*Do you have a friend you want to receive Jesus into their lives? Do you want to receive how much God loves and values you? Do you want to be empowered to do the impossible? Then, you have to know who you are! Treasure will take you into the realization of God's love for you as you discover you are His treasure.*

*What religion does not serve as a theater of tears? Holy Tears addresses this all but universal phenomenon with passion and precision, ranging from Mycenaean Greece up through the tragedy of 9/11. Sixteen authors, including many leading voices in the study of religion, offer essays on specific topics in religious weeping while also considering broader issues such as gender, memory, physiology, and spontaneity. A comprehensive, elegantly written introduction offers a key to these topics. Given the pervasiveness of its theme, it is remarkable that this book is the first of its kind--and it is long overdue. The essays ask such questions as: Is religious weeping primal or culturally constructed? Is it universal? Is it spontaneous? Does God ever cry? Is religious weeping altered by sexual or social roles? Is it, perhaps, at once scripted and spontaneous, private and communal? Is it, indeed, divine? The grief occasioned by 9/11 and violence in Afghanistan, Iraq, Israel, and elsewhere offers a poignant context for this fascinating and richly detailed*

In Holy Misogyny, bible scholar April DeConick wants real answers to the questions that are n whispered from the pulpits of the contemporary Christian churches. Why is God male? Why a women associated with sin? Why can't women be priests? Drawing on her extensive knowled early Christian literature, she seeks to understand the conflicts over sex and gender in the ea church-what they were and what was at stake. She explains how these ancient conflicts hav

## Access Free A Pearls Anointing The Process Of Agitation Has The Gift Of Producing Pearls

contemporary Christianity and its promotion of male exclusivity and superiority in terms of God, church leadership, and the bed. DeConick's detective work uncovers old aspects of Christianity that later doctrines and dogmas were imposed upon the churches, and the earlier teachings about the female were distorted. Holy Misogyny shows how the female was systematically erased from Christian tradition, and why. She concludes that the distortion and erasure of the female is the result of ancient misogyny made divine writ, a holy misogyny that remains with us today.

Processing the Process: The Diamond that Did Well Under Pressure! I'm Still Standing... By: Tonya C. Jackson Processing the Process is about one woman's journey to overcome many hardships, such as molestation and death. Tonya C. Jackson had to learn to trust God and keep pushing forward after many setbacks, and although her life is hard, she still pushes past a lot of pain, and growing in Christ. You can do the same. Jackson's relationship with God has taught her to trust Him. Even though bad things happen, it doesn't mean that God is not there. He's there every day, the way, and God has a plan for each and every one of us. Processing the Process is about learning to surrender our will for God's. God is faithful and will bless us more than we can imagine. So, stay positive, pray up, and bless others, and God's strength and blessing will come to you.

Cultivating Pearls begins the process of discovering how to walk with God in an intimate way, not just a formula of "do this and do that and say this prayer and read this verse and, ta-da, you're done." It is learning how to communicate with our Father, to understand the fact that He is an inexhaustible fountain of water and life, and He desperately desires to feed our souls and purify us for His kingdom. We can reflect His love to our world. Unique coloring pages and journaling prompts will create a safe and open place for you to meet God, then express and formulate your feelings in a creative and personal way. Through this process you will discover the rhythm of walking with God and knowing how

The Process of Agitation Has the Gift of Producing Pearls

Tilling the Church is a theology for the pilgrim church. In this book, Richard Lennan shows how the ecclesial community looks toward the fullness of God's reign but lives within the flux of history, the site of its relationship to the trinitarian God. In this way, God's grace "tills" the church, constantly refreshing the tradition of faith and prompting the discipleship that embodies the gospel. Tilling the Church explores the possibilities for a more faithful, just, and creative church, one responsive to the movement of grace. Fruitful engagement with grace requires the church's conversion, the ongoing formation of a community whose words and actions reflect the hope that grace engenders.

This book illuminates Grace as it fills in the inadequacies of the Law restoring our personal relationship with God the Father. Bringing awareness around many contentious issues such as Death, the dynamics of The Kingdom and the accessible to righteousness through God's unmerited favour of Grace. In October 2007, While I lay there I began to talk to God, and my prayer was, "Lord please show me which is the right way?" God spoke to me while I was praying saying in an audible voice, "Seek ye first the Kingdom of God and all its righteousness do not be moved by your own emotions, ideals, or opinions. Then all these things that you seek will be added, I will make your path as smooth as ice, melting all your obstacles before you, and then I will seat you with Priests and Kings for My Glory." I have spent the last seven years researching and documenting, His will and purpose for my Life. Understanding that the only way I can qualify for His righteousness is under the pure sinless blood covering. In the hope that would become radical Believers, maturing into Spirit-sons.

This collection of papers focuses on the literary art of early Christian poetry in Syriac, Greek and Latin. It discusses both the techniques of this art and its theoretical foundation in the Christian use of classical literary traditions.

What is church supposed to really be like? Are denominations and religions hindering America and the true spreading of the gospel of Jesus Christ? What does the Bible actually teach about salvation, redemption, forgiveness of sins, and the truth of the baptisms? There are many who are searching for the truth. This book is revealing, in a comprehensive and understanding way, some of the many aspects of the teachings in the Bible. It brings to light some of the mysteries hidden in the parables, along with some revelation about the signs of the times and Israel, the fig tree. People need to be aware that there is one true God, and he loves his creation and desires for them to come to know him.

God intends for his children to know his heart from his Word. He therefore wants us to allow his Holy Spirit to teach us in

Mormon Enigma is the bestselling biography of Emma Hale Smith, wife of the Mormon prophet Joseph Smith. It was Joseph Smith who announced that an angel of the Lord had commanded him to introduce a 'new order of marriage.' And it was Emma Hale Smith who confronted the practice of polygamy head on. As the authors note in their introduction, "Early .....

One of our continual struggles, as women, is to believe in our value in spite of our pain and past mistakes. I am a pearl will empower you to accept God's love and forgiveness, recognize that no matter what you have done or what you have experienced you were created for a purpose, and that God sees you as a pearl of great value. Based on the parable, of the pearl found in Matthew 13:45-46, I am a Pearl unfolds key principles in overcoming painful pasts, improving the present, and embracing the future. One may ask, ¿Why a pearl and not a diamond?¿ When you study the pearl--the meaning, the value, the symbolism, and the creation process--it is a natural comparison. The pearl is the only gem that emerges from nature

Christian life; from the problems of Loneliness, Anger, Rejection, Fear that everyday Christian may face, we will learn through the biblical stories how God taught us eternal lessons. From the story of Ruth to the story of Joseph you will learn about love, endurance and how God build the character of his children before using them. The wisdom of God is immeasurable, in this book, we are receiving some Pearls of His Wisdom to perfect and mature in our walk in Christ. Paulette Mpouma is a Christian mother of four children. She had her first Miracle when she was 9 years old and since then she has never stopped asking God to use her to serve Him. Paulette is a Minister of Reconciliation and Deliverance in her local Church, Bethel world outreach ministries, where she serves. The Lord blesses her with a gift of revelation that she is using in her writings. Pearls of Wisdom is her second book where she reveals different messages received through fellowship with the Holy Spirit.

The Anointing of His Spirit captures Smith Wigglesworth's message of faith. You will find the heart of a man who cried out to God on behalf of others, praying powerfully and effectively for healing and provision-spiritual financial, emotional and physical. Today his words still ring with power and continue to inspire incredible faith in those who hear them.

“Thy seed will I establish for ever, and I will build up thy throne to all

In this pioneering book, Virginia Smith combines archeology, psychology, biology, and sociology to reveal how and why standards of cleanliness have come to exist today. Using hundreds of first-hand accounts and sources, Smith bring us from the Neolithic age to the present, peppering her engaging prose with enlightening and often surprising details. Subconscious cleanliness has been with us since the first cell ejected a foreign invader. Even at the earliest stages of human development, our bodies produced pleasure-giving chemical opiates when things smelled or felt clean, inducing us to do things like bathing and removing dirty clothes. The need to be clean led directly to socialization, as we turned to our fellows for help with those hard to reach spots. In Eurasia during the Bronze Age, an emerging hierarchy of wealthy elites turned their love of grooming into an explosion of the cosmetic and luxury goods industry, greatly effecting the culture and economy of a vast area and leading to advances in chemistry and medicine. The history that follows, from Greece and Rome, where citizens focused much of their leisure time on perfecting, bathing, or just writing about the model athletic body, through Europe in the middle ages and the following centuries, is full of intriguing customs, convoluted treatises, and many reversals. Baths were good for you, baths were bad for you, baths were good again--but only if they were quite cold. Even the enlightened medical knowledge of modern times could not stop an onslaught of health remedies, treatments, spas, and New Age nature cures that were to follow. While today we are immeasurably closer--perhaps too close--to knowing just what "clean" means to our bodies, we are still just as far as we ever
