This devotional has tried to present God the loving Father, Jesus the Son, and the Holy Spirit as our personal friends. God cares so much for us that he is interested in every part of our lives. No matter what we do, Jesus is walking with us. Even though it may appear that Jesus is not there, Jesus is really walking beside us all the time. In our journey, we have to listen, to learn and be ready to speak to those people Jesus brings into our life. It is not the start or the end of the journey that is as important as the journey itself. It is in our journey that we will touch people. We have a chance to tell people how much God loves us. We have a chance to speak of God blessing our life.

Plan a wedding that reflects your commitment—to each other and to the things you truly value. How you and your partner plan your wedding can set a precedent for how you will be as a family. How do you work together to merge two different sets of ideas into something bigger and better? How do you disagree in constructive rather than destructive ways? How do you honor the input and experience of family members while simultaneously maintaining ownership of your lives and choices? In this part-memoir, part how-to handbook, popular wedding blogger Sara Cotner shares how you can resist the pressure to create the wedding of someone else's dreams and instead reclaim the real purposes of a

wedding: community, connection, commitment, and fun. A Priceless Wedding covers all the basics: securing a location, finding a dress, deciding on flowers, selecting a wedding party, planning the ceremony, choosing rings, and everything in between—but it goes beyond the elements of a "traditional" wedding to help you plan an eco-friendly, hand-crafted, budget-minded celebration that will be both memorable and meaningful. Featuring do-it-yourself projects that help you create your own unique wedding favors, sew a homemade wedding quilt, and more, this book will inspire you to begin your own traditions and rituals that will clarify your values and let you live them out loud.
