When tragedy strikes we want to know: Why did this happen? How could it have happened? Where is life's justice and fairness? When tragedy strikes we need to know: What still makes sense. What paths lead to healing. How to deal with the timeless questions. When Rabbi Richard Agler's twenty-six-year-old daughter Talia was struck and killed by a motor vehicle, his understanding of tragedy failed him. This book is an account of a journey, one he had no choice but to take, leading from unimaginable grief to (at least partial) recovery. In clear and compelling language, with references to both ancient and modern sources of wisdom, Rabbi Agler offers insight for everyone who has, or who one day might, experience painful loss. The Tragedy Test may give you enhanced clarity on some of humanity's most profound questions. It may lead you to reimagine the nature of our universe. It may fundamentally challenge your understanding of the God you thought you knew. It will not leave you unmoved or unchanged.

Golding's iconic 1954 novel, now with a new foreword by Lois Lowry, remains one of the greatest books ever written for young

adults and an unforgettable classic for readers of any age. This edition includes a new Suggestions for Further Reading by Jennifer Buehler. At the dawn of the next world war, a plane crashes on an uncharted island, stranding a group of schoolboys. At first, with no adult supervision, their freedom is something to celebrate. This far from civilization they can do anything they want. Anything. But as order collapses, as strange howls echo in the night, as terror begins its reign, the hope of adventure seems as far removed from reality as the hope of being rescued.

Hailed as one of the year's top five novels by Time, and selected as one of the best books of the year by nearly all major newspapers, national bestseller Peace Like a River captured the hearts of a nation in need of comfort. "A rich mixture of adventure, tragedy, and healing," Peace Like a River is "a collage of legends from sources sacred and profane -- from the Old Testament to the Old West, from the Gospels to police dramas" (Ron Charles, The Christian Science Monitor). In "lyrical, openhearted prose" (Michael Glitz, The New York Post), Enger tells the story of eleven-year-old Reuben Land, an asthmatic boy who has reason to believe in miracles. Along with his sister and father, Reuben finds himself on a cross-country search for his outlaw older brother who has been controversially charged with murder. Their journey is touched by serendipity and the kindness of strangers, and its remarkable conclusion shows how family, love, and faith can stand up to the most terrifying of enemies, the most tragic of fates. Leif Enger's "miraculous" (Valerie Ryan, The Seattle Times) novel is a "perfect book for an anxious time ... of great literary merit that nonetheless restores readers' faith in the kindness of stories" (Marta Salij, Detroit Free Press).

"The Master Plan is less of a road map and more of a philosophy that we should all take to

heart: We are all better than our worst decision, our sense of justice should honor the redemptive possibilities inherent in every person, and our destinies are truly intertwined."--Wes Moore, author of *The Other Wes Moore* Growing up in Washington, DC, Chris Wilson was surrounded by violence and despair. He watched his family and neighborhood shattered by trauma, and he lost his faith. One night when he was seventeen, defending himself, he killed a man. He was sentenced to life in prison with no hope of parole. But what should have been the end of his story became the beginning. Behind bars, Wilson embarked on a remarkable journey of self-improvement--reading, working out, learning languages, even starting a business. At nineteen, he sat down and wrote a list of all the things he intended to accomplish, and all the steps he'd have to take to get there. He called it his Master Plan. He revised that plan regularly and followed it religiously. Sixteen years later, it led him to an unlikely opportunity--and to a promise he has been working hard to live up to every day since. Harrowing, heartbreaking, and ultimately triumphant, *The Master Plan* is a memoir for this moment, proving that every person is capable of doing great things.

Part coming of age, part call to action, this fast-paced #ownvoices novel about a Deaf teenager is a unique and inspiring exploration of what it means to belong. Smart, artistic, and independent, sixteen year old Piper is tired of trying to conform. Her mom wants her to be "normal," to pass as hearing, to get a good job. But in a time of food scarcity, environmental collapse, and political corruption, Piper has other things on her mind—like survival. Piper has always been told that she needs to compensate for her Deafness in a world made for those who can hear. But when she meets Marley, a new world opens up—one where Deafness is something to celebrate, and where resilience means taking action, building a community, and believing in something better. Published to rave reviews as *Future Girl* in Australia (Allen & Unwin, Sept. 2020), this empowering, unforgettable story is told through a visual extravaganza of text, paint, collage, and drawings. Set in an ominously prescient near future, *The Words in My Hands* is very much a novel for our turbulent times.

The growing concern over the number of accidental firearm shootings, especially those involving children, prompted passage of the initial handgun safety law which went into effect in 1994. The stated intent of the California Legislature in enacting the current FSC law is for persons who obtain firearms to have a basic familiarity with those firearms, including, but not limited to, the safe handling and storage of those firearms. The statutory authority for this program is contained in Penal Code sections 26840 and 31610 through 31700. These statutes mandate DOJ to develop, implement and maintain the FSC Program. Pursuant to Penal Code section 26840, a firearms dealer cannot deliver a firearm unless the person receiving the firearm presents a valid FSC, which is obtained by passing a written test on firearm safety. Prior to taking delivery of a firearm from a licensed firearms dealer, the purchaser/recipient must also successfully perform a safe handling demonstration with that firearm..
