war, one woman breaks off from the pack. She is sickened by the tradition of stealing valuables off the dead and runs off to hide. In her hiding place, however, lingers the badly wounded knight. The young woman is frightened at first but she tends the knight and

saves his life. Little does the Lady Jordan Scott know that she has just saved the life of the dreaded English knight known to her people as The Wolf.... Several months later, peace is proposed along the border. An English groom is offered to a Scots bride.

The Lady Jordan Scott is that bride and her groom is the aged and powerful Earl of Teviot, John de Longley. When Lord de Longley sends his mighty and hated army to collect his new bride, the captain of the army personally retrieves Lady Jordan.

When Jordan looks upon the fearsome English knight, she realizes there is something oddly familiar about his voice. When the man finally reveals himself, she sees that it is none other than the man whose life she saved, Sir William de Wolfe, the

Scourge of the Scots. William has never forgotten about his Scots angel. As he escorts her back to Northwood Castle to wed his liege, each passing minute sees him fall more hopelessly in love with her. Jordan comes to know the man beyond The Wolf of
