In an unorthodox approach, Georgetown University professor Cal Newport debunks the long-held belief that "follow your passion" is good advice, and sets out on a quest to discover the reality of how people end up loving their careers. Not only are pre-existing passions rare and have little to do with how most people end up loving their work, but a focus on passion over skill can be dangerous, leading to anxiety and chronic job hopping. Spending time with organic farmers, venture capitalists, screenwriters, freelance computer programmers, and others who admitted to deriving great satisfaction from their work, Newport uncovers the strategies they used and the pitfalls they avoided in developing their compelling careers. Cal reveals that matching your job to a pre-existing passion does not matter. Passion comes after you put in the hard work to become excellent at something valuable, not before. In other words, what you do for a living is much less important than how you do it. With a title taken from the comedian Steve Martin, who once said his advice for aspiring entertainers was to "be so good they can't ignore you," Cal Newport's clearly written manifesto is mandatory reading for anyone fretting about what to do with their life, or frustrated by their current job situation and eager to find a fresh new way to take control of their livelihood. He provides an evidence-based blueprint for creating work you love, and will change the way you think about careers, happiness, and the crafting of a remarkable life.

This is a perfect book for new college graduates or anyone sick and tired of languishing in a dead-end job or relationship - yet reluctant to make drastic life changes due to uncertainty about what would actually inspire them. Barbara helps peel away the layers to reveal hopes and aspirations and overcome the barriers to success and happiness. Whether you're looking to make improvements in your job or personal life, Sher will teach you how to determine what your goals are and how to successfully reach them.

Here comes another heartfelt picture book from bestselling author Nancy Tillman, this time about resilience and reaching one's goals. I knew you could do it! I knew that you could! Of everyone out there I knew that you would. A celebration of everyday accomplishments as well as life's milestones, I Knew You Could Do It applauds anyone who has overcome hurdles and challenges, and also cheers them into the future. And for anyone who needs an infusion of support or reassurance, it tells them, "I believe in you."

"A wondrous, sparkling fusion of wisdom and insight." - Patricia Santhuff What do the wonderful myths of ancient Greece, the beautiful stories in the Bible and Qur'an, and all the sacred stories from traditions around the world, have in common? They open our hearts to wonder, mystery, passion, and joy. I know, on the outside these stories seem very different, confusing, conflicting, and often violent and divisive. But when read symbolically and internally, they are all telling the same story. They show us the path of spiritual awakening and enlightenment. Sometimes the story is called "Returning to the Promised Land." Sometimes it's called "Seeking the Holy Grail." Sometimes it's called "Persephone's Return to Olympus." But whatever it's called, the inner meaning and purpose is always the same. The stories are all a call to awaken, to live passionately and consciously, and to enter the door that leads to enlightenment and communion with the divine. The door is always open. The light is always ready to receive us. But we have to learn how to tread the path!

Fortunately, that's what all the sacred stories are really about. THE DOOR IS OPEN uncovers the 7 Universal Steps that are found within the symbols and allegories of all great mythology and scripture. Each chapter ends with a series of practical and enjoyable spiritual exercises and activities. You can do this work on your own, or together with a group. It could be a church or synagogue group, a book club, a classroom, or any group of friends who want to get together and expand their spiritual horizons.

“Bloody brilliant.”—Paula Hawkins, #1 New York Times bestselling author of The Girl on the Train Internationally bestselling author Julie Myerson’s beautifully written, yet deeply chilling, novel of psychological suspense explores the tragedies—past and present—haunting a picturesque country cottage. Mary Coles and her husband, Graham, have just moved to a cottage on the edge of a small village. The house hasn’t been lived in for years, but they are drawn to its original features and surprisingly large garden, which stretches down into a beautiful apple orchard. It’s idyllic, remote, picturesque: exactly what they need to put the horror of the past behind them. One hundred and fifty years earlier, a huge oak tree was felled in front of the cottage during a raging storm. Beneath it lies a young man with a shock of red hair, presumed dead—surely no one could survive such an accident. But the red-haired man is alive, and after a brief convalescence is taken in by the family living in the cottage and put to work in the fields. The children all love him, but the eldest daughter, Eliza, has her reservations. There’s something about the red-haired man that sits ill with her. A presence. An evil. Back in the present, weeks after moving to the cottage and still drowning beneath the weight of insurmountable grief, Mary Coles starts to sense there’s something in the house. Children’s whispers, footsteps from above, half-caught glimpses of figures in the garden. A young man with a shock of red hair wandering through the orchard. Has Mary’s grief turned to madness? Or have the events that took place so long ago finally come back to haunt her...?

A New York Times, USA Today, and Wall Street Journal bestseller In this iconic bestseller, popular business blogger and bestselling author Seth Godin proves that winners are really just the best quitters.

Godin shows that winners quit fast, quit often, and quit without guilt—until they commit to beating the right Dip. Every new project (or job, or hobby, or company) starts out fun...then gets really hard, and not much fun at all. You might be in a Dip—a temporary setback that will get better if you keep pushing. But maybe it’s really a Cul-de-Sac—a total dead end. What really sets superstars apart is the ability to tell the two apart. Winners seek out the Dip. They realize that the bigger the barrier, the bigger the reward for getting past it. If you can beat the Dip to be the best, you’ll earn profits, glory, and long-term security. Whether you’re an intern or a CEO, this fun little book will help you figure out if you’re in a Dip that’s worthy of your time, effort, and talents. The old saying is wrong—winners do quit, and quitters do win.

Journalist Walls grew up with parents whose ideals and stubborn nonconformity were their curse and their salvation. Rex and Rose Mary and their four children lived like nomads, moving among Southwest desert towns, camping in the mountains. Rex was a charismatic, brilliant man who, when sober, captured his children's imagination, teaching them how to embrace life fearlessly. Rose Mary painted and wrote and couldn't stand the responsibility of providing for her family. When the money ran out, the Walls retreated to the dismal West Virginia mining town Rex had tried to escape. As the dysfunction escalated, the children had to fend for themselves, supporting one another as they found the resources and will to leave home. Yet Walls describes her parents with deep affection in this tale of unconditional love in a family that, despite its profound flaws, gave her the fiery determination to carve out a successful life. -- From publisher description.

A teenage boy uncovers a horrific family secret. A widower seeks vengeance on the creatures that killed his wife. A drug addled writer stalks the woman of his dreams, a woman much more sinister than she appears. A federal agent races to find the cursed relic powering this city full of spooks, spirits, and serial killers. The lives of these and others will collide in the dark and dangerous streets of Adderlass. A seed of evil was planted under Adderlass, a city where monsters hide behind masks of humanity and ordinary people shuffle anesthetized and addicted by the sickly supernatural power wafting up from below. The city was built over the crystalline skull of a bloodthirsty beast. Now, the hunt is on for this lost treasure and whoever finds it first will control the fate not only of Adderlass but of the entire world. Sixteen-year-old Simon Cubbins, young and naive, may be the key to unlocking the mystery buried in this twisted labyrinth of hidden agendas. He also unknowingly harbors a secret that could destroy the Cubbins bloodline. As different characters fight for control over Simon, he will have to decide whether or not to carry on his family's legacy.

The Amazing Book of No was just announced as a Winner of the 2015 Readers Favorite Award for K-3rd grade readers. "The Amazing Book of No" is a deceptively simple story that will teach your 3-7 year old how to accept the word "no" when you say it, and why they shouldn't argue. The story is about two moms and their children. One mom says "no" all the time, while the other says "yes" to everything. It is cute and engaging all in one, and designed not to take up too much of a parents valuable time, with the idea being to try and imprint wholesome ideals while kids are young. Reading this just a few times to your boy or girl at bedtime will ensure you don't have any misunderstandings with your children about the word "NO" as they grow older. This really is: The Amazing Book of No!

Recently widowed, Henry Wolff is an emotionally challenged father who is being sued by his daughter, Sharon, for financial control of the estate. He must prove that he fits in - not an easy thing to do when you aren't quite all there. Rumors run rampant around the town in attempts to explain away his odd behavior. But Henry does have a very special gift. In a town divided by the have and have-nots, Henry alone can inspire and touch even the most jaded lost souls. With a family secret tucked tightly away, members of the Wolff family struggle to see eye to eye. Between an impending trial looming and drama ensuing in the town, will Henry be able to unite his own family as tragedy strikes them yet again?

#1 international bestseller Publishers Weekly bestseller The Globe and Mail (Toronto) The Toronto Star bestseller The Vancouver Sun bestseller From Neil Pasricha–New York Times, million-copy bestselling author of The Book of Awesome series and The Happiness Equation, thought leader for the next generation, and one of the most popular TED speakers in the world–comes a revelatory and inspiring book that will change the way we view failure and help us build resilience. We are lucky. For most of us, famine, plague, economic depression, and other life-threatening catastrophes are the stuff of history books. We’re living in an era with the highest-ever rates of longevity, education, and wealth. Cars drive us home as our phones entertain us before we arrive to food delivered to the front door. We have it all! But there’s just one side effect. We no longer have the tools to handle failure...or even perceived failure. When we fall, we lie on the sidewalk crying. When we spill, we splatter. When we crack, we shatter. We are turning into an army of porcelain dolls. A rude email from the boss means calling in sick. Only two likes on our post means we don’t have friends. Cell phones show us we’re never good enough. Yesterday’s butterflies are tomorrow’s panic attacks. Record numbers of students have clinical anxiety. And what about depression, loneliness, and suicide? All rising! What do we desperately need to learn? RESILIENCE. And we need to learn it fast. Read You Are Awesome to Learn: • The single word that keeps your options open after failure • What every commencement speech gets wrong • 3 ways to dramatically accelerate your ability to learn and adapt • The 2-minute morning practice that helps eliminate worry • Why you need an Untouchable Day (and how to get one) • and much, much more... Because the truth is, you really are awesome.

Erin is a documentary filmmaker on the brink of a professional breakthrough, Mark a handsome investment banker with big plans. Passionately in love, they embark on a dream honeymoon to the tropical island of Bora Bora, where they enjoy the sun, the sand, and each other. Then, while scuba diving in the crystal blue sea, they find something in the water.... Suddenly the newlyweds must make a dangerous choice: to speak out or to protect their secret. After all, if no one else knows, who would be hurt? Their decision will trigger a devastating chain of events....

In the beginning, there was wreckage. Dane Perry's mother was dead, and the father who always said he'd amount to nothing blamed him. Dane swore he'd become something. He would be someone.In the middle, there was escape. Rebuilding his life from the ashes of his mother's memory, Dane found success as a respected surgeon, and love in the form of Craig Dahl, a talented artist who became his everything. But there was also darkness, lies, and a crumbling foundation just waiting for the ground to shift.In the end, there was a spectacular fall, illusions shattered, and for Dane, nothing more to lose. He was broken, damaged, and left with fierce demons. But from the bottom, the only way left is up. Dane renewed friendships and salvaged his career. The only thing he cannot replace is Craig. But Dane has a plan. Brick by brick, his foundation is rebuilt, and all he needs is for Craig to listen one last time.In the beginning again, there's hope and tatters of love. Can Dane repair the damage with Craig? Can he rescue the only thing he amounted to that ever truly mattered?This book contains vivid descriptions of symptoms of PTSD and events that can cause anxiety. Reader discretion advised.

An abandoned English manor transports a young woman back to the Edwardian era—where love and danger await—in this time travel romance. East Midlands, England, 2013. The once grand Hill House is now surrounded by a shabby town of pubs and chip shops. As a child, Louisa Arnold was enthralled by the tragic history of its owners, the Mandeville family. Now, when tragedy strikes her own family, Lou seeks comfort in the ruined corridors of Hill House—and is suddenly transported back to Christmas 1913. As a houseguest of the Mandevilles, Lou befriends the eldest son, Captain Thomas Mandeville—a man she knows is destined to die in the First World War. Moving between the present and the past, Lou does everything she can to save the man she loves, unearthing murder and blackmail plots in a desperate race against time.

When a new, chatty, young couple and their two daughters move in next door, Ove's well-ordered, solitary world turns upside down.

** This is a New Adult romance novel recommended for ages 18+ due to sexual content and mature subject matter. She didn't know what she was missing...until he found her. Maxwell Knight was positively trouble, dangerously good-looking, and seductively charming. He was everything Jeanella didn't need in her life. Only Maxwell didn't see it that way. His pursuit was relentless, making her even more determined to push him away. Fresh out of college, life was simple and plain for Jeanella Mefferd. Every part of her life was smooth sailing; her friends, her job, and even the guy she'd started dating. Then one night, while at dinner, she spotted someone who made her feel things she'd never felt before—dangerous, heart pounding and breathless heat. Thinking she would never see him again, she brushed it off, but when she started to run into him unexpectedly, all she could think of was how he made her feel with his sweet flirtations. Everything about Maxwell Knight screamed trouble, especially when she found out he was her new boss's son. Now, heading to a New York fashion show, would she be able to focus on her career instead of Maxwell, who had been scheduled to attend with her? As much as she tried to forget their encounters, his good looks, smooth words and determination to win her over gravitated her toward him. The next thing she knew, her mind was utterly consumed by him. Would she be willing to ignore all the dangerous signs and jump into his arms? Or would she miss out on the chance of finding something great? How to Stop Doubting Your Greatness and Start Living an Awesome Life

Discover what You Really Want, and how to Get it

Cally was like any other teenage girl; she was smart, funny, caring, and beautiful. She loved going shopping with her mother, Kate, as well as beating her dad, Bill, at a game of basketball. Sure, she had her fair share of problems, like peer pressure and the occasional arguments with her parents—which usually led to being grounded. However, none of this could ever prepare her for the ultimate problem, an abusive boyfriend. Cally had been with her boyfriend, Ryan, for exactly one year. Nine months of that year was absolutely wonderful. They did everything together and were very much in love. However, the last three months were a pure and living hell for Cally. Ryan had started drinking very heavily and had become mentally and physically abusive. The abuse was terrible for Cally; in only three months Ryan had busted her lip and had put bruises all over Cally's body. The abuse was getting worse by the day and Cally knew that she had to end the relationship soon. Cally still cared for Ryan, despite his cruel and abusive ways, but she knew that he was not going to change; he was too far gone. Cally had planned to break up with him on prom night, but as a fatal turn of events unfolds, Cally discovers that it's not so easy to escape from Ryan's grip.

It's night. Always night. Dreams guard against the evil forged by nightmares. Infinite shooting stars illuminate a moonless sky. A city stands alone, surrounded by a darkened field. On its fringes, a man watches one star separate from the masses and fall. What survives the crash will unveil a secret centuries long hidden. Molly hasn't slept well since the night of her twenty-fourth birthday. Being struck by lightning might have something to do with it, but then again, her chicken did look a little undercooked at dinner. Whatever the culprit, her life quickly catapults from mundane to insane as, night after night, Molly is transported through her once dreamless sleep to a mysterious land illuminated by shooting stars. There she meets the captivating but frustrating Dev, and together they discover Molly possesses a power coveted by his people—the ability to conjure almost anything she desires into existence. Seduced by the possibilities of this gift, Molly shifts her attention from waking life toward the man, the magic, and the world found in her dreams. But Molly must ask herself—does something truly exist if you only see it when you close your eyes? Faced with the threat of losing everything—her job, best friend, boyfriend, and most importantly, that little thing called her sanity—Molly will learn just how far she'll go to uncover what is real and what is merely a figment of her imagination.

And create it NOW, and Make some damn money already. The kind you've never made before. By the end of *You Are a Badass*, you'll understand why you are how you are, how to love what you can't change, how to change what you don't love, and how to use The Force to kick some serious ass.

NOW AN EMMY-NOMINATED HULU ORIGINAL SERIES • NEW YORK TIMES BESTSELLER • “A stunning novel about the transformative power of relationships” (People) from the author of *Conversations with Friends*, “a master of the literary page-turner” (J. Courtney Sullivan). ONE OF THE TEN BEST NOVELS OF THE DECADE—Entertainment Weekly TEN BEST BOOKS OF THE YEAR—People, Slate, The New York Public Library, Harvard Crimson AND BEST BOOKS OF THE YEAR—The New York Times, The New York Times Book Review, O: The Oprah Magazine, Time, NPR, The Washington Post, Vogue, Esquire, Glamour, Elle, Marie Claire, Vox, The Paris Review, Good Housekeeping, Town & Country Connell and Marianne grew up in the same small town, but the similarities end there. At school, Connell is popular and well liked, while Marianne is a loner. But when the two strike up a conversation—awkward but electrifying—something life changing begins. A year later, they're both studying at Trinity College in Dublin. Marianne has found her feet in a new social world while Connell hangs at the sidelines, shy and uncertain. Throughout their years at university, Marianne and Connell circle one another, straying toward other people and possibilities but always magnetically, irresistibly drawn back together. And as she veers into self-destruction and he begins to search for meaning elsewhere, each must confront how far they are willing to go to save the other. *Normal People* is the story of mutual fascination, friendship and love. It takes us from that first conversation to the years beyond, in the company of two people who try to stay apart but find that they can't. Praise for *Normal People* “[A] novel that demands to be read compulsively, in one sitting.”—The Washington Post “Arguably the buzziest novel of the season, Sally Rooney's elegant sophomore effort . . . is a worthy successor to *Conversations with Friends*. Here, again, she unflinchingly explores class dynamics and young love with wit and nuance.”—The Wall Street Journal “[Rooney] has been hailed as the first great millennial novelist for her stories of love and late capitalism. . . . [She writes] some of the best dialogue I've read.”—The New Yorker
