.

A Story about Milton S. Hershey

Who Was Milton Hershey?

Emocionantes historias reales de hombres y mujeres que cambiaron el mundo. Mediante un relato preciso de los hechos y un estilo narrativo absorbente, la colección Vidas con legado registra las vidas extraordinarias de hombres y mujeres fascinantes que alteraron el

Online Library Who Was Milton Hershey? (Who Was?)

curso de la humanidad. "Ya hemos hecho más de lo que nos corresponde por ayudarte, pero eres un Hershey, hijo legítimo de Henry el soñador. Nunca te aferrarás a algo el tiempo suficiente como para que dé resultado", dijo su tío Abraham. Milton tragó saliva. Sospechó que su familia Snavely había renunciado a él, pero las palabras eran hirientes. Cuando las barritas Hershey fueron lanzadas al mercado en 1905, pocos conocían el duro trabajo, la dedicación y el sacrificio que precedieron al éxito. Milton nunca se rindió, aprendió de sus errores, pasó toda su vida creando dulces. Y cuando su compañía despegó, empleó su riqueza para cuidar de otros; fundó una ciudad para los trabajadores de Hershey, una escuela para niños necesitados y creó una fundación dedicada a la educación, la cultura y la salud.

In Chocolate We Trust takes readers inside modern-day Hershey, Pennsylvania, headquarters of the iconic Hershey brand. A destination for chocolate enthusiasts since the early 1900s, Hershey has transformed from a model industrial town into a multifaceted suburbia powered by philanthropy. At its heart lies the Milton Hershey School Trust, a charitable trust with a mandate to serve "social orphans" and a \$12 billion endowment amassed from Hershey Company profits. The trust is a longstanding source of pride for people who call Hershey home and revere its benevolent capitalist founder—but in recent years it has become a subject of controversy and intrigue. Using interviews, participant observation, and archival research, anthropologist Peter Kurie returns to his hometown to examine the legacy of the Hershey Trust among local residents, company employees, and alumni of the K-12 Milton Hershey School. He arrives just as a scandal erupts that raises questions about the outsized power of the private trust over public life. Kurie draws on diverse voices across the community to show how philanthropy stirs passions and interests well beyond intended beneficiaries. *In Chocolate We Trust* reveals the cultural significance of Hershey as a forerunner to socially conscious corporations and the cult of the entrepreneur-philanthropist. The
