known as the Shabby Chic style. Like the cozy familiarity of a well-worn pair of faded jeans, the dilapidated elegance of an Italian villa, or the worn grandeur of faded velvets and mismatched floral china handed down from your grandmother's attic, the Shabby Chic style is a revived appreciation for what is used, well-loved, and worn. It is a respect for natural evolution and a regard for what is easy and sensible. The hundreds of lavish photographs in this book invite you inside the unique world of Shabby Chic. Rachel Ashwell, founder of the Shabby Chic home decor stores, for the first time provides her invaluable and much-sought-after advice on how to re-create Shabby Chic style in your own home. With engaging text and

easy-to-follow instructions, Rachel details the Shabby Chic basics in a way that will put even the most apprehensive or novice decorators at ease. From flowers to fabrics to lighting, Rachel illuminates all of the elements essential to this unpretentious yet truly exquisite style. A behind-the-scenes look at a flea market lets readers in on Rachel's personal secrets of how to cull hidden treasures from flea market trash--an old trunk, its paint peeling around the edges, can be given new life as a coffee table, while a chipped white iron salvage piece becomes the perfect frame for a vintage mirror. This book tells you not only how to restore these pieces but how to find the perfect place for them in your home. Gorgeous color photographs

After she tried in vain to find a baby book that catered to the 1 in 4 women who endure miscarriage, Margaret's purpose became clear. In 2016, Margaret started a business and created the manuscript for I Love You Still: A Memorial Baby Book. Since then, the book has been circulated to over 20 countries, and her story has appeared on news outlets such as NBC News, The TODAY Show, People Magazine, FOX Television, and MSN News. Today, Margaret continues her mission to cherish pregnancy, remember baby, and honor motherhood by encouraging real conversation about pregnancy and baby loss, and postpartum mental health.

An Address Book and Tracker for the Christmas Cards You Send and Receive - Reindeer and Fox Cover

When Baby Shark suddenly develops superpowers, he forms a super squad to fight under-the-sea crimes. But when things start to go wrong, Baby Shark realizes that friendship is the greatest power of all.

From #1 bestselling author Lisa Scottoline comes a pulse-pounding new novel. Your family has been attacked, never again to be the same. Now you have to choose between law...and justice. Jason Bennett is a suburban dad who owns a court-reporting business, but one night, his life takes a horrific turn. He is driving his family home after his daughter's field hockey game when a pickup truck begins tailgating them, on a dark stretch of road. Suddenly two men jump from the

pickup and pull guns on Jason, demanding the car. A horrific flash of violence changes his life forever. Later that awful night, Jason and his family receive a visit from the FBI. The agents tell them that the carjackers were members of a dangerous drug-trafficking organization—and now Jason and his family are in their crosshairs. The agents advise the Bennetts to enter the witness protection program right away, and they have no choice but to agree. But WITSEC was designed to protect criminal informants, not law-abiding families. Taken from all they know, trapped in an unfamiliar life, the Bennetts begin to fall apart at the seams. Then Jason learns a shocking truth and realizes that he has to take

matters into his own hands.

Sometimes justice is a one-man show.
