"The Girl with Ghost Eyes is a fun, fun read. Martial arts and Asian magic set in Old San Francisco make for a fresh take on urban fantasy, a wonderful story that kept me up late to finish." —#1 New York Times bestselling author Patricia Briggs It's the end of the nineteenth century in San Francisco's Chinatown, and ghost hunters from the Maoshan traditions of Daoism keep malevolent spiritual forces at bay. Li-lin, the daughter of a renowned Daoshi exorcist, is a young widow burdened with yin eyes—the unique ability to see the spirit world. Her spiritual visions and the death of her husband bring shame to Li-lin and her father—and shame is not something this immigrant family can afford. When a sorcerer cripples her father, terrible plans are set in motion, and only Li-lin can stop them. To aid her are her martial arts and a peachwood sword, her burning paper talismans, and a wisecracking spirit in the form of a human eyeball tucked away in her pocket. Navigating the dangerous alleys and backrooms of a male-dominated Chinatown, Li-lin must confront evil spirits, gangsters, and soulstealers before the sorcerer's ritual summons an ancient evil that could burn Chinatown to the ground. With a rich and inventive historical setting, nonstop martial arts action, authentic Chinese magic, and bizarre monsters from Asian folklore, The Girl with Ghost Eyes is also the poignant story of a young immigrant searching to find her place beside the long shadow of a demanding father and the stigma of widowhood. In a Chinatown caught between tradition and modernity, one woman may be the key to holding everything together. Skyhorse Publishing, under our Night Shade and Talos imprints, is proud to publish a broad range of titles for readers interested in science fiction (space opera, time travel, hard SF, alien invasion, near-future dystopia), fantasy (grimdark, sword and sorcery, contemporary urban fantasy, steampunk, alternate history), and horror (zombies, vampires, and the occult and supernatural), and much more. While not every title we publish becomes a New York Times bestseller, a national bestseller, or a Hugo or Nebula award-winner, we are committed to publishing quality books from a diverse group of authors.

An outrageously funny book about middle-aged women that reexamines romance, lust, and gender norms Lee Soyeon, Myeong-ok, and Yeonjeong are all mothers in their mid-fifties. And they've had it. They can no longer bear the dead weight of their partners or the endless grind of menial jobs where their bosses control everything, down to how much water they can drink. Although Lee Soyeon divorced her husband years ago after his gambling drove their family into bankruptcy, she finds herself in another tired and dishonest decade-long relationship with Jongseok, a slimy waiter at a nightclub. Meanwhile, Myeong-ok is having an illicit affair with a younger man, and Yeonjeong, whose husband suffers from erectile dysfunction, has her eye on an acquaintance from the gym. Bored with conventional romantic dalliances, these women embrace outrageous sexual adventures and mishaps, ending up in nightclubs, motels, and even the occasional back-alley brawl. With this boisterous and darkly funny manhwa, Yeong-shin Ma defies the norms of the traditional Korean family narrative, offering instead the refreshingly honest and unfiltered story of a group of middle-aged moms who yearn for something more than what the mediocre men in their lives can provide. Despite their less-than-desirable jobs, salaries, husbands, and boyfriends, these women brazenly bulldoze their way through life with the sexual vulnerability and lust typically attributed to twenty-somethings. Born and raised in its countryside, Kyouhei immediately clashes with his next door neighbor, an outgoing playboy called Takara, when he moves to Tokyo. As someone who's always been teased for being a country bumpkin, he doesn't exactly have much in common with an extroverted city boy. But when Takara makes a move on him one day, Kyouhei can't get it out of his mind. Even though he can barely stand Takara, he can't help finding himself strangely drawn to him. But Kyouhei's not looking for a one night stand; he's looking for serious love!
