“Offers valuable life-saving guidelines for ordinary people who find themselves suddenly caught in the middle of a horrible ongoing deadly situation.” —J. Wayne Fears, author of *The Scouting Guide to Survival It’s never going to be you*. Then one day you hear the clatter of automatic fire at the mall. You have been drawn into the chaos and terror of an active shooter event. What do you do? Who do you turn to? *Be a Hero* is the essential guide to terrorist attacks that will help you survive. Former Special Air Service terror expert John Geddes will explain how to cope with a life-threatening event. He shows you how to make clear decisions and beat the odds by: Dealing with fear through simple and effective techniques to bring the chemical urges generated by terror at least partially under control Escaping and evading when possible, using everyday objects and landmarks for protection Fighting back if needed, with methods to disarm an active shooter and to use items at hand as weapons Using a weapon if you are licensed to carry, shooting to kill without collateral damage or being mistaken for a perpetrator Providing medical assistance to deal with traumatic battlefield injury and save lives This is not a book primarily for survivalists and “preppers.” *Be a Hero* is a book for ordinary men and women who could find themselves in the middle of an extraordinary moment. It will help them find the hero inside—and live to tell the tale. “Your immediate response may

A gargantuan, mind-altering comedy about the Pursuit of Happiness in America Set in an addicts' halfway house and a tennis academy, and featuring the most endearingly screwed-up family to come along in recent fiction, Infinite Jest explores essential questions about what entertainment is and why it has come to so dominate our lives; about how our desire for entertainment affects our need to connect with other
