When Bread was first published in 2004, it received the Julia Child Award for best First Book from the International Association of Culinary Professionals and became an instant classic. Hailed as a "masterwork of bread baking literature," Jeffrey Hamelman's Bread features over 130 detailed, step-by-step formulas for dozens of versatile rye- and wheat-based sourdough breads, numerous breads made with yeasted pre-ferments, simple straight dough loaves, and dozens of variations. In addition, an International Contributors section is included, which highlights unique specialties by esteemed bakers from five continents. In this third edition of Bread, professional bakers, home bakers, and baking students will discover a diverse collection of flavors, tastes, and textures, hundreds of drawings that vividly illustrate techniques, and evocative photographs of finished and decorative breads.

"A lively, immersive history by an award-winning urbanist of New York City's transformation, and the lessons it offers for the city's future"--

This is the first true entry-level bread-baking cookbook, from Josey Baker (that's his real name!), a former science teacher turned San Francisco baking sensation. Josey Baker Bread combines step-by-step lessons with more than 100 photographs, offering easy-to-follow guidance for aspiring bakers. Recipes start with the basic formula for making bread— requiring little more than flour, water, time, and a pan—and build in depth and detail as the user progresses to more complex loaves, including Josey's cult favorite Dark Mountain Rye. With chapters dedicated to pizza, pocketbreads, and treats, Josey's playful, encouraging tone makes for a fun read full of great advice for bakers of all levels.

The brand new cookery book from Britain's favourite baker, Paul Hollywood Containing both sweet

and savoury recipes inspired by cities from around the world including Paris, Copenhagen, Miami, New York, London and Naples, Paul takes classic bakes and gives them his own twist. From Madeleines to Kale, cherry and cheese scones, Caprese cake to Chelsea buns and Polish cheesecake to Marble bundt cake, take some weekend time out in the kitchen to discover some new favourite bakes. As Paul found on his travels, baking is very much a family activity and so many of the world's recipes have been passed down from generation to generation. Now he wants to pass them on to you and your families. 'I have wanted to write this book for a long time. It sees me discovering baking cultures of the world in ten of its most amazing cities [...] the experience will stay with me forever.' Joy Wilson believes that everything is better with pie. And caramel. And definitely ice cream. Her world is pretty sweet: she dabbles daily in butter and sugar as her blogging alter ego, Joy the Baker. Her new book, *Joy the Baker Homemade Decadence*, is packed with 125 of Joy's favorite, supereasy, most over-the-top, totally delicious treats, such as Dark Chocolate, Pistachio, and Smoked Sea Salt Cookies; Butterscotch Cream Pie with Thyme-Marshmallow Meringue; Mint Chocolate Chip Cake; and Strawberry Cheesecake Ice Cream. After all, every day is an opportunity for sweets.

TV's Paul Hollywood conveys his love of bread-making in this collection of fantastic recipes. He reveals all the simple techniques you need to make this staple food and shows you that baking bread is far easier than you could possibly have imagined. 100 Great Breads features a wide range of recipes, from a basic brown and white loaf to savoury and sweet, Mediterranean, traditional and ancient breads.

What is a snackable bake? An utterly scrumptious, round-the-clock treat that can be assembled in 20 minutes or less! Sheehan's fuss-free approach, dynamic energy, and kitchen-savvy advice are all on display in this must-have new cookbook. Here, Sheehan explodes the snackable sweets scene with 100 recipes that minimize time but maximize fun.

Peppermint Stick No-Churn Ice Cream, Summer Peach Fritters, Extra Crumb Snacking Cake, Deeply Chocolatey Baked Donuts with Buttermilk Glaze and Sprinkles are just some of the treats that come to life in this crave-worthy cookbook. With vibrant photography and enviable flavors, this of-the-moment book will be loved by anyone with an impatient sweet tooth.

Grand Prize Winner of the 2017 New England Book Festival "I bake because it connects my soul to my hands, and my heart to my mouth."—Martin Philip A brilliant, moving meditation on craft and love,

and an intimate portrait of baking and our communion with food—complete with seventy-five original recipes and illustrated with dozens of photographs and original hand-drawn illustrations—from the head bread baker of King Arthur Flour. Yearning for creative connection, Martin Philip traded his finance career in New York City for an entry-level baker position at King Arthur Flour in rural Vermont. A true Renaissance man, the opera singer, banjo player, and passionate amateur baker worked his way up, eventually becoming head bread baker. But Philip is not just a talented craftsman; he is a bread shaman. Being a baker isn't just mastering the chemistry of flour, salt, water, and yeast; it is being an alchemist—perfecting the transformation of simple ingredients into an elegant expression of the soul. Breaking Bread is an intimate tour of Philip's kitchen, mind, and heart. Through seventy-five original recipes and life stories told with incandescent prose, he shares not only the secrets to creating loaves of unparalleled beauty and flavor but the secrets to a good life. From the butter biscuits, pecan pie, and whiskey bread pudding of his childhood in the Ozarks to French baguettes and focaccias, bagels and muffins, cinnamon buns and ginger scones, Breaking Bread is a guide to wholeheartedly embracing the staff of life. Philip gently guides novice bakers and offers recipes and techniques for the most advanced levels. He also includes a substantial technical section covering the bread-making process, tools, and ingredients. As he illuminates an artisan's odyssey and a life lived passionately, he reveals how the act of baking offers spiritual connection to our pasts, our families, our culture and communities, and, ultimately, ourselves. Exquisite, sensuous, and delectable, Breaking Bread inspires us to take risks, make bolder choices, live more fully, and bake bread and break it with those we love.

A Baker's Year

The only comprehensive book, in English or Italian, to cover the entire range of Italian baking, from breadsticks and cornetti to focaccia, tarts, cakes, and pastries. This latest edition, updated for a new generation of home bakers, has added four-color photography throughout, plus new recipes, ingredients and equipment sections, source

guides, and weights. Carol Field introduces artisanal doughs and techniques used by generations of Italian bakers. Every city and hill town has its own unique baking traditions, and Field spent more than two years traversing Italy to capture the regional and local specialties, adapting them through rigorous testing in her own kitchen. Field's authentic recipes are a revelation for anyone seeking the true Italian experience. Here's a chance to make golden Altamura bread from Puglia, chewy porous loaves from Como, rosemary bread sprinkled with coarse sea salt, dark ryes from the north, simple breads studded with toasted walnuts, succulent fig bread, and Sicilian loaves topped with sesame seeds. One of the most revered baking books of all time, *The Italian Baker* is a landmark work that continues to be a must-have for every serious baker. Winner of the International Association of Culinary Professionals Award for best baking book Named to the James Beard Baker's Dozen list of thirteen indispensable baking books of all time Coretta Scott King Book Award, Illustrator, Honor Robert F. Sibert Informational Book Award, Honor Boston Globe-Horn Book Award, Nonfiction Honor In exuberant verse and stirring pictures, Patricia Hruby Powell and Christian Robinson create an extraordinary portrait for young people of the passionate performer and civil rights advocate Josephine Baker, the woman who worked her way from the slums of St. Louis to the grandest stages in the world. Meticulously researched by both author and artist, Josephine's powerful story of struggle and triumph is an inspiration and a spectacle, just like the legend herself.

BEST BOOK OF THE YEAR: The New York Times • The Washington Post • Fortune • Bloomberg
From two of America's most revered political journalists comes the definitive biography of legendary White House chief of staff and secretary of state James A. Baker III: the man who ran Washington when Washington ran the world. For a quarter century, from the end of Watergate to the aftermath of the Cold War, no Republican won the presidency or ran the White House without the advice of James Addison Baker III. A scion of Texas aristocracy who became George H. W. Bush's tennis partner, Baker had never worked in Washington until a devastating family tragedy struck when he was thirty-nine. Within a few years, he was leading Gerald Ford's campaign and would go on to manage a total of five presidential races and win a sixth for George W. Bush in a Florida recount. He ran

Ronald Reagan's White House and became the most consequential secretary of state since Henry Kissinger. Ruthlessly partisan during campaign season, Baker became an indispensable dealmaker after the election. He negotiated with Democrats at home and Soviets abroad, rewrote the tax code, assembled the coalition that won the Gulf War, brokered the reunification of Germany, and helped bring a decades-long nuclear superpower standoff to an end. Brilliantly crafted by Peter Baker of The New York Times and Susan Glasser of The New Yorker, *The Man Who Ran Washington* is a page-turning study in the acquisition, exercise, and preservation of power in late twentieth-century America and the story of Washington when Washington ran the world. Their masterly biography is necessary reading and destined to become a classic.

Accompanying the Channel 4 series, *A Baker's Life* contains 100 of Paul Hollywood's very best baking recipes, which have been finessed over decades spent as a baker. Each chapter is filled with bakes that represent a different decade – learning the basics at his father's bakery; honing his pastry skills in the finest hotels; discovering the bold flavours of the Middle East while working in Cyprus; and finding fame with the phenomenally popular *Great British Bake Off* television series. Thanks to this book (and its clear step-by-step instructions), recipes that Paul has spent years perfecting can be recreated at home. Favourites include garlic baguettes; feta and chive bread; chorizo and chilli Scotch eggs; mum's ginger biscuits; double chocolate Danish twists; and hazelnut cappuccino cake. With photographs from personal family albums, plus many professional insights into and anecdotes that reveal what makes a great baker, *A Baker's Life* will show you how to bring the baking skills Paul has learnt over a lifetime into your own home kitchen.

The Tartine Way — Not all bread is created equal *The Bread Book* "...the most beautiful bread book yet published..." -- The New York Times, December 7, 2010 *Tartine* — A bread bible for the home or professional bread-maker, this is the book! It comes from Chad Robertson, a man many consider to be the best bread baker in the United States, and co-owner of San Francisco's Tartine Bakery. At 5 P.M., Chad Robertson's rugged, magnificent Tartine loaves are drawn from the oven. The bread at San Francisco's legendary Tartine

Bakery sells out within an hour almost every day. Only a handful of bakers have learned the techniques Chad Robertson has developed: To Chad Robertson, bread is the foundation of a meal, the center of daily life, and each loaf tells the story of the baker who shaped it. Chad Robertson developed his unique bread over two decades of apprenticeship with the finest artisan bakers in France and the United States, as well as experimentation in his own ovens. Readers will be astonished at how elemental it is. Bread making the Tartine Way: Now it's your turn to make this bread with your own hands. Clear instructions and hundreds of step-by-step photos put you by Chad's side as he shows you how to make exceptional and elemental bread using just flour, water, and salt. If you liked Tartine All Day by Elisabeth Prueitt and Flour Water Salt Yeast by Ken Forkish, you'll love Tartine Bread!

• New York Times bestseller • The 100 most substantive solutions to reverse global warming, based on meticulous research by leading scientists and policymakers around the world “At this point in time, the Drawdown book is exactly what is needed; a credible, conservative solution-by-solution narrative that we can do it. Reading it is an effective inoculation against the widespread perception of doom that humanity cannot and will not solve the climate crisis. Reported by-effects include increased determination and a sense of grounded hope.” —Per Espen Stoknes, Author, What We Think About When We Try Not To Think About Global Warming “There’s been no real way for ordinary people to get an understanding of what they can do and what impact it can have. There remains no single, comprehensive, reliable compendium of carbon-reduction solutions across sectors. At least until now. . . . The public is hungry for this kind of practical wisdom.” —David Roberts, Vox “This is the ideal environmental sciences textbook—only it is too interesting and inspiring to be called a textbook.” —Peter Kareiva, Director of the Institute of the Environment and Sustainability, UCLA In the face of widespread fear and apathy, an international coalition of researchers, professionals, and scientists have come together to offer a set of realistic and bold solutions to climate change. One hundred techniques and practices are described here—some are well known; some you may have never heard of. They range from clean energy to educating girls in lower-income countries to land use practices that pull carbon out of the air. The solutions exist, are economically viable, and communities throughout the world are currently enacting them with skill and determination. If deployed collectively on a global scale over the next thirty years, they represent a credible path forward, not just to slow the earth’s warming but to reach drawdown, that point in time when greenhouse gases in the atmosphere peak and begin to decline. These measures promise cascading benefits to human health, security, prosperity, and well-being—giving us every reason to see this planetary crisis as an opportunity to create a just and livable world.

Wooden spoons at the ready for Linda Collister's *The Great British Book of Baking*. This is the official book to accompany the hit BBC2 TV series *The Great British Bake-off*, presented by Sue Perkins and Mel Giedroyc. This book takes us on a tour of the very best in baking our nation has to offer -- from Eccles cakes to Cornish pasties, Chelsea buns to Scottish gingerbread. With trips to notable landmarks from baking history -- Melton Mowbray and Sandwich among the more famous, as well as locally loved secrets from towns and villages around the country -- the book highlights the importance of baking as part of our national heritage. Over 120 recipes, as well as numerous adaptations and suggestions, cover the whole range of baking skills from sweet jam tarts to savoury game pie. These are recipes that have been passed through the generations, securing themselves as baking classics, and include recipes from the contestants of *The Great British Bake Off*. Whether you want to try your hand at the delicate art of petticoat tails shortbread or dish up a hearty steak pie to a hungry family, you will be looking between the pages of *The Great British Book of Baking* time and time again, as Linda Collister has brought together the very best recipes from around the British Isles. Linda Collister has written over twenty-five books, having trained at the Cordon Bleu, then La Varenne in Paris. Sheila Keating is a food writer and author, with a special interest in the provenance of British food.

With the US Supreme Court confirmation of Ketanji Brown Jackson, “it makes sense to revisit the life and work of another Black woman who profoundly shaped the law: Constance Baker Motley” (CNN). The first major biography of one of our most influential judges—an activist lawyer who became the first Black woman appointed to the federal judiciary—that provides an eye-opening account of the twin struggles for gender equality and civil rights in the 20th Century. “A must-read for anyone who dares to believe that equal justice under the law is possible and is in search of a model for how to make it a reality.” —Anita Hill Born to an aspirational blue-collar family during the Great Depression, Constance Baker Motley was expected to find herself a good career as a hair dresser. Instead, she became the first black woman to argue a case in front of the Supreme Court, the first of ten she would eventually argue. The only black woman member in the legal team at the NAACP's Inc. Fund at the time, she defended Martin Luther King in Birmingham, helped to argue in *Brown vs. The Board of Education*, and played a critical role in vanquishing Jim Crow laws throughout the South. She was the first black woman elected to the state Senate in New York, the first woman elected Manhattan Borough President, and the first black woman appointed to the federal judiciary. *Civil Rights Queen* captures the story of a remarkable American life, a figure who remade law and inspired the imaginations of African Americans across the country. Burnished with an extraordinary wealth of research, award-winning, esteemed Civil Rights and legal historian and dean of the Harvard Radcliffe Institute, Tomiko Brown-Nagin brings Motley to life in these pages. Brown-Nagin compels us to ponder some of our most timeless and urgent questions--how do

the historically marginalized access the corridors of power? What is the price of the ticket? How does access to power shape individuals committed to social justice? In *Civil Rights Queen*, she dramatically fills out the picture of some of the most profound judicial and societal change made in twentieth-century America.

“Sharp and seductive...a fantasy with teeth.” —Julie C. Dao, author of *Forest of a Thousand Lanterns* A girl of two worlds, accepted by none... A half Reaper, half Shinigami soul collector seeks her destiny in this haunting and compulsively readable dark fantasy duology set in 1890s Japan. Death is her destiny. Half British Reaper, half Japanese Shinigami, Ren Scarborough has been collecting souls in the London streets for centuries. Expected to obey the harsh hierarchy of the Reapers who despise her, Ren conceals her emotions and avoids her tormentors as best she can. When her failure to control her Shinigami abilities drives Ren out of London, she flees to Japan to seek the acceptance she’s never gotten from her fellow Reapers. Accompanied by her younger brother, the only being on earth to care for her, Ren enters the Japanese underworld to serve the Goddess of Death...only to learn that here, too, she must prove herself worthy. Determined to earn respect, Ren accepts an impossible task—find and eliminate three dangerous Yokai demons—and learns how far she’ll go to claim her place at Death’s side. Don't miss the must-read sequel coming in 2022!

• “As much about a collection of recipes that makes your mouth water and tugs at your heart with food memories as it is about the chronicles and life lessons of a true comeback kid.”—Carla Hall Popular baking personality and lawyer turned baker Vallery Lomas was ecstatic when she learned she won the third season of *The Great American Baking Show*. However, her win was never seen by the world—Vallery’s season was pulled after just a few episodes when one of the judges became a focal point in a Me Too accusation. Rather than

throwing in her whisk and lamenting all of the missed opportunities she hoped to receive (Book deal! Product endorsements! TV show!), she held her head high and hustled—which resulted in her getting press coverage everywhere from CNN to People magazine. Now, Vallery debuts her first baking book. With 100 recipes for everything from Apple Cider Fritters to Lemon-Honey Madeleines and Crawfish Hand Pies to her Grandma's Million Dollar Cake. Vallery shares heirloom family recipes from her native Louisiana, time spent in Paris, The Great American Baking Show, and of course sweets and breads inspired by her adopted hometown, New York City. Vallery's "when life gives you lemons, make lemon curd" philosophy will empower legions of bakers and fans to find their inner warrior and bake their best life. "Life Is What You Bake It is not only a collection of recipes but also an empowering book that shows us there's often more possible than we can even imagine."—Julia Turshen, bestselling author of Simply Julia, host of Keep Calm and Cook On podcast, and founder of Equity at the Table

'If you had told me at 14 when I couldn't even get out of bed with depression and anxiety that three years later I would have written a book I would never have believed you. But here it is - the story of the Orange Bakery. How I went from bed to bread and how my Dad went from being a teacher to a baker. You reading it means everything to me' Kitty Tait Breadsong tells the story of Kitty Tait who was a chatty, bouncy and full-of-life 14 year old until she was overwhelmed by an ever-thickening cloud of depression and anxiety and she withdrew from the world. Her desperate family tried everything to help her but she slipped further away from them. One day her dad Alex, a teacher, baked a loaf of bread with her and that small moment changed everything. One loaf quickly escalated into an obsession and Kitty started to find her way out of the terrible place she was in. Baking bread was the one thing that made any sense to her and before long she was making loaves for half her village. After a few whirlwind months, she and her dad opened the Orange Bakery, where queues now regularly snake down the street. Breadsong is also a cookbook full of Kitty's favourite recipes, including: - the Comfort loaf made with Marmite, and with a crust that tastes like Twiglets - bitesize queue nibbles, doughnuts with an ever-changing filling to keep the bakery queue happy - sticky fika buns with mix-and-match fillings such as cardamom and orange - Happy Bread covered with salted caramel - cheese straws made with easy homemade ruff puff pastry - the ultimate brown butter and choc chip cookies with the perfect combination of gooey centre and crispy edges.

There is nothing quite like the smell of a scrumptious steak and ale pie cooking in the oven. There perhaps isn't anything better than the first taste of a caramel and coffee *Ã©clair*. From Britain's favourite expert baker comes a mouth-watering new book about two of our nation's obsessions: pies and puddings. Paul Hollywood puts his signature twist on the traditional classics, with easy-to-follow, foolproof and tantalising recipes for meat and potato pie, pork, apple and cider pie, lamb kidney and rosemary suet pudding, sausage plait and luxury fish pie. He will show you how to create inventive dishes such as chicken and chorizo empanadas, chilli beef cornbread pies and savoury choux buns. If that isn't enough, here you will find his recipe for the Queen of puddings, as well as spiced plum pizza, chocolate volcanoes and apple and Wensleydale pie. There are also regional recipes like Yorkshire curd tart and the Bedfordshire clanger, and a step-by-step guide to all the classic doughs from rich shortcrust to choux pastry. Paul Hollywood's *Pies and Puds* is simply a must-have. Whether you're a sweet or a savoury person, a keen novice or an expert baker: it's time to get baking pies and puds.

NEW YORK TIMES BESTSELLER • The host of the beloved Netflix series *Time to Eat* and *Nadiya Bakes* and winner of *The Great British Baking Show* returns to her true love, baking, with more than 100 delicious, Americanized recipes for sweet treats. **NAMED ONE OF THE BEST COOKBOOKS OF THE YEAR BY TIME OUT AND THE KITCHN** When Nadiya Hussain, the UK's "national treasure," began cooking, she headed straight to the oven—which, in her home, wasn't used for baking, but rather for storing frying pans! One day, her new husband asked her to bake him a cake and then . . . she was hooked! Baking soon became a part of her daily life. In her newest cookbook, based on her Netflix show and BBC series *Nadiya Bakes*, Nadiya shares more than 100 simple and achievable recipes for cakes, cookies, breads, tarts, and puddings that will become staples in your home. From *Raspberry Amaretti Biscuits* and *Key Lime Cupcakes* to *Cheat's Sourdough* and *Spiced Squash Strudel*, Nadiya has created an ultimate baking resource for just about every baked good that will entice beginner bakers and experienced pastry makers alike.

Paul Hollywood is Britain's favourite master baker. His new book is all about bread - how to make it and how to use it. But while it's all very well making a lovely loaf of bread,

can you guarantee that it won't be wasted? You know those times when you have a lovely crusty loaf, fresh from the oven, and you have a horrible feeling that after the initial excitement is over, half of it's going to get pushed aside and not eaten...? Well, maybe it's time to bring bread back into mealtimes for real. Not only does Paul teach you exactly how to make a variety of breads, but for each one there is a spin-off recipe that shows you how to make a fantastic meal of it. The book has six chapters, each with five bread recipes - plus the spin-off recipes for main courses. Not only are Paul's recipes delicious but they are also foolproof, with comprehensive step-by-step photographs. Try your hand at a basic white bloomer, which can become a savoury picnic loaf; stilton and bacon rolls, which are excellent served with celery soup; fluffy crumpets, which become the base for eggs Benedict; flatbreads, which are a natural pairing with chickpea masala; ciabatta, which the Italians have traditionally used as a base for tomatoey panzanella; pizza bases, which can become home-made fig, Parma ham and Gorgonzola pizzas; or white chocolate and raspberry bread, which makes for the best summer pudding you've ever tasted. Tying in with the BBC2 television series, Paul Hollywood's Bread is all that you could want from a book and more. Get baking!

Classic Baking Techniques and Recipes for Building Baking Confidence

'Hallelujah for a brand new day and the wondrous smell that floats my way.' A poor but happy peddler lives in the attic of a bakery. Whilst he does not have much, he is content with his life. Every morning, he wakes up to the wonderful smell of freshly-baked bread and loudly exclaims his joy through the open window. The baker, however, grows ever more irate that the peddler should enjoy the smell of his bread without ever paying for it. He asks the Rabbi for help. The Rabbi summons the peddler and instructs him to return in one week with enough money to

pay the baker back for all the times he has enjoyed the smell of his challah. The peddler works harder than ever that week. On Friday morning, when he returns with as much money as he can scrape together, the rabbi takes his coin-pouch and shakes it for the baker to hear. The sound of the coins is payment, the Rabbi says, for the smell of the bread. Sound and smell, just like Shabbat, are free for everyone in the world to enjoy. A delightful retelling of an inspiring folktale, The Peddler and the Baker teaches the importance of sharing and inclusivity, the beauty of Shabbat and the idea that anyone, regardless of their circumstances, has the right to find joy in the world. A recipe for challah follows the story.
