

## Wiley GAAP 2018: Interpretation And Application Of Generally Accepted Accounting Principles (Wiley Regulatory Reporting)

*The one-stop resource for IFRS interpretation and application, updated for 2018 Wiley IFRS 2018 offers a complete resource for the interpretation and application of the latest International Financial Reporting Standards (IFRS) as outlined by the International Accounting Standards Board (IASB). With up-to-date coverage and a host of practical tools, this book provides invaluable guidance on the expanding framework for unified financial reporting. Organised for easy navigation, each chapter includes general statement information followed by topic-specific discussion to facilitate both quick-reference and in-depth study. The expert team at PKF International provides authoritative insight from a practitioner's perspective. IFRIC interpretations and practical real-world guidance ensure full understanding of the newest standards, and the Disclosure Checklist helps verify compliance. The IASB's efforts are paying off as more and more countries around the globe either adopt IFRS as their national standards, or adjust local standards in alignment. A working understanding of IFRS application is becoming essential, even as the rules continue to evolve. This book provides full coverage of the latest standards and thorough guidance for implementation. Review the latest IFRS rules and standards Apply guidelines and best practices appropriately Gain expert insight on IFRS interpretation and implementation Ensure compliance and verify completeness Uniform financial reporting reduces the costs of financial statement preparation for multinational companies, and streamlines the assessment of business results. As the standards themselves evolve, so must practitioners' understanding of how to apply them correctly in real-world cases. Wiley IFRS 2018 offers a complete, up-to-date reference to help you apply and comply with the latest international standards.*

*The most comprehensive guide to FASB Codifications, updated with the latest pronouncements Wiley GAAP 2019 is the essential resource for US GAAP implementation. Covering all codifications by the Financial Accounting Standards Board (FASB)—including the latest updates—this book provides clear explanations and practical examples for real-world application of these dynamic guidelines. Each chapter includes relevant sources of GAAP and expert guidance on interpretation, terminology, relevant concepts, and applicable rules, while in-depth discussion on the issues surrounding specific pronouncements offers informative perspective for a variety of scenarios. This user-friendly reference covers every pronouncement currently in effect or being deliberated—including FASB Technical Bulletins, FASB Implementation Guides, ASSEC Practice Bulletins, and AICPA Accounting Interpretations—in a single volume, fully referenced to the FASB Current Text and cross-referenced to the new FASB codification system. Clear and concise without sacrificing depth or rigor, this invaluable resource simplifies research and helps CPAs and other accounting professionals ensure accuracy and compliance. Examine the latest changes to US GAAP standards and practices Gain expert perspectives on the issues surrounding specific pronouncements Learn how the standards translate to common real-world scenarios Clarify implementation through numerous illustrations and real-world examples Staying up-to-date with constantly-evolving guidelines is a challenge, but the requirement for accurate interpretation and appropriate application adds an additional layer of complexity in an area where noncompliance could expose an organization to significant risk. Wiley GAAP 2019 provides the guidance, insight, and perspective accounting professionals need to ensure accurate and up-to-date GAAP implementation.*

*The easy way to get a grip on International Reporting Standards IFRS For Dummies is your complete introduction to IFRS and international accounting and balancing standards. Combining all the facts needed to understand this complex subject with useful examples, this easy-to-read guide will have you on top of IFRS in no time. In plain English, it helps you make sense of IFRS and your understanding of: what they are and where they apply; how to adopt IFRS for the first time; how IFRS affects the key components of your financial statements; how to disclose information in financial statements; and much more. Covers what to do if you're applying IFRS for the first time Explains complicated material in plain English Helps you make sense of this principles-based set of standards that establish broad rules for financial reporting If you're an accountant, student, or trainee in need of accessible information on IFRS, this hands-on, friendly guide will save you covered.*

*How to use the International Accounting Standards Board (IASB), are complex and sometimes obscure. Understanding their implications and applying them appropriately requires some specific skill, and that is why International GAAP® 2017 is the essential tool for anyone applying, auditing, interpreting, regulating, studying and teaching international financial reporting. It provides expert interpretation and practical guidance for busy professionals, and includes, in every chapter, detailed analysis of how complex financial reporting problems can be resolved appropriately and effectively. The International Financial Reporting Group of Ernst & Young includes financial reporting specialists from throughout the world. Complex technical accounting issues are explained clearly in a practical working context that enables immediate understanding of the point at issue. International GAAP® 2017 is the only globally focused work on IFRS. It is not constrained by any individual country's legislation or financial reporting regulations, and it ensures an international consistency of approach unavailable elsewhere. It shows how difficult practical issues should be approached in the complex, global world of international financial reporting, where IFRSs have become the accepted financial reporting system in more than 100 countries. This integrated approach provides a unique level of authoritative material for anyone involved in preparing, interpreting or auditing company accounts, for regulators, academic researchers and for all students of accountancy. All aspects of the detailed requirements of IFRS are dealt with on a topic-by-topic basis. Each chapter of International GAAP® 2017 deals with a key area of IFRS and has a common structure for ease of use: an introduction to the background issues; an explanation of relevant principles; a clear exposition of the requirements of IFRS; a discussion of the implications in practice and possible alternative solutions available; worked examples; extracts from real company accounts; a full listing of the required disclosures. "... an important part to play in the process of promoting consistent, comparable and high quality financial reporting under IFRS. ... a book that not only provides an analysis of the requirements of the standards and the principles that they espound, but also presents a unique explanation of how the standards should be interpreted and applied in practice." - the Chairman of Trustees of the IASC Foundation "A standard reference work" - Financial Times "The definitive guide to financial reporting" - The Times*

Wiley GAAP 2017

A succinct, yet highly informative guide to IPSAS and their application IPSAS Explained provides a concise summary of the International Public Sector Accounting Standards for practitioners needing to maintain compliance with ever-changing practices. Comprehensively updated to align with newly-accepted standards in key subject areas and including the latest iteration of the framework and improvement projects, this guide distills each standard into a useful and accessible format. Coverage of each IPSAS includes a brief overview of the basic principles behind it, as well as charts, graphs and tables that provide information at a glance. Updated material includes discussion of the new IPSASB governance structure, including the Public Interest Committee and Consultative Advisory Group, as well as information on the current Exposure Drafts and the changes forthcoming from the Improvements Project. New sections on First-Time Adoption of Accrual Basis IPSAS, new consolidation standards and Service Performance Reporting bring practitioners completely up to date to help ensure full compliance. Locate relevant IPSAS quickly and easily Get up to date on newly adopted standards Deepen conceptual understanding with graphical representations Understand the operations of the IPSASB, as well as new and ongoing projects The International Public Sector Accounting Standards Board is engaged in the ongoing process of bringing public sector accounting in line with the IPSAS, which largely align with the IFRS model: where an IFRS exists, it is either adopted directly or adjusted to be suitable for the public sector; where no relevant IFRS exists, the IPSASB issues an IPSAS. IPSAS Explained condenses and clarifies each IPSAS, providing context, background and practical guidance to help practitioners find the answers they need to comply.

All too often, financial statements conceal more than they reveal. Even after the recent economic crisis, those analyzing financial statements face serious new concerns and challenges. The Fourth Edition of Financial Statement Analysis skillfully puts multidiscipline in perspective, and now, with this companion Workbook, you can hone your skills and test the knowledge you've gained from the actual text, before putting them to work in real-world situations. Question-and-answer sections in this Workbook correspond to each chapter of Financial Statement Analysis, Fourth Edition. Part One (Questions) provides chapter-by-chapter fill-in-the-blank questions, as well as financial statement and computational exercises. They are designed to be thought-provoking require analysis and synthesis of the concepts covered in the book. The answers to all questions, which can be found in Part Two, are provided in boldfaced italic type in order to facilitate checking of answers and comprehension of material. By enhancing your understanding of financial statement analysis, you can begin to undertake genuine, goal-oriented analysis and prepare for the practical challenges of contemporary business. This reliable resource will help you achieve such a difficult goal and allow you to make more informed

decisions—whether you're reevaluating a company's stock price or determining valuations for merger or acquisition. The Fourth Edition of Financial Statement Analysis, this book school you the fundamental tools for accurately assessing the soundness of a stock investment. Built around a full-length case study of Wal-Mart, it shows you how to perform an in-depth analysis of that company's financial standing, walking you through all the steps of developing a sophisticated financial model as done by professional Wall Street analysts. You will construct a full scale financial model and valuation step-by-step as you page through the book. When we ran this analysis in January of 2012, we estimated the stock was undervalued. Since the first run of the analysis, the stock has increased 35 percent. Re-evaluating Wal-Mart 9 months later, we will step through the techniques utilized by Wall Street analysts to build models on and derive value business entities. Step-by-step financial modeling - taught using downloadable Wall Street models, you will construct the model step by step as you page through the book. Hot keys and explicit Excel instructions aid even the novice excel modeler. Model built complete with Income Statement, Cash Flow Statement, Balance Sheet, Balance Sheet Balancing Techniques, Depreciation Schedule (complete with accelerating depreciation and deferring taxes), working capital schedule, debt schedule, handling circular references, and automatic debt pay downs. Illustrative concepts including detailing model flows help aid in conceptual understanding. Concepts are reiterated and honed, perfect for a novice yet detailed enough for a professional. Model built direct from Wal-Mart public filings, searching through notes, performing research, and illustrating techniques to formulate projections. Includes in-depth coverage of valuation techniques commonly used by Wall Street professionals. Illustrative comparable company analyses - built the right way, direct from historical financials, calculating LTM (Last Twelve Month) data, calendarization, and properly smoothing EBITDA and Net Income. Precedent transactions analysis - detailing how to extract proper metrics from relevant proxy statements Discounted cash flow analysis - simplifying and illustrating how a DCF is utilized, how unlevered free cash flow is derived, and the meaning of weighted average cost of capital (WACC) Step-by-step we will come up with a valuation on Wal-Mart Chapter end questions, practice models, additional case studies and common interview questions (found in the companion website) help solidify the techniques honed in the book; ideal for universities or business students looking to break into the investment banking field.

The complete, cross-referenced GAAP guide, with illustrations, explanations, and examples Wiley GAAP 2016 contains the most comprehensive coverage of all GAAP pronouncements in a single volume, providing professionals with a complete reference to the entire GAAP hierarchy. This new edition includes the latest updates to the standards, along with AICPA ASEC statements of position and a comprehensive cross-reference of accounting topics to the new FASB codification system. All pronouncements are fully explained in detail, including terminology, and practice exercises demonstrate real-world application. Each chapter includes a discussion of perspectives and issues, sources of GAAP, definitions, concepts, rules, and examples, with specific appendices where applicable. This useful guide contains numerous examples and illustrations, and all original authoritative sources are cited constant throughout. GAAP is constantly being updated, and users require expert interpretation and explanation of relevant principles with every new pronouncement. This book provides clear, comprehensive guidance, including FASB Technical Bulletins, ASSEC Practice Bulletins, FASB Implementation Guides, and AICPA Statements of Position and Accounting Interpretations. Readers will Refer to GAAP standards and ASEC statements Understand relevant terminology, concepts, and rules Study detailed examples to gain solid working knowledge of the standards Gain confidence by practicing GAAP applications before using it in the field This guide represents the most complete, comprehensive GAAP reference available, and the digital format allows for instant access to information through the point-and-click Index and Table of Contents. A thorough study and analysis of all US Generally Accepted Accounting Principles, Wiley GAAP 2016 is the essential reference. /d /tr /table

Financial Planning & Analysis and Performance Management

A Summary of International Public Sector Accounting Standards

Critical insights for savvy financial analysts Financial Planning & Analysis and Performance Management is the essential desk reference for CFOs, FP&A professionals, investment banking professionals, and equity research analysts. With thought-provoking discussion and refreshing perspective, this book provides insightful reference for critical areas that directly impact an organization's effectiveness. From budgeting and forecasting, analysis, and performance management, to financial communication, metrics, and benchmarking, these insights delve into the cornerstones of business and value drivers. Dashboards, graphs, and other visual aids illustrate complex concepts and provide reference at a glance, while the author's experience as a CFO, educator, and general manager leads to comprehensive and practical analytical techniques for real-world application. This accessible resource includes the most comprehensive coverage of each Codification topic. It contains clear, user-friendly guidance on every pronouncement. Fully up-to-date with all the latest changes, including those to inventory, financial instruments, revenue, and leases Includes more real-world examples and illustrations than competing titles Arranged according to the FASB Codification, all topics are referenced to the Codification Wiley GAAP 2018 renders GAAP more understandable and accessible for research and is designed to reduce the amount of time and effort needed to solve accounting research and implementation issues, making it the best go-to source for CPAs and others working in accounting. This set includes both a physical and a digital CD-ROM version of Wiley GAAP 2018.

*TRY (FREE for 14 days) OR RENT this title: www.wileystudentchoice.com Corporate Financial Reporting Analysis combines comprehensive coverage and a rigorous approach to modern financial reporting with a readable and accessible style. Merging traditional principles of corporate finance and accepted reporting practices with current models enable the reader to develop essential interpretation and analysis skills, while the emphasis on real-world practicality and methodology provides seamless coverage of both GAAP and IFRS requirements for enhanced global relevance. Two decades of classroom testing among INSEAD MBA students has honed this text to provide the clearest, most comprehensive model for financial statement interpretation and analysis; a concise, logically organized pedagogical framework includes problems, discussion questions, and real-world case studies that illustrate applications and current practices, and in-depth examination of key topics clarifies complex concepts and builds professional intuition. With insightful coverage of revenue recognition, inventory accounting, receivables, long-term assets, M&A, income taxes, and other principle topics, this book provides both education and ongoing reference for MBA students.*

*The most practical, authoritative guide to GAAP Wiley GAAP 2017 contains complete coverage of the Financial Accounting Standards Board's (FASB) Accounting Standards Codification (ASC), the source of authoritative generally accepted accounting principles (GAAP).
