

## Your Rights At Work: Everything You Need To Know About Starting A Job, Time Off, Pay, Problems At Work And Much More! (Tuc Guide)

From the creator of the popular website Ask a Manager and New York’s work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There’s a reason Alison Green has been called “the Dear Abby of the work world.” Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don’t know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You’ll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit “reply all” • you’re being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate’s loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for Ask a Manager “A must-read for anyone who works . . . [Alison Green’s] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work.”—Booklist (starred review) “The author’s friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers’ lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience.”—Library Journal (starred review) “I am a huge fan of Alison Green’s Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor.”—Robert Sutton, Stanford professor and author of The No Asshole Rule and The Asshole Survival Guide “Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way.”—Erin Lowry, author of Broke Millennial: Stop Scraping By and Get Your Financial Life Together

McCann explains how wage discrimination battles have raised public legal consciousness and helped reform activists mobilize working women in the pay equity movement over the past two decades. Rights at Work explores the political strategies in more than a dozen pay equity struggles since the late 1970s, including battles of state employees in Washington and Connecticut, as well as city employees in San Jose and Los Angeles. Relying on interviews with over 140 union and feminist activists, McCann shows that, even when the courts failed to correct wage discrimination, litigation and other forms of legal advocacy provided reformers with the legal discourse—the understanding of legal rights and their constraints—for defining and advancing their cause.

A guide to your rights at work. Jargon-free and without the use of legalese, it offers comprehensive information on particular situations such as pregnancy, child care, sacking and redundancy and bullying, and provides advice on the employment tribunal process.

And on the Writ of Habeas Corpus and the Practice Connected with it : with a View of the Law of Extradition of Fugitives

A job is like a romance -- companies woo applicants with promises of riches and fulfillment, and then often dump them when the honeymoon is over. In clear layperson's language, the book tells you how to be properly hired, steps to take if you resign or are fired, and how to enforce your on-the-job rights. It reveals how companies frequently violate state and federal laws when they terminate employees, when to get a lawyer, when you don't need one, and how to fight back if you are exploited. Valuable demand letters are included to protect your rights, together with many forms, checklists, a glossary, and an index. Easy to use, practical, and up to date. The Employee Rights Handbook provides all the essential information employees need to protect themselves regardless of the job or industry in which they work.

Are you afraid your employer might be infringing your workplace rights? Or are you an employer seeking information on your responsibilities? Written by employment experts at the Trade Unions Congress (TUC), this book sets out Your Rights at Work in simple and relateable terms. This book explains the rights of the UK worker and responsibilities of the UK employer, and explains them clearly. It offers jargon-free guidance that can be applied to any situation in work including: parental leave and maternity rights, flexible working, dismissal and redundancy, pay and holiday rights and grievance procedures. This edition

has been updated to include the impact of the COVID-19 crisis, Britain's exit from the EU and regulatory changes to data protection laws, holiday pay and gender gap reporting. Protect your employees and be empowered as an employee by knowing Your Rights at Work.

In an ideal world, your working relationship with your employer would be perfect. Unfortunately, sometimes things go wrong. Your Rights at Work provides you with the advice and assistance you need to put things right.
