

## **A Great Day At The Office Simple Strategies To Maximize Your Energy And Get More Done More Easily**

Undaunted by the rainy weather, three children take their happiness outside and seem to chase the clouds away as they jump, skip, and dance together.

Today is a Good Day, Today is a Great Day. The story describes a little girl enjoying her day at the beach. She experiences all the different elements the beach has to offer. The swirling wind blowing threw her hair, gathering seashells, feeling the waves tickling her toes, and watching the seagulls soar across the sky are only a few mentioned. This little girl's day wasn't only a good day; her day at the beach was a Great Day!

Millie wakes up one morning knowing she was going to have a great day! After a few mishaps she finds herself not having the day she planned. Every way she turns something negative affects her. After almost losing hope she runs to her loving dad who gives her a lesson on positive attitudes. Join Millie in finding her true potential and hopefully you can find yours too. Everyone has great potential and sometimes we need our father to tell us that.

"The tiger has a plan to escape from the zoo and find his real home -- all he needs is some help from his best friend, the cat"--

How Microdosing Made a Mega Difference in My Mood, My Marriage, and My Life

Have a Great Day

A Commentary on Revelation

A Great Day to Skate

'**Make It A Good Day**' offers easy ideas to make each day a good one. Colorful illustrations accompanied by a playful rhyme make this an uplifting book for children, and great for adults too. The useful, twenty-four-hour tips offered can be practiced on both good days and the harder ones. Simple and affirming, '**Make It A Good Day**' serves as a guide to creating a positive routine for all who read it.

This book is the second in the series written by Gramma Golden to educate children and adults about their responsibility to help improve the environment. In the previous book, Bird Lady was hopeful she would once more see her two colorful friends who taught her so many valuable lessons about gardening. While she was not certain they would return, she remained hopeful. The main characters in the series, Mort and Ort Aahkamort, suddenly surprise Bird Lady on a beautiful beach to teach her more lessons about nature. This time, the lessons are about harmful effects on marine wildlife and shorebirds caused by litter and plastics carelessly left scattered on the beach. Once Bird Lady learns about these harmful effects, she makes it her mission to educate others. You will meet two new characters, Pete the Pilot and Ebenezer, her giraffe walking stick, as they join her on her journey.

From the New York Times bestselling author Darynda Jones comes the second novel in her laugh-out-loud Sunshine Vicram mystery series, A Good Day for Chardonnay. Running a small-town police force in the mountains of New Mexico should be a smooth, carefree kind of job. Sadly, full-time Sheriff--and even fuller-time coffee guzzler--Sunshine Vicram, didn't get that memo. All Sunshine really wants is one easy-going day. You know, the kind that starts with coffee and a donut (or three) and ends with take-out pizza and a glass of chardonnay (or seven). Turns out, that's about as easy as switching to decaf. (What kind of people do that? And who hurt them?) Before she can say iced mocha latte, Sunny's got a bar fight gone bad, a teenage daughter hunting a serial killer and, oh yes, the still unresolved mystery of her own abduction years prior. All evidence points to a local distiller, a dangerous bad boy named Levi Ravinder, but Sun knows he's not the villain of her story. Still, perhaps beneath it all, he possesses the keys to her disappearance. At the very least, beneath it all, he possesses a serious set of abs. She's seen it. Once. Accidentally. Between policing a town her hunky chief deputy calls four cents short of a nickel, that pesky crush she has on Levi which seems to grow exponentially every day, and an irascible raccoon that just doesn't know when to quit, Sunny's life is about to rocket to a whole new level of crazy. Yep, definitely a good day for chardonnay. Praise for the Sunshine Vicram series "Laugh-out-loud funny, intensely suspenseful, page-turning fun."--New York Times Bestselling author Allison Brennan "A Bad Day For Sunshine is a great day for the rest of us."--New York Times bestselling author Lee Child \*Best of Suspense Magazine 2021\*

Organized around seven factors that determine whether we have a good day at work, Webb offers specific tools to use based on how our brains work, and she shows how to incorporate them into conversations, meetings, and projects in a way that will increase productivity, confidence, and enjoyment.

A Great Day to Fight Fire

The Novel of a Great Day

This book is a collection of short inspirational stories written by unknown authors. I've gathered these stories throughout the inspirational stories that touched my heart and made me a better person - are compiled in this book. My goal is to bring the readers and to ignite, inspire and encourage their hearts. Once you pick up this book - please read it slowly. Take your time. I words coming through your mind and your heart. Enjoy each and every one of these stories. Give them the opportunity to to yourself what can you learn by reading the story? How can it affect your life? Can you become a better and hap-pier person?

some stories more inspirational than the others. Some will make you cry. Some will make you laugh. Remember that all the stories are designed to inspire and encourage you. I truly hope that you get as much fun and inspiration from reading this book, as I did from writing it.

Describes how to make every day an extraordinary day by saturating oneself in Jesus's grace, allowing the day to be filled with purpose regardless of the minor setbacks everyday life holds.

The Bible book of Revelation is a prophetic warning of God's judgment upon mankind. It was presented in visions to Apostle John and transmitted it to the early congregations at the beginning of the Christian era. An accurate understanding of the Word of God in Revelation more specifically can mean the difference between life or death, the difference between an eternal life of bliss in heaven or eternal death in the lake of fire. Apocalyptic Visions endeavors to provide such an understanding. Revelation reveals the cosmic spiritual battle between God and Satan. It is a struggle for the very souls of mankind. Satan has made a challenge to the sovereignty of God, and Revelation brings it to a close. There are four distinct principles in Revelation, and a clear understanding of these principles and their interaction brings God's plan for mankind into focus. The serpent and his seed are at war with a woman and her seed. Let those who wish to please God be well informed with his will and commands. Those who live in accordance with the will of God will receive the blessings of the kingdom of God.

Great Day for Up!

Bird Lady Meets Mort and Ort in It'S a Great Day for Walking the Beach!

The Great Day

Slimy Oddity's Guide to Happiness

A Great Day for the Deadly

Have a Great Day! a collection of inspirational short stories

In simple text this book follows the daily activities of a young boy who is always the first in every activity--waking up, eating breakfast, playing, and getting ready for bed.

Mann Gulch, Montana, 1949. Sixteen men ventured into hell to fight a raging wildfire; only three came out alive. Searing the fire into the nation's consciousness, Norman Maclean chronicled the Mann Gulch tragedy in his award-winning book *Young Men and Fire*.

Still, the silence of the victims' families robbed Maclean's account of an essential personal dimension. Shifting the focus from the fire to the men who fought it, Mark Matthews now provides that perspective. Not until 1999—the fiftieth anniversary of the fire—did people begin to talk openly about Mann Gulch. Matthews has garnered those thoughts to reveal how devastating the fire was to the firefighters' family members, coworkers, and friends. In retelling the story of Mann Gulch, he draws on the testimony of the three survivors—including never-before-published insights from the last living member of the team—and interviews with former smoke jumpers of that era. The result is a moment-by-moment, heart-stopping re-creation of events. The Mann Gulch tragedy provoked the Forest Service to develop safety equipment and training programs, but fighting wildfires is still a perilous job. Matthews' stirring account renews our respect for one of nature's primal forces. A heartbreakingly human story, it still haunts a firefighting community—and keeps today's firefighters forever on guard.

Let love and light into your life with this vivid illustrated guide to happiness.

Containing simple yet profound affirmations this highly giftable small hardback will help you develop a mindful practise that builds joy and contentment. Whether in observing the beauty of the natural world or developing a creative habit, this book teaches you to be thankful for the present moment. The cool and contemporary artwork from Instagram artists Slimy Oddity convey ancient and fundamental pieces of wisdom for fostering positivity in a way that is fresh, fun, and on-trend. The immediacy of the affirmations will help you concentrate on wellness and mindfulness, and the colours, fun blob characters and simplicity of the text means it can also be an introduction to mindfulness. Let the magic of the universe into your life, and remember that Today Will Be a Great Day!

The #1 New York Times–bestselling author of *The Power of Positive Thinking* provides a treasure trove of daily inspiration. To have a great day every day it helps to think great thoughts and to concentrate on at least one every day. Philosopher, self-help innovator, and minister, Norman Vincent Peale invites readers to *Have a Great Day . . . every day!* The influential author whose groundbreaking bestseller, *The Power of Positive Thinking*, changed millions of lives all over the world now offers inspiration for every day of the year with an uplifting volume of positive thought to nourish our souls and spirits, and help us through even the darkest of times. From profound “thought conditioners,” accentuating the everyday positive, to “spirit lifters” devised to help us soar above our troubles, Dr. Peale's effective affirmations are “daily vitamins” keeping us mentally and spiritually healthy throughout each and every day of the year. Each dose of Dr. Peale's thought-provoking words of wisdom addresses a specific topic in a wide range of emotional, psychological, and physical concerns—from tapping into our inner strengths to dealing with criticism and negativity, from achieving our personal and

professional goals to learning how to release tension and relax. Have a Great Day will gladden the heart with essential insights and inspirations to help each of us live every day to its fullest.

Daily Thoughts for Children

A Day-by-day Guide to Living Your Best Life

The Choice Is Yours

A Really Good Day

Neighborly Words of Wisdom from Mister Rogers

A Beautiful Day in the Neighborhood

A cheerful book full of fun quests about animals eating, playing, and sleeping in the woods. For toddlers ages 30 months and up, with a focus on the world around the child. In the forest live all kinds of cute animals. They feast on nuts and berries, play hide-and-seek, or lie sound asleep on a bed of twigs and leaves. Can you see the eating hedgehog, the playing squirrels, and the sleeping owl? And where's Rabbit?

As St. Patrick's Day nears, a retired FBI agent must solve a sinful crime near a small-town convent: "[An] engrossing murder case . . . enjoyable" (Publishers Weekly). Her childhood friends wanted careers, but Brigit Ann Reilly spent her youth looking forward to her wedding—her wedding to God. When she finally gets to don the habit, her new order sends her to Maryville, where a former sister is poised to become Rome's first Irish-American saint. Brigit has no time to worry about Vatican politics. She's about to become a martyr herself. Brigit is found dead in the basement of her local library, her corpse swarming with ten poisonous water moccasins. When ex-FBI investigator Gregor Demarkian hears of her death, he is puzzled by two things: Water moccasins are not native to upstate New York, and Brigit died of hemlock poisoning, not the snakes' venom. As Maryville whips itself into a pious frenzy in search of evidence for its hometown hero's sainthood, Demarkian will attempt his own miracle by finding justice for the murdered young nun.

Daniel finds the poetry in the everyday activities of his own neighborhood, in this gorgeous companion to Ezra Jack Keats Award winner Daniel Finds a Poem. The people in Daniel's neighborhood always say, "Have a good day!" But what exactly is a good day? Daniel is determined to find out, and as he strolls through his neighborhood, he finds a wonderful world full of answers as varied as his neighbors. For Emma, a good day means a strong wind for kite flying. For the bus driver, a good day means pleases and thank-yous. A good day is bees for the gardener, birthdays for the baker, and wagging tails for the mail carrier. And, for Daniel's grandma, a good day is a hug from Daniel! And when Daniel puts all these good days together, they make a lovely poem full of his neighbors' favorite things. Micha Archer's vivid collages bring to life one special day, and her inviting text celebrates a vibrant community and an appreciation for the many simple things that give us joy.

The book is centered around themes of calmness/peace, focusing on solutions, sources of support, gratitude, progress (not perfection), feelings, open-mindedness, perseverance, integrity, kindness, leadership, and self-control. Through a variety of Think About It or Try It Out! Action Bursts at the end of many daily entries, questions, activities, and ideas support the exploration of these topics in further detail. The short readings may be used within homes, schools, specialized programs for children, or places of worship as a positive way to begin or end the day together. These short readings may be read by theme, focusing on one theme at a time, or by date. With these short, mini-lessons each day, young children will have time to explore, think about, and act on important topics for social wellness and character-building.

Daniel's Good Day

This Beautiful Day

By the author of *Rosemary's Baby*, a horrifying journey into a future only Ira Levin could imagine. Considered one of the great dystopian novels—alongside Anthony Burgess's *A Clockwork Orange* and Aldous Huxley's *Brave New World*—Ira Levin's frightening glimpse into the future continues to fascinate readers even forty years after publication. The story is set in a seemingly perfect global society. Uniformity is the defining feature; there is only one language and all ethnic groups have been eugenically merged into one race called "The Family." The world is ruled by a central computer called UniComp that has been programmed to keep every single human on the surface of the earth in check. People are continually drugged by means of regular injections so that they can never realize their potential as human beings, but will remain satisfied and cooperative. They are told where to live, when to eat, whom to marry, when to reproduce. even the basic facts of nature are subject to the UniComp's will—men do not grow facial hair, women do not develop breasts, and it only rains at night. With a vision as frightening as any in the history of the science fiction genre, *This Perfect Day* is one of Ira Levin's most haunting novels.

The true story of how a renowned writer's struggle with mood storms led her to try a remedy as drastic as

it is forbidden: microdoses of LSD. Her revealing, fascinating journey provides a window into one family and the complex world of a once-infamous drug seen through new eyes. When a small vial arrives in her mailbox from "Lewis Carroll," Ayelet Waldman is at a low point. Her moods have become intolerably severe; she has tried nearly every medication possible; her husband and children are suffering with her. So she opens the vial, places two drops on her tongue, and joins the ranks of an underground but increasingly vocal group of scientists and civilians successfully using therapeutic microdoses of LSD. As Waldman charts her experience over the course of a month--bursts of productivity, sleepless nights, a newfound sense of equanimity--she also explores the history and mythology of LSD, the cutting-edge research into the drug, and the byzantine policies that control it. Drawing on her experience as a federal public defender, and as the mother of teenagers, and her research into the therapeutic value of psychedelics, Waldman has produced a book that is eye-opening, often hilarious, and utterly enthralling.

From a writer "whose genre-jumping refusal to be pinned down [makes him] an exemplar of our era" (NPR), a new book that confirms his power to astound readers. As a child Geoff Dyer spent long hours making and blotchily painting model fighter planes. So the adult Dyer jumped at the chance of a residency aboard an aircraft carrier. Another Great Day at Sea chronicles Dyer's experiences on the USS George H.W. Bush as he navigates the routines and protocols of "carrier-world," from the elaborate choreography of the flight deck through miles of walkways and hatches to kitchens serving meals for a crew of five thousand to the deafening complexity of catapult and arresting gear. Meeting the Captain, the F-18 pilots and the dentists, experiencing everything from a man-overboard alert to the Steel Beach Party, Dyer guides us through the most AIE (acronym intensive environment) imaginable. A lanky Englishman (could he really be both the tallest and the oldest person on the ship?) in a deeply American world, with its constant exhortations to improve, to do better, Dyer brilliantly records the daily life on board the ship, revealing it to be a prism for understanding a society where discipline and conformity, dedication and optimism, become forms of self-expression. In the process it becomes clear why Geoff Dyer has been widely praised as one of the most original—and funniest—voices in literature. Another Great Day at Sea is the definitive work of an author whose books defy definition.

Filled with 151 easy-to-do strategies and activities, Robin McClure gives the best tips for helping children get excited and make the most of their school day, every day.

How to Have a Good Day

A Good Day

151 Ways to Help Your Child Have a Great Day at School

A Big Day for Baseball

365 Ways to Have a Good Day

**The alarm clock rings in a new day and a chance to rejoice in it. After all: "This is the day the Lord has made. We will rejoice and be glad in it." But what about those days when the traffic snarls, airports close, and friends forget? Is there any hope for the days riddled with the hang-ups and bang-ups of life? In Great Day Every Day Max Lucado unpacks Jesus' blueprint for dealing with such days: Saturate your day in Jesus' grace. Entrust your day to His oversight. Accept His direction. It's the only prescription to fill your day with God-given purpose. When you find the divine promise of each day, you can face whatever it brings. Speed bumps and speeding tickets won't derail you. Hiccups and hard times don't have**

**to ruin your day. In fact those days can become great days. Whatever you face, you can have a great day every day.**

**Previously released as Every Day Deserves a Chance**

**A young boy and his friends have fun at the skate park. They go up and down ramps, loops, and a tunnel.**

**A Wonderful Day! is an engaging early reader that playfully depicts the shared experiences of child and parent who are enjoying a day together at the zoo. This unique story is beautifully told in a gender-neutral text that captures many of the special moments children and adults often treasure and share together.**

**What can turn a bad day into a good day? You decide.**

**A Beautiful Day in the Neighborhood (Movie Tie-In)**

**Make It a Good Day**

**A Great Day for Pup!**

**Today Will Be a Great Day!**

**This Perfect Day**

**Mann Gulch, 1949**

The New York Times Best Seller For the first time ever, 75 beloved songs from Mister Rogers' Neighborhood and The Children's Corner are collected in this charmingly illustrated treasury, sure to be cherished by generations of children as well as the millions of adults who grew up with Mister Rogers. It's you I like. It's not the things you wear, It's not the way you do your hair— But it's you I like. From funny to sweet, silly to sincere, the lyrics of Mister Rogers explore such universal topics as feelings, new siblings, everyday life, imagination, and more. Through these songs—as well as endearing puppets and honest conversations—Mister Rogers instilled in his young viewers the values of kindness, self-awareness, and self-esteem. But most of all, he taught children that they are loved, just as they are. Perfect for bedtime, sing-along, or quiet time alone, this beautiful book of meaningful poetry is for every child—including the child inside of every one of us.

Laid off from his sales rep job, Robert Paul decides to pursue his dream of becoming a writer and unexpectedly pens a best seller, but when his new world compromises his marriage, he receives unexpected guidance from a stranger.

Eating, Playing, Sleeping in the Forest

A Coloring Storybook

A Wonderful Day!

Life Aboard the USS George H.W. Bush

The Poetry of Mister Rogers

**This book is the third in the series written by Gramma Golden to educate children and adults about their responsibility to help improve the health and well-being of upcoming generations. It is a coloring book conversation that raises awareness of childhood bullying and the need to encourage and practice kindness and healthy eating lifestyles. The story picks up from book two as Bird Lady arrives home from taking a vacation at the beach. While flying home, she finds her airplane seat and seatbelt to be a bit tight and uncomfortable as are her shoes. She attributes it to possibly eating too much food while on vacation and vows to do a much better job of choosing what to eat when she gets back home. The following day, she embarks on her grocery shopping trip with the intent to fill her cupboards, refrigerator and freezer with her favorite foods. Suddenly, through the mist of the water sprayer over the fresh vegetables in the supermarket, she sees the main characters of the book, her friends Mort and Ort Aahkamort. They are the colorful pair of birds who have taught her lessons before about gardening and caring for the environment. She is hopeful they might teach her this time about making better food choices. They all decide to go visit awhile in the coffee shop where Bird Lady confesses to them her seat, seatbelt and shoes all felt tight on the trip home. She also shared she had been bullied as a child and how she had been left out of many activities growing up. The remainder of the story revolves around their plan to help Bird Lady consider exercising more, practice wise shopping habits, eating healthy foods, and sharing her story about how bullying affected her. She realizes her desire is to teach children to treat others with kindness.**

**HOW ARE THE NEXT TWELVE MONTHS LOOKING FOR YOU? PRETTY MUCH THE SAME AS LAST YEAR? OR ARE YOU READY FOR BETTER? 365 WAYS TO HAVE A GOOD DAY is a full year's worth of daily inspiration, tools, habits, actions, and rituals that will help you live your best life. You'll discover surprising insights from psychologists, business leaders, entrepreneurs and designers. You'll explore the benefits of Feierabends and Laughies, have your eyes opened by a dance psychologist, and find out why one senior executive's tattooed fingers help him make the right career choices. You'll learn habit-forming strategies, pick up helpful hacks, and uncover tips for lasting change - all brought to life through real examples and thought-provoking stories that will get you looking at life differently. You'll meet a cast of characters from around the world who know all about creating success, from the founder of a billion-dollar mindfulness company in California to the Hollywood screenwriter who takes up to eight showers a day to fuel his ideas, and from the Harvard Business School professor who discovered more joy at work by wearing red trainers to the man who every Friday for five years set up a table in central NYC to give advice to strangers, including a gang member on the run. 365 WAYS TO HAVE A GOOD DAY focuses on the small stuff you can do every day to make life better. Because when you get the little things right, the big things follow. Things like figuring out where you're going, hitting reset, designing the life you want, breaking through limiting beliefs, and creating success on your own terms. And when you find what works for you, you can do more of it, making you more productive, more fulfilled, and much happier. IT'S TIME TO SEIZE THE DAY. ALL 365 OF THEM.**

The most remarkable story ever revealed starts like this: "...And war broke out in heaven: Michael and his

angels fought with the dragon...” The Great Day is anchored on the allegorical story of the woman in Revelation 12 and her adversary, which led to the war in heaven—the root of all wars and woes on earth. In her, the unchangeable and eternal purpose of God for humanity was perfectly sealed. The author presents three stages of war by her Antagonist—a first war in heaven, then many wars on earth—, then a final war from heaven before the messianic kingdom of Christ. The result is a prophecy book that is almost as dramatic and moving as a novel, yet it’s not a fiction. Interpreting the entire end-time prophecies from this vantage point, is what sets this book apart from the rest. In particular, four unique discoveries have transformed this book to a new prophetic treasure that every Christian must possess. The reader will discover early in the book, how the invention of another woman—Asherah, the mother of Baal, later coded as Babylon in Revelation 17 became Satan’s greatest game changer. Who is the real Gog and Magog—the Antichrist that would occupy Israel? Why Russia is not the Gog of Magog of Ezekiel’s prophecy. Understanding the sequence and purpose of the 21 plagues—the seven seals and the sets of retributory plagues of tribulation—seven trumpets and seven bowls of wrath. How are the unleashing of these unprecedented apocalyptic plagues linked to the two powerful prophets in Revelation 11? What will be the roles of the armies of raptured saints following King Jesus for the Armageddon war? The Great Day is a must read for every Christian concerned about the end-time—our eternal destiny. The entire kingdom agenda of Jesus is about the End-times
