

A Clockwork Orange Chapter 1

There have been two common assumptions about Stanley Kubrick: that his films portray human beings who are driven exclusively by aggression and greed, and that he pessimistically rejected meaning in a contingent, postmodern world. However, as Kubrick himself remarked, ‘A work of art should be always exhilarating and never depressing, whatever its subject matter may be.’ In this new interpretation of Kubrick’s films, Julian Rice suggests that the director’s work had a more positive outlook than most people credit him. And while other studies have recounted Kubrick’s life and production histories, few have offered lucid explanations of specific sources and their influence on his films. In Kubrick’s Hope, Rice explains how the theories of Freud and Jung took cinematic form, and also considers the significant impression left on the director’s last six films by Robert Ardrey, Bruno Bettelheim, and Joseph Campbell. In addition to providing useful contexts, Rice offers close readings of the films, inviting readers to note details they may have missed and to interpret them in their own way. By refreshing their experience of the films and discarding postmodern clichés, viewers may discover more optimistic themes in the director’s works. Beginning with 2001: A Space Odyssey and continuing through A Clockwork Orange, Barry Lyndon, The Shining, Full Metal Jacket, and Eyes Wide Shut, Rice illuminates Kubrick’s thinking at the time he made each film. Throughout, Rice examines the compelling political, psychological, and spiritual issues the director raises. As this book contends, if these works are considered together and repeatedly re-viewed, Kubrick’s films may help viewers to personally grow and collectively endure.

Printbegrænsninger: Der kan printes 10 sider ad gangen og max. 40 sider pr. session

This volume offers diverse insights on the practice of torture. Spanning history, law, literature, philosophy, psychology, and theology, the book explores how torture has been and continues to be woven into the fabric of modern society.

Set in the near future, The Wanting Seed is a Malthusian comedy about the strange world overpopulation will produce. Tristram Foxe and his wife, Beatrice-Joanna, live in their skyscraper world where official family limitation glorifies homosexuality. Eventually, their world is transformed into a chaos of cannibalistic dining-clubs, fantastic fertility rituals, and wars without anger. It is a novel both extravagantly funny and grimly serious.

Stanley Kubrick's A Clockwork Orange

Instead of choosing Ruthie as his project, he goes to visit a drug rehab center to cheer up the patients with his dog. Who does he help get together with his son again?What is the name of the dialect spoken by teenagers?While Alex is undergoing the Ludavico Treatment, he calls out to Dr. Brodskky that he's cured. He says that he realizes what about violence?Amaze your friends and family with all things related to the A Clockwork Orange movie! If you know your movie, there are 120 questions sure to riddle even the most die hard fan! Ready to take the challenge? A Clockwork Orange Trivia Quiz Book today!

A newly revised text for A Clockwork Orange's 50th anniversary brings the work closest to its author's intentions. A Clockwork Orange is as brilliant, transgressive, and influential as when it was published fifty years ago. A nightmare vision of the future told in its own fantastically inventive lexicon, it has since become a classic of modern literature and the basis for Stanley Kubrick's once-banned film, whose recent reissue has brought this revolutionary tale on modern civilization to an even wider audience. Andrew Biswell, PhD, director of the International Burgess Foundation, has taken a close look at the three varying published editions alongside the original typescript to recreate the novel as Anthony Burgess envisioned it. We publish this landmark edition with its original British cover and six of Burgess's own illustrations.

Unlock the more straightforward side of A Clockwork Orange with this concise and insightful summary and analysis! This engaging summary presents an analysis of A Clockwork Orange by Anthony Burgess, which follows the teenage Alex as he and his “droogs” rampage through their city committing acts of extreme violence, which they enjoy and for which they feel no remorse.

When Alex is captured and convicted of murder following a brutal attack on an elderly woman, he is given the option to undergo a new experimental psychological technique which will aim to instil a deep aversion to violence in him. Through Alex's story, A Clockwork Orange explores themes including free will and the duality of good and evil. As well as its vivid descriptions of violence, the novel is notable for its use of Nadsat, a Russian-influenced argot invented by Burgess (who was also a linguist). Find out everything you need to know about A Clockwork Orange in a fraction of the time! This in-depth and informative reading guide brings you: • A complete plot summary • Character studies • Key themes and symbols • Questions for further reflection Why choose BrightSummaries.com? Available in print and digital format, our publications are designed to accompany you on your reading journey. A Clockwork OrangeTurtleback Books

A brilliantly funny spy novel, this morality tale of a Secret Service gone mad features sex, gluttony, violence, and treachery. From the author of the ground-breaking A Clockwork Orange, Denis Hillier is an aging British agent based in Yugoslavia. His old school friend Roper has defected to the USSR to become one of the evil empire's great scientific minds. Hillier must bring Roper back to England or risk losing his fat retirement bonus. As thoughtful as it is funny, this morality tale of a Secret Service gone mad features sex, gluttony, violence, treachery, and religion. Anthony Burgess's cast of astonishing characters includes Roper's German prostitute wife; Miss Devi and her Tamil love treatise; and the large Mr. Theodorescu, international secret monger and lascivious gourmand. A rare combination of the deadly serious and the absurd, the lofty and the lusty, Tremor of Intent will hold you in its thrall.

Seminar paper from the year 2009 in the subject English Language and Literature Studies - Literature, grade: 2,3, University of Bamberg (Lehrstuhl für Englische Literaturwissenschaft), course: Literature into Film - The Case of Stanley Kubrick, language: English, abstract: The dystopian novel A Clockwork Orange, written by Anthony Burgess, was published in 1962. Stanley

Edgar Hyman suggests that “perhaps the most fascinating thing about the book is its language”. I agree with him and therefore I set myself to examine this special language called Nadsat in my term paper. The second chapter deals with important features of Nadsat, e.g. its origin. Herein I will touch upon Burgess's inspiration to create a new language for his novel and point out languages that contributed to the evolution of Nadsat. Ongoing I will go further into the question whether Nadsat can be considered being slang by giving a definition of slang, describing reasons for this linguistic phenomenon and naming typical features of it. Furthermore I will have a look at particular words, phrases and motives which are frequently repeated in the novel and explain the reasons for that. The last feature I will pay attention to is how Nadsat handles sexuality. The concern of the third chapter is to find out which function Nadsat holds in the novel. Herein I will distinguish between the language of a criminal and the language of an aesthete with regard to the main character Alex. The fourth and last chapter serves my purpose to find out whether Nadsat creates alienation or identification. That is whether the reader turns away from Alex being disgusted by his actions and language or whether the reader leans towards Alex sympathizing with him and constructing a kind of alliance. For I placed great value on the connection between my term paper and the original text edition of A Clockwork Orange. I chose not to use much secondary literature but to work primarily with the Reclam edition released in 1992 which I will refer to as ACO.

Design Your Business to Run Itself

“A Clockwork Orange” in the Context of Subculture

A young lawyer's outwardly perfect life spirals out of control as she takes on her first murder case in this "dark, original and utterly compelling" domestic noir for readers of Paula Hawkins, A.J. Finn, or Shari Lapena. (Lisa Jewell, New York Times bestselling author of Then She Was Gone) Alison has it all. A doting husband, adorable daughter, and a career on the rise—she's just been given her first murder case to defend. But all is never as it seems... Just yet one more night. Then I'll end it. Alison drinks too much. And she's neglecting her family. And she's having an affair with a colleague whose taste for pushing boundaries may be more than she can handle. I did it. I killed him. I should be locked up. Alison's client doesn't deny that she stabbed her husband - she wants to plead guilty. And yet something about her story is deeply amiss. Saving this woman may be the first step to Alison saving herself. I'm watching you. I know what you're doing. But someone knows Alison's secrets. Someone who wants to make her pay for what she's done, and who won't stop until she's lost everything...

*Do you worry that your business will collapse without your constant presence? Are you sacrificing your family, friendships, and freedom to keep your business alive? What if instead your business could run itself, freeing you to do what you love when you want, while it continues to grow and turn a profit? It's possible. And it's easier than you think. If you're like most entrepreneurs, you started your business so you could be your own boss, make the money you deserve, and live life on your own terms. In reality, you're bogged down in the daily grind, constantly putting out fires, answering an endless stream of questions, and continually hunting for cash. Now, Mike Michalowicz, the author of Profit First and other small-business bestsellers, offers a straightforward step-by-step path out of this dilemma. In Clockwork, he draws on more than six years of research and real life examples to explain his simple approach to making your business ultra-efficient. Among other powerful strategies, you will discover how to:
• Make your employees act like owners: Free yourself from micromanaging by using a simple technique to empower your people to make smart decisions without you.
• Pinpoint your business's most important function: Unleash incredible efficiency by identifying and focusing everyone on the one function that is most crucial to your business.
• Know what to fix next: Most entrepreneurs try to fix every inefficiency at once and end up fixing nothing. Use the "weakest link in the chain" method to find the one fix that will add the most value now. Whether you have a staff of one, one hundred, or somewhere in between, whether you're a new entrepreneur or have been overworked and overstressed for years, Clockwork is your path to finally making your business work for you.*

Explores the theological nature of science fiction, drawing on examples from television, literature, and films to explain how science fiction can help people understand not only who they are but who they will become.

Set in postwar Malaya at the time when people and governments alike are bemused and dazzled by the turmoil of independence, this three-part novel is rich in hilarious comedy and razor-sharp in observation. The protagonist of the work is Victor Crabbe, a teacher in a multiracial school in a squalid village, who moves upward in position as he and his wife maintain a steady decadent

Literature and the Law

NATIONAL BESTSELLER • PEN/HEMINGWAY AWARD WINNER • One of The New York Times 10 Best Books of the Year • A wondrous and shattering novel that follows twelve characters from Native communities: all traveling to the Big Oakland Powwow, all connected to one another in ways they may not yet realize. Among them is Jackie Red Feather, newly sober and trying to make it back to the family she left behind. One Oxendene, pulling his life together after his uncle's death and working at the powwow to honor his memory. Fourteen-year-old Orvil, coming to perform traditional dance for the very first time. Together, this chorus of voices tells of the plight of the urban Native American—grappling with a complex and painful history, with an inheritance of beauty and spirituality, with communion and sacrifice and heroism. Hailed as an instant classic, *There There* is at once poignant and unflinching, utterly contemporary and truly unforgettable.

Long ago in Germany, a storyteller's story and an apprentice clockwork-maker's nightmare meet in a menacing, lifelike figure created by the strange Dr. Kalmenius.

Seminar paper from the year 2002 in the subject English Language and Literature Studies - Literature, grade: 2,0, University of Cologne (Institut für Anglistik), course: Novels and their film adaptations, 9 entries in the bibliography, language: English, abstract: After the release of Stanley Kubrick's film version of "A Clockwork Orange" in 1971, Anthony Burgess's original novel of 1962 and the film were obstinately criticised to be senselessly brutal and it was (and is) said (until today) that both Burgess and Kubrick glorified violence with their works. Although in "A Clockwork Orange", a lot of different themes are dealt with - for example politics, music, art or themes of philosophical nature - the violence in the book and on screen are the most concerned about things when critics write about "A Clockwork Orange". But not only critics, also "normal" readers (or viewers) regard the violence to be the most remarkable thing about the whole book (or movie). One simply has to look at the website of the internet bookstore "Amazon" (www.amazon.de) to see that the main part of the readers' reviews for the book by Anthom Burgess comment on the violence and the brutal crimes committed by the story's protagonists: Alex, Dr.Larye and his "droogs": "It is interesting that most of the readers that commented on the book also gave a statement about Kubrick's film adaptation. It looks like the whole discussion about violence in "A Clockwork Orange" really first came up when Stanley Kubrick's movie version hit the theatres. But why this violence? Does it stand for itself? Are rape and murder obeyed fetishes of Burgess and Kubrick? Or is there something more in the story, that makes it indispensable to present violence in the extreme way Burgess and Kubrick did? This text will explain the function and the intention of presenting violence in "A Clockwork Orange". It will show the differences between the way of presenting violence in the original novel and the film version and why author and director decided to portray the protagonists' brutality in these ways, including the impact they have on the reader and the viewer. This text will conclude that in the novel and the film version, violence in "A Clockwork Orange" serves to discuss other and more important themes included in the story.

Anthony Burgess draws on his love of music and history in this novel he called "elephantine fun" to write. A grand and affectionate tragicomic symphony to Napoleon Bonaparte that teases and rewaves Napoleon's life into a pattern borrowed—in liberty, equality, and fraternity—from Beethoven's Third "Eroica" Symphony, in this rich, exciting, bowdy, and funny novel Anthony Burgess has pulled out all the stops for a virtuoso performance that is literary, historical, and musical.

Clockwork Or All Wound Up

Pirate Wars

A Mouthful of Air

Presents Burgess' satire of the present inhumanity of man to man through a futuristic culture where teenagers rule with violence, and includes the final chapter deleted from the first American edition.

"Set in 1970s Bombay, the novel explores art, ambition, gender roles and class with the same shimmering prose of Swamy's first book, the story collection A House Is a Body." —San Francisco Chronicle "[A] sublime, boundary-pushing exploration of sexuality, creativity, and love." —NPR In this transfixing novel, a young woman comes of age in 1960s- and 1970s-era Bombay, a vanished world that is complex and indelibly rendered.

*Vidya's childhood is marked by the shattering absence and then the bewildering reappearance of her mother and baby brother at the family home. Restless, observant, and longing for connection with her brilliant and increasingly troubled mother, Vidya navigates the stifling expectations of her life with a vivid imagination until one day she peeks into a classroom where girls are learning kathak, a dazzling, centuries-old dance form that requires the utmost discipline and focus. Her pursuit of artistic transcendence through kathak soon becomes the organizing principle of her life, even as she leaves home for college and falls in complicated love with her best friend. As the uncertain future looms, she must ultimately confront the tensions between romantic love, her art, and the legacy of her own imperfect mother. Lyrical and deeply sensual, with writing as mesmerizing as kathak itself, *Shruti Swamy's The Archer is a bold portrait of a singular woman coming of age as an artist—navigating desire, duty, and the limits of the body. It is also an electrifying and utterly immersive story about the transformative power of art, and the possibilities that love can open when we're ready.**

All But My Life is the unforgettable story of Gerda Weissmann Klein's six-year ordeal as a victim of Nazi cruelty. From her comfortable home in Bielitz (present-day Bielsko) in Poland to her miraculous survival and her liberation by American troops—including the man who was to become her husband—in Volary, Czechoslovakia, in 1945, Gerda takes the reader on a terrifying journey. Gerda's serene and idyllic childhood is shattered when Nazis march into Poland on September 3, 1939. Although the Weissmanns were permitted to live for a while in the basement of their home, they were eventually separated and sent to German labor camps. Over the next five years Gerda experienced the slow, inexorable stripping away of "all but her life." By the end of the war she had lost her parents, brother, home, possessions, and community; even the dear friends she made in the labor camps, with whom she had shared so many hardships, were dead. Despite her horrifying experiences, Klein conveys great strength of spirit and faith in humanity. In the darkness of the camps, Gerda and her young friends manage to create a community of friendship and love. Although stripped of the essence of life, they were able to survive the barbarity of their captors. Gerda's beautifully written story gives an invaluable message to everyone. It introduces them to last century's terrible history of devastation and prejudice, yet offers them hope that the effects of hatred can be overcome.

Her story closes in the present as the city has captured kids and teachers alike in the past fifteen years and has sold over 3.5 MILLION copies! The city of Ember was built as a last refuge for the human race. Two hundred years later, the great lamps that light the city are beginning to flicker. A thoroughly revised and updated edition of Thomas C. Foster's classic guide!a lively and entertaining introduction to literature and literary basics, including symbols, themes, and contexts!that shows you how to make your everyday reading experience more rewarding and enjoyable. While many books can be enjoyed for their basic stories, there are often deeper literary meanings interwoven in these texts. How to Read Literature Like a Professor helps us to discover those hidden truths by looking at literature with the eyes!and the literary codes!of the ultimate professional reader: the college professor. What does it mean when a literary hero travels along a dusty road? When he hands a drink to his companion? When he's drenched in a sudden rain shower? Ranging from major themes to literary models, narrative devices, and form, Thomas C. Foster provides us with a broad overview of literature!a world where a road leads to a quest, a shared meal may signify a communion, and rain, whether cleansing or destructive, is never just a shower!and shows us how to make our reading experience more enriching, satisfying, and fun. This revised edition includes new chapters, a new preface, and a new epilogue, and incorporates updated teaching points that Foster has developed over the past decade.

Join the pirate crew in their final spectacular adventure! Jolly, Griffin, and their pirate friends are back, battling to save the world from the evil Maelstrom. Griffin leaves his magic room in the belly of a giant whale to take on the lord of the kobalins. Princess Soledad fights to protect the sea star city and encounters an awe-inspiring serpent god. Together, Jolly and Munk make their way underwater to reach the center of the Maelstrom. There they meet the beautiful Aina, who is a poliwig like themselves but from an ancient time. Is she a girl or a ghost? A friend or an enemy? While the battle for the sea star city is raging, Jolly learns the shocking truth about Aina. As Jolly begins to understand the past, she realizes what she must do to save the whole Caribbean. But is she ready too late? This rip-roaring fantasy filled with nonstop action is a perfect ending to magical mastermind Kai Meyer's swashbuckling Wave Walkers trilogy.

"There are so few genuinely entertaining novels around that we ought to cheer whenever one turns up. Continuous, fizzing energy!Honey for the Bears is a triumph." |Kingsley Amis, New York Times A sharply written satire, Honey for the Bears sends an unassuming antiques dealer, Paul Hussein, to Russia to do one final deal on the black market as a favor for a dead friend's wife. Even on the ship's voyage across, the Russian sensibility begins to pervade: lots of secrets and lots of vodka. When his American wife is stricken by a painful rash and he is interrogated at his hotel by Soviet agents who know that he is trying to sell stylish synthetic dresses to the masses starved for fashion, his precarious inner balance is thrown off for good. More drink follows, discoveries of his wife's illicit affair with another woman, and his own submerged sexual feelings come breaking through the surface, bubbling up in Russian champagne and caviar.

Seminar paper from the year 2003 in the subject English Language and Literature Studies - Culture and Applied Geography, grade: 1,7, Ruhr-University of Bochum, course: Englischses Seminar: Subcultures in Post-War Britain, 14 entries in the bibliography, language: English, abstract: In 1974 - just two years after it had opened - the movie ¡A Clockwork Orange! by Stanley Kubrick was banned from British screens. It was Kubrick himself who decided to withdraw the film from distribution in the UK. Since Kubrick received death threats and threatening phone calls he hoped that the controversy would subside with the fading of memory. The film had been blamed for several violent acts and Kubrick and Anthony Burgess, the writer of the novel, were made responsible for them. In fact, the film caused a moral panic because of its violence. However, it seems interesting to me who is behind all this violence. I want to analyse how Alex and his droogs defend themselves. Are they rebels without a cause and if not, what are they rebelling against? I will try to take a look at the book and the film in context of subculture: how did subculture influence the works of Burgess and Kubrick, how is subculture presented in their works and how did they influence subculture afterwards?

The Archer

The Gospel According to Science Fiction

Station Eleven

Hired to resurrect a deceased friend, god to protect his rioting city, Tara, a first-year associate in an international necromantic firm, teams up with a chain-smoking, faith-questioning priest to build a case in the city's courts and investigates suspicions that the god was actually murdered. 20,000 first printing.

After returning from a trip to Brunei, Anthony Burgess, initially believing he has only a year to live, begins to write - novels, film scripts, television series, articles. It is the life of a man desperate to earn a living through the written word. He finds at first that writing brings little success, and later that success, and the obligations it brings, of fiction. There were vast Hollywood projects destined never to be made, novels the critics snarled at, journalism that scandalised the morally scrupulous. There is the éclat of A Clockwork Orange (and the consequent calls for Burgess to comment on violent atrocities), the huge success - after a long barren period - of Earthly Powers. Th his description of which is both painful and funny. His second marriage - and the discovery that he has a four-year-old son - changes his life dramatically, and he and Liana escape to the Mediterranean, for an increasingly European life. With this marriage comes the triumphant rebirth of sex, creative energy and travel - to America, to Australia. In this delightfully charming teen spin on You've Got Mail, the one guy Bailey Rydell can't stand is actually the boy of her dreams—she just doesn't know it yet. Classic movie buff Bailey "Mink" Rydell has spent months crushing on a witty film geek she only knows online as 'Alex.' Two coasts separate the teens until Bailey moves in with her California surfing town as her online crush. Faced with doubts (what if he's a creep in real life—or worse?), Bailey doesn't let Alex she's moved to his hometown. Or that she's landed a job at the local tourist-trap museum. Or that she's being heckled daily by the irritatingly hot museum security guard, Porter Roth—a.k.a. her new arch-nemesis. But the movies, especially when Bailey discovers that tricky fine line between hate, love, and whatever-it-is she's starting to feel for Porter. And as the summer months go by, Bailey must choose whether to cling to a dreamy online fantasy in Alex or take a risk on an imperfect reality with Porter. The choice is both simpler and more complex than she realizes, because Porter Roth is hiding a secret of his own: Porter is Alex...Approximately.

From the author of Edgar Award finalist Grit and The Lies They Tell comes a tense, atmospheric novel for fans of E. Lockhart and Marieke Nijkamp, about friendship, truth, and the creeping fears that can't be outrun. Whenever another kid goes missing in October, the kids in the old factory town of Pender know what is really behind it: a monster they call the Mumber. That's what Clara's new crew tells her when she moves to town. Bree and Sage, who take her under their wing. Spirited Trace, who has taken the lead on this year's Halloween prank war. And magnetic Kincaid, whose devil-may-care attitude and air of mystery are impossible for Clara to resist. Clara doesn't actually like Kincaid does. But as Halloween gets closer and tensions build in the town, it's hard to shake the feeling that there really is something dark and dangerous in Pender. Lurking in the shadows. Waiting to bring the stories to life.

4 starred reviews! Orange Is the New Black meets Walter Dean Myer 's Monster in this gritty, twisty, and haunting debut by Tiffany D. Jackson about a girl convicted of murder seeking the truth while surviving life in a group home. Mary B. Addison killed a baby. Allegedly. She didn' t say much in that first interview with detectives, and the media filled in the only blanks that mattered: a white baby had died while under the care of a churchgoing black woman and her nine-year-old daughter. The public convicted Mary and the jury made it official. But did she do it? There was " t a point to setting the record straight before, but now she ' s got Ted—and their unborn child—to think about. When the state threatens to take her baby, Mary ' s fate now lies in the hands of the one person she distrusts the most: her Momma. No one knows the real Momma. But does anyone know the real Mary?

What you are about to witness is the sequel to the classic novel " A Clockwork Orange ". Narrator Alex is trying to cope with his sociopathic mind to escape his old ways of Ultra-Violence. Alex has recently been freed from the sickness that accompanied his treatment. This tale follows the main character through his life, which is filled with memories of dreadful thoughts.

NATIONAL BESTSELLER • An audacious, darkly glittering novel set in the eerie days of civilization ' s collapse—the spellbinding story of a Hollywood star, his would-be savior, and a nomadic group of actors roaming the scattered outposts of the Great Lakes region, risking everything for art and humanity. Now an original series on HBO Max. Over one million copies sold! Kirsten Raymonde will never forget the night Arthur Leander, the famous Hollywood actor, had a heart attack on stage during a production of King Lear. That was the night when a devastating flu pandemic arrived in the city, and within weeks, civilization as we know it came to an end. Twenty years later, Kirsten moves between the settlements of the altered world with a small troupe of actors and musicians. They call themselves The Traveling Symphony, and they have dedicated themselves to keeping the remnants of art and humanity alive. But when they arrive in St. Deborah by the Water, they encounter a violent prophet who will threaten the tiny band ' s existence. And as the story takes off, moving back and forth in time, and vividly depicting life before and after the pandemic, the strange twist of fate that connects them all will be revealed. Look for Emily St. John Mandel ' s new novel, Sea of Tranquility, coming soon!

Anthony Burgess' A Clockwork Orange has become a cult classic among fans of dystopian fiction. The 1962 novel, which utilizes extreme violence as a method of questioning free will, received mixed reviews upon publication, with some critics praising the book and others condemning it. This informative volume explores the life and work of Anthony Burgess, focusing on themes of human nature, violence, and freedom of choice through the lens of A Clockwork Orange. Contemporary issues including gang violence and violence against women are also discussed.

How to Read Literature Like a Professor Revised

A Lively and Entertaining Guide to Reading Between the Lines

A unique book that explores the intersections of law and literature through engaging and entertaining stories, book chapters, poems, plays, and articles along with discussion topics, Literature and the Law is the only available book of its kind. This text covers a comprehensive variety of topics in law and literature utilizing shorter, thought-provoking, less canonical works of fiction from such authors as Herman Melville, Harper Lee, Agatha Christie, Nathaniel Hawthorne, Cynthia Ozick, Albert Camus, and more. This approach welcomes students to develop fresh ideas through exposure to writers and stories primarily new to them. The accessibility and adaptability of this text will make it a new classroom favorite for you and your students: Engaging discussion questions following each story prompt instructors and students, alike, to explore a wide range of topics: professional ethics, justice, the lives of lawyers, the role of lawyers, the legal system, the psychology of lawyering, philosophy, and more An extensive, annotated list of complementary readings at the end of each chapter offers teachers and students a rich and varied choice beyond the selected texts An adaptable nature makes it suitable for a wide variety of teaching schemes and literary tastes. It reinforces the strengths that teachers bring to the subject while filling in background information and offering texts for those areas with which they are less familiar, making it an ideal source for professors to integrate into their current teaching materials

“Ace of Shades has it all ...an utter delight.” —Claire Legrand, New York Times bestselling author of Furyborn From the New York Times bestselling coauthor of All of Us Villains. Welcome to the City of Sin, where casino families reign, gangs infest the streets...and secrets hide in every shadow. New Reynes, the so-called City of Sin, is no place for a properly raised young lady. But when her mother goes missing, Enne Salta must leave her finishing school—and her reputation—behind to follow her mother's trail in the city where no one survives uncorrupted. Frightened and alone, Enne's only clue leads her to Levi Glaiyser—a street lord and a con man in desperate need of the compensation Enne offers. Their search sends this unlikely duo through glamorous casinos, illicit cabarets, and into the clutches of a ruthless Mafia donna. But as Levi's enemies close in on them, a deadly secret from Enne's past comes to light and she must surrender herself to the City of Sin — to a vicious game of execution... Where the players never win. Praise for Ace of Shades: “A rich, satisfying, complicated story.
