***A Bibliography***

This series brings to life the world of the Old Testament through informative entries and full-color photos and graphics. Here readers find the premier commentary set for connecting with the historical and cultural context of the Old Testament.

Like the first two editions, the new, updated third edition of An Integrated Language Perspective is the practical handbook every teacher needs to bring the reflective inquiry emphasis of integrated curriculum theory to life in the elementary and middle school

classroom! New to this Edition: An end-of-book Guide to Teacher Inquiry shows teachers - and student teachers - how to use their own classrooms as learning settings for themselves as well as for their students. Among the other features new to this edition are sections on teaching phonics and grammar in context and on how to critically examine the values embedded in language.

Bowker's Guide to Characters in Fiction

This valuable reference guide provides suggestions of picture books set in more than 70 countries in each continent of the world, along with standards-based activities. • Features original booktalk activities and a bibliography of books from around the world that exceeds 400 titles, spanning over 70 countries • Each section begins with a list of the countries within that continent and provides basic information about the continent • Provides fun mnemonics to help young students remember countries and continents • Includes indexes by title, author, and illustrator

CBIP is the complete reference and buying guide to English-language Canadian books currently in print; consequently, the Author and Title Index, Subject Index and microfiche editions are indispensable to the book profession. With submissions from both small and large publishers, CBIP provides access to titles not listed anywhere else. Containing more than 48,000 titles, of which approximately 4,000 have a 2001 imprint, the Author and Title Index is extensively cross-referenced. The Subject Index lists the titles under 800 different subject categories. Both books offer the most complete directory of Canadian publishers available, listing the names and ISBN prefixes, as well as the street, e-mail and web addresses of more than 4,850 houses. The quarterly microfiche service provides updated information in April, July and October. CBIP is constantly referred to by order librarians, booksellers, researchers, and all those involved in book acquisition. In addition, CBIP is an invaluable record of the vast wealth of publishing and writing activity in the scientific, literary, academic and arts communities across Canada. A quarterly subscription service including the annual Author and Title Index (March 2001) plus quarterly microfiche updates (April, July, and October 2001) is also available.
