“Just the right touch of humor, mystery, drama, and romance should earn this a place on every teen bookshelf.” –Kirkus (starred review) This heartfelt debut novel from Kenneth Logan, reminiscent of Love Letters to the Dead and Simon vs. the Homo Sapiens Agenda, explores a muddy landscape of truth and lies and lays bare the sometimes painful but often hopeful work of writing one’s own authentic story. If you asked anyone in his small Vermont town, they’d tell you the facts: James Liddell, star athlete, decent student, and sort-of boyfriend to cute, peppy Theresa, is a happy, funny, carefree guy. But whenever James sits down at his desk to write, he tells a different story. As he fills his drawers with letters to the people in his world—letters he never intends to send—he spills the truth: he’s trying hard, but he just isn’t into Theresa. It’s his friend, a boy, who lingers in his thoughts. James’s secret letters are his safe space—but his truth can’t stay hidden for long. Will he come

William Sharp (1855–1905) conducted one of the most audacious literary deceptions of his or any time. Sharp was a Scottish poet, novelist, biographer and editor who in 1893 began to write critically and commercially successful books under the name Fiona Macleod. This was far more than just a pseudonym: he corresponded as Macleod, enlisting his sister to provide the handwriting and address, and for more than a decade "Fiona Macleod" duped not only the general public but such literary luminaries as William Butler Yeats and, in America, E. C. Stedman. Sharp wrote "I feel another self within me now more than ever; it is as if I were possessed by a spirit who must speak out". This three-volume collection brings together Sharp's own correspondence – a fascinating trove in its own right, by a Victorian man of letters who was on intimate terms with writers including Dante Gabriel Rossetti, Walter Pater, and George Meredith – and the Fiona Macleod letters, which bring to life Sharp's

intriguing "second self". With an introduction and detailed notes by William F. Halloran, this richly rewarding collection offers a wonderful insight into the literary landscape of the time, while also investigating a strange and underappreciated phenomenon of late-nineteenth-century English literature. It is essential for scholars of the period, and it is an illuminating read for anyone interested in authorship and identity.

An epistolary novel set on a fictional island off the South Carolina coastline, 'Ella Minnow Pea' brings readers to the hometown of Nevin Nollop, inventor of the pangram 'The Quick Brown Fox Jumps Over the Lazy Dog'. Deified for his achievement in life, Nevin has been honored in death with a monument featuring his famous phrase. One day, however, the letter 'Z' falls from the monument, and some of the islanders interpret the missing tile as a message from beyond the grave. The letter 'Z' is banned from use. On an island where the residents pride them-selves on their love of language, this is seen as a tragedy. They are still

In his charming debut, first published in 2001, Mark Dunn took readers on a journey through the eyes of Ella Minnow Pea, a young woman forced to create another clever turn of phrase in order to save the islanders' beloved language.

"Paul, a servant of Jesus Christ..." So goes Paul's typical introduction, a modest title for one of Christianity's most authoritative figures. Unique among the apostles, Paul was well-educated and well-respected in the Jewish community of the day. His story is one of dramatic conversion and passionate instruction. His life's work was becoming a servant of Jesus Christ. From pastor and teacher Dr. John MacArthur, *One Faithful Life* is the first-of-its-kind harmony of Paul's message and life. This fascinating set of his letters offers a new understanding of his life story—his marriage, compositions, performances, occasional money worries, opinions of fellow musicians, and complex relationship with his father—and a revealing portrait of both the man and the musician.

questions about identity, art, and the American soul that bedeviled and inspired him until his death. They include early notes to his mother, written as an impoverished college student; lively exchanges with the most distinguished American writers and thinkers of his time, from Romare Bearden to Saul Bellow; and letters to friends and family from his hometown of Oklahoma City, whose influence would always be paramount. These letters are beautifully rendered first-person accounts of Ellison's life and work and his observations of a changing world, showing his metamorphosis from a wide-eyed student into a towering public intellectual who confronted and articulated America's complexities.

NEW YORK TIMES BESTSELLER • “The definitive biography for decades to come.”—Leo Jansen, curator, the Van Gogh Museum, and co-editor of Vincent van Gogh: The Complete Letters Steven Naifeh and Gregory White Smith, who galvanized readers with their Pulitzer Prize-winning biography of Jackson Pollock, have written another tour de force—an exquisitely detailed, compellingly readable portrait of Vincent van Gogh. Working with the full cooperation of the Van Gogh Museum in Amsterdam, Naifeh and Smith have accessed a wealth of previously untapped materials to bring a crucial understanding to the larger-than-life mythology of this great artist: his early struggles to find his place in the world; his intense relationship with his brother Theo; and his move to Provence, where he

painted some of the best-loved works in Western art. The authors also shed new light on many unexplored aspects of Van Gogh's inner world: his erratic and tumultuous romantic life; his bouts of depression and mental illness; and the cloudy circumstances surrounding his death at the age of thirty-seven. Though countless books have been written about Van Gogh, no serious, ambitious examination of his life has been attempted in more than seventy years. Naifeh and Smith have re-created Van Gogh's life with an astounding vividness and psychological acuity that bring a completely new and sympathetic understanding to this unique artistic genius.

What an achievement! It is a major work. The letters taken together with the excellent introductory sections - so balanced and judicious and informative - what emerges is an amazing picture of William Sharp the man and the writer which explores just how fascinating a figure he is. Clearly a major reassessment is due and this book could make it happen. -Andrew Hook, Emeritus Bradley Professor of English and American Literature, Glasgow University William Sharp (1855-1905) conducted one of the most audacious literary deceptions of his or any time. The Brontë story has been written many times but rarely as compellingly as by the Brontës themselves. In this selection of letters and autobiographical fragments we hear the authentic voices of the three novelist sisters, Charlotte, Emily and Anne, their brother, Branwell, and their father, the Reverend Patrick Brontë. We share in their progress over the years: the exuberant childhood, absorbed in wild, imaginative games; the years of struggling to earn a living in uncongenial occupations before *Jane Eyre*, *Wuthering Heights* and *The Tenant of Wildfell Hall* took the literary world by storm; the terrible marring of that success as, one by one, Branwell, Emily and Anne died tragically young; the final years as Charlotte, battling against grief, loneliness and ill health, emerged from anonymity to take her place in London literary society and, finally, found an all too brief happiness in marriage to her father's curate. Juliet Barker, author of the highly acclaimed biography *The*

Brontës has used her unrivalled knowledge of the family to select extracts from letters and manuscripts, many of which are appearing here in print for the first time. Charlotte was a letter-writer of supreme ability, ranging from facetious notes and homely gossip to carefully composed pages of literary criticism and, most movingly of all, elegiac tributes to her beloved brother and sisters. Emily and Anne remain tantalizingly evasive. Very few of their letters are extant. Emily's are mere businesslike notes, though these have been supplemented by her more revealing diary papers; Anne's letters are equally frustrating, but only because their quality makes us regret their paucity. Branwell emerges as distinctly as Charlotte from his letters. Whether trying to impress William Wordsworth with his literary abilities, showing off to his artistic friends or finally coming to terms with a life of failed ambition, his character is laid bare on every page. The Reverend Patrick Brontë's devotion to his children and passionate advocacy of liberal causes are equally well illustrated in

what can only be a small selection from his voluminous correspondence. The Brontë letters are supplemented by extracts from other contemporary sources, which allow us to see the family as their friends and acquaintances saw them. A brief narrative text guides the reader through the letters and sets them in context. By allowing the Brontës to tell their own story, Juliet Barker has not only produced an innovative form of biography but also given us the unique privilege of participating intimately in the lives of one of the most famous and best-loved families of English literature.

Fitzgerald's letters, edited by leading Fitzgerald scholar and biographer Matthew J. Bruccoli, we see through his own words the artistic and emotional maturation of one of America's most enduring and elegant authors. *A Life in Letters* is the most comprehensive volume of Fitzgerald's letters -- many of them appearing in print for the first time. The fullness of the selection and the chronological arrangement make this collection the closest thing to an autobiography that Fitzgerald ever wrote. While many readers are familiar with Fitzgerald's legendary "jazz age" social life and his friendships with Ernest Hemingway, Gertrude Stein, Edmund Wilson, and other famous authors, few are aware of his writings about his life and his views on writing. Letters to his editor Maxwell Perkins illustrate the development of Fitzgerald's literary sensibility; those to his friend and competitor Ernest Hemingway reveal their difficult relationship. The most poignant letters here were written to his wife, Zelda, from the time of their courtship in Montgomery, Alabama, during World War I to her extended convalescence in a sanatorium near Asheville, North Carolina. Fitzgerald is by turns affectionate and proud in his letters to his daughter, Scottie, at college in the East while he was struggling in Hollywood. For readers who think primarily of Fitzgerald as a hard-drinking playboy for whom writing was effortless, these letters show his serious, painstaking concerns with creating realistic, durable art. Drawing on Hamilton's rich correspondence, which spans the period from 1888 to 1965, this documentary biography traces Hamilton's extraordinarily active life and career in industrial toxicology, in medicine and social reform, and as a pacifist and civil libertarian. *More Letters of Note* is another rich and inspiring collection, which reminds us that much of
