You're Certifiable: The Alternative Career Guide To More Than 700 Certificate Programs, Trade Schools, And Job Opportunities

A state-of-the-art guide to the world of library and information science that gives readers valuable insights into the field and practical tools to succeed in it. Identifies a broad range of Library and Information Science (LIS) career options Identifies professional skills and strengths needed in the LIS field Helps LIS students and practitioners perform a self-assessment to determine their "best fit" job preferences Examines the pros and cons of traditional, nontraditional, and independent LIS career paths Provides tips on using networking and professional reputation-building for career growth Enables readers to develop skills, attitudes, and aptitudes necessary to build a rewarding and resilient career in LIS

"First rate advice."--APHA What sort of training do you need to work in public health? What kinds of jobs are out there right now? And what exactly is an epidemiologist, anyway? Answering these questions and more, this career guide provides an overview of the

Get Free You're Certifiable: The Alternative Career Guide To More Than 700 Certificate Programs, Trade Schools, And Job Opportunities

numerous options in public health and the many different roads to get there. Whether you're a student who wants to launch a career or a professional looking to change careers, this guide offers an easy introduction to the field. It details the training, salary ranges, and degree requirements for each job, and alerts readers to alternative pathways beyond the traditional MPH. 101 Careers in Public Health helps you follow your interests, find the right job, and make a difference. Key Features Includes a detailed guide to educational paths, options, and training requirements at the bachelor's, master's, and PhD levels Offers guidance on navigating the job market, with information on both traditional and nontraditional pathways-and tips on landing the job you want Provides descriptions of careers in disease prevention, environmental health, disaster preparedness, nutrition, education, public safety, and many more Includes interviews with public health professionals who offer details of their day-to-day lives on the job

Written by Harvard-trained ex-law firm partner Liz Brown, *Life After Law: Finding Work You Love with the J.D.* You Have provides specific, realistic, and honest advice on alternative careers for lawyers. Unlike

Get Free You're Certifiable: The Alternative Career Guide To More Than 700 Certificate Programs, Trade Schools, And Job Opportunities

generic career guides, Life After Law shows lawyers how to reframe their legal experience to their competitive advantage, no matter how long they have been in or out of practice, to find work they truly love. Brown herself moved from a high-powered partnership into an alternative career and draws from this experience, as well as that of dozens of former practicing attorneys, in the book. She acknowledges that changing careers is hard much harder than it was for most lawyers to get their first legal job after law school but it can ultimately be more fulfilling for many than a life in law. Life After Law offers an alternative framework and valuable analytic tools for potential careers to help launch lawyers into new fields and make them attractive hires for non-legal employers. Teacher Education and Practice, a peer-refereed journal, is dedicated to the encouragement and the dissemination of research and scholarship related to professional education. The journal is concerned, in the broadest sense, with teacher preparation, practice and policy issues related to the teaching profession, as well as being concerned with learning in the school setting. The journal also serves as a forum for the exchange of diverse ideas and

Get Free You're Certifiable: The Alternative Career Guide To More Than 700 Certificate Programs, Trade Schools, And Job Opportunities

points of view within these purposes. As a forum, the journal offers a public space in which to critically examine current discourse and practice as well as engage in generative dialogue. Alternative forms of inquiry and representation are invited, and authors from a variety of backgrounds and diverse perspectives are encouraged to contribute. Teacher Education & Practice is published by Rowman & Littlefield.

Work It! The Black Woman's Guide to Success At Work is the no nonsense, non-sugar coated guide to what every Black woman really needs to know about the business world.

A growing number of people completing or holding graduate degrees now seek non-faculty positions—also called alternative academic, or “alt-ac” positions—at different stages in their careers. While an increasing number of people with doctoral

Get Free You're Certifiable: The Alternative Career Guide To More Than 700 Certificate Programs, Trade Schools, And Job Opportunities

degrees are hunting for a diminishing pool of tenure-track faculty jobs, most degree-granting institutions do not adequately prepare their graduate students to enter the new reality of the alt-ac job market. Yet the administrative ranks in higher education institutions are growing, as colleges and universities are creating a diverse range of positions that support teaching and learning efforts. Focusing on the range of potential alternative career choices, this highly practical book offers tools and prompts for readers who are: Considering whether to choose an alt-ac career path Seeking specific alt-ac positions Advising graduate students or mentoring recent professional graduates Encountering alt-ac career challenges The authors offer case stories—their own and those of colleagues across North America in alt-ac roles—with concrete examples designed to help readers pursue, obtain, and excel in a wide variety of alt-ac positions. The book can equally be used as a resource for graduate courses on professional development and job-market preparation.

Print version of the book includes free access to the app (web, iOS, and Android), which offers interactive Q&A review plus the entire text of the print book! Please note the app is included with print purchase only. The third edition of this classic study guide for nurse educators taking the CNE exam continues to be the only concise review book to feature a systematic approach to exam preparation. Presented in both book and e-book format, it is updated throughout and includes a more in-depth focus on distance-learning modes along with new content on global initiatives and interdisciplinary and interprofessional education. A majority of the Q&As have been revised to reflect a stronger integrative and application focus, and 100 new questions have been added throughout the book for a total of 350 questions. Chapter references have been updated to provide opportunity for

Get Free You're Certifiable: The Alternative Career Guide To More Than 700 Certificate Programs, Trade Schools, And Job Opportunities

further study. The third edition is also geared for use by nurse educators in Canada who intend to take the CNE exam. The CNE review, designed for use by both novice and expert nurse educators, incorporates all content areas designated by the National League for Nursing (NLN) as essential knowledge in the field. It is formatted to closely reflect the test blueprint. Valuable features include case studies and critical thinking questions, Evidence-Based Teaching Practice boxes, "Teaching Gems" offering advice from practice experts, review questions at the end of each chapter, and a practice CNE exam with answers and rationales. New to the Third Edition: More in-depth focus on distance-learning modes New content on global initiatives Additional information on interdisciplinary and interprofessional education 100 additional review questions reflecting a higher integrative and application focus CNE app with updated Q&As and rationales available as a separate purchase Key Features: Offers systematic approach to exam preparation Closely reflects the NLN test blueprint Highlights areas designated by the NLN as essential knowledge Includes case studies, critical thinking questions, 350 practice questions with rationales, and practice test Provides Evidence-Based Teaching Practice Boxes and "Teaching Gems" from practice experts

Reed, owner of the HR consulting firm epochResources, takes the intimidation out of these challenging tests by letting you in on what to expect—as well as teaching you proven techniques for success. Work through the book's thorough content and subject review, sample questions, and suggested strategies, and then go online to find additional practice tests and more than 500 flashcards. With these resources, you can approach your exam with confidence. Take sample tests in the book and online Follow detailed answers and explanations Know how the exam is scored Study with more than 500 flashcards online Whether you're a student or an experienced professional, PHR/SPHR Exam For Dummies will give you the power to pass—and pass well—and go on to achieve the successful HR career of your dreams!

Turn a passion for food into the job of a lifetime with the insider advice in Culinary Careers. Working in food can mean cooking on the line in a restaurant, of course, but there are so many more career paths available. No one knows this better than Rick Smilow—president of the Institute of Culinary Education (ICE), the award-winning culinary school in New York City—who has seen ICE graduates go on to prime jobs both in and out of professional kitchens. Tapping into that vast alumni network and beyond, Culinary

Careers is the only career book to offer candid portraits of dozens and dozens of coveted jobs at all levels to help you find your dream job. Instead of giving glossed-over, general descriptions of various jobs, Culinary Careers features exclusive interviews with both food-world luminaries and those on their way up, to help you discover what a day in the life is really like in your desired field. •Get the ultimate in advice from those at the very pinnacle of the industry, including Lidia Bastianich, Thomas Keller, and Ruth Reichl. •Figure out whether you need to go to cooking school or not in order to land the job you want. •Read about the inspiring—and sometimes unconventional—paths individuals took to reach their current positions. •Find out what employers look for, and how you can put your best foot forward in interviews. •Learn what a food stylist's day on the set of a major motion picture is like, how a top New York City restaurant publicity firm got off the ground, what to look for in a yacht crew before jumping on board as the chef, and so much more. With information on educational programs and a bird's-eye view of the industry, Culinary Careers is a must-have resource for anyone looking to break into the food world, whether you're a first-time job seeker or a career changer looking for your next step.

Cooking in Paradise is a rich, definitive guide to hands-on gourmet cooking vacations around the world. Ever dream of sauteing in Sicily? Or having a master divulge the secrets of perfect patisserie in Paris? How about mincing in Morocco? Cooking in Paradise will show you how to get there, and scores of other places, with over 150 listings for cooking-vacation programs around the world (and a handful right here in the United States, too). Joel and Lee Naftali give

details about famous courses--like Patricia Wells's "at home" in her eighteenth-century Provencal farmhouse--but have also unearthed truly unusual fare, from a kosher-cooking course in Tuscany to an Australian country house gourmet retreat to a Mexican cuisine class held at a working hillside farm in Oaxaca. Cooking in Paradise provides all the information you need to book a cooking vacation today, but with its evocation of far-flung locales and over 50 unusual recipes from the schools included, it's perfect for the stay-at-home chef as well.

The ABA Journal serves the legal profession. Qualified recipients are lawyers and judges, law students, law librarians and associate members of the American Bar Association.

Whether losing a job by layoff or by choice, this memoir and guide offers solace, insights, and actions to navigate a transition that can be traumatic, turbulent, and triumphant. Reading Nancy's story is like having a conversation with a trusted confidant and coach.

Many science students find themselves in the midst of graduate school or sitting at a lab bench, and realize that they hate lab work! Even worse is realizing that they may love science, but science (at least academic science) is not providing many job opportunities these days. What's a poor researcher to do !? This book gives first-

Get Free You're Certifiable: The Alternative Career Guide To More Than 700 Certificate Programs, Trade Schools, And Job Opportunities

hand descriptions of the evolution of a band of hardy scientists out of the lab and into just about every career you can imagine. Researchers from every branch of science found their way into finance, public relations, consulting, business development, journalism, and more - and thrived there! Each author tells their personal story, including descriptions of their career path, a typical day, where to find information on their job, opportunities to career growth, and more. This is a must-read for every science major, and everyone who is looking for a way to break out of their career rut. *

- * An insider's look at the wide range of job opportunities for scientists yearning to leave the lab
- * First-person stories from researchers who successfully made the leap from science into finance, journalism, law, public policy, and more.
- * Tips on how to track down and get that job in a new industry
- * Typical day scenarios for each career track
- * List of resources (websites, associations, etc.) to help you in your search
- * Completely revised, this latest edition includes six entirely new chapters

"Modern noir at its best...Here's hoping Grant is hard at work on the next installment featuring his thoroughly compelling tough guy hero, David Trevellyan." —Jeffery Deaver, on Even In his gritty, action-packed debut, Even, Andrew Grant introduced readers to David Trevellyan, a James Bond for the twenty-first century. Now, Trevellyan returns in Grant's Die Twice, a fast-paced, modern thriller fueled by adrenaline and revenge. Obligated to leave New York City in the aftermath of his previous mission, David Trevellyan is summoned to the British Consulate in Chicago. To the same office where, just a week before, his new handler was attacked and shot by a Royal Navy Intelligence operative gone bad. Assigned the job of finding the rogue agent and putting an end to his treacherous scheme, Trevellyan soon finds that once again, his only hopes of saving countless innocent lives lie not within the system, but in his own instincts and skills. Trust is an illusion—trust the wrong person, and it could get you killed. Drawing comparisons to Robert Ludlum, and his own brother, Lee Child, Andrew Grant's remarkably seasoned voice cuts a new path through the crime thriller genre, continuing to test the limits in this groundbreaking new series.

This is the book you need to start moving your career in the right direction.

Secretaries have been in existence since the establishment of the office and will undoubtedly continue to exist as long as there are offices and bosses. But the role has expanded from earlier years, and the responsibilities and duties have evolved as well. In *The Elite Secretary*, author Sandra C. Rorbak, who has been a secretary on three continents throughout her career of more than twenty years, provides specific information on how to succeed in the position. *The Elite Secretary* clarifies what novice secretaries really need to know: what to do (and what not to do) on the first day, how to handle the bully boss and other unsavory office personalities, what to expect in the modern office, and how

Get Free You're Certifiable: The Alternative Career Guide To More Than 700 Certificate Programs, Trade Schools, And Job Opportunities

to become an elite secretary. It provides real-life examples for both new and experienced secretaries, explaining what to expect on the job and how to handle ambiguous situations. What are the advantages and disadvantages of temping? How do male and female employers differ? How does one navigate office politics? An informative, how-to guide, *The Elite Secretary* includes practical tools such as résumé suggestions, a day-by-day checklist for interview preparation, competency guidelines, and a sample dress code policy to help you become a top-notch secretary.

700 PATHS TO A JOB YOU LOVE Are you established in a career but feeling the need for a change? Interested in starting your own business and looking for an alternative to the more traditional enterprises? Graduating from college (or high school) and wondering what to do now? If you are searching for an offbeat, soul-satisfying profession that offers more than just a paycheck, enrolling in a certification program could be the perfect first step to finding the job that is made for you. *You're Certifiable* is packed with more than 700 ideas for alternative careers as well as all the information that you need to embark on your chosen field, such as:

- * Holistic health: from acupuncture to hypnotherapy
- * Crafts: From violin making to glassblowing
- * Art and design: from museum studies to Feng Shui
- * Working with animals: from horse training to pet grooming
- * Outdoor pursuits: from diving to hot-air balloon piloting
- * Food and drink: from beer brewing to cake decorating

The first-ever comprehensive directory of certification programs throughout the country, *You're Certifiable* provides the essentials on how to get certified in the career of your choice, how long it will take, how much it costs, and what to expect once you start working. Lee and Joel Naftali have gathered all the tools you need to find your perfect niche in the professional world.
