Softies--simple cloth characters to sew with basic tools--are popular worldwide for good reason: easy, fun designs give the successful results that inspire a new generation of kids to sew. This guide to the zenki way, from the founder of Sew a Softie, helps parents, teachers, community organizations, and kids make a good thing even better! Using the zenki method, everyone can create huggable softies--and more importantly, design their own. The zenki secret?
