New and uncollected stories from the beloved author of The Last Unicorn

#1 NEW YORK TIMES BESTSELLER #1 INTERNATIONAL BESTSELLER A heartbreaking and hilarious memoir by iCarly and Sam & Cat star Jennette McCurdy about her struggles as a former child actor—including eating disorders, addiction, and a complicated relationship with her overbearing mother—and how she retook control of her life. Jennette McCurdy was six years old when she had her first acting audition. Her mother’s dream was for her only daughter to become a star, and Jennette would do anything to make her mother happy. So she went along with what Mom called “calorie restriction,” eating little and weighing herself five times a day. She endured extensive at-home makeovers while Mom chided, “Your eyelashes are invisible, okay? You think Dakota Fanning doesn’t tint hers?” She was even showered by Mom until age sixteen while sharing her diaries, email, and all her income. In I’m Glad My Mom Died, Jennette recounts all this in unflinching detail—just as she chronicles what happens when the dream finally comes true. Cast in a new Nickelodeon series called iCarly, she is thrust into fame. Though Mom is ecstatic, emailing fan club moderators and getting on a first-name basis with the paparazzi (“Hi Gale!”), Jennette is riddled with anxiety, shame, and self-loathing, which manifest into eating disorders, addiction, and a series of unhealthy relationships. These issues only get worse when, soon after taking the lead in the iCarly spinoff Sam & Cat alongside Ariana Grande, her mother dies of cancer. Finally, after discovering therapy and quitting acting, Jennette embarks on recovery and decides for the first time in her life what she really wants. Told with refreshing candor and dark humor, I’m Glad My Mom Died is an inspiring story of resilience, independence, and the joy of shampooing your own hair.

The long-awaited sequel to the popular classic *The Last Unicorn* is the centerpiece of the powerful collection of new tales from a fantasy master. As longtime fans have come to expect, the stories are written with a grace and style similar to fantasy's most original voices, such as J.R.R. Tolkien, Fritz Leiber, and Kurt Vonnegut. Traditional themes are typically infused with modern sensibilities--reincarnated lovers and waning kings run shoulders with heroic waifs; Schmendrick and Magician returns to adventure, as does the ghost of an off-Broadway actor and a dream-stealing shapeshifter; and Gordon, the delightfully charming "self-made cat," appears for the first time in print, taking his place alongside Stuart Little as a new favorite of the young at heart. This wide-ranging compilation contains sly humor and a resounding depth that will charm fans of literary fantasy.

A collection of stories inspired by Mary Shelley's classic monster includes Kurt Vonnegut's "Fortitude" as well as contributions by Brian W. Aldiss, S. P. Somtow, Katherine Dunn, Isaac Asimov, Loren D. Estleman, and Charles de Lint. Reprint.

On a cold, dark winter day during the Second World War, a young Alan Bradley found hidden beneath a floorboard in his mother's bedroom closet a well-worn cardboard shoebox. At the time, he could make little sense of the ragtag things he found inside: cigarette packages, soup can labels, handbills, calendars, paper bags, pie boxes—any scrap of paper upon which his mother could copy out, in her old-fashioned handwriting, what seemed to be no more than unrelated snippets of Scripture. He only knew that the box, which he would later come to think of as the Shoebox Bible, had something to do with the fact that his father had run away from home. Many years would pass, and his mother would be on her deathbed before he would once again hold this treasure in his

hands. And only then would he put together the pieces of the puzzle, and learn the complete truth. Beautifully and lovingly told, *The Shoebox Bible* is a wonderful memoir of a precocious family who manage to live and love despite the absence of their father. Interspersed with heartbreaking quotations from the Old and New Testaments, this sad, funny, and above all inspiring story will appeal to readers who fell in love with such inspirational books as *Tuesdays with Morrie* and *Mister God, This Is Anna*.

Looking for trouble, Ellery Queen descends on a small town At the tail end of the long summer of 1940, there is nowhere in the country more charming than Wrightsville. The mystery author is hoping for fodder for a novel, and he senses the corruption that lurks beneath the apple pie façade. He rents a house owned by the town's first family, whose three daughters star in most of the local gossip. One is fragile, left at the altar three years ago and never recovered. Another is engaged to the city's rising political star, an upright man who's already boring her. And then there's Lola, the divorced, bohemian black sheep. Together, they make a volatile combination. With only a sardonic raven and a pair of increasingly regretful ghosts as companions. Rebeck has forgotten what life is really about. That is until a lonely widow visits the mausoleum where her late husband - and Rebeck - reside, giving the reclusive Rebeck the courage to perform the most magnanimous gesture of his misspent life.

Incisive essays on Patty Hearst and Reagan, the Central Park jogger and the Santa Ana winds, from the New York Times—bestselling author of *South and West*. In these eleven essays covering the national scene from Washington, DC; California; and New York, the acclaimed author of *Slouching Towards Bethlehem* and *The White Album* “capture[s] the mood of America” and confirms her reputation as one of our sharpest and most trustworthy cultural observers (*The New York Times*). Whether dissecting the 1988 presidential campaign, exploring the commercialization of a Hollywood murder, or reporting on the “sideshow” of foreign wars, Joan Didion proves that she is one of the premier essayists of the twentieth century, “an articulate witness to the most stubborn and intractable truths of our time” (Joyce Carol Oates, *The New York Times Book Review*). Highlights include “In the Realm of the Fisher King,” a portrait of the White House under the stewardship of Ronald and Nancy Reagan, two “actors on location;” and “Girl of the Golden West,” a

meditation on the Patty Hearst case that draws an unexpected and insightful parallel between the kidnapped heiress and the emigrants who settled California. "Sentimental Journeys" is a deeply felt study of New York media coverage of the brutal rape of a white investment banker in Central Park, a notorious crime that exposed the city's racial and class fault lines. Dedicated to Henry Robbins, Didion's friend and editor from 1966 until his death in 1979, *After Henry* is an indispensable collection of "superior reporting and criticism" from a writer on whom we have relied for more than fifty years "to get the story straight" (Los Angeles Times).

Ellery Queen, Detective (a Dell Comic Reprint)

This book examines the implications of new communication technologies in the light of the most recent work in social and cultural theory and argues that new developments in electronic media, such as the Internet and Virtual Reality, justify the designation of a "second media age".

It is the summer of 1950 - and at the once-grand mansion of Buckshaw, young Flavia de Luce, an aspiring chemist with a passion for poison, is intrigued by a series of inexplicable events: A dead bird is found on the doorstep, a postage stamp bizarrely pinned to its beak. Then, hours later, Flavia finds an man lying in the cucumber patch and watches him as he takes his dying breath. For Flavia, who is both appalled and delighted, life begins in earnest when murder comes to Buckshaw. "This was by far the most interesting thing that had ever happened to me in my entire life."

"The world's greatest adolescent British chemist/busybody/sleuth" (The Seattle Times), Flavia de Luce, returns in a twisty new mystery novel from award-winning and New York Times bestselling author Alan Bradley. In the wake of an unthinkable family tragedy, twelve-year-old Flavia de Luce is struggling to fill her empty days. For a needed escape, Dogger, the loyal family servant, suggests a boating trip for Flavia and her two older sisters. As their punt drifts past the church where a notorious vicar had recently dispatched three of his female parishioners by spiking their communion wine with cyanide, Flavia, an expert chemist with a passion for poisons, is ecstatic. Suddenly something grazes against her fingers as she dangles them in the water. She clamps down on the object, imagining herself as Ernest Hemingway battling a marlin, and pulls up what she expects will be a giant fish. But in Flavia's grip is something far better: a human head, attached to a human body. If anything could take Flavia's mind off sorrow, it is

solving a murder—although one that may lead the young sleuth to an early grave.

A Time of Mourning introduces Sandro Cellini, ex-cop and private detective: Florence's answer to Donna Leon's Guido Brunetti. But as he investigates the circumstances of Claudio Gentileschi's death more closely, the connections between the cases multiply, and Sandro's first case turns out to be darker and more complex than he could have imagined...
